## *'81 It's Only The Beginning*

We know nothing lasts forever  
And all things, good or bad, must end  
Many times we have to leave someone  
Even though it is a friend.

It's time for us to take the next step  
Our school years are now completed  
We'll remember the good times along with the bad  
The victories and being defeated.

Memories of when we were freshmen  
Coming to a new school and the fears  
It all seems just a short time ago  
But they will be with us for many years.

To those who are still waiting  
For their high school years to get through  
Our many experiences and best of luck  
We dedicate to you

We remember coming here as freshmen  
And thinking we'd never make it this far  
Although that's been four years ago  
We can hardly believe where we are.

And we'll remember the many great things  
That we had to look forward to  
Like the proms and our special dates  
And embarrassing moments we wished were through.

But there comes a point in each one's life  
When we must do things on our own  
We've helped each other through these four years  
Now it's time for us to go alone.

Debbie Fuhrman

On November 4, 1979 a group of student militants seized the American Embassy in Tehran, Iran. With this act of aggression the militants held 52 Americans hostage for 444 days. No event in modern times preoccupied our nation so long and personally, none bred such national frustration. Not one day, not one hour did the American people forget their fellow citizens. After months of negotiation, the Iranians finally agreed to a settlement ending the drama.

With great admiration the 1981 Echo recognizes these 52 people as a special group we will never forget.

### *The American's Creed*

"I believe in the United States of America, as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies."

"But if you can't be a fun-loving millionaire, what is your second career choice?"

"So what is it like to be a beginning teacher, Ms. Smythe?"

## Jeeps in Action

During this exciting part of the game Coach John Church, Asst. Rick Gladish, and Fresh Coach Alan Mathias show their profiles. We agree that they have the noses for it!

Above Senior Greg Breitwieser prepares to make a shot. P.S. He made IT!

Senior Greg Meyer says, "Ref! Just what kind of call was that?"

Below Senior Roger Hurst jumps for a tip-off during Sectional play.

## Jeeps—Candid Style

Hurst gets another tip-off.

The Jeeps had a good season with a total of seven losses and thirteen wins. We thought that the 80-81 basketball season was a gallant effort on the part of the teams and coaches.

You talk about a team that can "Hustle," just look at those Jeeps Go Go Go.

Jeeps parade back to bench for instructions during second time out. After a tight game the Jeeps are defeated by the Wildcats by a score of 65-61.

Tim Neukam has a look of concentration when he plays S-ball.

### *Queen Julie & Her Court*

The Northeast DuBois Basketball Queen Crowning was held on December 5, 1980, with Mr. Bob Meredith as the Master of Ceremonies. The stage was decorated with a combination Christmas and winter scene. Sara Hasanour provided the organ music prior to the beginning of the ceremonies and also accompaniment for the court attendants. The song, "You Are So Lovely," written by former student Mary Knies was sung for the queen by Chris Knies, Mary Eichmiller, Becky Self, and Miss Carolyn DiLegge. Queen crowning sponsor Mrs. Connie Himel is to be congratulated for a fine job. It certainly was a beautiful evening. The Jeeps added to the night with a victory over Orleans. # DO YOURSELF A BIG FAVOR

Right now, banking is probably one of the last things you think about.

But still, the sooner you start, the better off you will be. Because it's the long term that really makes the difference to you and your money.

Holland National Bank will welcome you as a customer. Here's a couple of ideas you might be interested in.

**Savings Accounts.** HNB offers you a variety of ways to save money. Each depends on how much you deposit and how long you can leave it with us. Obviously, the longer your money stays the more interest you will get. Interest is paid from day of deposit to day of withdrawal.

**Checking Accounts.** Just about everyone uses checks. They are the "easy way" to pay most of your bills. HNB has several checking type

accounts. Fancy, pictorial checks to plain everyday checks. We make it easy for you to get started the right way in your financial matters.

**Borrowing money.** Every now and then you might need a little extra money. Whether for a car, education or a future home purchase. HNB is ready and willing to give you a hand any way we can.

So do yourself a big favor. Come in, introduce yourself and let's get acquainted. At Holland National Bank... where you've got a friend on the other end.
