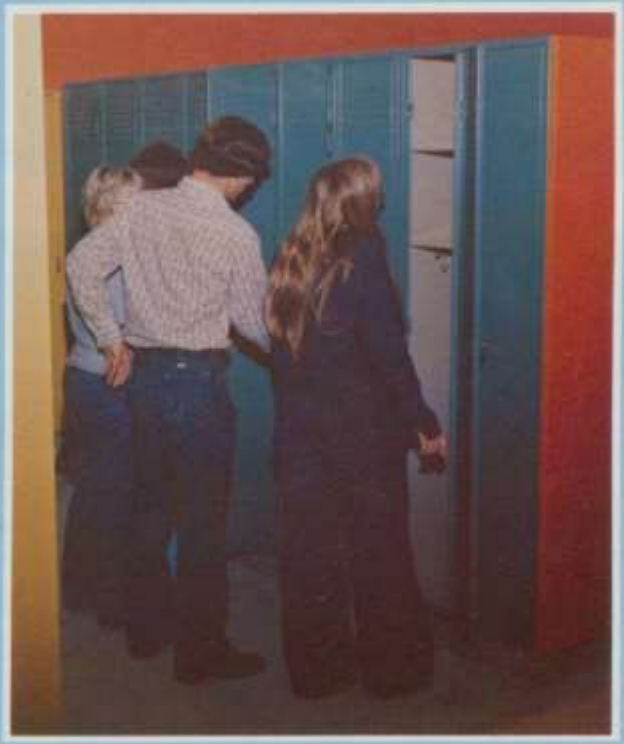
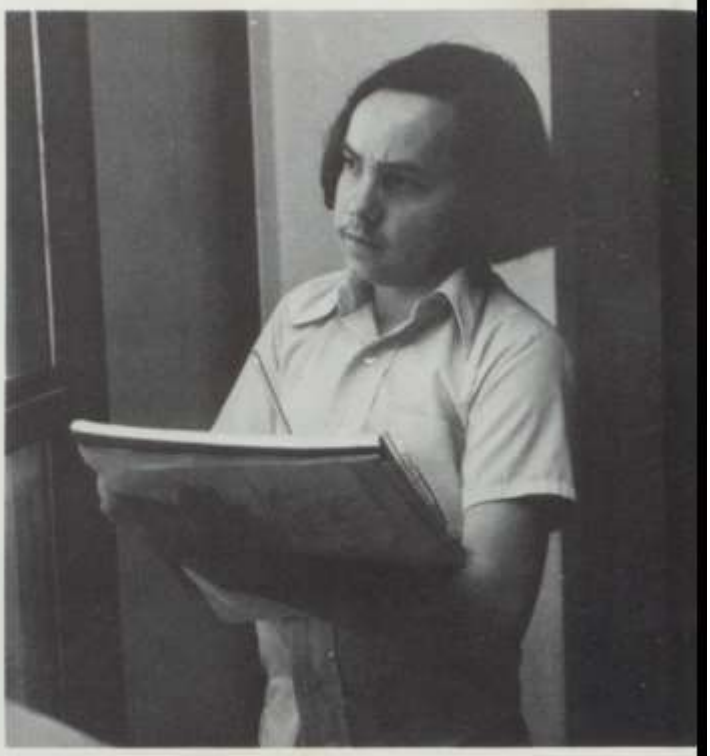
This Is It!

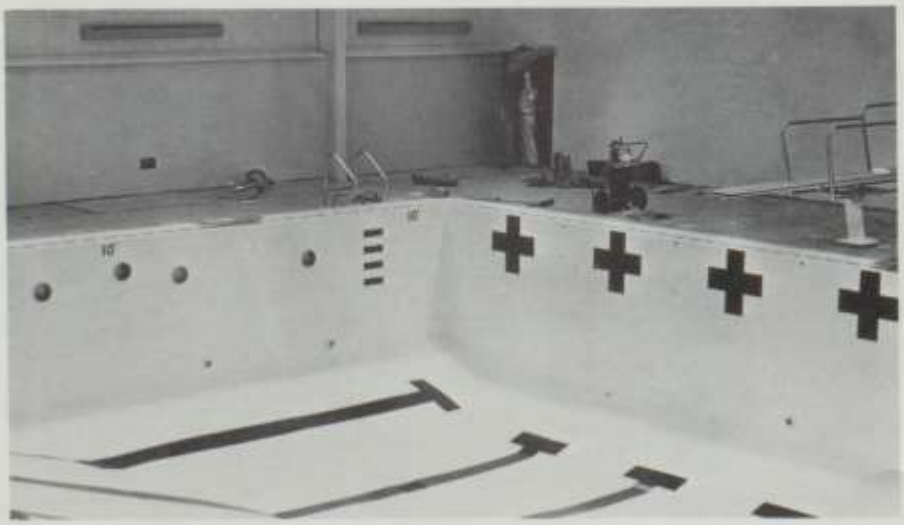
It was a plan that was put into effect months ago when the final bids were received. Everyone was excited . . . "I wonder if I'll get to graduate from there?" . . . "Boy, I can't wait!" were just some of the responses.

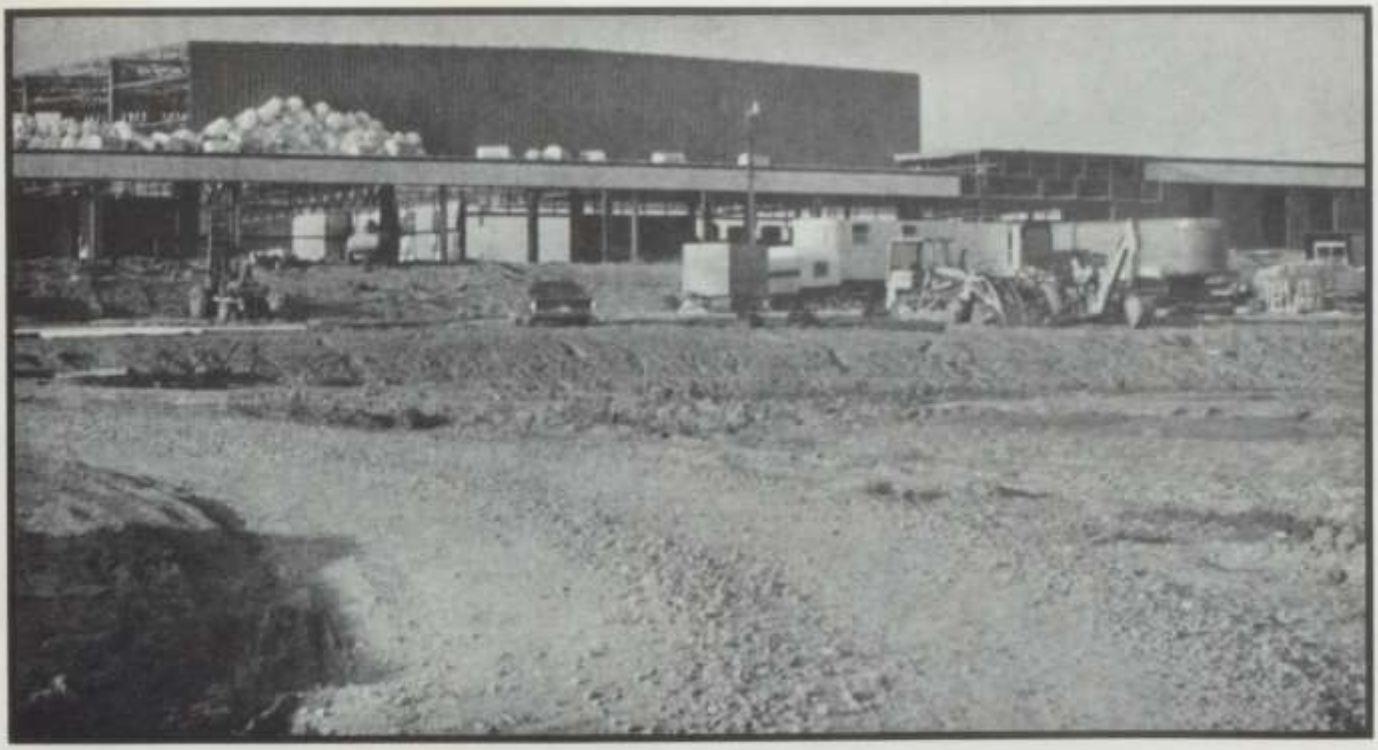
Now that we have moved on in our lives and moved into the new school, we've found that the class of '76 is the first class to graduate and everyone is still excited.

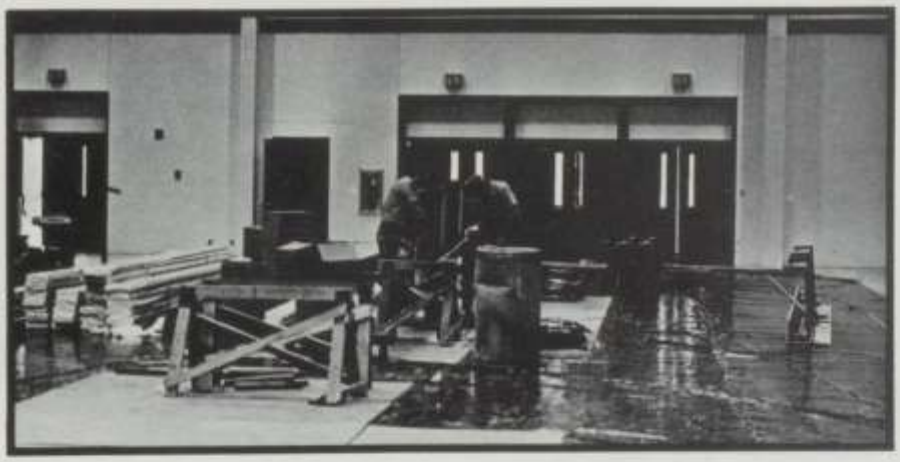
In addition to all of this, the underclassmen have a lot to look forward to in classes, activities, and just plain fun.

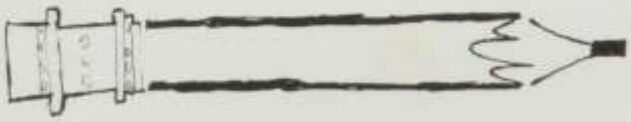












School Days

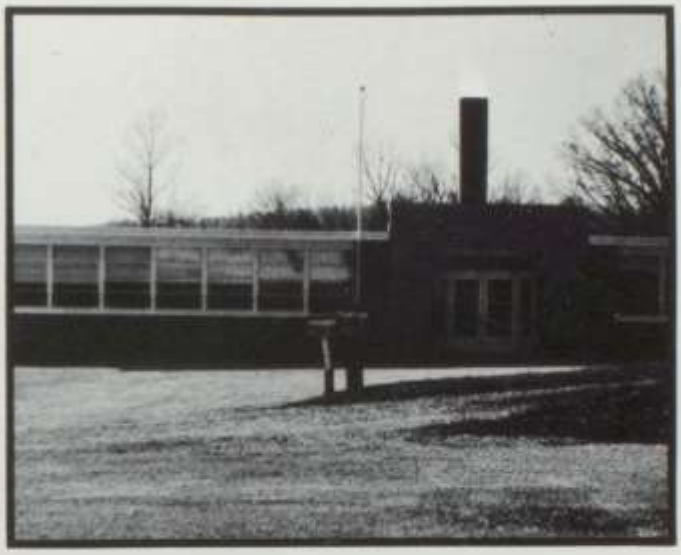
Many exciting things have happened since the beginning of the second semester. Moving into the new school was pretty hectic, but once in, things started to settle down. Things had begun to happen. The student body seemed to appreciate the new changes and began looking forward to many others yet to come.

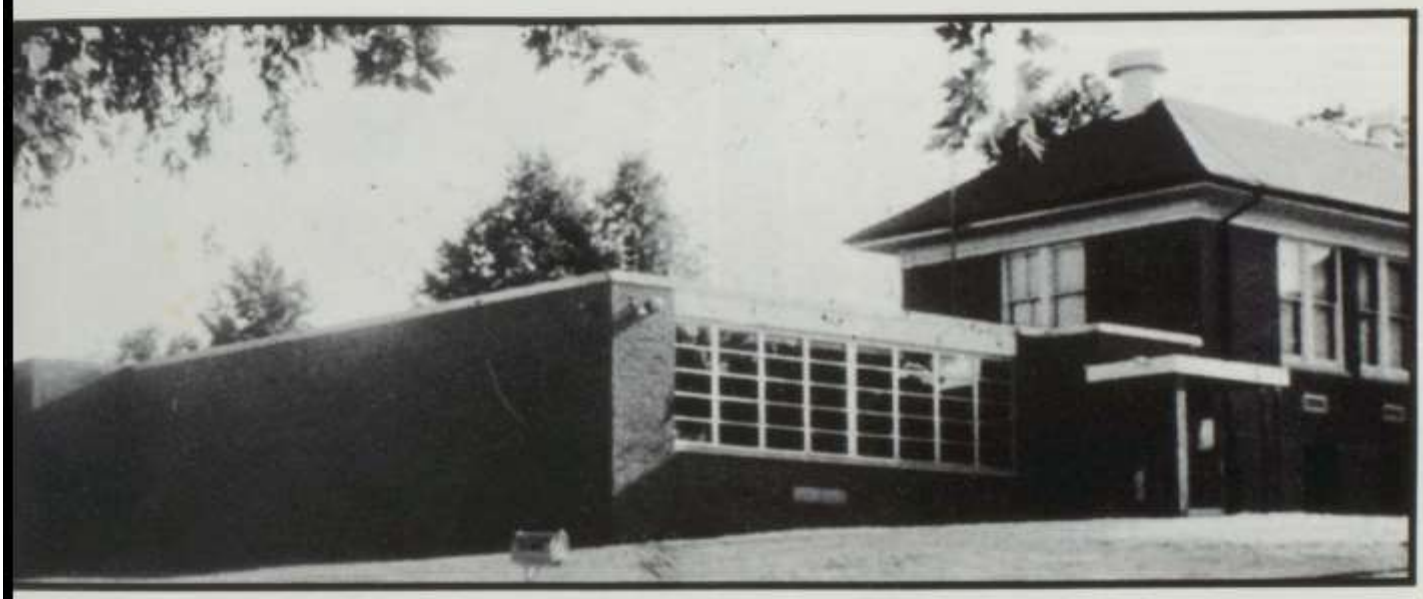
50 Years

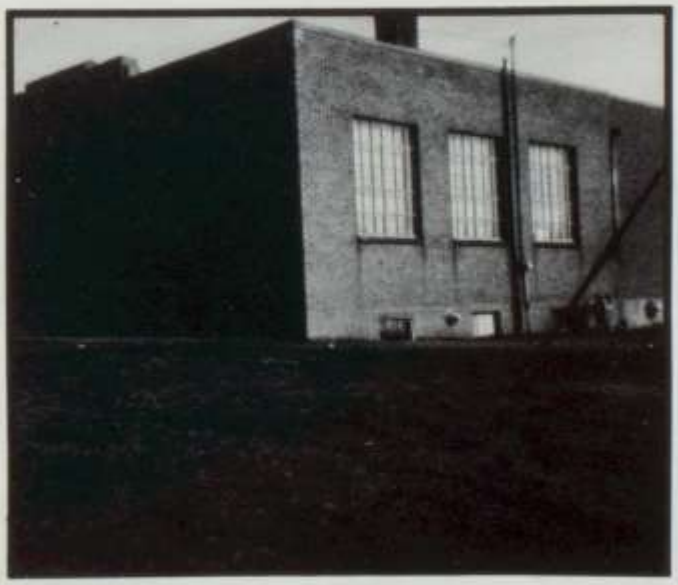
1976. Dubois High School is not only celebrating the Bicentennial of the United States this year, but also the 50th anniversary of Dubois High School's graduating classes. The following few pages consist of pictures ranging from the 1920's up to the present days of 1976. This is our salute to Dubois High School and the community.

A BRIEF HISTORY:

Dubois High School was first opened in 1913 by Martin Thimling, Harbison Township trustee. The school had no record of any graduates until later. In 1922 a high school was built with the first graduating class in the 1926–27 school year. In August, 1959, the students moved into a new high school. From there the students have now moved into another new high school building and are looking forward to the next 50 years!







20's & 30's

Can you find a relative? These pictures depict scenes of the 1920's through the 1950's. Such as: a basketball team with one of Dubois' former coaches; the first graduating class; the ruins of Cuzco High School; the first Junior-Senior prom. . . .

40's & 50's

. . . or how about the "ole" study hall? athletics? senior classes? the old gym before rennovation? the "before look" of the Dubois Community Club? These are all things to be remembered.

'60's & '70's

The past holds pleasant memories for most of us, but for some it holds embarrassing or painful moments they wish to forget.

Most of us have parents that wish they were back in school so that they can relive those "magic moments" over again. We hope you enjoy looking back over the years.

Today

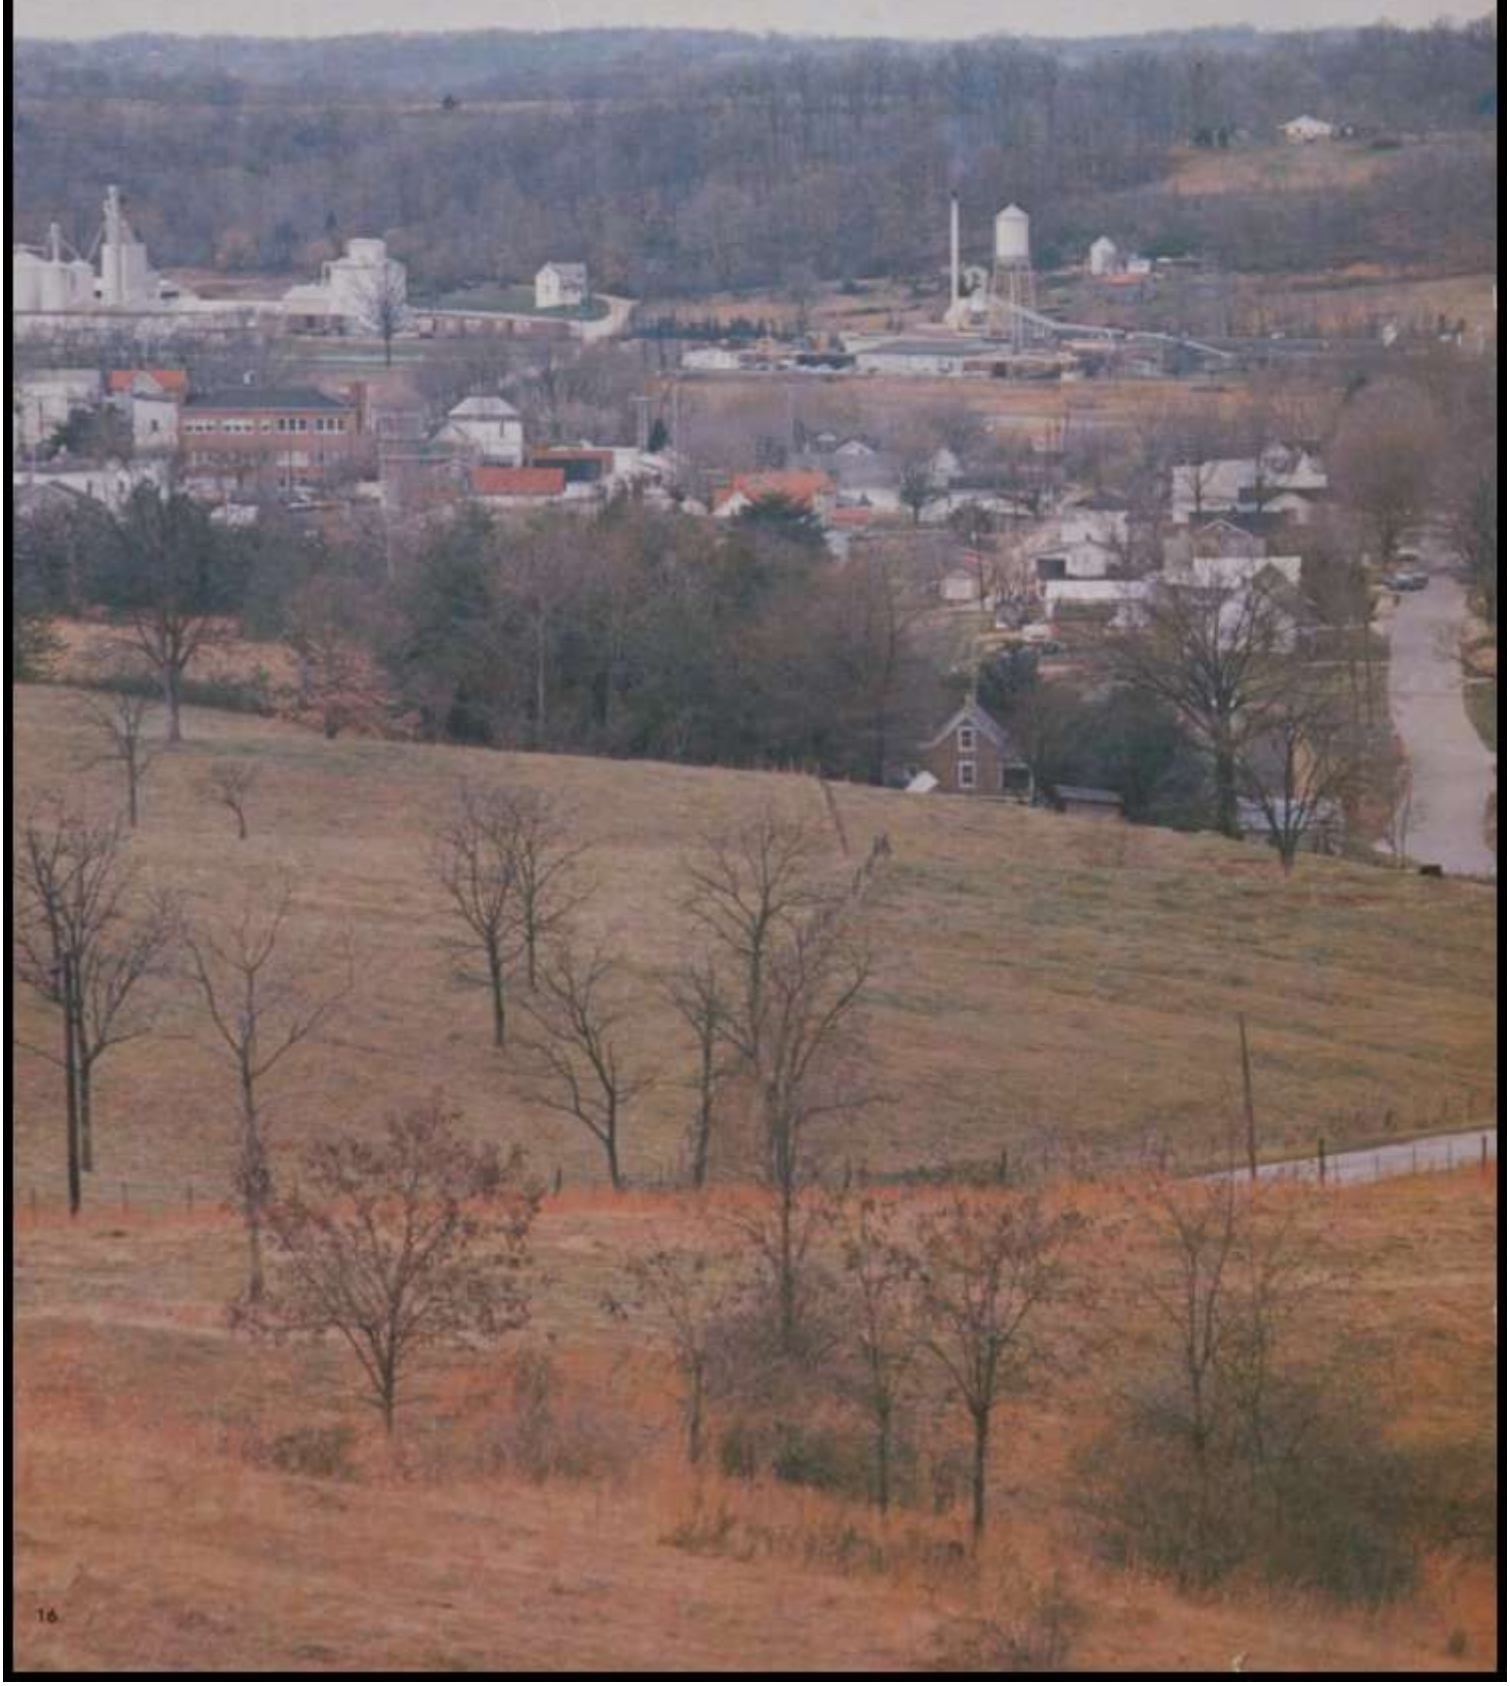
And today. A lot of things sure have changed. Dress styles, hair styles, customs, and so forth. Even the school. No more will we know our school as Dubois High School, but as Northeast Dubois High School. Let's cherish the changes, hang on to the memories, and remember the moments of our school years. In another fifty years we can look back on these and say, "Remember when. . . . . ."

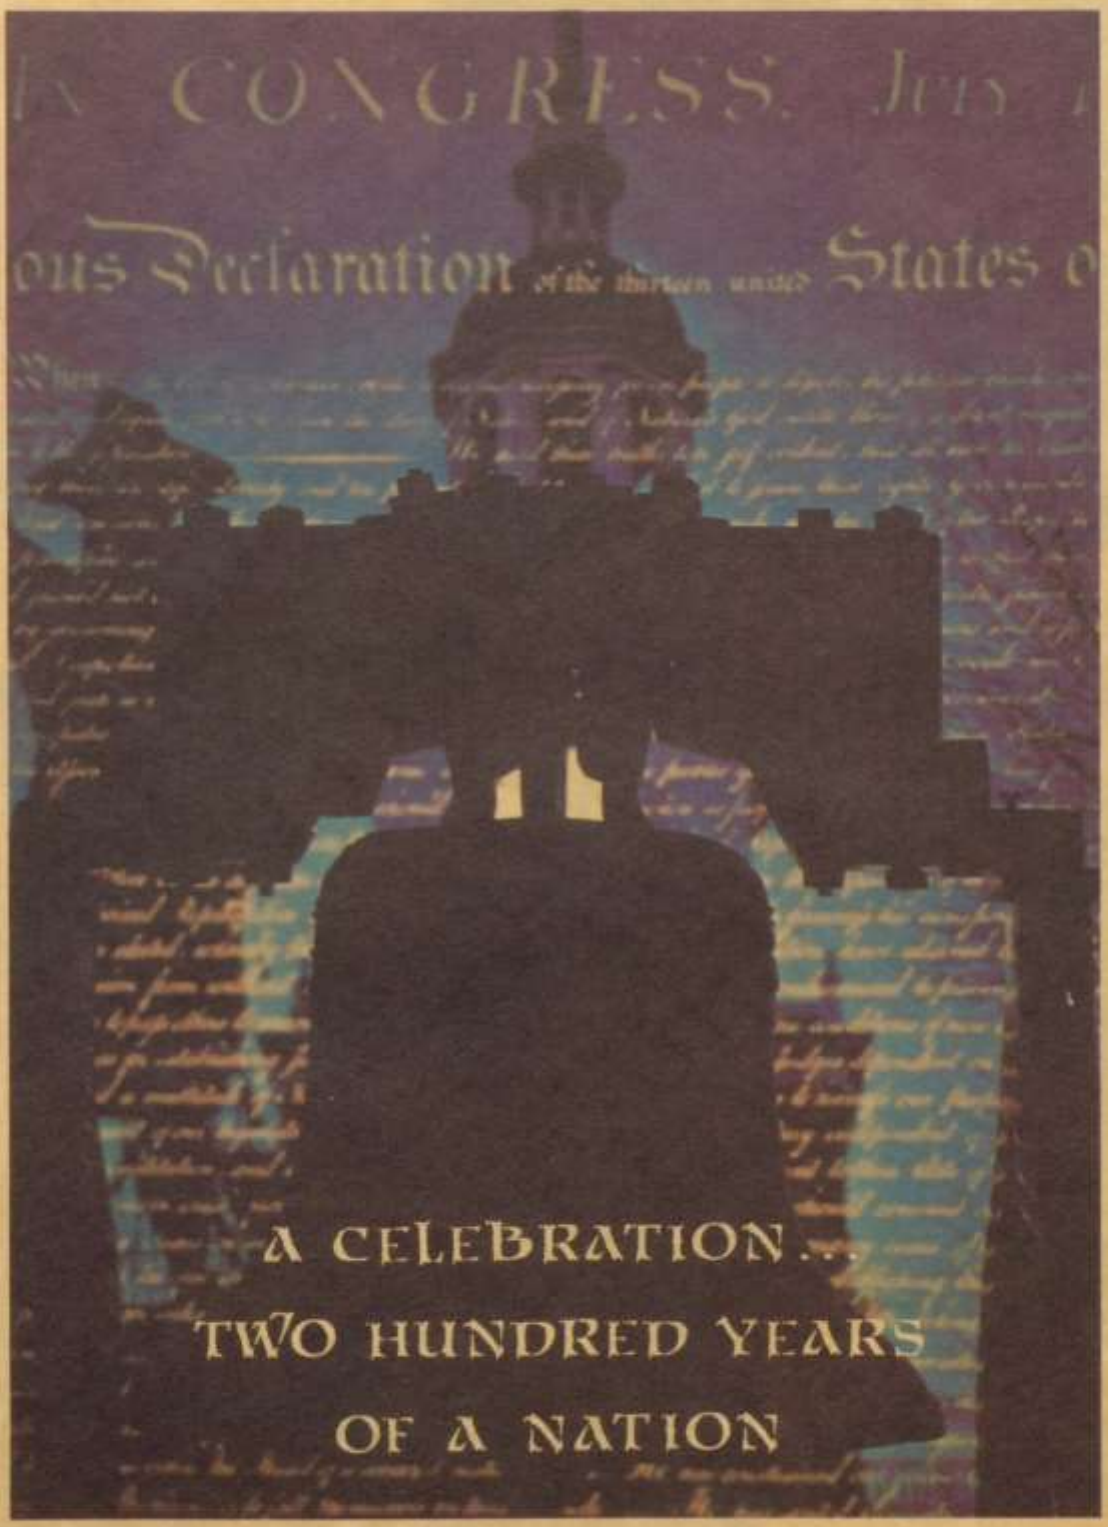
What does the future hold for us? What will we be doing in the next ten or twenty years? Will the community that we live in now still exist? No one can really say.

As we are celebrating our 50th anniversary of our graduating classes, we are also celebrating the birthday of our country: our nation's Bicentennial.

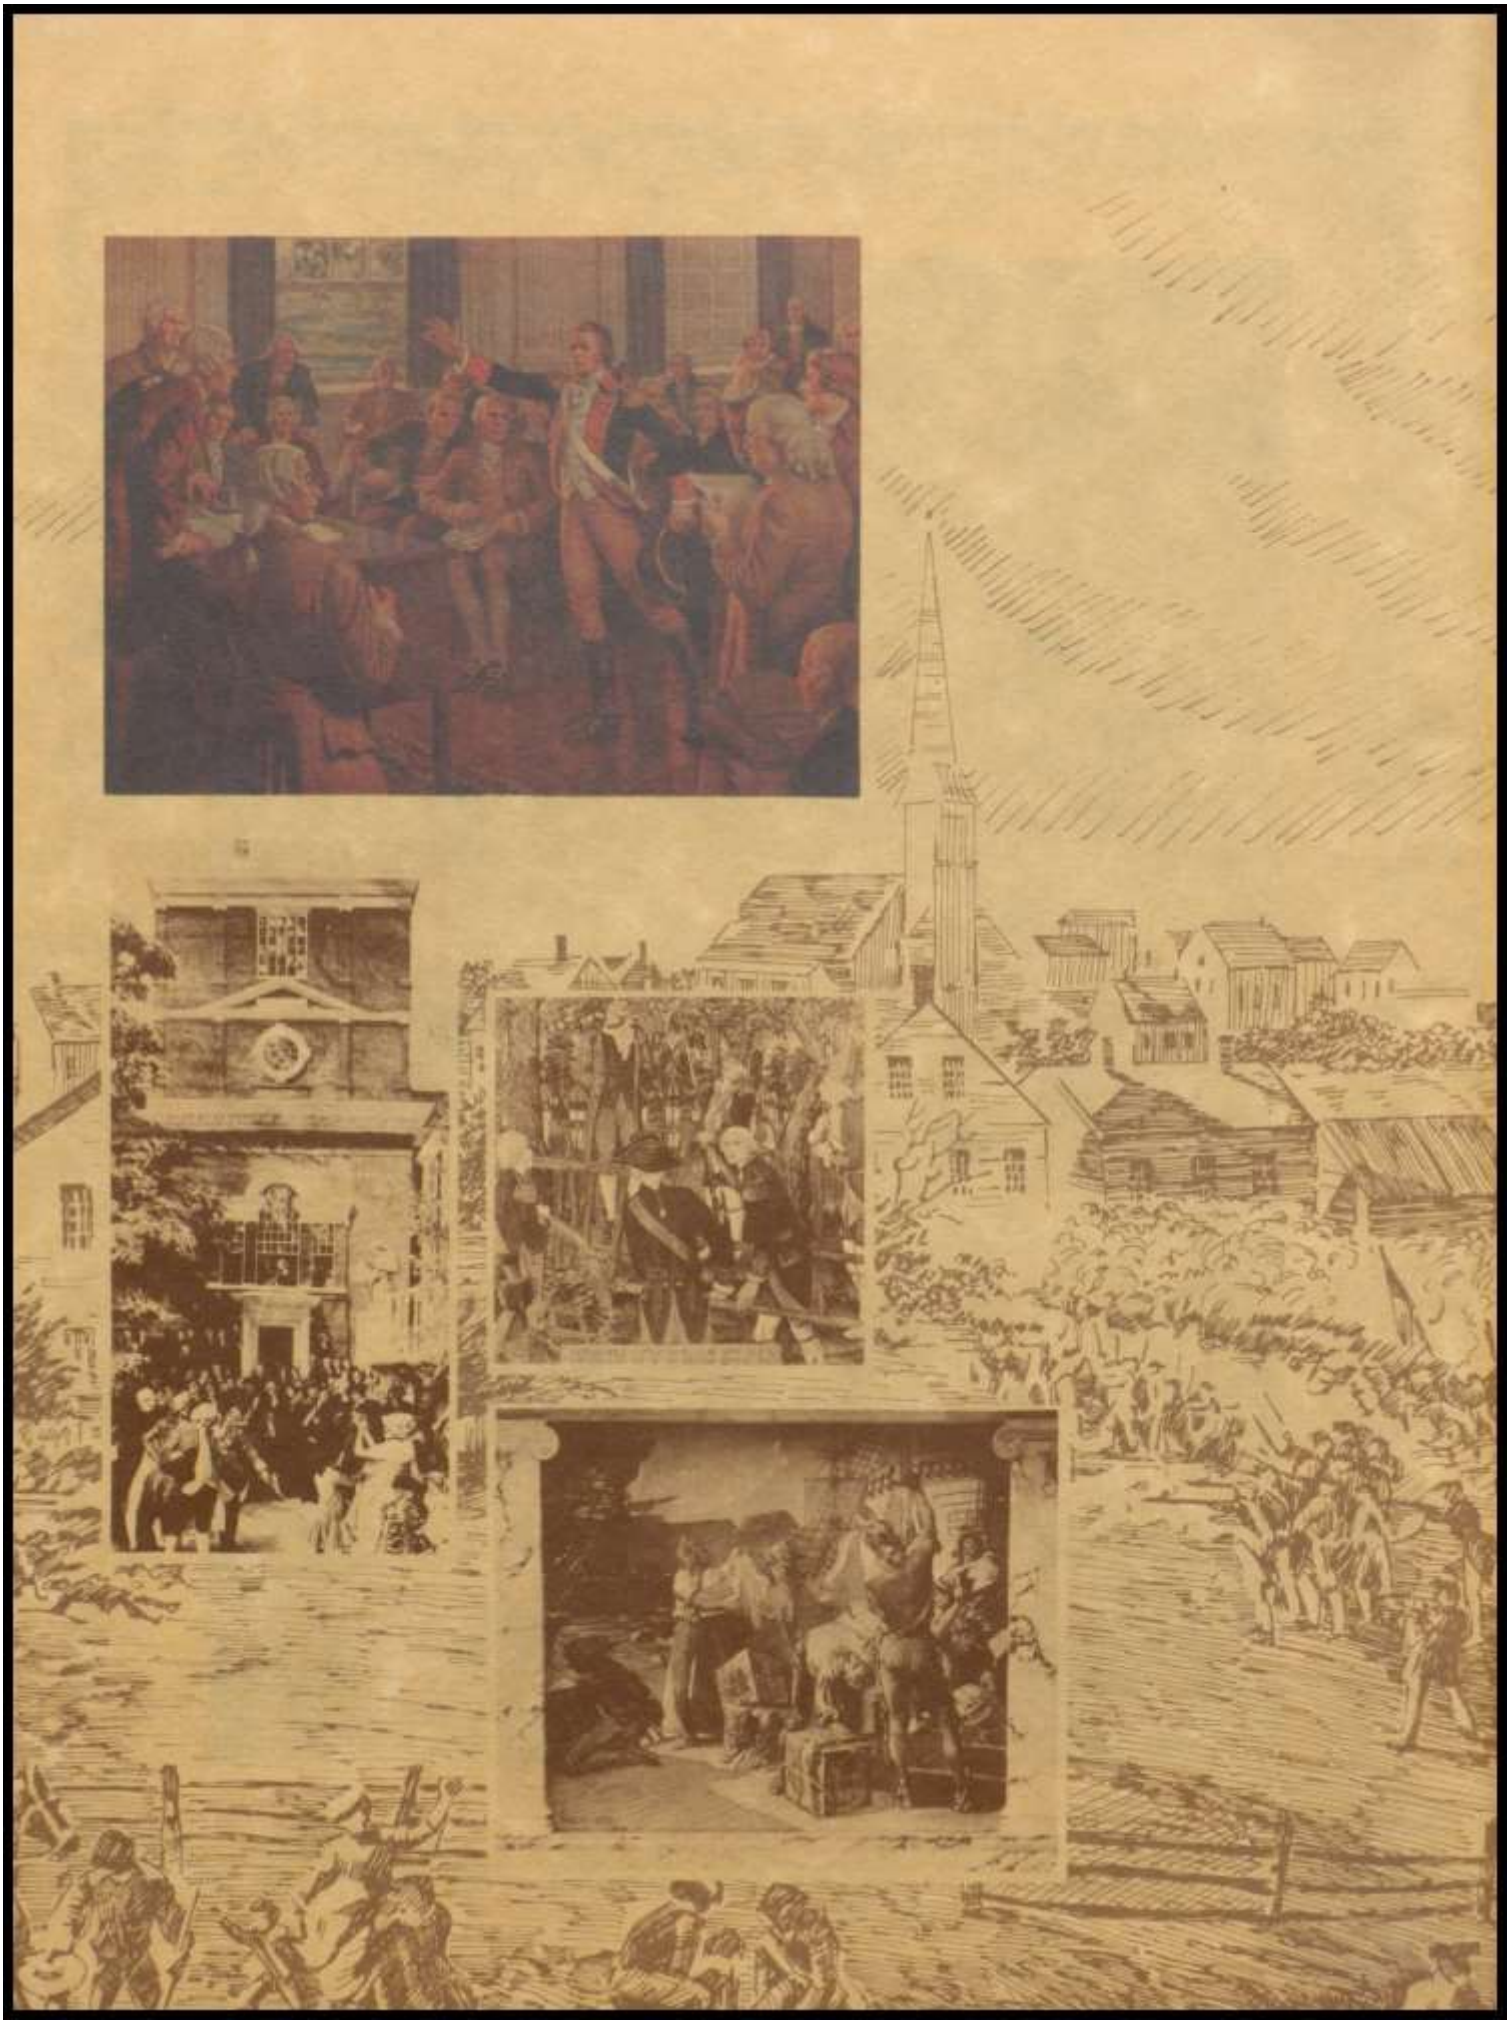
Two hundred years. That's a long time. Many changes have taken place. Changes from freedom to slavery to wars and back out again.

Our country has lasted 200 years through all of this. With this thought in mind, we would like to salute our nation's birthday with . . .



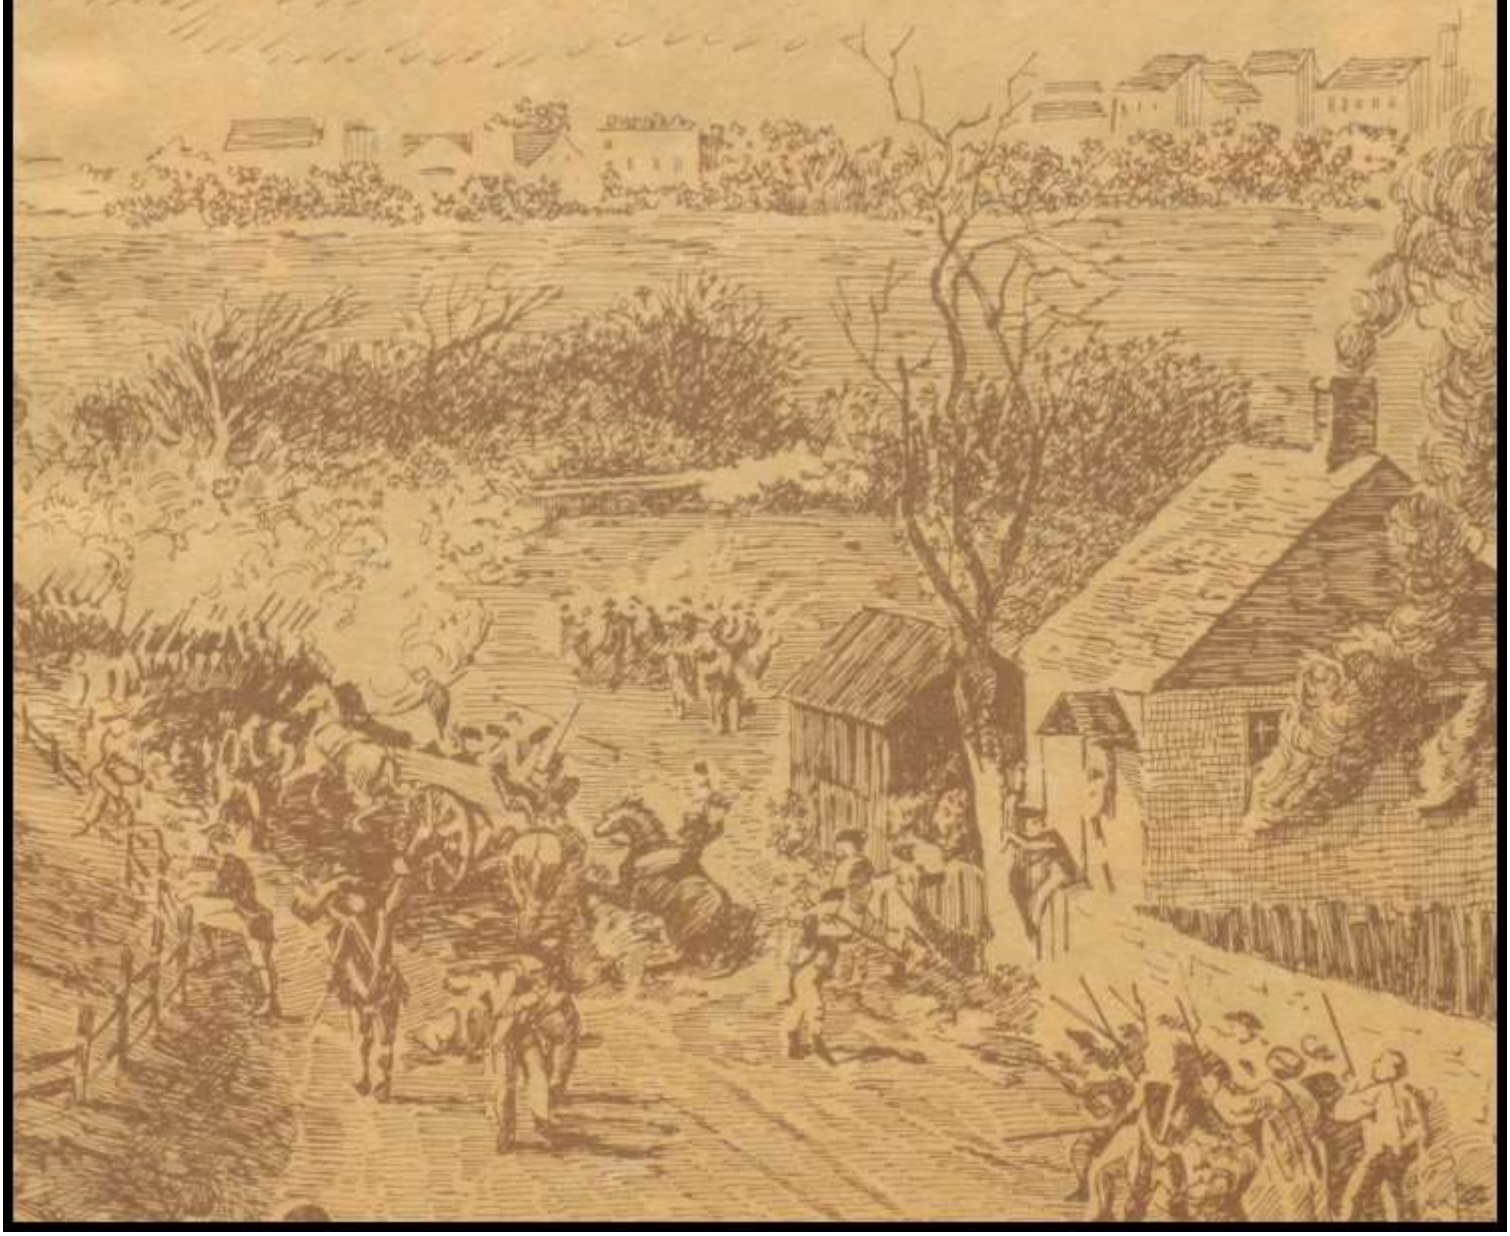


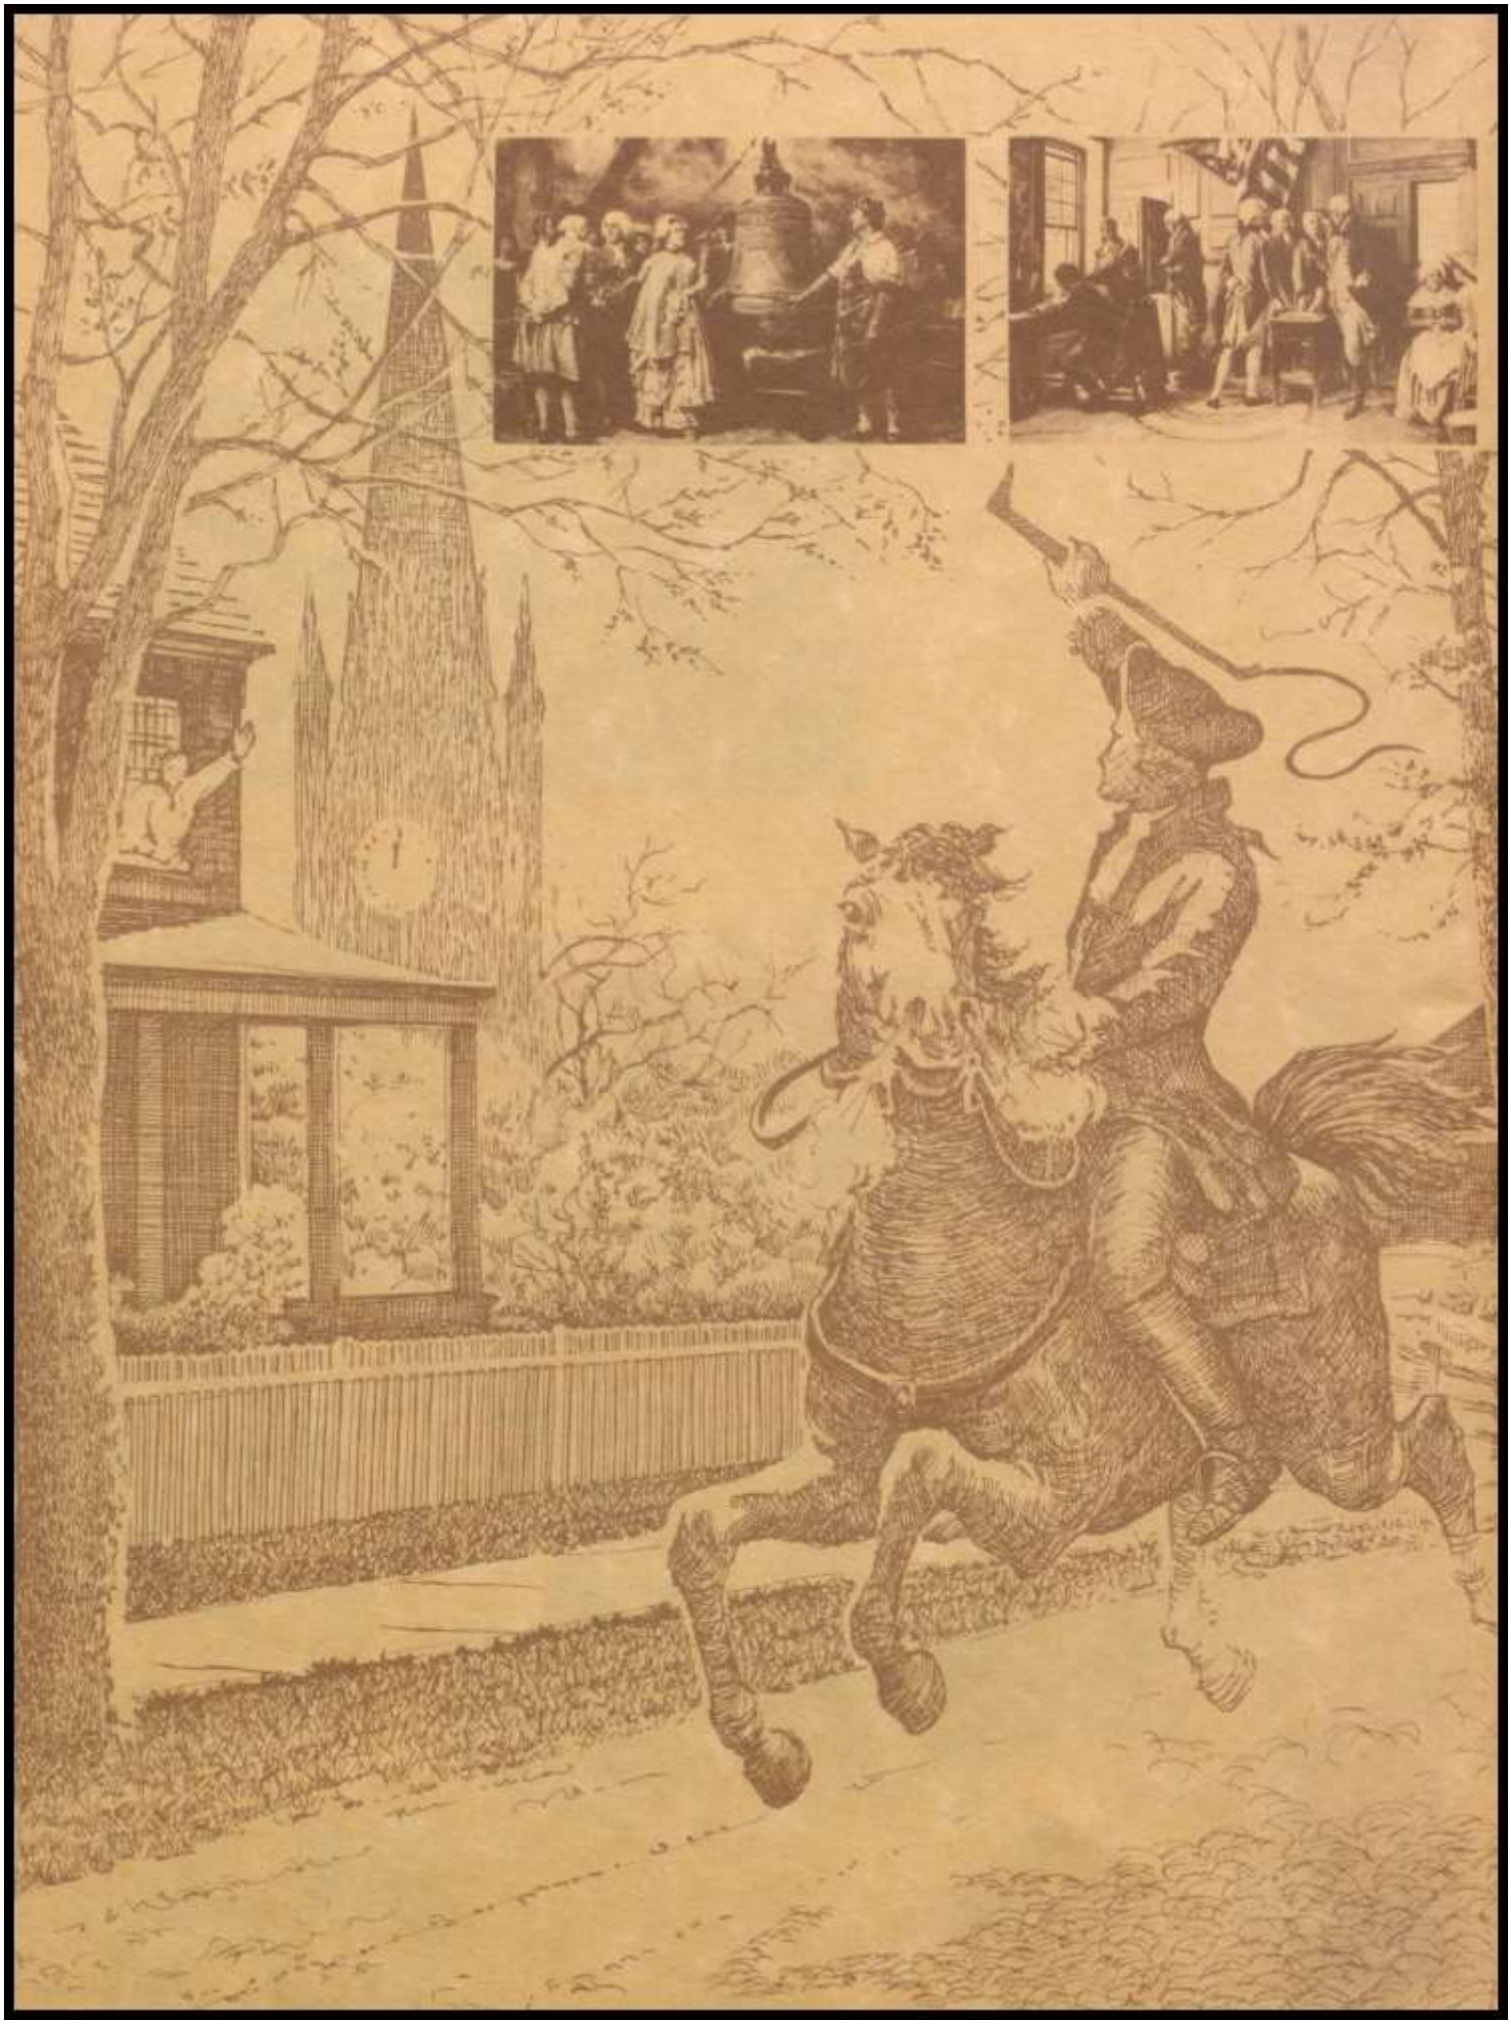
A CELEBRATION ...
TWO HUNDRED YEARS
OF A NATION



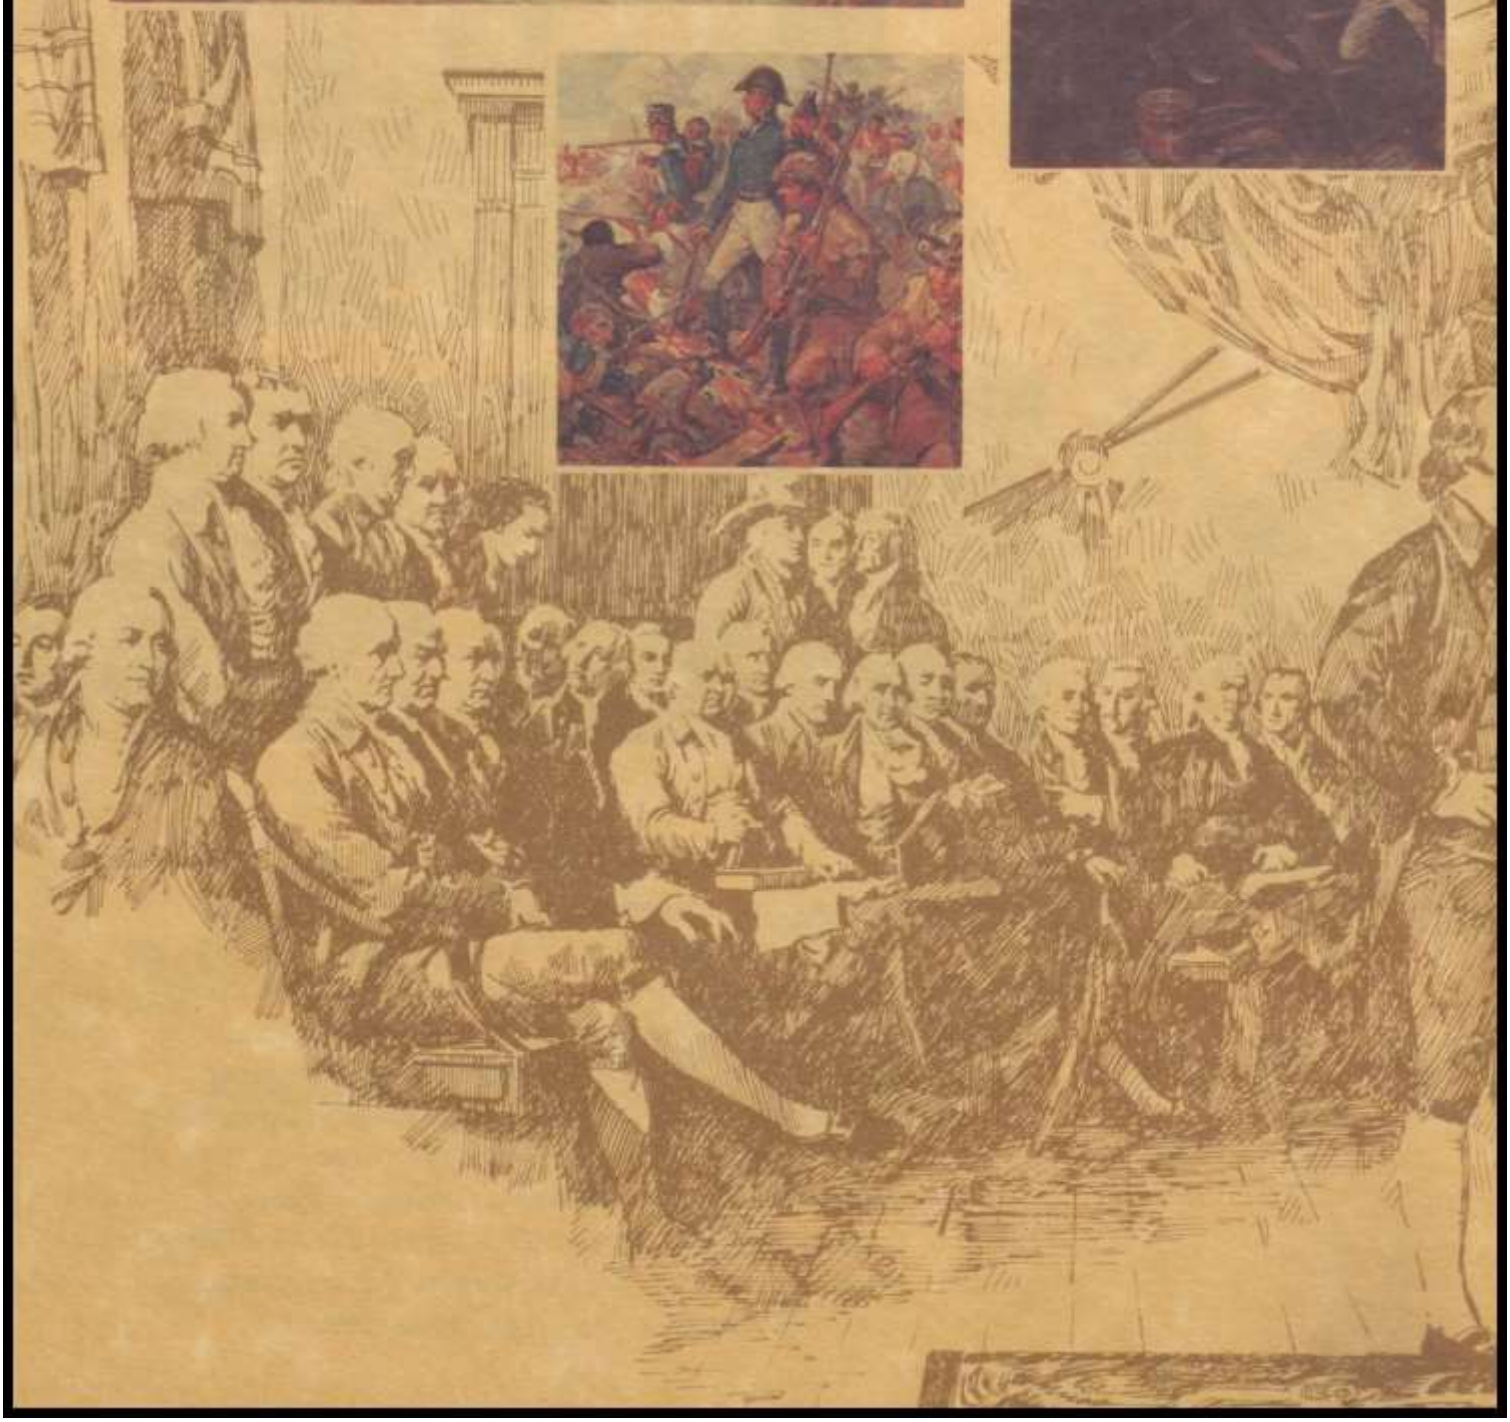
The idea of the original thirteen colonies and their leaders was born out of a passion to be free—to chart their own destiny of building a country out of this thin fabric called Freedom.

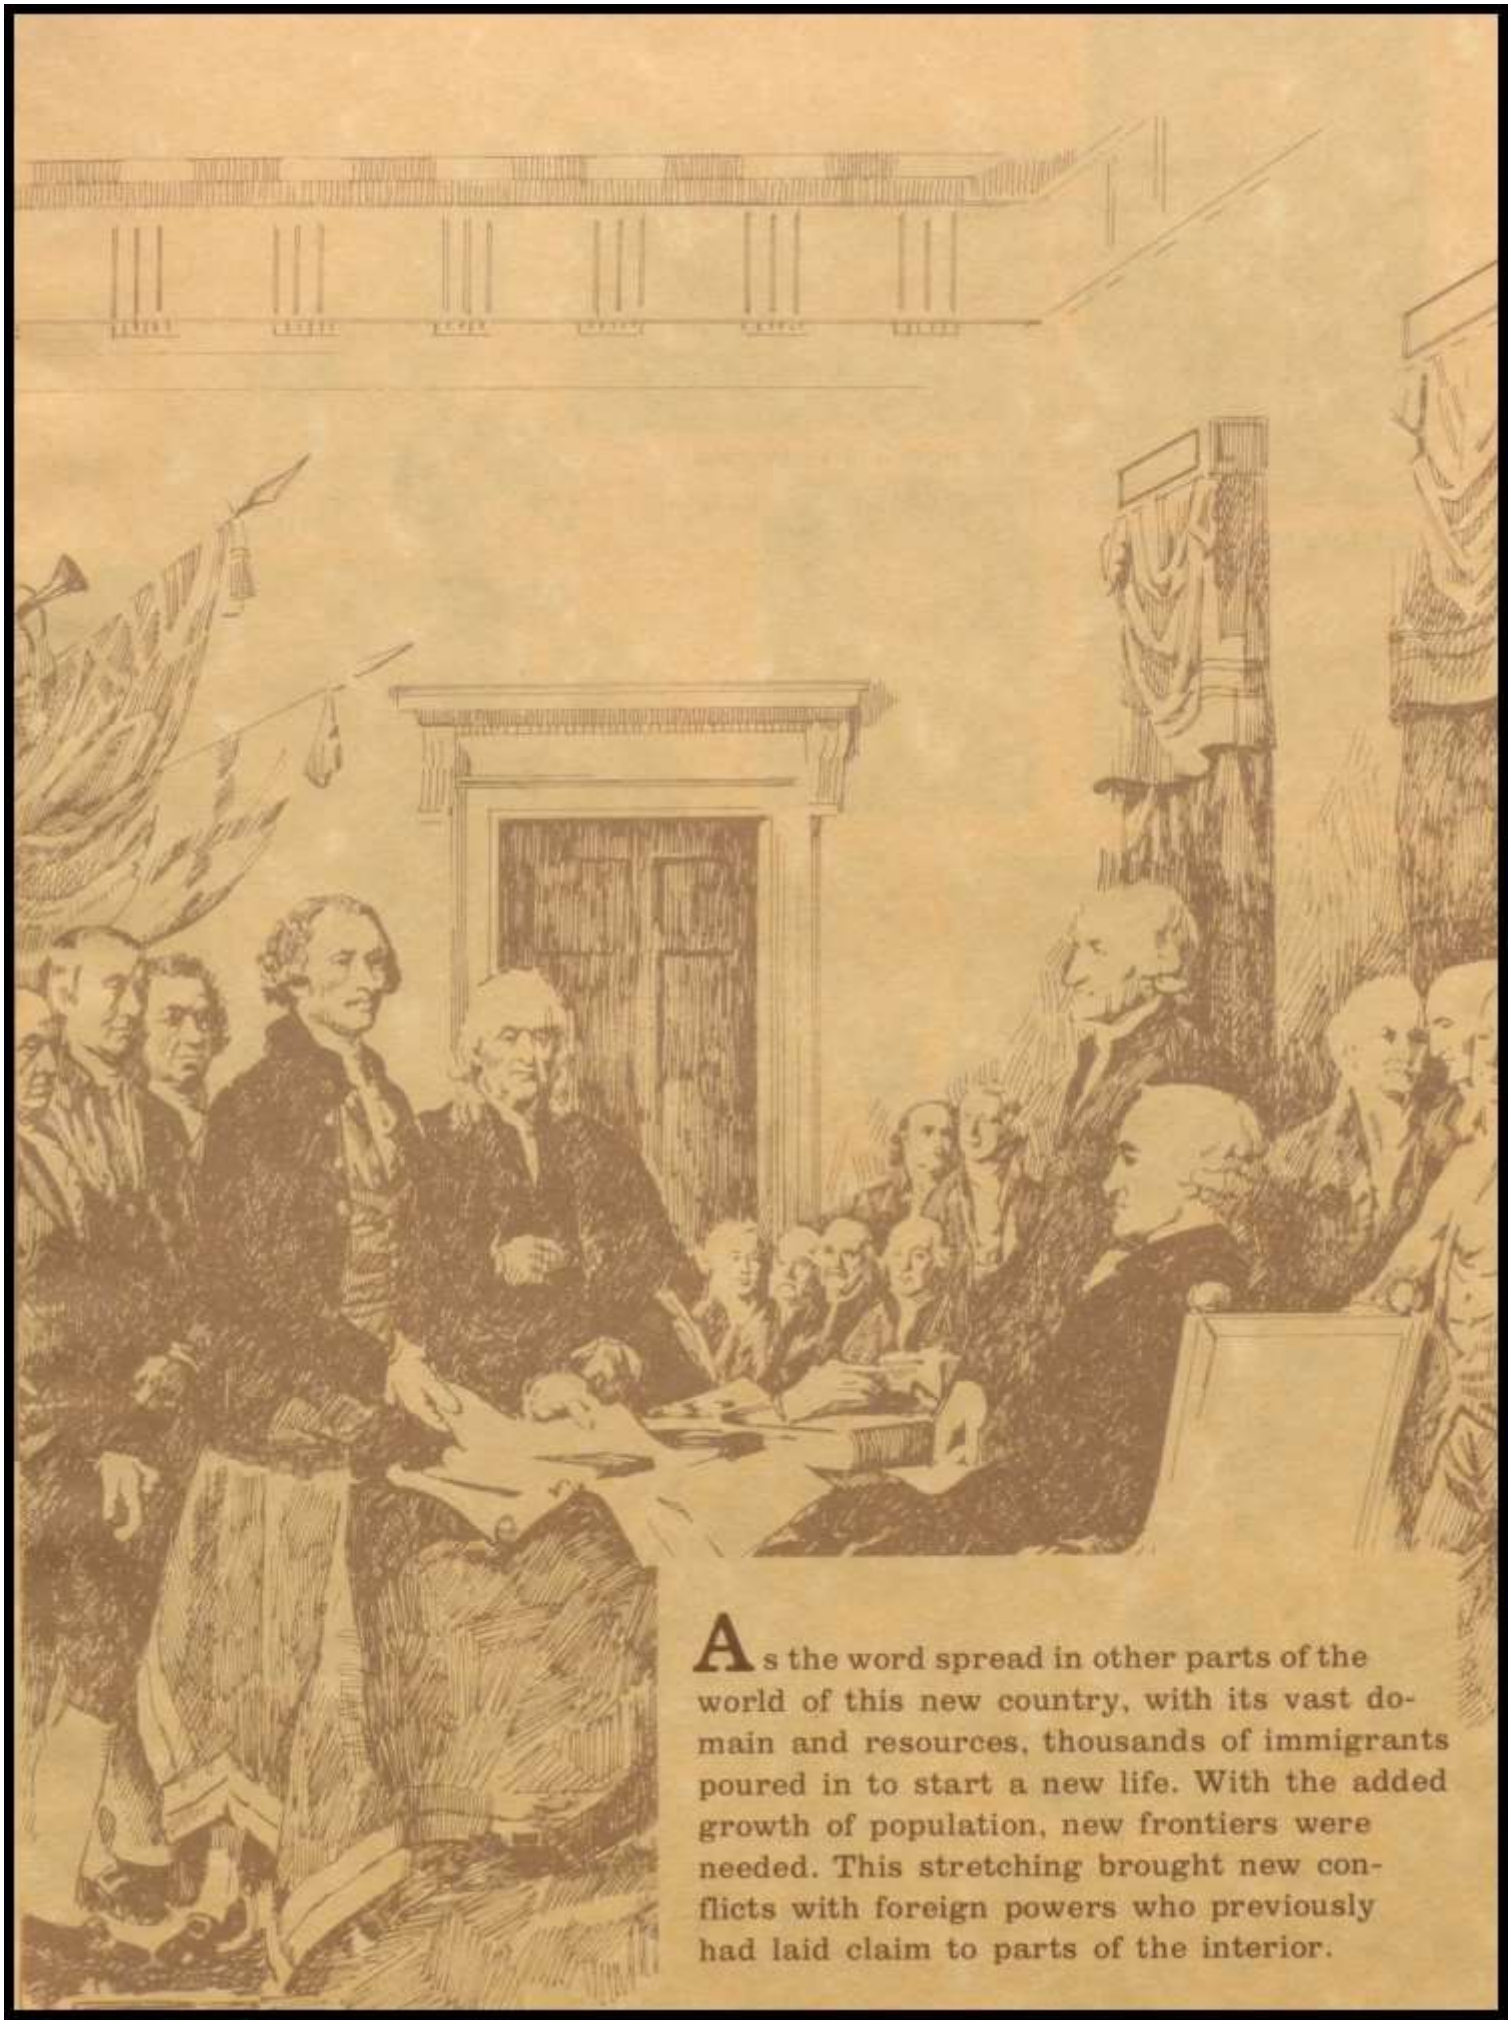
The break from England was not to come easily, as this fledgling was viewed as a serious threat to the tentacles of the vast and far-flung British Empire.





Patriots rose from every corner of the struggling country. Help came from other European countries to add to the flame of breaking the grip of England. Farmers, fishermen, cobblers and men from every walk of life took up their arms to defend this new-felt right to be free. As the smoke began to clear, ideas on organizing this diversity of colonies into a coalition of united states began to take shape. The form of a Constitution and Bill of Rights was molded by statesmen who previously were nonexistent.





As the word spread in other parts of the world of this new country, with its vast domain and resources, thousands of immigrants poured in to start a new life. With the added growth of population, new frontiers were needed. This stretching brought new conflicts with foreign powers who previously had laid claim to parts of the interior.

As the gangling country continued to grow, internal disagreement erupted into a battle of economic and philosophical differences. The battle was to leave scars which would heal only after generations had passed. Out of the wounds came a stronger fiber of freedom for the individual man. The country had survived as a unit and now its energies would be put to work in rebuilding the founding fathers' ideals.

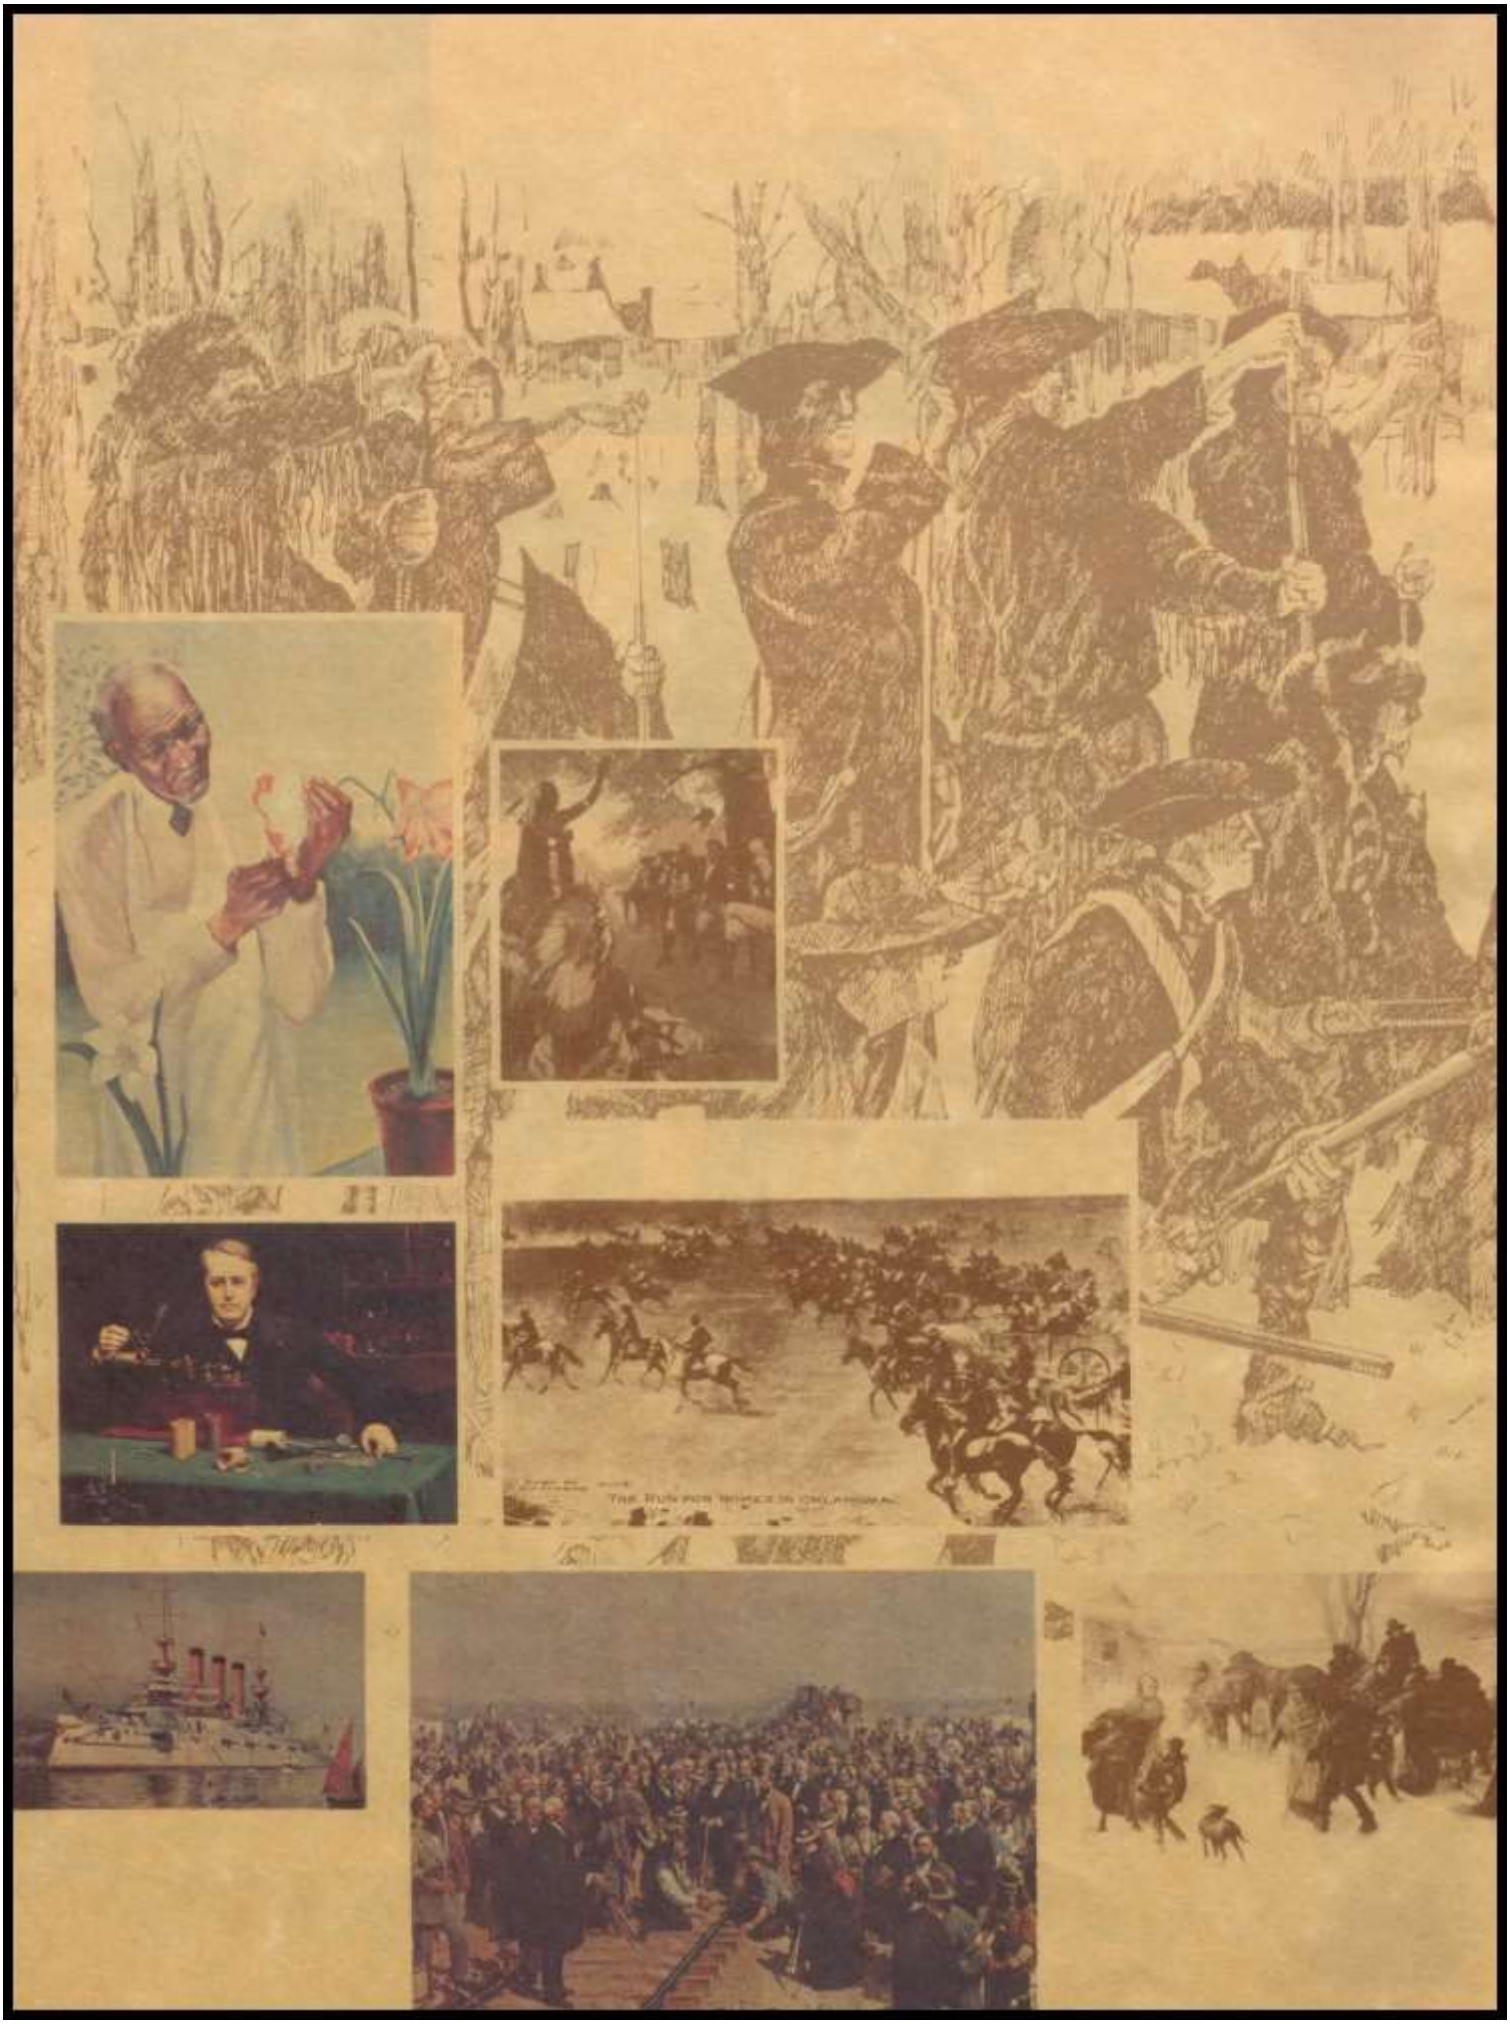
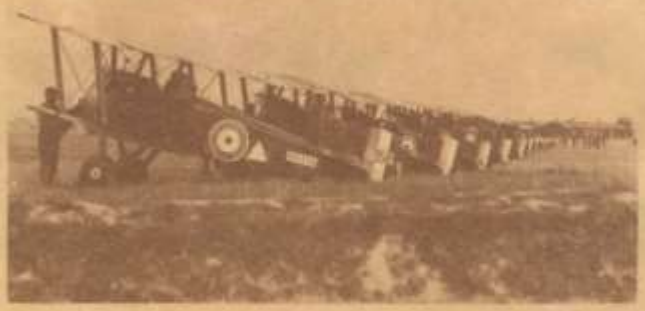
GOOD RYE: GOD SPARE YOU



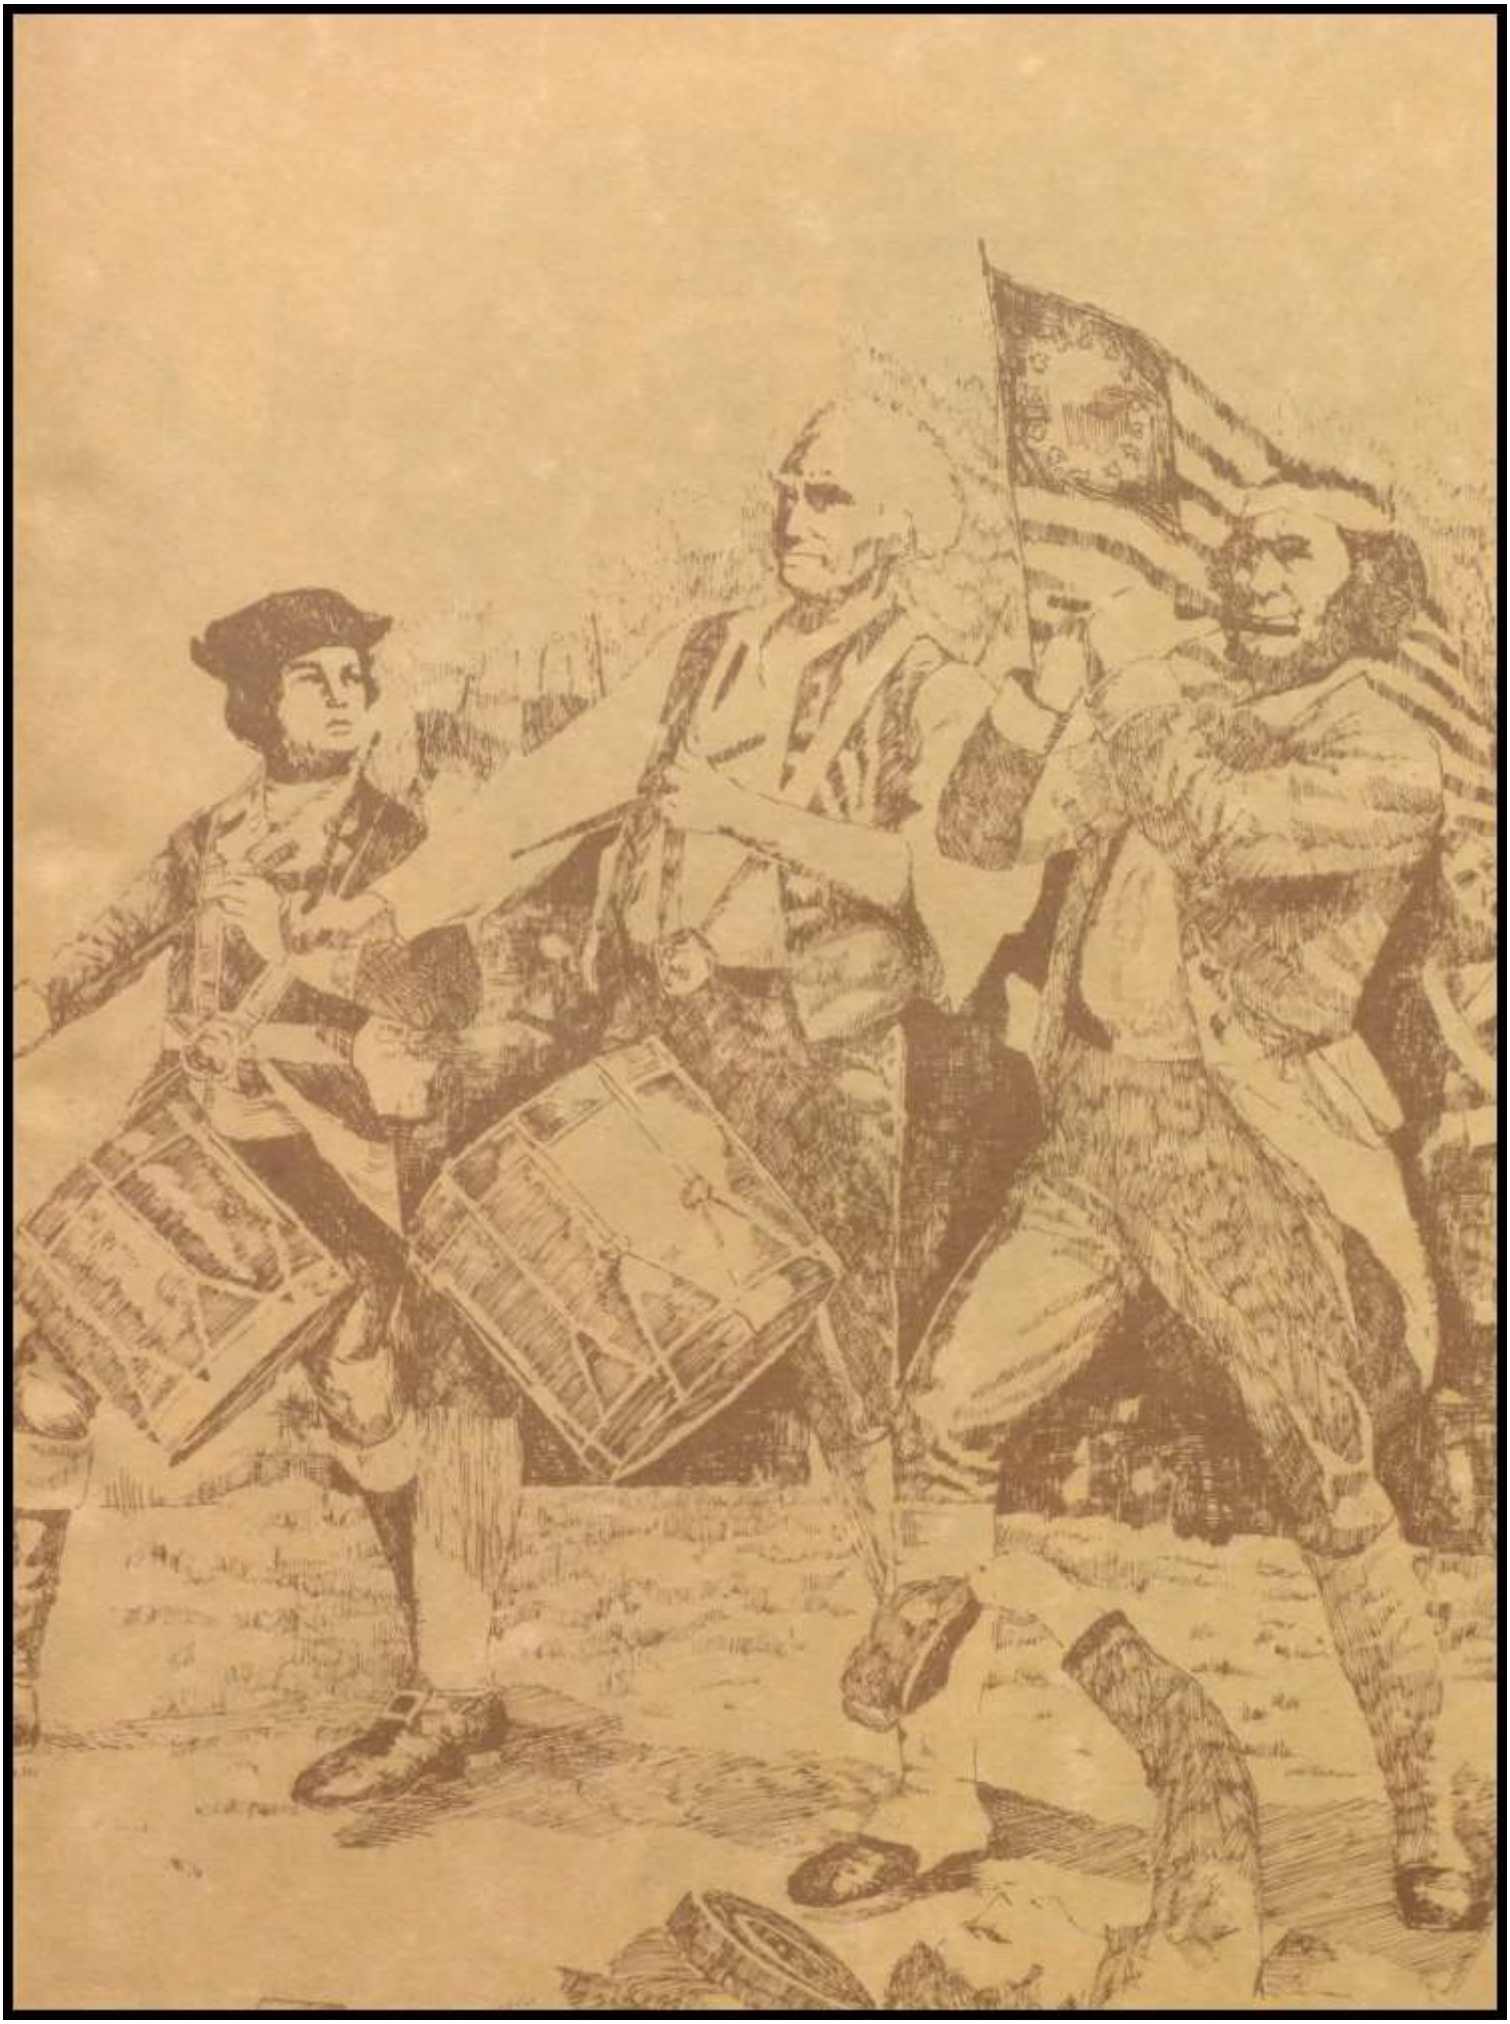
THE RUN FOR WEALTH IN OKLAHOMA

The need for new frontiers continued as movement spread West. A rapid explosion of technological advances pointed the country into the fore as an industrialized nation.



As one of the leading industrial nations, this strapping, growing giant became embroiled in the first of the World Wars. After its success with other Allied Nations, a never-before-felt boom and prosperity was followed with the shattering bust of the Great Depression.

New leaders were sought to pull the Country out of its fall, while on the horizon new storm clouds were building across the oceans.



A second World War was fought to protect the cause of freedom, as the now grown giant emerged to take its place as the leader of the Free World. This new role has brought with it—many challenges—many successes—some failures . . . and through it all a spirit for all nations to envy—a burning passion that all men may one day be free . . .

In order to keep things running smoothly for our school we have to have these people. You may have never met or heard of these people since they are "behind the scenes", but without them the school would not be what it is today.

We are proud of these people who work to keep our school in a running order. Each of these people take time out of their daily lives, such as Oscar Kalb, president of the school board, to keep our school in operation. Mr. Kalb works at the Dubois Elevator. Or Marie Eichmiller, the only woman member of the school board, is employed by the Northeast School Corporation as a cook.

Without these people there would be no school and with no school we wouldn't have the chance to get the type of education we need in order to get a good, well-paying job. We are thankful that these type of people and others support the educational system, for without you--we wouldn't be us.

There was a lot of confusion with NEW machines and NEW janitors at the NEW school. We have Hilmar Markel, (below) as head custodian and maintenance man. Pictured at the right is the new night watchman and custodian, Tom Foster. Below in the extreme left and right corners are two more new employees, Bernice Wiseman and Marcella "Sally" Matheis.

We lost two of our former janitors to the Jr. High. They are Walter "Short" Linne and Hilbert "Hip" Kalb.

Cooks

Moving into the new school was not only strange for the student but also for the cooks. Faced with the new, puzzling equipment at the right are: BERNICE WISE, ELSIE NEUKAM, MARIE EICHMILLER, AND MAE NEUKAM. Below. L-R. GARNET BAIR, SUE DORSAM, LUETTA NEUKAM, AND DIANE TERWISKE.

Bus Drivers

The Bus Drivers were also a little confused after moving into the new school, but a few days later learned where exactly to go. Pictured above: L-R. CHESTER KALB, AL PIEPER, TOM FOSTER, EDDIE FUHRMAN, AND MORRIS KALB. Standing behind is LINUS NEUKAM. Pictured at left: L-R. ECHOING THE CHANGES IN SPORTS

SPORTS

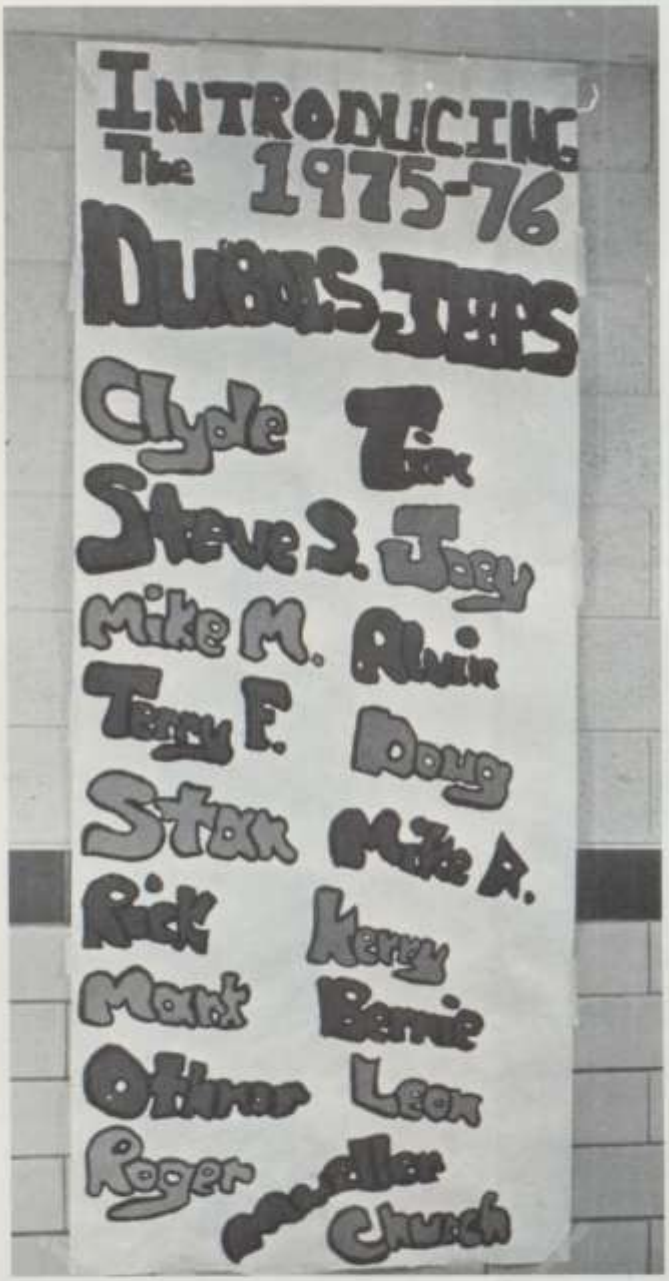
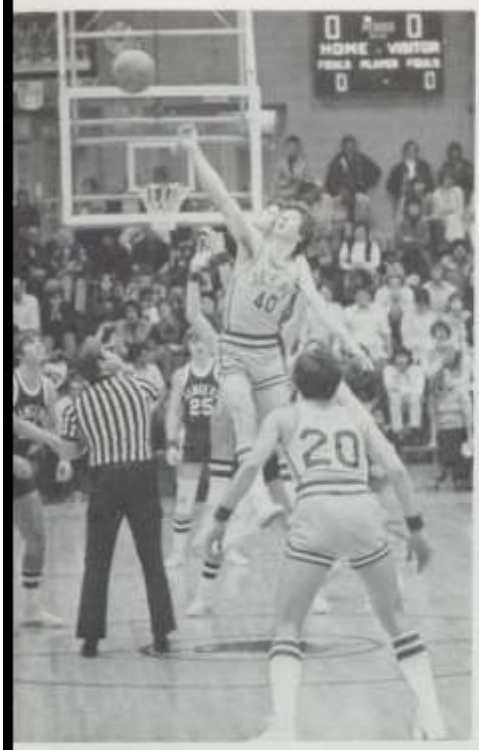
VARSITY BASKETBALL



Above: Coach Jim Mueller talks with three of his Junior starters, Bernie Merkel, Leon Wehr, and Steve Sander during one of many practice sessions.

When the Dubois Jeeps opened the season, there were many new faces. However, early season injuries took their toll on the young Jeeps and kept them below .500 at mid-season.

But, with careful coaching, a lot of work, and renewed spirit, Jeep fans looked forward to the remainder of the '75-'76 season.



Row 1: Roger Cave, Terry Friedman, Kerry Breitwieser, Bernie Merkel. Row 2: Assitant Coach John Church, Mike Archer, Leon Wehr, Steve Sander, Othmar Schroeder, Joe Nigg, Coach Jim Mueller.

The Jeeps of '75-'76 were involved in some very close games both winning and loosing. Two of the more exciting games being in the Springs Valley Holiday Tourney, in which the Jeeps defeated one-time rival Springs Valley in the first game but lost in the championship round to Forest Park.

Cheer, cheer for old DHS
You make the basket,
we'll do the rest,
As you dribble down the line,
A basket we hope for every time.

Though the odds be great or small,
Old DHS will win over all,
As the Blue & Grey are moving,
Onward to victory!

Top Right: Varsity cheerleaders, kneeling: Angie Schott; middle; Karen Hall and Denise Arnold; on backs: Darla Bair; top: Alice Denu.

J.V. BASKETBALL

Although they went undefeated in winning the Lost River conference JV title, the DHS JV wound up with a 7-13 record.

Above: Coach John Church passes on a few facts to newcomer & starter Stan Hollingsworth.
Above Right and Below Left: Here you see the type of action Jeep JV fans saw throughout the season.

FRESHMEN B.B.

The Freshman basketball players shown above closed out the season with a 4-8 win-loss record. First Row: Student Manager, Jerry Kluesner, Tom Carie, Kevin Sermersheim, Kevin Conrad, Greg Bauer, Brian Heeke, Student Manager Mark Humbert. Second Row: Doug Gehlhausen, Keith Buechler, Randy Bair, Gary Fisher, Dave Hawkins, Coach Keith Seger.

Although their record wasn't the most impressive, the Freshman basketball team showed a lot of determination and spirit—the two qualities needed to develop into a future winning team for Dubois High School.

DU-GIRLS DO !

Du-Girls

Left: The 1975-'76 "Du-Girls," as they came to be called, drew excellent participation from the fans. Here even the guys got in the act as they led cheers. Top of pyramid: Steve Schnarr, Middle Row: Jeff Eckstein and Brad Knies, Bottom Row: Kenny Beckman, Steve Hautsch, and Mark Denu.

The Du-Girls JV team finished the season with a winning slate. Kneeling L. to R: Janet Kempf, Kathy Conrad, Krista Foltz, Colleen Seng, Standing: Coach Sandy Beck, Kim Lorey, Jane Kluesner, Kris Mehringer, Kathy Jahn.

INTRAMURAL

The Dubois Sharp Shooters ("Homer" Glendening, Keith Massey, Randy Gehlhausen, Perry Heeke, Mark Denu, Kenny Beckman) were the winners of the '75-'76 Intramural Basketball season. The Sharp Shooters won six scheduled games and two tourney games to go down as the undefeated champions.

The Student Council also sponsored various tourneys during noon hours. Pictured above at right are the individual winners. Mike Archer won the Ping Pong Tourney while in one-on-one basketball tourneys Mary Knies was the girl's winner and Doug Rottet was the boy's winner.

Above the Dubois Sharp Shooters outdistanced their number one competitor the Celestine Studs resulting in a triumphant victory for the Sharp Shooters. The Intramural Basketball program was sponsored by Mr. Dan Balka who also doubled as a referee.

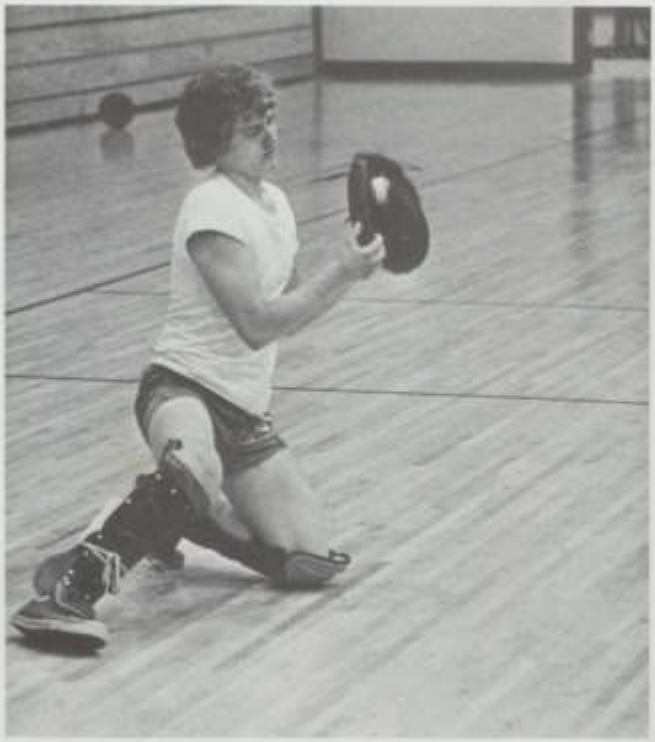
BASEBALL



The Jeeps swung into practice this year with Dale Jahn up to bat. They looked forward to a very rewarding season in this 1976 Baseball year.

1976 DHS Sluggers—Kneeling: Gary Fisher, Rick Bauer, Bryan Lueken, Vernon Seng, Terry Friedman, Bryan Heeke, Steve Schnarr, Tim Friedman, Jerry Kluesner, Kevin Chestnut. Standing: Coach John Church, Larry Wineinger, Greg Bauer, Mike Merkel, Mike Archer, Mark Denu, Steve Hautsch, Bernie Merkel, Dale Jahn, Greg Wineinger, Assistant Coach Keith Seger.

With school ending before the baseball season has been completed, it's hard to pick out the high points of the year. The DHS Baseball Team progressed through many practices to many injuries to many in-gym "discussions" with Coach Church to performing like the accomplished athletes that we know they are. Whatever the outcome, we know that they represented our school and corporation in the true spirit of athletics and good sportsmanship.

ALL SPORTS BANQUET

Sponsored on May 5, 1976, by the Dubois Community Club, Celestine Community Club, and the Haysville Ruritan Club in the new school cafetorium, the All Sports Banquet took time out of the busy year-end schedule to honor our many fine athletes. Pictured at right are just a few of the many award winners—Mary Knies (MVP Girls' Basketball), Janet Linne (MVP Volleyball), Steve Sander (MVP Basketball, Most Improved Player, Free Throw, Field Goal Percentage), Mike Merkel (MVP Cross Country), Othmar Schroeder (Charlie Skaggs Mental Attitude Award, Mike Bair All Sports Trophy).

Honoring the Mighty

'75-'76

With a finger-licken', catered meal, those athletic fans attending the banquet were filled not only with good food, but also with light hearted moments provided by emcee Ted Conrad and guest speaker A.J. Kreitzer.

ACTIVITIES

ECHOING THE CHANGES IN

ACTIVITIES

Student Council

The Student Council continued strengthening their position during '75-'76 by giving the DHS Student Body several activities. They sponsored and awarded trophies in ping pong tournies and in both girls' and boys' one-on-one basketball tournies. A highlight of the year was the return performance of Chuck Bissett who last appeared at DHS in 1974.

Student Council Sponsor Terry Hasler sparked Scott Gehlhausen, along with the other council members, to new heights.

Beta Club

Pictured at right are the DHS members of the National Beta Club who attended the state convention in Indianapolis on November 7 & 8, 1975. It was at this convention that Junior Darla Bair was elected state secretary.

Beta Club officers for 1975-76 were: front row, left to right: President Susie Knies; Mrs. Nancy Hemmerlein, sponsor; Vice-President Martha Sander. Standing, left to right: Treasurer Leah Neukam and Secretary Linda Jahn.

Art Club

Right: The Art Club officers were President Bob Schaber, lying down, (left to right) Treasurer Janet Linne, Vice President Mary Rasche, and Secretary Debbie Hemmerlein.
Above: Hardworking sponsor Mr. Bob Meredith led the Art Club through a year that culminated with their annual trip to Nashville, Indiana.

Library Club

The Library Club participated in many activities during the school year designed both to benefit the club and the school. One activity was a Christmas Party and decorating the library for Christmas; another was the dinner held by the club at the Heritage Inn.

Library Club officers were Librarian Jim Riley, Secretary Dawn Mehringer, and President Charlie Rafferty.

SENIORS GRADUATE

Valedictorian
Susie Knies

To the strains of the traditional POMP AND CIRCUMSTANCE, the Class of 1976 became the first class to graduate from the new school. Graduating on the eve of our country's Bicentennial Celebration and starting a new half century of DHS graduates will both have special significance for this class in future years—as they remember the many changes they encountered.

FREE TO BE....

There's a land that I see
Where the children are free
And I say it ain't far
To this land from where we are.
Take my hand, come with me
Where the children are free
Come with me--take my hand
And we'll live.
In a land
Where the river runs free
In a land
Through the green country
In a land
To a shining sea
And you and me
Are free to be
You and me
I see a land, bright and clear
And the time's comin' near
When we'll live in this land
You and me, hand-in-hand.
Take my hand-come along
Lend your voice to my song
Come along-take my hand
Sing a song . . .

For a land
Where the river runs free
For a land
Through the green country
For a land
Where the horses run free
And you and me
Are free to be
You and me.

....YOU AND ME

by BRUCE HART

Every boy in this land
Grows to be his own man.
In this land, every girl
Grows to be her own woman.

Take my hand-come with me
Where the children are free
Come with me--take my hand
And we'll run. . .
To a land
Where the river runs free
To a land
Through the green country
To a land
To a shing sea
To a land
Where the horses run free
To a land
Where the children are free

And you and me
Are free to be
You and me.
