All For One

"All For One." These are simple words with a strong meaning. Our school stands out when compared with others. We have our own kind of spirit. For example, when a visitor comes to school they can see our school pride without seeing students. The good luck signs supporting groups of students show that we all stand together. Even though there are times when we disagree about certain issues, there is always a sense of togetherness and support from others. The Northeast Dubois Jeeps will always be "All For One." - C. Fromme

THE SPIRIT DAY tug-of-war is one of many ways the Jeeps can show that they are "All For One."

FUNDRAISERS SUCH AS the Volleyball team's car wash offered students a chance to work together.

PEP SESSIONS OFFER students extra time to support their fellow classmates.

ALL OF THE clubs participated in a food drive . The winning clubs sponsor , Mr. Newton, had to dress up like a turkey to accompany "Pilgrim Principal Balka."

EACH HOMEROOM SPENT much time composing a door panel to support the Jeeps in the sectional.

SPORTS OFFERED THE Jeeps a chance to show their true team spirit.

”

Students who go to Northeast Dubois High School have four main option of ways to get to school. They may ride the bus, walk, have a parent take them, or bum a ride from a friend or sibling. The most popular option is bumming a ride. Not only does riding to school with a friend give them a mode of transportation, it also gives them a chance to socialize and sit in the parking lot hanging out until it is necessary to go into school. Many varieties of vehicles can be found in the parking lot. The vehicles range from big trucks to compact cars. There are also some sporty cars such as Cameros. No matter what you drive, nice or junky, you may be approached by a ride bummer! -C. Chastain

Waiting

for
the
deadline

According to the Websters New Collegiate Dictionary to "procrastinate" is to put off intentionally the doing of something that should be done. Why do so many students procrastinate? Many times teachers will assign something days or even weeks before it is due. Still, most students can be found doing the homework at the very last minute possible. Whatever their reason, procrastinators can always be spotted around the school. - C. Fromme

THE FINAL DEADLINE has finally come for Sophomore Adam Glendening - the 3:14 P.M. Dismissal bell.

TRYING TO FINISH his homework for Mr. Chapple is Sophomore Brian Meyer.

"All For One" was the theme for the yearbook '96. That theme was carried throughout the yearbook and also the yearbook staff. "Even though there were 13 different personalities in class, they worked together to complete all deadlines, made a lot of changes and still got along" says Mrs. Parr. Charlotte Chastain and Christa Fromme were editors and Steve Betz was computer coordinator. The yearbook staff met all deadlines (the first in three years.) This was the first staff to have a color photo of seniors on the endsheets, lots and lots of pictures in this yearbook, and a new and improved index. The yearbook was completed early even with the moving of the darkroom.-J. Cole

Senior Spirit Rules!!

Spirit Week

SPIRIT WEEK was a great success although a little different than past years. Due to all of the snow and missed school days, the SPIRIT WEEK was actually only a half day for some students. The competitions were held on the same day as prom so the juniors and seniors missed the second half of the games. They were able to compete, however, in the morning for part of the competition. All of the students and teachers involved seemed to have a wonderful time despite the change in routine. There were board game competitions, charades, Pictionary, academic and athletic events. Among these events was the annual tug-of-war which was won by a Senior homeroom. These were not just any seniors either, they were the three- year reigning champs of the tug-of-war competition. The homerooms also decorated door panels for the boys' basketball sectional. There were many creative ideas displayed on the panels though the most creative belonged to Mrs. Himself's freshman homeroom, the winners of that competition. We had dress up spirit days for both girls' and boys' basketball sectionals. The dress up days consisted of Disney day, hippie day, and blue and white day. There were also pep rallies for both boys' and girls' sectionals. Mr. Haworth gave another one of his all inspiring speeches at the boy's pep rally and got everyone pumped for the coming games. Over all the competitions and events were enjoyed by the student body and the teachers too. -Kelly Gregory

THE SENIOR CLASS members could always be found having fun at basketball games and other social events which allowed their friendship to show.

THE CLASS OF 1996 waited four long years for May 25, 1996 to finally come. Some had mixed emotions. Some dreaded the end, not sure what the future would hold. Others had a bad case of "senioritis" and were carefree the entire year. No matter what the situation, the class of 1996 stuck together through it all!

Seniors '96 - ALL FOR ONE! - C. Fromme

DUBOIS FANS DEFINITELY ruled at the 1996 boys sectional. Everyone got involved by painting their faces, hair, and even clothing. The Jeeps cheered the loudest of all the schools. The Seniors got especially rowdy to make their last sectional the Best!

Spell Bowl

It's the middle of November, and you are sitting in the Warren Central Auditorium in Indianapolis. All of the sudden you hear a group of students going wild. They are yelling, screaming, and shouting! Chances are that you're witnessing what makes the Northeast Dubois Spell Bowl team so unique--the sense of pride, friendship, and competition. The Spell Bowl team, coached by Mrs. Connie Himself, upheld the school tradition by winning the State Championship for the 6th time in 9 years, and the 4th year in a row. The team also captured 1st place honors at the BlueChip, Bedford, and District competitions. As always, the members worked together as a team. Some members practiced every morning, and others stayed after school to spell. Nevertheless, the work payed off as the Spell Bowl team did an outstanding job throughout the season. -C. Fromme

"I CAN'T BELEIVE that we won 4 years in a row," exclaims Junior speller Kylie Miller.

Front Row: Amy Gudorf, Nathan Seger, Kelly Merkel, Kylie Miller, Nicole Freyberger, Michael Tretter, Coach Connie Himself. Row two: Clint Knies, Jill Reuber, Jeremy Nathan, State Representative Dennis Heeke, Christa Fromme, Larren Danford, Garren Heeke.

THE THREE SOPHOMORE spellers, Nathan Seger, Kelly Merkel, and Clint Knies, take a moment to show their friendship.

CONFIDENT AS EVER, Senior Garren Heeke exclaims, "I am the Red Badger," after completing his final round of competition.

MARCHING AS ONE

Marching Jeeps

Marching as one-all seventy-one members of the NDHS Marching Jeeps. They were kept busy, once even three shows in one day. Their season started with a week long band camp held the first week in August. Band camp was held eight hours a day and the extreme heat was a factor this season.

They had a very enjoyable upbeat program consisting of four songs: "It Don't Mean A Thing," "Sing, Sing, Sing," "Gospel Hoedown," and "Just a Closer Walk With Thee." They won the Best Field Commander Award at Castle, and also received a third place finish at Reitz.

The band held together even though the season ended with disappointment. Disappointment that they didn't receive a division one rating at District. There was controversy over the new scoring system used by ISMMA making class four schools needing five more points to qualify for Regional.

THE TRUMPET TRIO of Senior Misty Sendelweck, Sophomore Aaron Rasche, Junior Daniel Smith opened up the marching show with "It Don't Mean A Thing."

PERFORMING THE LAST solo "Just A Closer Walk With Thee" are Senior Tiffanee Conrad, Junior Marc Parr, and Freshman Angela Heeke.

CHEERING ON THE MARCHING Jeeps is Donovan C. Pennington.

RECEIVING A THIRD PLACE award at Reitz High School are field commanders Senior's Jennifer Pankey and Chad Butler.

AT ATTENTION FOR the district competition held at Jasper are field commanders Jennifer Pankey and Chad Butler.

Mr Pennington has been teaching the fine lessons of music since 1982 at NDHS and taught before at Belmont. He enjoys the art of fishing, and loves to go to yard sales.

Over all I feel we had a good marching season. I am very proud of the band members! They are hard workers that dedicate a great deal of time and energy to this program. In my opinion, we deserved a Division one rating at District, and it was unfortunate that the change in the scoring system hurt us. - Kristi Boeglin

THE LOWER BRASS are performing along with the other Jeeps at Jasper.

HEARING THE NEWS that the Marching Jeeps didn't receive a division 1 rating are the guard consoling each other.

MAKING THE GAME

Boys Tennis

The tennis team worked hard and earned a winning season with a 12-7 record. The tennis team has had a winning season thirteen out of the last eighteen years. The Jeeps had five returning seniors and recruited four freshman with one junior and one sophomore rounding out the team. Highlights this season were the Jeeps finishing third in the conference and winning the Springs Valley Tourney and winning second place in the Washington Tourney. Senior Josh Quinn and Sophomore Nathan Seger were named to the All-Conference team and seniors Barry Mathies and Jason Reckelhoff were named as honorable mention. Senior Josh Quinn is second for the most "career wins" and "single wins" behind Dwayne Knies who leads the record since 1985. The Jeeps were coached by Mr. Mark Verble.

QUALITY NOT QUANTITY

Girls Cross Country

Even though school enrollment is small, NE. Dubois was not considered so small at the state meet. When the girls Cross country team set its goals earlier in the season, they knew that achieving them was going to be a challenge. Their main goal was to finish in the top 10 at the Indianapolis State meet. Not only did they come in 9th at the State meet, but senior Krystal Kearby also made the All-State team. These girls put their hearts into their running. Even through the tiring practices these girls kept their heads held high and put it into overdrive. The girls could tell you that a big part of their success was due to the watermelon and meatloaf consumed throughout the season. They earned the titles: Blue Chip, Sectional, Regional, Semi-State, and State Finalists. But the word that describes them best is "family". Congratulations! A. Stetter & K. Gregory,

Ⓐ ALWAYS A THREAT

Boys Cross Country

"Consistency" is a key word for the Boys Cross Country team of 1995. With six of seven runners returning from last year's Semi-state team, the Jeeps had plenty of experience. Led by number one runner Junior J. R. Weyer the Jeeps were ready to make a run at the chance of going to State. Their hopes were dashed however, because of an injury to their number three runner, Junior Jarod Hall during the Semi-state race and to Sophomore Jed Elkins who was unable to compete.

The team was "race hungry" according to Coach Vic Betz. No matter how long they had to ride on the crowded bus listening to loud Heavy Metal Music, they were ready when the gun was fired. The Boys Cross Country team was considered a threat in any meet they attended.

This was also the first year ever that a boys and girls team from the same school both won Sectional. That school was Northeast Dubois. - Mike Balka & Bill Mattingly

"WHEN WILL THIS ever end," says Junior J.R. Weyer at the regional meet.

Girls Varsity Volleyball

The Northeast Dubois Volleyball Team was led by seniors Misty Sendelweck, Angie Schnell, and Kristy Jacob. Their season got off to a good start with wins against Medora and West Washington in the NE. Dubois Tourney. They also started off well in the Blue Chip Conference with a hard fought win against Vincennes Rivet. The girls finished out their season at 8-18. Even though their record didn't show it, they played very hard all season. They proved it when they played Jasper on September 14. Even though the team was defeated 15-5 and 15-4, they were not intimidated by Jasper. "I knew they would not let Jasper walk in here and walk out with a win without being challenged," said Coach Beth Underwood. Prior to the varsity game against North Knox, which was held on October 10, the seniors were recognized. After the loss to Forest Park in the sectional, the Jeeps had three players named to the Blue Chip Honorable Mention List. -B. Werner, D. Mehringer

WORKING FOR A WIN

Freshmen and JV Volleyball

Although the scores may not reflect it, the JV and Freshmen teams worked very hard. According to Coach Englert, the JV team "had a rebuilding year this season." The team worked hard to get many of their matches to go into three games. Their coach feels that with a lot of hard work and determination the team could steadily improve and win more matches next year. Coach Englert hopes "everyone keeps a positive attitude and has the desire to win." -C. Chastain

The Lady Jeep's J.V. team had a good season. Teamwork, good attitudes, and exceptionally good defense helped them to end the season with a winning record. Some highlights of the season for coach Beth Neukam were beating North Knox, playing extremely well against Southridge, and having very helpful friends(managers). Some goals for next season are to win against Pike Central and teams like Jasper and Forest Park who the Jeeps face in the sectional.-Mike Balka

STRIVING FOR SUCCESS

Girls Varsity Basketball

The Northeast Dubois Girls Basketball team started off quickly. The team won seven of their first ten which helped the team to an 11 win season. The team finished with a record of 11-7. The team finished fourth in the conference with an even record of 4-4. Some the highlights of the season were winning the Paoli Tourney for the sixth or seventh year in a row, according to Mr. Mills. A lot of the girls attributed to the team's success this year. There was not just one dominant scorer on this team, but a lot of different offensive weapons for this team. The team only had two seniors which should make this team a contender next year. Some of honors recieved by girls on the team was Junior Erin Striegel and Freshman Kami Vaal being named All Conference and April Stetter was named Honorable Mention.-B. Mattingly

As another year quickly passed away, Coach Alan Matheis had a few comments on the 1995-96 team. "The 1995-96 Northeast Dubois Basketball Team was a very successful group of young men. Their strongest point was their ability to blend together into a team. This developed because of their unselfish attitude and good work ethic. These attributes, plus the strong leadership of the seniors, Steve Betz, Bill Mattingly, Travis Schroering, and Kurt Werner provided the ingredients for a good basketball team and a successful season. The effort of each member of this team was important. Without it, the bond of this team would not have been as strong and the achievements as many. The 1995-96 Northeast Dubois basketball season was a job well done." - A. Stetter

©HEERING FOR A WIN

Cheerleading

The cheerleaders began their season as any other with lots of practice, long hours of hard work and gallons of cheerleader sweat. Some of the great, spirit evoking activities the girls took part in were decorating the lockers for both the girls and boys sectionals, creating the hoops for the teams to run through at the home games, comming up with fun cheers at the pep rallies, and thats only a few! All of this enthusiasm stems from what all the girls describe as a "sisterly friendship". Each girl on the squad, including the coaches, believed that the success and progression the team underwent this year was due to the wonderful friendship shared by the group.

Five of the girls were named to the All-American Cheerleading Team. This honor gave them the opportunity to participate in the Adolphus Childrens Christmas Parade in Dallas, Texas. They held extra car washes and bake sales to earn enough money to strut their stuff in Dallas. Though only a few were named All-American, ALL the girls share in the practice work, game pressures, and, in the end, the pleasure of being known as a cheerleader from Northeast Dubois High School. Awards for Most Improved Varsity and Junior Varsity went to Melissa Freyberger and Amber Leistner respectively. The Darell Friedman Outstanding Cheerleader Award went to Jennifer Pankey. -K. Gregory

"Cheerleading was more than just a sport or a hobby for me. . . I gained an extended family out of it. Thank you all for making it so wonderful!"

Jennifer Pankey

Togetherneess and friendship is a big part of why the NDHS cheerleaders are so successful.

Varsity: Stacy Burgan, Tasha Meyer, Kate Schott, Missy Freyberger, Rachel Beck, Jennifer Pankey, and Brittney Neukam.

The time is here
its finally come
to walk with fear
with laughter from

Our voices carry
our dreams explode
it may be scary
to take the load

Our games are gone
a childhood lost
time to go on
an awesome cost

As we part today
with emotions we mix
we're on our way

All Night Long

Dances

Dances were a time for the students of Northeast Dubois High School to get wild and crazy and forget all the troubles of school. During the basketball season dances were held after boys varsity basketball games. The dances were open to all high school students and one guest. The dances lasted from the time the game was over until 11:00 p.m. The dances were DJ'd by the Sound and Light Club. A wide variety of music was played from alternative to country. Mosch pit style dancing was done by many students. Both slow and fast songs were played. The students enjoyed and looked forward to these dances. Not only were dances a time for students to dance, the students also enjoyed socializing at the dances. - C. Chastain

"TIME TO BOOGIE!" says Junior Kim Kieffner.

SITTING DOWN ARE Seniors Jason Reckelhoff, Brett Werner, and Junior Jake Lampert.

SHOWING EVERYBODY A new dance is Junior Bobbie Rasche.

SAYING HELLO ARE Juniors Diane Partenheimer and Jarod Hall.

Greatest Accomplishments

WINNING FIRST AT the State Beta Club Convention is a great accomplishment for the Quiz Bowl Team. Some of the Beta Club Members going to nationals are Senior Chad Butler, Senior Christa Fromme, Sophomore Kelly Merkel, Sophomore Jocelyn Burger, Senior Jennifer Pankey, Junior Adam Starr, and Sophomore Kyle Bauer.

GOING TO BPA Nationals was enjoyable for Sophomore Heather Snyder who placed first at the State competition in keyboarding. Also accompanying Heather on the trip is Senior BPA President Krystal Kearby and advisor Mr. Mills.

RECEIVING THE "BEST OF SHOW" award at the Ninth Congressional Art Show is Junior Nicole Jeffries. Her picture will be displayed in the U.S. Capitol for a year.

ATTENDING CHEERLEADING NATIONALS in Dallas, Texas is an honor received by Senior Jennifer Pankey, Junior Brianne Heeke, Sophomores Kelly Merkel, Stacy Burgan, and Rachel Beck.

QUALIFYING FOR STATE for the first time in Northeast Dubois High School Cross Country history is the team made up of Rachel Fuhrman, Kate Schott, Kelly Gregory, Wendy Weyer, Erica Quinn, Lori Gutsell, Missy Freyberger, Angie Betz, Stacy Senninger, Audrey Betz, Mariah Quinn, Krystal Kearby, Melissa Hasenour, Stacy Gutsell, and Elise Denu. The team is coached by Mr. Betz and Mrs. Schulthies.

Regardless of the situation, the 1995-96 Northeast Dubois student body pulled together and made it through the year. Students had to face a number of tragedies, but with help from each other they slowly learned to cope. 1996 proved to be the year of the unexpected. Two weeks before Spring Break a State of Emergency was issued for snow. Then, the record-breaking rainfalls in April and May led to many flooded roads and cancelled sporting events. Finally, there was the "Great Fly Outbreak." Events that were to be held at school had to be moved to another location because of the fly problem. Fly swatters were in great demand because swatting flies became the unofficial pastime for students and teachers. Nevertheless, everyone stuck together to have an exciting year! Northeast Dubois High School - All For One! - C. Fromme, C. Chastain
