DEDICATION

This yearbook is dedicated to the Class of 1978. We have all been together for twelve years and now the time has come for us to all go our separate ways. As we are leaving we would like each senior to take the time and read the words of the following song. Good luck to each departing senior in whatever road he may choose.

Do you know where you're goin' to do you like
the things that life is showin' you, where are
you goin' to, do you know—

Do you get what you're hopin' for when you look
behind there's no open doors what are you hopin'
for, do you know—

Once we were standing still in time, chasin' the
fantasies that filled our minds you knew how I
loved you that night, spirit was free; laughing
at the questions that you once asked of me—

Do you know where you're goin' to do you like
the things that life is showin' you, where are
you goin' to, do you know—

Now lookin' back at all we past, we let so many
dreams just slip through our hands, why must we
wait so long before we see, how sad the answers
to those questions can be—

Do you know where you're goin' to do you like the
things that life is showin' you where are you
goin' to do you know—

Do you get what you're hopin' for when you look
behind you there's no open doors what are you
hopin' for, do you know . . .

German Club

The German Club held its first "Oktoberfest" this year. The members prepared a meal consisting of sausage, sauerkraut, and German potato salad. At the Christmas season, club members went caroling at several houses where there were German-speaking persons. After a successful sale of "Hummel" designed items, the club is planning a meal at the Schnitzelbank and other spring activities.
