The cock and roll all night and party everyday - that was what high school was all about... or Wait...was it more about long rights of studying, zillion word essays and stress related breakdowns?

It's hard to remember now. I mean, that was SOOOO long ago.

Well ok... Like, last, gear.

But who wants to take the trouble to remember all of that anyway?

And that's where we come in.

We're your handy-dandy yearbook staff and we're here to remind you of what high school was ALL about for you. So, whether you rock it like Keith Richards or all you need is love - like John Lennon - we made this book to remind you of your high school soundtrack!

Now... what's a soundtrack? A **SOUNDTRACK** is a playlist that appropriately fits all of *your* personal moments. Everyone has them: those defining moments where you **SWEAR** the theme song of your life should be playing. So **Why** shouldn't it?

We've used **music** as our theme, because <u>everyone</u> can relate to it -and it means something different to everyone: just like **the High**School experience. And as a fun twist, we've subtitled all of the Sports and clubs that you know and love with fun song titles.

Innovative? We know.

So, you might be asking: "What's on my soundtrack?"

Well... only you know.

Teacher's Pet

teachers have pets... students and animals! We all know the student pets - but what about the animal pets at home? A lot of teachers have them but you might be surprised which teachers have what pet, why they have that pet and how that pet acts. We have decided to give you some insight on the life of a real teacher's pet.

Everyone knows that all

"Baster is a kind of mean dog, but with me he is very loving and protective. Plus he gives high fives, which is pretty sweet." -Mrs. Fawks

"My dog, Panhead, steals things out of the car when the door is open." -Mrs. Wineinger "I have too many to name—oh, you weren't asking about student pets!" -Mrs. Mitchell "Kyle Breitwieser is my student pet. He pesters me kindly." -Mrs. Schmitt

"I have a curly, black schoodle named Holly. She likes to chew. She bites the nose off of her toy Hedgehog (Hoggie)." -Mrs. Jacob "My dog's worst habit is that he wants to get the trash out of the trash can." -Mrs. Steckler

Student Council Memories

I was able to get involved in the Student Involvement Committee, announce at Pep Rallies, and was able to enforce music on Fridays!

"The group that I had this year definitely took more ownership than any other group I have had."

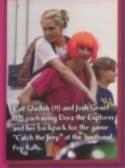

Student Council took a differen nis year. Instead of just choosing officers n official campaign. Instead of the usual p ney took a different approach. All of these ne with a great group of students. Everyo ame together in the end to make a great year ing events-Holiday Ball, numerous Pep Rat s of dessup days. These are the things that make the school year memorable. Pep Rallies didn't just include sitting through boring speeches; this year everyone got involved. From boys basketball players' moms sneaking in to steal a kiss before sectional, to the Winter Percussion performing

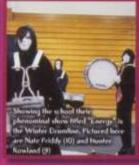

their award-winning show, this year was full of great

changes.

"Matchmaker. That was awesome!" Madison Rasche (II)

"Doing the announcements with Wes was a lot of fun. Also, singing "Stu's Song" at one of our pep rallies was too! Blake Schulthies (12)

Back Stage Pass Here's an Exculsive Look Behind the Curtain of some of the most interesting things in school

The Shoe Tree

The Shoe Tree is a tree along the cross country course with its branches full of shoes. It is a tradition - running on its fourth year for senior cross country members to throw their shoes into its branches. Though it was started by Lucas Hobsen and Dustin Betz, it is being carried down from year to year.

"I threw my red and gold flats up there. They look pretty sweet when the sun shines on them." Says this vear's senior, Josh Genet.

The Round Table

Have you ever noticed the table in the library? The one with all of the senior's pictures. Of course you have, but have you ever wondered how that started? Its simple, yet, unknown story. It started when students started giving their senior pictures to Mrs. Himsel. Eventually she accumulated so many that she ran out of places to put them. Ergo - the senior picture tuble. Mrs. Himsel stores all of the past year's photos in a drawer - some data back to the early eighties! Though vandalism is low on the table, Mrs. Himsel admits that "sometimes pictures tmits that "sometimes pictures sappear." Though the pictures sometimes ish, we hope that the tradition won't

The Milk Mile

The Milk Mile is a NUTS tradition that was modeled off of similar events that are commonly held at colleges. Started three years ago, the milk mile is a fun event with very simple rules: every participant must drink a half gallon of milk while running a mile, the milk must be finished before the mile is up, and if you 'spill the milk' in any form - you're disqualified.

Josh Genet was one of the most outstanding runners in the history of our high school. He broke numerous records and defeated many top runners in the state. His running career started as a child. He says, "When I was young, I was rather energetic, so my parents would tell me to go run around the house 20 times, and I did." He then continued into his running career when he got to middle school. He can from 5th grade all the way until his senior year, improving each year. Eventually, he became what he is now. His taxorite thing about Cross-Country was Coach Vic Betz. He also likes how it is an individual sport, but yos can also have success and a hoge sense of comradery with your train. "You don't have to

have the right last name to be able to compete," he says. His must memorable moment of all of his years of running was being selected to represent. Team Indiana in he All-Star meet and getting the opportunity to meet all of the other runners. He has true talent and passion for running. We wish you

Born to be Wild

Deep in the wilderness of Northeast Dubois High School there is always an adventure waiting to happen. The students here work together, eat together and play together. It's only natural that sometimes things get a little wild. We have risked our lives to capture our students showing their barbaric sides.

Anything but Ordinary

Most Friday's, everyone in the school is eager to hear Austin Hudson speak over the intercom to give the announcements. But Austin doesn't just read the announcements, he puts on a show. Whether it's a Star Wars character impression, or his evil laugh, he definitely makes a statement! Austin started this tradition this year, and it is looked forward to by every student at Northeast Dubois High School every Friday.

After going to Northeast Dubois for almost a year, Marcelo Silva (II), an exchange student from Brazil, has definitely made an impact. Whether it's reciting an impression of Mr. Verble or a famous actor, or playing beautiful music on the piano—Marcelo is anything but ordinary. Marcelo has been playing the piano since he was 5 years old, coming from a very musical family. He had the honor of playing the piano at Homecoming, where he played "Hey Jude" by The Beatles, "D.J. Caught Us Falling in Love" by Usher, and "Halo" by Beyonce. Marcelo also played at one Pep Rally where he played the piano and sang "Stu's Song" with Wes Knies (12) and Blake Schulthies (12).

Megan Wilz (10) is on her way to the top. She was inspired to start singing at the age of 5, and hasn't stopped since. She writes her own music, and is even going to try out for American Idol this summer! She started taking singing lessons I year ago and has participated in the High School Variety Show for 2 years. She has competed in Fine Arts with her Church and went to Nationals twice to Orlando and Detroit. Her first year of competing she sang a song that she wrote herself "Yea Beautiful" and the second year she sang " Living He Love Me"—another song she wrote herself. Megan's talents are taking her to the top!

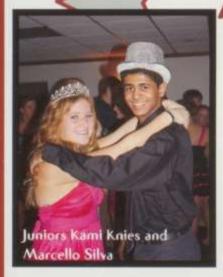

Every Friday between classes, all students at Northeast Dubois High School anxiously await to hear what song senior Elle Humbert will choose next. She tries her best to pick different genres to please everyone musical taste. "I'm pleased when I hear students singing along" says Elle. Student Council President Wes Knies asked Elle early in the year to do this task to put more spirit in the school. It was definitely a huge success throughout the entire student body at Northeast Dubois High

The club was decorated with bright lights, sparkly filmstrips, and a disarray of black, white, and silver colors throughout the room. DJ Kurt Englert brought together the crowd of people for a fun night of dancing.

Mrs. Himsel and Mrs. Parr have been working as an unstoppable team to make Homecoming a memorable event for over twenty years. Although they admittedly will miss parts of managing Homecoming, they are both ready to put more focus on their primary work. Mrs. Parr recalls one humorous memory.

"One year a boy wore white socks and I had to trade with him. He had to wear my knee high stockings."

Mrs. Himsel remembers the more hectic times.

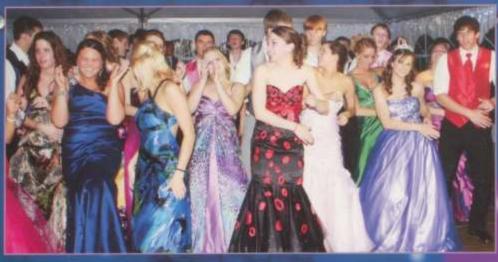

"One year we had two queens. We had to call an old queen to borrow her crown. Everything was crazy, trying to get her flowers and everything together."

Though they will be missed, they both agree that their replacements will do a great job.

"If we weren't completely confident about them, we wouldn't leave." Mrs. Himsel replies.

Thanks Mrs. Himsel and Mrs. Pare for a spectacular legacy. We will miss you

Prom 2011 Bream the Night Away

This year's prom was held on April 2, 2011 at the Jasper Country Club. The theme, Dream the Night Away, was displayed through huge stars, a fountain and other dazzling, night sky effects. The event was catered by Buffalo Wings and Rings due to the school's success in the restaurant's annual contest. With dancing, stars, and lots of fun, prom 2011 really was a dream come true!

Life forever has changed.
For reasons to us unknown.
God decided to call.
Our angel back to his home.
Of course we'll miss his laughter.
And his beaming face.
But we have to believe.
He is in a peaceful place.
Do not ever forget him.
Through our memories he lives on.
Benton Lee Kluesner.
We'll see you when we too.
Are called, by God, back home.

THE SIER STATE SIER STATE A STATE A

May favorite memory with Benton is when Brittany Seger, Cole Wilte, Benton and I were using the loss wheeler back to Benton's house from his campage, He kept trying to jerk us off the front and we were scared to drath! He also made the bus ride to and from school very interesting. He always made everyone laugh!"

-Riley Knies (11)

There yes never a dull montant with Benny around?

Michaela Hassfurther(11)

Lwill never forget our camping trip and you running around in your turkey costume!"

-Nicole Hasenour (10)

There were so many memories like the time to busted my eyebrow open in class and Benton was the first one there helping take care of me. He even taped my eye shut, I'm gonna miss him!

-Zachary Neukam (11)

"I am always going to remember the time were putting out Easter eggs and instead putting them on the ground nicely, you alway that to throw or roll them."

-Whitley Kluesner (10)

"My favorite memory about Benny was when he dressed up as an Easter burny and passed out candy to all the little loss. The kids had a great time and I think he had just as much fun!"

-Shayla Knies (11)

"Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." (John 14:27) Never would we think that we would lose a loved one; a classmate. His beaming face, his joyful laughter, his bubbly spirit. The memories we have with him will never fade. Though, sometimes it's painful to know he is not here in person, we know he is here in spirit. And, when the Class of 2012 walks down that aisle to receive our diplomas, we can have assurance that he will be looking down on us. You may be gone Benton Lee Kluesner, but you will never be forgotten, "Junior Class of 2012

tive had so many fun and just plain stupid times with Banton, but my favoriters when there was a skunk at the park. I himed around, and all Lisee is Benton orawling across the table trying to get out as tast as he could to get away from the skunk!"

-Kendall Humbert (11)

'One day we decided to dress up in a Easter burny, suit and mess with our leacher. Then after running away from her husbend with a gun, we decided to go back to Berton's house.

-Damon Thewes (11)

"The Sunday before Benton's accident, Benton, Cole and I went to watch his uncle Keith race. The race was great and affarwards we went to go eat at the feedmill. One of the lokes that our waitress had was a fat boy tetlah. Benton, Illing the idea, said "I wish more girls in Dubois County had a fat boy fetish". On the way home he knocked about 4 nuts. It ended up being one of our tunniest times together."

-Craig Verkamp (11)

The funniest memory I have of Benton, is of him swinging us on a mini track hoe agross his pond. This is just one of a thousand memories of Benton that will never be forgotten.

-Casey Kern (10)

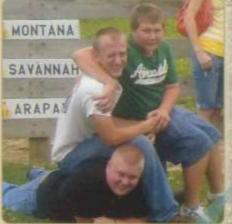

" will always remember how Benton would make Mrs. Gutgsell mad by starpening his pencil in the middle of a lesson!"

-Brittany Welp (11)

"I remember when we had a party at Bubba's one Friday night. After sitting on the roof for a while, we all went inside to watch TV. There were 5 guys and 10 girls sitting around the TV. Bubba was llipping through the channels and he turned do "The Terminator". He told the girls if was an action movie, when really it wasn't, it was a good time."

-Cole Witte (11)

"I remember last year a bunch of us guys got up early and loaded our four wheelers up to go riding at Spurgeon in Pike county When we got there, there was a huge hill I was scared to climb but Benton told me to anyway. After I got to the top and realized I was stuck, I yelled for someone to come help me. Out of all the guys, Benton was the first one up the hill. Instead of pulling me out with a chain, he sat on the front tack and I got up the hill with Banton on the four wheeler."

Tamous in a Town

The Quasquicentenial this year was one to remember. Many present and past students of Northeast Dubois participated in the Queen Crowning. Current students include Haley Terwiske, Madison Rasche, Alexa Rasche, Crystal Moore, Samantha Humbert, Kristin Helming, Cait Gladish, and Leann Dodd. The young lady that swept the judges away was senior Leann Dodd. Each individual had to compete in formal wear and evening wear and had to answer a question at random to the judges. Leann Dodd was chosen for the 2010 Dubois Quasquicentenial Queen title, and walked in the parade!

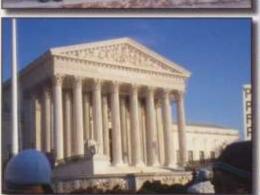

Students for a Cause

Several NDHS students such as Shakyra Werner, Michaela Stemle, Rachel Hoffman, Holly Gehlhausen, Spencer Andrews and Stephanie Nordhoff went to Washington D.C. to protest against abortion. Through a program called Pilgrimage For Life, these students were able to participate in the March for Life on January 24.

Heaven's Very Special Child A meeting was held quite far from Earth It was time again for another birth Said the Angels to the Lord above-"This special child will need much love." "Her progress may be very slow "Accomplishment she may not show. "And she'll require extra care "From the folks she meets down there. "She may not run or laugh or play "Her thoughts may seem quite far away "So many times she will be labeled "different", "helpless" and disabled.

Marcello Silva 18, 25,

Closing time...

Open all the doors and let you out into the world

Turn all of the lights on over every boy and every girl

You don't have to go home but you can't stay here

Time for you to go out to the places you will be from

This room won't be open till your brothers or your sisters come

So gather up your jackets, move it to the exits

I hope you have found a friend

Every new beginning comes from some other beginning's end.

...Take me home..."
