DEDICATION

*We dedicate this yearbook
To the class of "84"
Growing stronger through the years
Getting better than ever before.*

*Memories we've collected
And friends we've made.
The times we've had
And wouldn't trade.*

*The years we've obeyed
The rules "they" set
We're getting closer
But we're not free yet.*

*We give to the teachers
Peace at last,
But only from us,
Remember . . . there's always another class*

*Here in the schools of Dubois
We've survived it all.
From Sister Dorothy
to Mr. Wahl.*

*So now we're leaving
Feeling mature and old.
And everyone will remember
The Class of Solid Gold.*

What's It All About?

DO YOURSELF A BIG FAVOR

Right now, banking is probably one of the last things you think about.

But still, the sooner you start, the better off you will be. Because it's the long term that really makes the difference to you and your money.

Holland National Bank will welcome you as a customer. Here's a couple of ideas you might be interested in.

Savings Accounts. HNB offers you a variety of ways to save money. Each depends on how much you deposit and how long you can leave it with us. Obviously, the longer your money stays the more interest you will get. Interest is paid from day of deposit to day of withdrawal.

Checking Accounts. Just about everyone uses checks. They are the "easy way" to pay most of your bills. HNB has several checking type

accounts. Fancy, pictorial checks to plain everyday checks. We make it easy for you to get started the right way in your financial matters.

Borrowing money. Every now and then you might need a little extra money. Whether for a car, education or a future home purchase. HNB is ready and willing to give you a hand any way we can.

So do yourself a big favor. Come in, introduce yourself and let's get acquainted. At Holland National Bank... where you've got a friend on the other end.

WHO ARE THEY AND WHAT DO THEY DO?

Sometimes considered a part of the band, but really an individual group, is the **FLAGS & RIFLES**. These girls are a team who put on a show that is an attention getter. Colorful uniforms and precise movements is the name of the game. A tremendous amount of time and hard work, and practice, practice, practice. These girls are to be congratulated for their great efforts and performances.

ODE TO THE SENIORS

Follow your dreams
take one step at a time.
Don't settle for less
just continue to climb.
Follow your dreams
if you stumble, don't stop.
Keep your eyes on your goals
press on to the top.
For only on top
can you see the whole view
can you see what you've done
and what you can do.
Even though you're ready to go
your own separate ways
you can always hold on
to those old high school days.
For the memories of NDHS are many
and the friends that were made-even more.
With this in mind, the Juniors dedicate their
prom
To the graduating class of '84'.

BOYS TENNIS BOYS TENNIS BOYS TEN

I just live to smack the air out of one of these little yellow babies.

The 1983 Boys Varsity Tennis Team finished the season with a very fine 11 wins 4 losses record and finishing runner-up in the IHSAA Sectional Tourney. The Team was lead by Brian Cockerham playing at #1 singles. Brian's 12 wins and 3 losses is the best record in the schools tennis programs history. Rod Hemmerlein and Dion Terwiske contributed significantly and gave the team good senior leadership. Other lettermen are Gene Eisenhut, Steve Moore, Scott Pieper, Duane Rasche and Dwayne Knies. We are looking forward to their play during the fall of '84.

The 1983 Cross Country team finished the season with an outstanding record of 105 wins and 26 losses. They were undefeated in dual and triangular meet competition and have won the Shoals and Barr Reeve Invitationals. For the third year in a row the team advanced to the Semi-State at Bloomington. The team had their best performance of the season finishing in front of Sectional and Regional winner Crawford County.

The team was led by a strong contingent of seniors. Rod Schreiber placed first for the team throughout the season and was the individual winner in the Shoals Inv. and in the Blue Chip Conference. He was also named to the third All State team and has set a school record for the home course.

Mike, Luebbehusen, Glen Haase, John Knies and Harold Bleemel were the other Seniors who have added much leadership for the team. Mike was named to the honorable mention list for the state balloting.

The Jr. Varsity team ended their season with a record of 31-5. Freshmen Jason Kress and Bernie Main have led the team most of the year.

If 1983 was the year for the Jeeps to gain confidence then 1984 is a year where the Jeep confidence could really pay off. The girls started the season with a new coach, new dreams and new expectations. It grew into an 11-9 season, that had several highlights. First was a second place finish in the Southridge tourney, then the beginning of an eight game winning streak, which included a very exciting match against Southridge, a third place finish in the Blue Chip Conference at 7-2 and for the first time, a runner-up finish in the Sectionals.

The girls worked well together as a team and developed into a family with everlasting unity, lead by All-Conference and Most Valuable Player, Shelley Allen, and Pam Pieper, our leading server with 112 out of 119 for 94%. Junior Gina Knies was awarded Best Offensive Player, Audrey Mathies was the second Jeep voted to the All-Conference squad, Kim Stemle led the team with 70 spikes and sophomores Beth Seger and Lorrie Allen were selected as the teams Most Improved players. Also contributing to the Jeeps success were Juniors Missy Buchta and Lavone Schepers.

This season may be over, however, this marks the beginning of many more successes in 1984. The best is yet to come.

"FANTASTIC" This word probably best describes the Dugirls basketball season in 1983-84. The team had the best record ever for the girls basketball team with 16 wins and 3 losses. Also for the first time the girls won the Blue Chip Conference with a perfect 8 and 0 record. This year's team was also runner in the sectional. In the conference the Dugirls ranked 1st in defense and 2nd in offense. The 83-84 team was short but they made up for their lack of size with quickness. The JV team also had a "FANTASTIC" year with a 15-2 record and finishing at the top in the conference this year.

1983-84

JEEP BASEBALL

The 1984 Jeep Baseball team finished with the best record in the school's history. They won 20 ballgames and ran off a record 13-0 to start. The Jeeps accomplished one of their goals by being ranked 13th in the state. They stayed in the rankings throughout the remainder of the year and finished 17th. The team also gave Coach Redman his 100th win as the Jeep's coach. The season's highlight came at the expense of the Jasper Wildcats. The Jeeps beat the then top-ranked Cats 6-5. Although the Jeeps failed to win the sectional they set a precedent for all future teams to shoot for.

B-BALL FRESHMAN B-BALL FRESHMAN

The 1983-84 basketball team consisted of several ingredients that could make 1987 a good year for Jeep basketball. This group of young men have size, quickness, and speed. In compiling an 11 win, 6 loss record they displayed some exciting basketball, especially in tournament play, as they made a very good showing in the Blue Chip and won the Forest Park Tourney. Providing they continue to improve and practice hard, this will definitely be a fine group to follow as they mature. Members of the team are Stan Letterman, Jason Kress, Tommy Kleinhelter, Myron Foster, John Fuhrman, Bernie Main, Keith Meyer, Shawn Kluesner, Dwayne Knies, Robin Dodd, and Alan Matheis coach.
