"If I was a puzzle piece, I would probably end up being the broken one, the innocent bystander, because that is just my luck!"

--Freshman Jesi Stetter

Here at Northeast Dubois High School, we are all **DiFfErEnT**. We come from different **backgrounds**, are involved in different activities, hang out with different groups of people, and have different **opinions and beliefs**. Whether our piece of the puzzle may represent athletic achievements, **academic awards**, clubs and activities, or something as simple as **being the person who can always get a laugh**, each of our pieces are equally important. No matter what our **DIFFERENCES**, we all **"FiT ToGeThEr"** to make an **AMAZING PUZZLE!**

If I was a puzzle I would be a 3-D puzzle with a lot of pieces that are hard to figure out because I don't think very many people understand me.

--Sophomore Zechariah Harrison

"I would be a kids' puzzle with only 12 pieces because I like things to be simple and not so complex."

--Sophomore Melissa Betz

"I would be a two-sided puzzle because there are many sides to my personality that people don't know about."

--Senior Nathan Lampert

"If I was a puzzle, I would be a mountain puzzle because I like to be on top of the world!"

--Freshman Gabbie Terwiske

"I would be one of the inside pieces of the puzzle because I am very outgoing and like to be around a lot of people."

NEW FACES

Mrs. Danhafer

I graduated from Jasper High School. I worked at Fifth Third Bank for 10 years and recently worked as the Sales Assistant for the Brokerage Department. I married Tony Danhafer and have three great kids. We enjoy riding horses, 4-wheeling, and camping.

Mrs. Brames

I attended Indiana State University. During college I worked at Santa's Lodge. After college I worked at New Castle Chrysler High School. When my first year was up I wanted to be closer to family and friends. I would like to add that no matter what you do in life do what makes you happy; that is the way I live my life.

Mrs. Mitchell

I attended Indiana State University. My husband's name is Dave and my six month old son is Braxton. I taught 2 1/2 years at Crawford County. Things I enjoy doing are playing with my son, vacationing at Florida, watching the Colts and Cardinals, and last baking.

Mr. Hart

Sometimes when we're looking up at the moon we will imagine you
looking up... at the same moment... at the same moon,
And it won't seem so far from where we are to where you are...
Sometimes... when we look up at the moon.

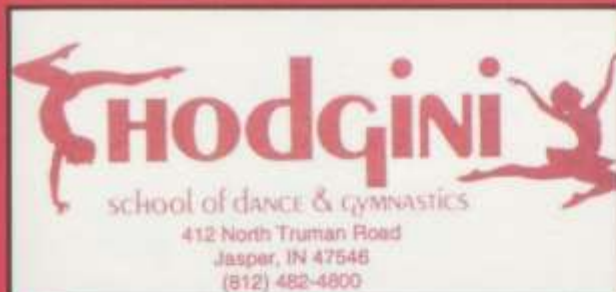

Always with you...

Remember to look up...

Love,

Mom, Dad, and James

As The year comes
 To a close, our
 puzzle is finally
 complete. Each
 one of our pieces
 is in its place. The
 greatest thing
 about our puzzle
 here at Northeast
 Dubois is that it is
 always changing.
 So, next fall, when
 the first bell rings,
 we get to mess up
 the puzzle and
 start putting the
 pieces together all
 over again!

Jordan Ashley Hamke

Congratulations succeeding in your largest quest so far. Now you know you can attain anything you put your mind to. Remember that your life is what you make it. So work hard, play hard, laugh, smile, and know that everything you do is a learning experience that will only make you stronger and a better person.

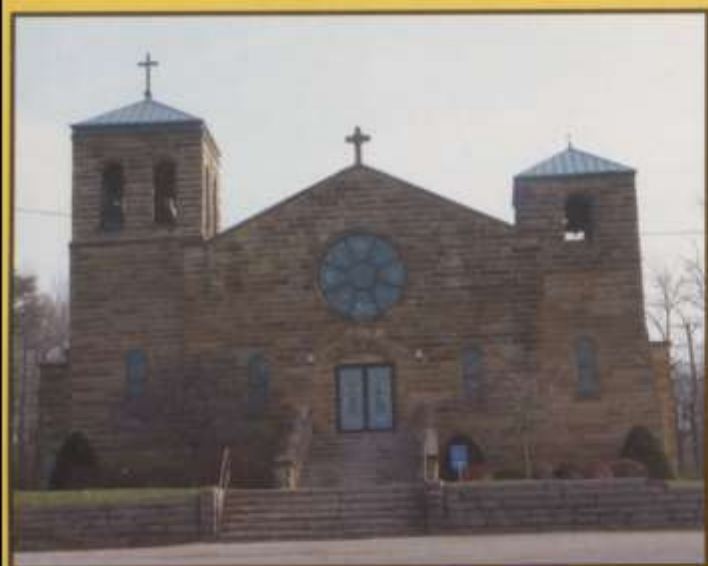

Love you,
Mom and Jeff
