# We're Small, But Unique . . .

English, math, science, and history are classes which are required in every school; what goes on during those classes makes them unique. If you pass Mrs. Meredith's room and see someone standing in front of the room acting dumb, you know it's speech class. While passing Mr. Church's room you see an eraser flying through the air, you can come to the conclusion that someone wasn't paying attention. Our school may look like others in appearance, but the students make up the school; and even if our enrollment is lower than others, we are very unique and we like it that way.

## Volleyball

The girls' volleyball team, now in their fifth year of existence at Dubois, made a fine showing in the Jasper sectional by defeating both Crawford County and Pike Central before losing to Jasper in the final game.

For the season, the girls achieved a 9-8 record defeating such foes as Paoli, Heritage Hills, and Loogootee.

At left, Laurie Rasche, a senior and team captain, played varsity volleyball for four years. During her sophomore year she received the High Point Award and this past year was chosen as the Most Valuable Player by her fellow team members. Laurie also received the Best Defense Award. Above, Coach Weatherford gives varsity team members last minute instructions.

## Freshmen Win Basketball Tourney

In the final game of the Forest Park Freshmen Basketball Tournament at Ferdinand on Saturday, February 12, the NDHS Freshmen team defeated Forest Park 36-34 to win that tournament. Prior to this victory, the Freshmen Jeeps had downed Perry Central 43-27 in the opening game.

## Junior Varsity Captures JV Tourney

At left, Alvin Hochgesang and Rick Schepers proudly display the trophy received by the NDHS Junior Varsity basketball team after winning the JV tourney on December 23. It was a hard fought and well-deserved victory for the Jeeps.

In the opening game, Dubois defeated Pike Central 40-35 to advance to the final game, where the Jeeps won over Heritage Hills 49-45 in a double overtime.

Below, front row, left to right: Coach John Church, Alvin Hochgesang, Rick Schepers, Keith Buechler (Junior Varsity Free Throw Award), Brook Hoffman, Curt Steltweller; Back row: Mark Humbert, student manager; Jerry Kluesner, Larry Wineinger, Greg Bauer, Tim Friedman, Randy Wigand, student manager. Not shown but also playing JV ball were Mark Eisenhut and Royce Hutsi.

## In The Beginning . . .

It all began with a fine varsity team, well-experienced coaches, an excellent season record of 15-4, and a Lost River Conference championship. But, that was only the beginning of greater accomplishments in the weeks ahead--a sectional and regional championship; the final game of the semi-state; a coach of the year; a MVP in the Lost River Conferences; and an all sectional, all regional, and all semi-state team overflowing with Jeep team members. May the next few pages serve as a memory refresher of those unique and highly enjoyable weeks we shall all remember forever.

Kneeling, left to right: Bryan Lucken, student manager; Terry Friedman; Doug Seitz; Alvin Hochgesang; Mark Eisenhut; and Rick Bauer, student manager; Standing, Head coach Jim Mueller; Mike Archer; Leon Wehr; Steve Sander; Bernie Merkel; Kerry Breitwieser; Greg Wineinger; and Assistant coach John Church.

# Coach Of The Year: Mueller

Among the many "firsts in history" at NDHS this year was the selecting of Jim Mueller as "Coach of the Year" by the other area coaches. Despite this and other honors bestowed on him, Coach Mueller repeatedly gave credit and praise to his Assistant John Church and frequently called on Freshmen Coach Dave Forsman for scouting reports and other last minute details.

## Fans . . .

A team wouldn't be a team without fans backing them, and the Jeeps certainly weren't without fans as they traveled from Huntingburg to Washington and on to Evansville. The celebrations (and morning-after headaches) that followed each new victory will long remain a cherished memory for any and all who participated. At right, Jill Mueller tells Jerry Birge one more time "I knew we could do it; I had that feeling." Below, just a small taste of the excitement and jubilation enjoyed by all.

## Sectional And

Friday, March 4, and Saturday, March 5, are dates that will long fill the history books at NDHS. With a final score of 58-45, the Jeeps defeated the Forest Park Rangers in the Friday night battle to advance to the Saturday finals of the Southridge sectional. In that final game it was a well-deserved victory for the Jeeps as they defeated Jasper 60-55 in an overtime. The following weekend at Washington turned out to be a repeat performance as NDHS defeated Crawford County 42-37 in the afternoon game and came back in the evening to win the regional with a score of 64-61 over Washington.

Below, front row, left to right: Leonard Buhr, Bryan Lucken, Debbie Lotey, Darla Bair, Krista Foltz, Glenda Collon, Denise Arnold, Rick Bauer; Second row: Kerry Breilwieser, Greg Wineinger, Mike Archer, Leon Wehr, Bernie Merkel, Terry Friedman, Glen Schepers; Standing: Vic Betz, Dave Forsman, John Church, Mark Eisenhut, Alvin Hochgesang, Larry Wineinger, Steve Sander, Rick Schepers, Doug Seitz, Jim Wahl, Jim Mueller, and Mark Humbert.

## Regional Action

## Semi-State Action

After winning the first sectional and regional title in a 50 year history of basketball at Dubois, the Jeeps played a tremendous game against Evansville Central in the semi-state matinee (winning with a score of 66-64) to advance to the final game and join the ranks of the top eight teams in the state of Indiana. A fatigued Jeep team lost that championship game 71-57 to a good Terre Haute South team, but certainly not without first giving Dubois a year they will always remember.

Above, Assistant Coach John Church offers a consoling shoulder to Bernie Merkel and Steve Sander in the final minutes of the Terre Haute South game.

## ...in the end

It seems that sooner or later there always comes an end to winning; and, yes, in a very real sense we lost that final game of the semi-state. But, what we gained in community spirit and togetherness from the efforts of these twelve fine young men who played their hearts and souls out and gave each of us the thrills of a lifetime as sports fans cannot begin to be measured. We could not close this section of our book, therefore, without saying: "Thanks and congratulations on a job well done."

## Baseball

The NDHS baseball team enjoyed a 13-9 winning season defeating such teams as Springs Valley, Southridge, Crawford County, and Boonville. They finished 4-1 in the Lost River Conference, losing the conference championship title in a final conference game against Henryville with a 1-2 score.

Throughout the season, the team and Coach Church not only worked on improving their baseball skills but also spent a considerable amount of time helping with work to improve and perfect the new home diamond. Lights and a press box were two major additions to the baseball field this year.

Co-Directors: Miss Carolyn DiLegge

Miss Wendelene Rettig

Much of the action in "Cheaper By The Dozen" centers around the oldest daughter Anne (Sharon Voelkel) at the right and her desire to grow up. Shown with Anne are Joe Scales (Joe Hochgesang) and Anne's dad, Mr. Gilbreth, (Bernie Merkel).

Both Bernie Merkel (directly below) and Dale Jahn (to the right below) experience the "agony of show business" as they receive final touches on their make-up from Miss Rettig and Micky Schott before the show.

Mr. Gilbreth, a motion-study expert, attempts to apply his time-saving methods to the raising of his family.

## Sophomore Girls Talk Over Schedule

Which class do you have first period? Who do you have for English? Each year as the semester begins questions such as these are repeatedly heard as students see their final schedule for the first time in the fall.

# Getting up in the world is more than just holding down a job.

Holding down a job that's holding you down just doesn't make sense. That's where the Navy can help. By training you for a job that can really get you up in the world. A job that can lead to success. Opportunity. Pride in yourself. And a future that's as bright as you want to make it.

Show us that you've got what it takes, and you can work in one of many challenging jobs that let you make the most of your good head.

Or good hands. In electronics. Aircraft structural mechanics. Radio communications. And a lot more.

You'll work hard. Possibly a lot harder than on your present job. Why not? You'll be getting a lot more back in return. A rewarding future. Some of the best pay and benefits in Navy history. Even a chance to travel and make some lasting friendships while you're doing it.

Talk to your local recruiter. He can tell you what you qualify for before you enlist.

## Awards Night

On Friday, May 13, the first awards night at NDHS was held. Sponsored by the Beta Club and organized under the direction of faculty sponsor Nancy Hemmerlein, this special awards program gave parents an opportunity to be present as their son or daughter received some type of special academic recognition. The program was well attended and undoubtedly will become an annual event.

Below, Donna Lorey's face shows the sadness of the song she sings "Send in the Clowns"; George Merkley performs "Diggy Diggy Li, Diggy Diggy Lo"; and Darla Bair adds her usual excellence in music with "Long Long Way from Sunday School to Broadway."

## Blacklight

Leon Wehr

At extreme left, Endmen Kurt Knies, Donna Voelkel, Bernie Merkel, and Mary Bair add their moment of wit. At left, Donna and Sharon Voelkel sing "Oh Gee." Below, Steve Hall performs "Takin Care of Business" while Mike Archer sings "Lost Without Your Love." Also pictured below is the chorus who provided background music throughout the show.

Thanks to all who have helped in any way to make this book possible. A special thanks to our generous advertisers without whose financial support this book could not be published. We hope you have enjoyed paging through it today and will continue to find it a pleasure in years to come.
