# 1985

Everyone waits for their final year of school for so long, but when it comes hardly anyone is ready to give up the school life or their friends.

The major issues for the 1984-85 year in the news were U.S. involvement in conflict in South America and the controversial MX missile being pushed by the Reagan administration.

Movies such as **Beverly Hills Cop**, **Breakfast Club**, **2010**, and **Friday the 13th part 5** made their debut this year breaking many attendance and profit records.

This year we saw vacancies to be filled in the superintendent's, principal's and vice-principal's positions. Class time was reduced to fifty-two minutes with only four minutes between classes. This year was also the last year seniors could graduate seventh semester.

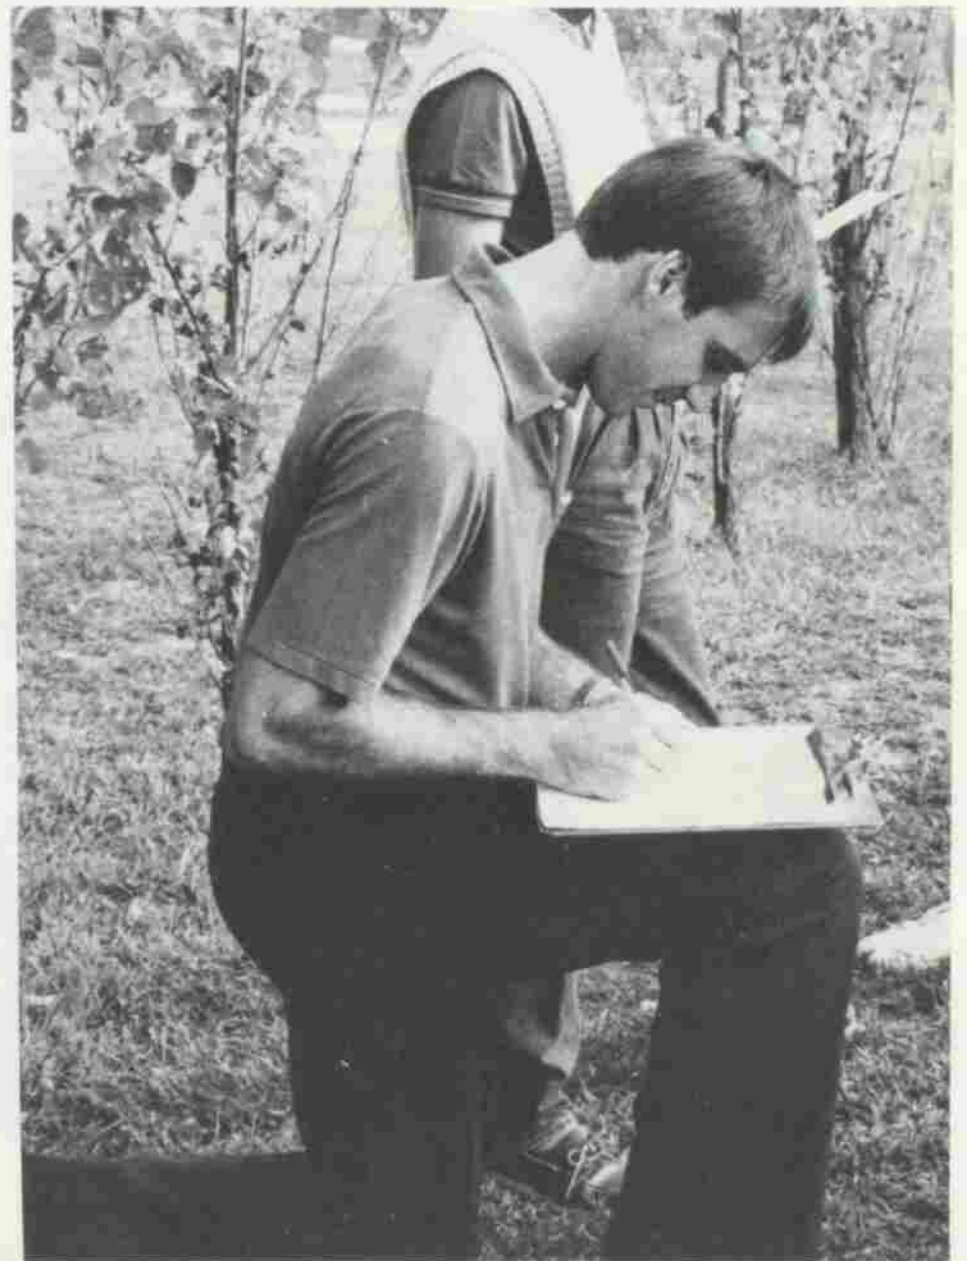

The girls' basketball team won the sectional crown for the second year in a row, but lost to Bosse in the final game of the regional by a last second shot. The boys' basketball team defeated Jasper in the first round of the sectional only to be defeated by Southridge in the championship game. Southridge then went to the final four.

It was a good year—so let's take a look at 1984-85. Here is the year in pictures.

# Dedication

## Mr. Earl F. Buechler

We would like to dedicate this issue of the **Tracer** to two very important men who had a profound affect on our education, Earl Buechler and Alfred Blessinger.

Mr. Earl Buechler has been the superintendent for the Southeast Dubois School Corporation for the past 24 years. He got his start in education as a teacher for four years before being promoted to principal at Ireland. He then took the superintendent's job in 1961. He is going to retire, partially for health reasons, and plans to go vacationing and do a lot of gardening.

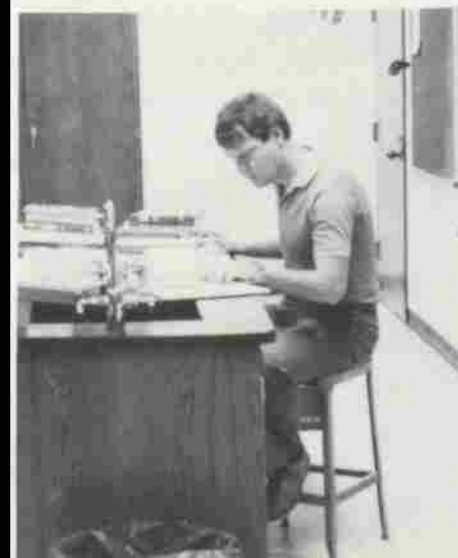

## Mr. Alfred Blessinger

Mr. Alfred Blessinger died on February 12, 1985. He suffered a heart attack in his home.

Mr. Blessinger was a member of the Southeast Dubois School Board. He was very active in supporting the band and many other extracurricular activities. A scholarship fund for a Forest Park senior will be set up in Mr. Blessinger's honor.

Mr. Blessinger will be sadly missed by all Forest Park students and teachers.

## Golfers are 6-6

The 1985 golf team finished 6-6 under their new coach, Mr. Dean Blessinger. They finished sixth out of ten teams in the Blue Chip Conference, but they did not fare well in the sectional. 1. The 1985 boys' golf team. 2. Todd Hoge sinks a putt. 3. Brian Klem tees off on the second hole. 4. Greg Klem shows he's tough in the rough.

# Baseball team has record-breaking season

The baseball team completed a record-breaking season with 21 wins and 7 losses. They won the Blue Chip Conference title with an 8-0 record in conference play. Their string of 11 consecutive wins broke a school record and the total of 21 wins for the season tied a school record. Despite

their high hopes they lost to Jasper 2-0 in their first game in the sectional. 1. Ron Wilgus checks the runner on second before delivering the pitch. 2. Greg Dilger connects for a base hit. 3. The 1985 varsity baseball team.

1. Kurt Wilmes takes a defensive posture at third base. 2. Chris Roos connects with Stan Wendholt on base. 3. Scott

Kluemper steps up to the plate. 4. Wilmes beats the throw back to first base.

1. The JV baseball team completed the season with a 19-0 record. 2. Catcher Ron Fetter, Coach Jim Mehling and pitcher Ron Wilgus have a conference on the mound. 3. Stan Wendholt gets a hit in sectional play.

# Outstanding athletes honored at sports banquet

The Forest Park Sports Banquet was held May 23, 1985, at the St. Anthony Community Center. Awards and trophies were presented to the outstanding athletes in each sport. 1.

Denise Hagedorn was named the Outstanding Senior Girl Athlete. 2. Greg Klem was named the Outstanding Senior Boy Athlete.

## 'Thank you' to FP athletes

Participating in athletics takes much time and many hours of hard work. We would like to use this page to honor all the athletes who have taken their time to represent Forest Park High School to the best of their abilities. 1. Greg Klem heads toward an outstanding round of golf. 2. The girls' basketball team gets fired up before the regional. 3. Diane Fischer returns a serve. 4. Ann Schwoeppe gets set for a good start in a 100 meter race. 5. The Rangers control the tip with an eight point lead on the scoreboard.

## *Faculty, staff and administration*

# New state guidelines are implemented

The faculty, staff and administration of Forest Park High School are privileged to serve the students and patrons of the Southeast Dubois County School Corporation. The outstanding achievements and dedication of our students are evidence that the work we are doing is significant.

With the implementation of new state guidelines, the school day has been somewhat different this year. I would like to take this opportunity to congratulate our students for their cooperation in implementing these guidelines in such a positive manner. We have managed to place a renew-

ed emphasis on academics while maintaining a well-rounded experience for our students.

It is our intention to help provide the Southeast Dubois County School Corporation and society in general with graduates who are not only well prepared academically but have the experiences necessary to become effective citizens and leaders in tomorrow's society.

# Memories linger for seniors

Memories of proms, sectionals, state contests and friends linger in our minds as we, the class of '85, achieve one of our most important goals in life.

As freshmen, we met and united to become a strong class of leaders. Our academic and athletic abilities grew with our failures and strengthened with our accomplishments. We set high standards for ourselves and together we have worked to achieve them.

Even though we must go our separate ways, we will always remember the friends we have made, and most importantly, that we will always be Forest Park Rangers.

The Class of 1985

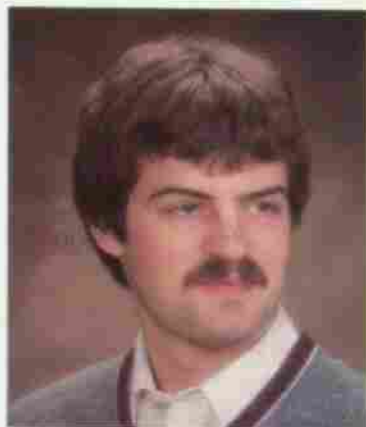

The 1984-85 senior class officers are Linda Becher, vice-president, Pat Sermersheim, treasurer, Keith Kane, president, and Kevin Olinger, secretary.

The 1984-85 class officers are Audrey Schue, treasurer, Shannon Andry, secretary, Diane Fischer, vice-president and Stan Wendholt, president.

We, the class of '86, have realized many goals and dreams during our junior year. We have united and successfully completed our magazine sales, sectional display and our biggest project, the Prom.

We have grown together in the past year. We have learned to take the good with the bad and still be proud.

As we enter our senior year we promise to keep the standards that the previous class has set. We look to the future with apprehension but also with much hope.

## *Sophs reach half way point*

We, the sophomore class, have reached the half-way mark of our high school years. As we look back, we reflect on the many achievements which we have accomplished. We laid the foundations for success that we hope to carry on throughout our remaining high school years and beyond.

As we look to the future we see the many challenges that await us. We accept these challenges knowing we will come out ahead. We realize if we continue to stick together and strive for our goals our next two years will be as enjoyable and as successful as our past two years.

# Frosh complete first year as FP students

We, the class of '87, have now completed our first year as students of Forest Park High School.

When the year started we were a little nervous. We had trouble finding our classes. We forgot our schedules, and the upperclassmen made fun of us. But it didn't take us long to get into the swing of things.

We learned quickly that the way to "fit in" is to get involved in clubs, sports and other school activities. By the end of the year we didn't feel like "Greenies" any more.

We came here as individuals from several different communities, but now we have united into the Forest Park class of 1987. We know that whatever happens in the next three years we can handle it.

# *Suddenly, it's May; suddenly, it's the last page*

In September and October we felt like the school year would never end. Then, all of a sudden, it was May and graduation was at hand. It was the same with this yearbook. Especially when four staff members graduated seventh semester, we felt we would never get this issue of the **Tracer** finished. But we all pitched in, and we got a lot of help from several juniors and sophomores in Journalism I.

And now we're down to the last page. So it's time to say thank you to some people who helped make this yearbook possible.

We want to thank our adviser, Mr. Ed Walston. We appreciate the quality work from Robert McCarty Photography, our yearbook photographer. Thanks to Mr. Steve Pumphrey, our representative of Intercollegiate Press. We also want to thank the **Ferdinand News** and the **Herald** for the use of several pictures.

We especially want to say thank you to our advertisers for supporting FP journalism, and we want to encourage our readers to patronize those advertisers.

The '85 **Tracer** staff
