THE
ECHO
1967

Published by
The Annual Staff
Dubois High School
Dubois, Indiana

Dear Reader,

We the Annual Staff of Dubois High School, in order to always remember the School Year of 1966-1967, establish in our minds the things we have learned and the fun we have had, insure the memories of our friends and associates, provide for the time when this period will seem long-departed, promote an everlasting school spirit and, secure the blessings of these days for ourselves and our posterity do ordain and establish this Echo for the past year at Dubois High School.

Sincerely,

Wanda Meyer
Dorothy Hasenour

We, the seniors of Dubois High School, class of 1967, hereby, with all respect and sincerity, dedicate our yearbook to our mothers and fathers.

You have stood beside us through times of joy and times of sorrow. Without your love, kindness, and constant guidance, it would be utterly impossible for us to have the knowledge that we need so much in the world today. Through your guidance, we are now ready to take an important step forward which will put a great bearing in what we make of our lives.

Please accept the dedication of our annual as an expression of the love and appreciation that we have for you.

Commencement

Many of these memories we cherish so deeply that we wish we could dwell on them for the rest of our lives, and many of them we would be content just to conceal beneath some other good.

... but the end of our high school career is not the end of our display of talents. It is not the end of sharing our ideas. It is actually the beginning.

In Memoriam

We saw Mike Bair play a lot of baseball and basketball games. We saw him win a lot of first places in track.....

We had the opportunity of associating with him as a teacher and a friend.....

It would serve no worthwhile purpose to recount the many honors and awards that he won.....

The four short verses well express the sentiments of Mike's many friends.....

Mike you're gone, but not forgotten

By the students of Dubois High:

The things you've done, the glory you've won

Will live as the years go by.

The memory of you in our hearts will stay

Forever, Mike, our friend

Although you've gone to a better land,

A place of peace and rest.

You've topped our list in honors

And in athletics too;

Our school will ne'er be prouder

Than it will always be of you.

Mike, we won't forget you

And you know we'll never try,

Because you are the best we've ever met

But now we must say good-bye.

Farewell

Four years is a long time

--too long to forget.

We look around and ask

--where did it go?

We worked, we played

--but for four years?

Then we look the other way

--into tomorrow.

Suddenly we're not so tall

as we thought we were

And not so smart.

But we find that somehow

We learned a decisive lesson at Dubois:

something we wouldn't have had

without our parents and teachers,

without God or religion

--a direction into that uncertain tomorrow.

It can never be so dark again

Though the world may change

and the times change

and we change.
