The beginning of a new year offered each of the 340 NDHS students the chance to accomplish new goals and create memories. We signed up for physics and sold magazines, joined Beta Club and Show Choir. We decided to try out for the Blacklight Show and tried to pick out the best class rings. We triumphed in the success of the sports and academic teams, and we learned to compromise by having to share lockers. We voted for queens and class officers and sat in the hallway during lunch. We saw old friends and made new ones. Some of us were saddened to say goodbye to the school that had been a part of our lives for 4 years, and some of us rejoiced because we had made it through the first year. This book was designed to help you replay your memories instantly.-C.Fromme

THE TROMBONES LINE up for their performance at Universal Studios, Spring Break '95.

## SOMETHING TO WRITE HOME ABOUT

After four years of "mega" fundraiser, the Marching Jeeps have something to write home about. The band took a Florida trip over Spring Break '95, March 24-29. One-Hundred and one people raveled in two charter buses (Cavello Buses) provided by Taylor Tours. Mr. Jim Ashby served as courier. The tour included a night performance at Epcot Center and an early morning show at Universal Studios.

Other stops on the trip included Hardrock Cafe, Magic Kingdom, Wet and Wild water park, Old Town and Medieval Nights.

Seniors Cathy Riley and Karen Fuhrman and juniors Tiffanee Conrad and Jenny Stenftenagel became good friends during High School. They all had lunch together and started hanging out together on weekends. Playing tennis and watching movies are two of their favorite things to do together. They also enjoy going out for pizza and going to each others houses. One of the most humorous part of their friendship is that before each others birthday they try to find a card that is the most unique. On more than one occasion two or three people will have purchased the same card without knowing it.-C. Fromme

**SHOWING OFF THE COLLEGES** they like are seniors Karen Fuhrman and Cathy Riley, juniors Tiffanee Conrad and Jenny Stenftenagel.

Jeremy commented that, "Angie is nice, kind and good looking." When they find time to go out together they enjoy going out to eat and watching movies.

**DENIM** MUST BE THE thing for friends junior Andrea Gehlhausen and seniors Sherry Woodburn and April Nolan.

Where one is , there is usually the other. That can be said about friends Karla Fleck and Angie Hasenour. These two have been friends since starting Kindergarten in '84. These friends were unique in the fact that they had Accounting Class together, and English together, "Shop" class, and Algebra II together and U. S. History together. You guessed it! Somehow they conned Mr. Collins into having all their classes together. You may have also seen these two girls even working in the cafeteria taking lunch money at the end of the counter together.

You always see them in class, studying and taking notes, but do you ever wonder what your classmates do in their free time? Many of the people that go to Northeast Dubois High School have hobbies that keep them busy after school, on weekends, or in the summer. These hobbies range from hunting to sewing to talking on the telephone. Many people got interested in their hobbies when they were young. They saw relatives or friends getting involved in hobbies in their spare time or as a form of relaxation. Some people, on the other hand, just have a certain knack for doing things, like sports or putting models together. Whatever the hobby, students dedicate their time to it to make sure that it is done right. -C. Fromme

The Ruritan Club sponsored junior Chad Hopf for a leadership conference to Valley Forge, Penn. While on the trip he had a chance to tour the Hershey Chocolate factory.

TRYING NEW AND SOMETHING TOTALLY different, such as sophomore Nathan Acuff displays his new hair cut, can also be a type of hobby.

The class of 1998 consisted of 92 students. This has been the largest class at Northeast Dubois High School in the past ten years. Because of this large number of students the freshmen were forced to share lockers. Also the freshmen were the first class to be on the academic program "Core 40". During the spirit events each of the freshmen homerooms were in the top four winners in the door decorations. The freshmen participated in many sports clubs and spirit events to show the upperclassmen they were here to stay.

The Blue Chip Conference runner-up were your very own Northeast Dubois Jeeps tennis team. They shared second place with the Forest Park tennis team, while Loogootee prevailed as the champions. The Jeeps were once again coached by Mr. Mark Verble who led the team to a 12-5 record, but losing to Southridge in the Sectional. The varsity positions were filled by one senior, four juniors, one sophomore and one freshman. The Jeeps most wins Leaders were juniors. They were number two doubles player Barry Mathies, and number

one singles player Josh Quinn. The team was very young as far as experience. There were only two returning varsity players, the rest were upcoming J.V. players from the previous years. Two underclassmen who were varsity players were sophomore Brandon Terwiske Freshman Nathan Seger. Although they were young the team had closeness that held them together for the year. This young team proved that inexperience can't overpower the desire to be successful to win. -J. Quinn

Freshman Wendy Weyer, the teams number one runner, broke her foot at the race at Pekin Eastern. The team decided this would not stop them from achieving their goals, so they regrouped.

Their hard work and dedication lead them to the state competition in Indy. The girls won the Sectional, and Regional crowns and achieved the needed fourth-place finish at Semi-State to advance to their final race of the season, State. Young and surprising is two words that can describe the 1994 cross country team. To give one an idea of how young they are, there were two seniors, two juniors, seven sophomores and four freshmen. The team surprised many people in their performances. This was supposed to be a rebuilding year for the team, but it turned out to be a very good season. During the year there were many injuries and illnesses the team faced, but they all came together and made the best of it. They will be a team to look for in future years. ## Varsity Volleyball

The Northeast Dubois Lady Jeeps Volleyball team had an excellent season. The 1994-1995 team was experienced with four seniors: Andrea Kalb, Mary Sue Linne, Anissa Fischer, and Yvonne Werner. The seniors led the way to a victorious season. They had an excellent season of 10 wins and 13 losses. The Jeeps started with an outstanding attitude and kept the spirit up to play together as a team. The Lady Jeeps added a new school to their roster, Medora. At the game, against Medora, the team presented a poem and a rose to the seniors

for senior night. The team was very spirited and this helped them to keep themselves together this season. The Varsity Volleyball team had outstanding leadership from the second year of coaching from Beth Underwood and assistant coach Amy Englert. Another distinction that the Volleyball team achieved was the inclusion of some of the players on the "Honorable Mention" list for the Blue Chip Conference. Seniors Mary Linne and Andrea Kalb were named to this list.-A. Schnell

## J.V. & Freshman Volleyball

A new tradition was started this year, a freshman team was added to make Jeep Volleyball bigger and better. The coaches felt that the added Freshman team would further experience the girls for next year's season. Working together and playing as one showed in the teams overall performance. The Freshman team ending record for the 1994 season was two and five. Four returning J.V. sophomores had the experience to help the added members through with a great season. Bump,

Set, Kill!!! That was the J.V. motto. The J.V. team made many sacrifices at practice to make their game the best it could possibly be. The J.V.'s ending record for the 1994 season was 11 and 8. Next year the girls plan to have a great season. They want to work harder in practice so they can improve their game. They also want to play as a team and get along well on and off the court. Hopefully they will have a winning season next year. Good Luck Jeeps!! - Y. Werner

## Cheerleaders

Being a cheerleader means working hard all year long. This year the cheering season began in the summer. The cheerleaders attended a cheer camp held at DePauw University. Once school started the girls planned and ran the pep sessions, and cheered at the boys games. They could also be seen cheering or working at the girls basketball games. And remember the varsity players lockers at sectional time? The cheerleaders were responsible for decorating them. As you can see, cheering doesn't just involve a few hours a week. Cheering, Jeep Style, involves a serious commitment that the cheerleaders at Northeast Dubois have. - C. Fromme

EACH YEAR THE cheerleaders participate in the opening cheer at the sectional. Here, the varsity squad practice at Memorial Gym with other local cheerleaders.

The Daryll Friedman Award is given each year to an outstanding cheerleader. This year the winner was junior Jennifer Pankey. The Most Improved award went to senior Yvonne Werner. The Junior Varsity award for Most Improved went to freshman Kelly Merkel.

ALWAYS STRIVING TO do her best in practice is senior Marie Weyer.

CHEERLEADERS BRIANNE HEEKE, sophomore, and Rachel Beck, freshman, check to make sure that everyone is participating.

1994-95 Varsity Cheerleaders: Tasha Meyer, Stacy Burgan, Marie Weyer, Yvonne Werner, Brianne Heeke, Brittney Neukam, Jennifer Pankey and Rachel Beck.

1994-95 Junior Varsity Cheerleaders: Kale Bauer, Kelly Merkel, Tracy Lampert, and Melissa Birk.

THE CHEERLEADERS SPEND so much time together that they can't help becoming friends. Here, the girls pose for a picture before one of the games.

“

Yvonne Werner, three year cheerleader, will be attending the University of Kentucky in the fall. She has been active in Volleyball, Beta, and German Clubs. She commented that cheerleading camp was fun. "Everyone bonded during the long hot days."

”

“

Marie Weyer, two year cheerleader, plans to attend Oakland City College majoring in Elementary Ed. She is going to run cross-country on a scholarship. During high school she was a member of FCA, Library, and French Clubs. She has been involved with track for three years.

”

AN EXAMPLE OF ONE of the outstanding builds the cheerleaders perform is the shoulder stand.

## Varsity Baseball

The 1995 Baseball Team had a rebuilding year, losing eight senior varsity players from last year. The only returning senior was Ray Partenheimer and nine returning junior players and five sophomores rounding out the squad. The only junior that took the class was Andrea Gehlhausen. During the first semester senior Shannon Myers also accompanied the staff. The Focus staff had very good articles this year, such as the movie reviews and the sport reviews. Controversial editorials such as "Queen Crowning" was included encouraging rebuttals and debates. The staff was responsible for gathering and publishing the "senior wills." Many thanks deserves to go to the Focus team. Whenever there's was a story that was hot they were right there. This group, at the time of publication may be the last "focus staff." Class enrollment shows that there may not be a school newspaper next year.-A. Schnell

As long as Mrs. Parr lives she will always remember the 1994-95 echo staff. She will remember Bolin's loud mouth, Danyelle and Yvonne's dancing, Trish's boyfriend stories, and "I love Brian Evans." Above all, though, she will definitely remember Gavin's sadness!!! -Yvonne Werner

NO ONE CAN demonstrate "the rear" better than Senior Mark Schroering at a basketball pep rally.

end-n. stop, terminus, limit,  
tip, boundary, point, finish,  
close, conclusion, finale,  
cessation, point, expiration,  
aftermath, bringing up the  
rear...

MAKING IT to "THE END" of the school year are Freshman Nicole K and Brandy Frick.

A yearbook . . . the instant replay of a school year gone by. We hope the students pause, and take a closer look at the exciting times and great memories at NDHS. Thanks . . . the Editors.
