

THE ECHO

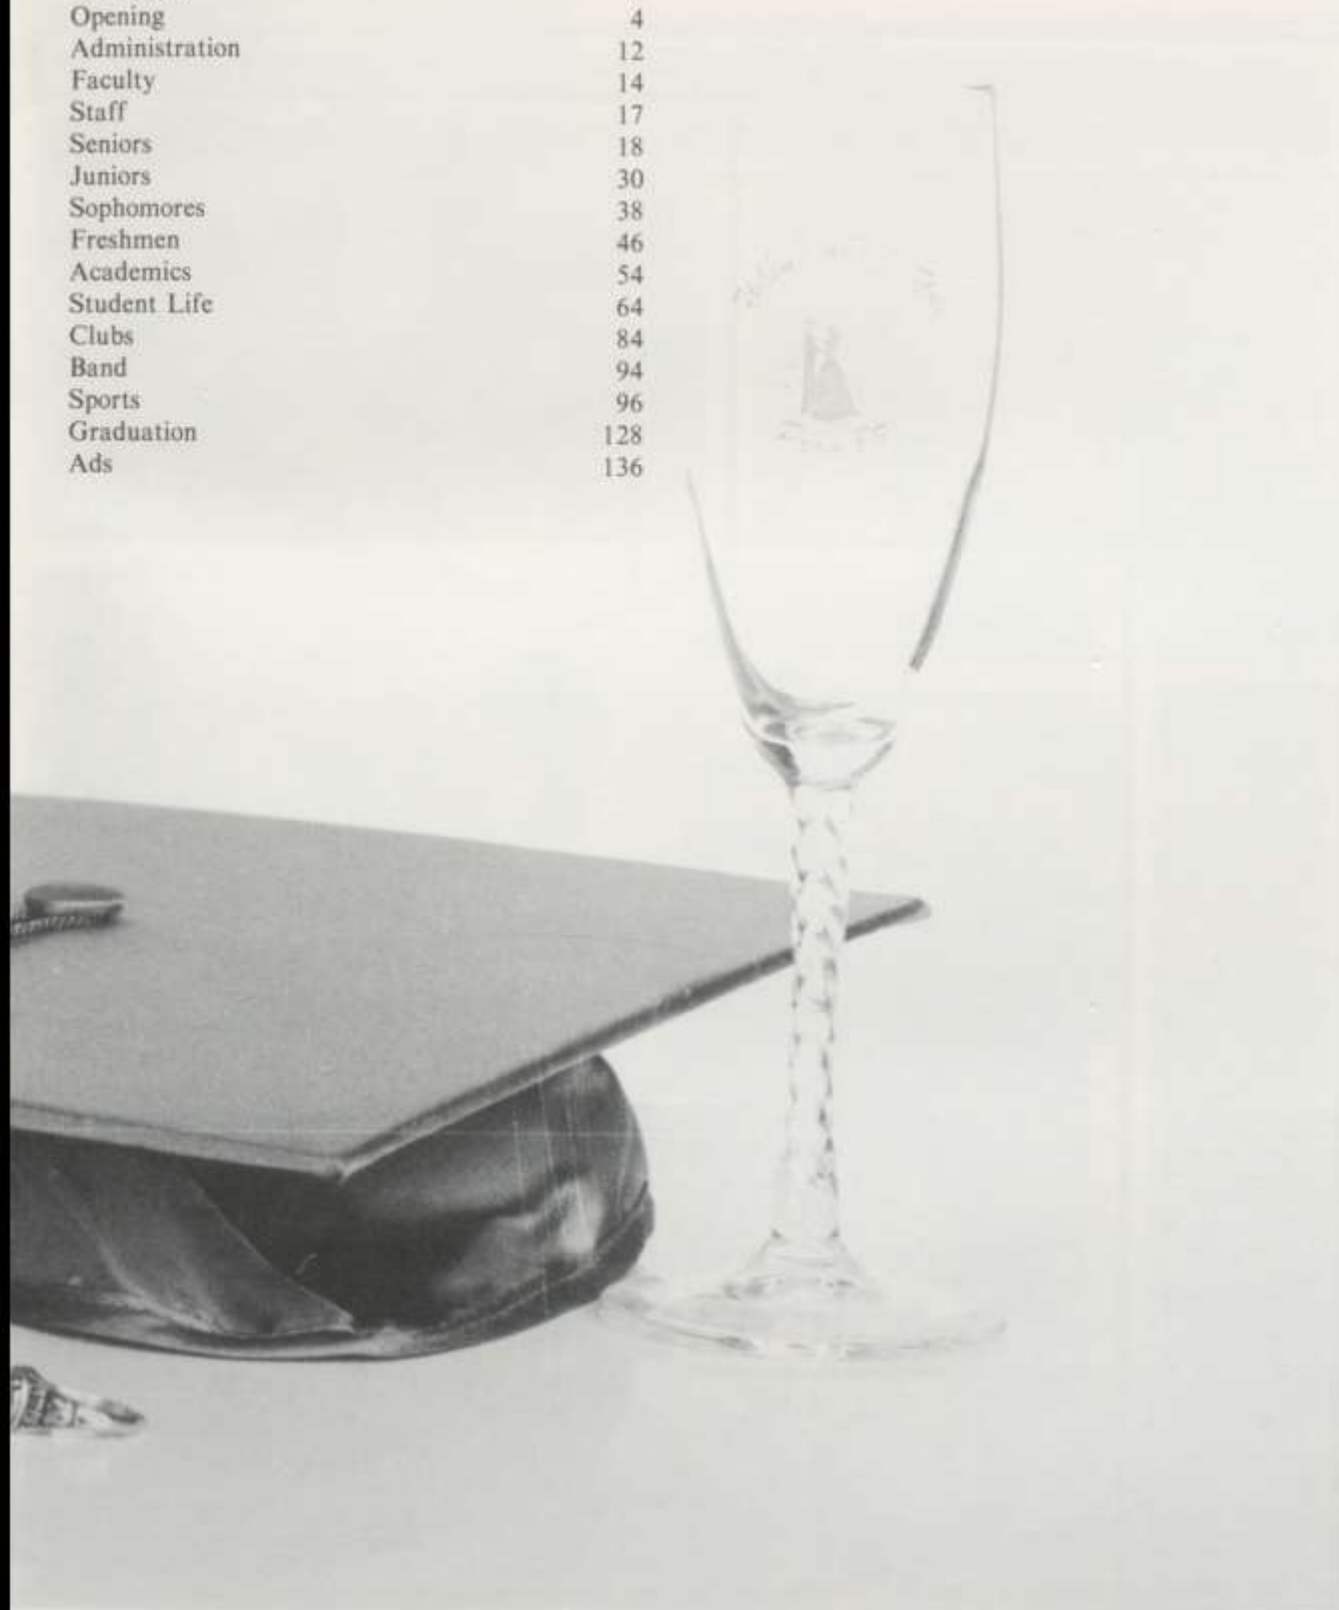

If we could have one lifetime wish,
One dream that would come true;
We would pray to God with all our hearts
For yesterday and you.
A thousand words can't bring you back,
We know because we tried;
And neither will a million tears,
We know because we cried.
You've left behind our broken hearts,
And happy memories too;
But we never wanted memories
We only wanted you.
So quietly tonight, your memory we treasure
Thinking of you always
Always and forever
The Class of 1990
would like to dedicate this poem
To the memory of
Janice R. Moore

ACADEMICS

Spell Bowl

This year's spellbowl team was determined to follow in the path of the previous team and reach the State finals. Mrs. Himsel gathered the valuable knowledge gained through the previous competitions and set out to drill each member of the 1988-89 team with vast amounts of information. The members spent a large amount of their free time spelling the long lists of words thrown at them by Coach Himsel.

Their first competition was the Blue Chip Conference held on September 26, at Loogootee High School. The team earned first place through a tremendous effort.

The regional competition took place on October 13. Our spellers brought home another first place after out spelling all other 25 teams competing at Southridge High School. The win qualified the team for state.

They continued working to improve their spelling skills in preparation for the big competition. It was held at North Central High School in Indianapolis on September 26. The team came away with an impressive second place finish. They spelled 69 out of 80 words correctly and followed up with 8 out of 10 bonus words. The team consisted of Kevin Tretter, Bill Fendel, Kristy Lampert, Kathy Egler, Julie Elkins, Brian Lucchi, Brian Wortinger, Kendra Greener, Heather Wininger, Andrea Buechler, and alternate Scott Weyer. The team was coached by Mrs. Connie Himsel with Mrs. Karen Acuff serving as proctor.

Academic Bowl

Returns to State

As the competition becomes tougher, our academic team works harder to improve. This year's team achieved the best finish in our school's history.

The team competed in several meets throughout the year including the Blue Chip Conference meet, Regional meet, and State meet. On March 16, the Conference meet was held at Loogootee High School. They received two firsts (Social Studies and All-Around) and a second (English). They continued on to the Regional meet on April 18, at Jasper where the Fine Arts and Social Studies teams qualified for State competition in Indianapolis. The English and All-Around teams missed qualifying by one point each. The Fine Arts team placed second while the Social Studies team placed third in Indianapolis on April 29.

Coach Himself would like to thank all of the students who participated on the team for your dedication and hard work.

Awards Day

On May 11, 1989, the Northeast Dubois High School faculty and administration honored its students by presenting academic awards to many deserving recipients. Many guests attended the Awards Day Program to observe the variety of awards given out. They covered areas anywhere from individual classes and activities such as the Academic Bowl and Spell Bowl to scholarships from various sources.

On Sept. 19th, they went to the Pike Central Invitational in which they received a 2nd place trophy in Class AA. On Sept. 26th, the band went to Castle to compete. Rain put the competition in the gym for a stand and play competition. They received Best Drum Majors, Best Auxillary, Best Percussion, and 3rd place in Class A. The same night they traveled to Princeton where they again placed 3rd in Class A. Oct. 10th was the ISSMA District Contest at Jasper where they received a Division I rating. The 1988 Boy's Tennis Team finished an excellent season with an overall record of 13-11. They placed 4th in the Blue Chip Conference. The 9-5 record in dual competition was one of the better records in school history.

Mr. Verble commented "With the four seniors on the team: Jon Bauer, Phil Englert, Tony Ernst, and Heath Kalb they showed great leadership. He also added that with no juniors on the team and a strong group of sophomores and freshman good things should follow in the future."

The 1988 Girls Varsity Volleyball Team began their season on a positive note finishing second in the first ever Dubois Volleyball Tourney. From this point until midway through the season the Jeeps were faced with a very strong schedule. They made steady improvement, despite disappointing losses; and bounced back to finish runner-up in the Southridge Tourney.

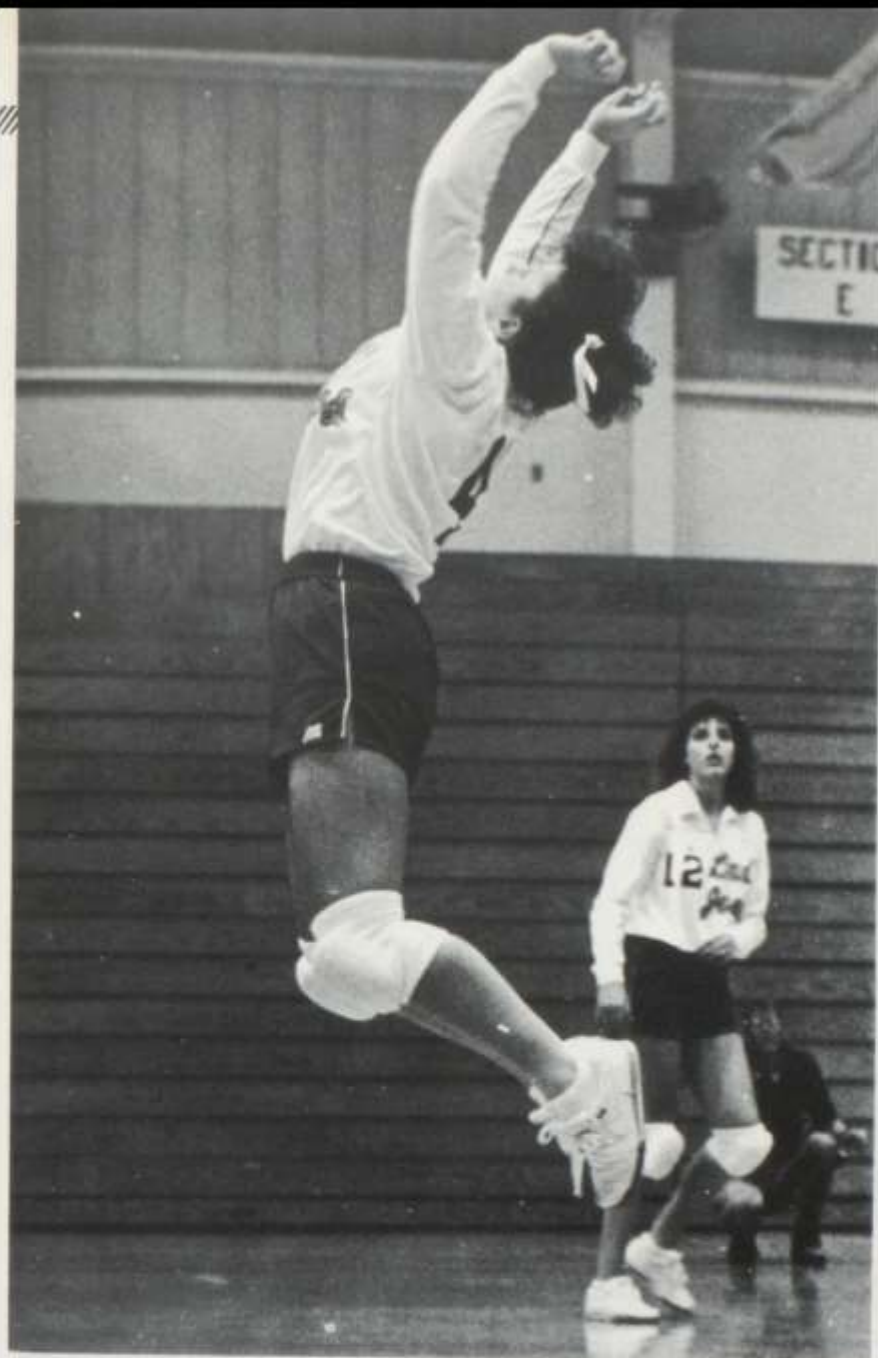

With only the sectional remaining, the girls had finished fifth in conference play and had broken two school records. Sheila Elkins setting a new mark with 112 kills, and Dana Kalb with 197 assists.

The season ended with a loss to Jasper in sectional play. The girls bowed out with a 6-17 record overall. According to coach Collins "We may not have had a winning record, but every team who played us had a lot more respect for us than they did in the past, and that's a big success for us."

GIRLS J.V. BASKET- BALL

COACH'S COMMENTS The Girls' J.V. season record was 14-4 while the conference record was 6-2. Our conference record placed us in a tie for third. We were runner up in the Dubois Girls' J.V. Tourney. This was an excellent season.

Overall the girls were dedicated to working hard and doing their best. We benefited from having strong leadership from our upper-classmen and desire from our freshman.

The girls this season have a higher level of skills than I have coached in a number of years. It was a pleasure to push and challenge them to use their skills to improve the game.

We handed out trophies to these girls on the team for their outstanding season performances. The trophies went to Stacy Breitwieser for free-throw, Lisa Land for rebounding, and Barbara Jochem for M. V. P.

COACHES COMMENTS The 1988-89 season was a very enjoyable year. We finished the season with a 13-7 record which is the 3rd best in our short 14 year history of girls basketball, and we finished second in the Blue Chip Conference with a 6-2 record. The girls played extremely well throughout the season as they played some very good competition—4 games were played against teams ranked in the top ten. Some of the team members received special recognition: Mindy Neukam and Charlotte Reuber were named to the Blue Chip Conference Team also Mindy Neukam was named to the 1st team All Sectional. Julie Rasche, was named to the 2nd team for the All Sectional Team.

VARSITY BASKET- BALL

COACH'S COMMENTS

The 1988-89 Northeast Dubois Jeeps came out of the shoot ready to play this year. In the early part of the season they had some good wins and great plays. Their wins over Crawford County, a veteran team, and Barr Reeve on the road, the school's first win there in 14 years, was an indication of their play.

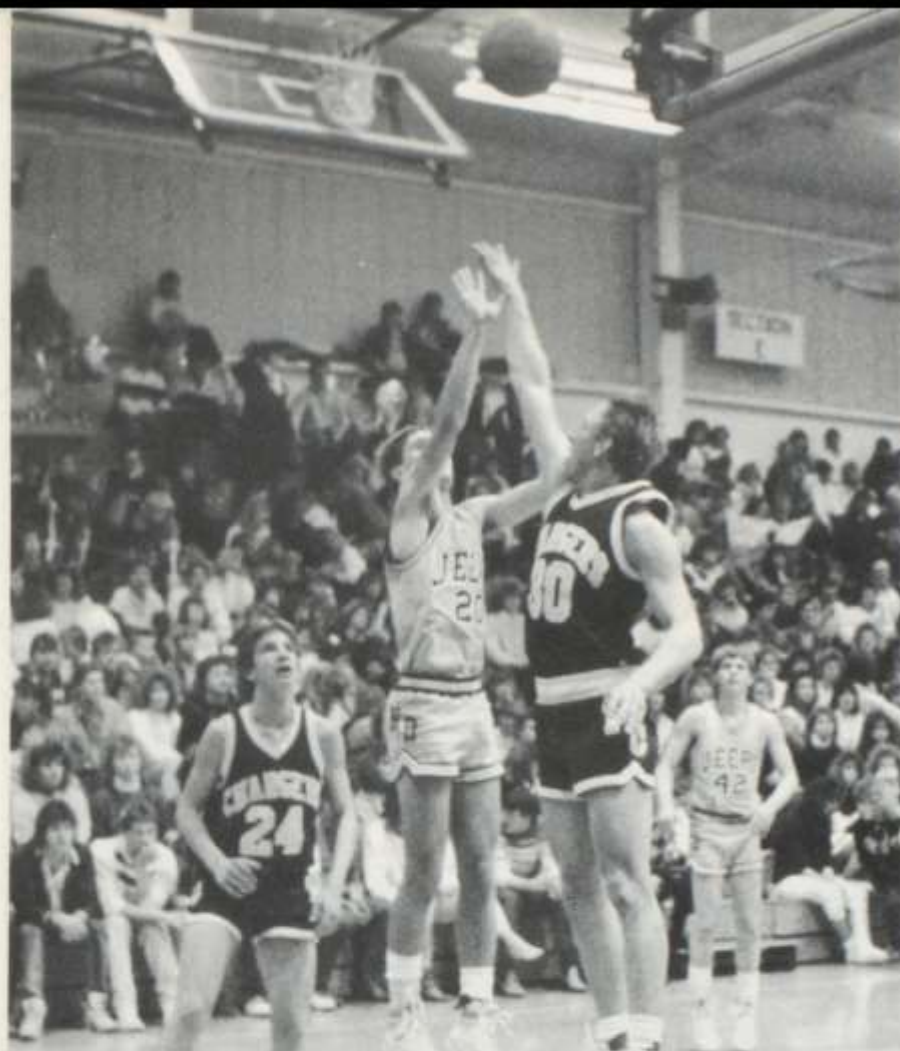

As the season progressed injuries caused setbacks and the Jeeps struggled to a 7 win and 14 loss season. The senior oriented team stayed with it to the very end.

If it had not been for the injuries, one in particular to Bill Fendel, this team was geared up to have a very respectable season. However, these young men I feel have learned a lot as a result of those trying times and that is sometimes the best education for anyone.
