# *The 1990 Tracer*

*The varsity boys' basketball team celebrates their first sectional championship.*

*Forest Park High School  
Ferdinand, Indiana  
Volume 19*

The 1960 Tracer is a symbol to the students of Forest Park of all the classic memories they shared throughout the year. We hope it makes you laugh and makes you cry as you remember some of the best times of this school year. For the underclassmen it allows you to see what is ahead of you in your future as FP students. For the seniors it is a sign of sadness as you look back and remember your last year at FP.

This yearbook means a lot of things to a lot of different people, but to everyone it symbolizes the friendships and memories we encountered while we were students at FP.

Personalities

# Faculty and staff honored to serve

School board members are Stan Fischer, Tom Niehaus, Theresa Wagner, Don Loepker and Pat Tretter.

It has been an honor for the staff, faculty and administrators of Forest Park Jr.-Sr. High School to have worked with the youth and patrons of Southeast Dubois School Corporation during the 1989-90 school year.

As always, our goal was to provide students of Forest Park the educational opportunities which would allow for development of individual talents and preparation for entry into the adult world. To accomplish this goal, staff members generated new and unique learning opportunities throughout the school year. Special efforts were put forth to generate positive attitudes toward self and toward school. Special recognition for students who gave of themselves to help others or who gave of themselves to help support school activities were given increased importance this year. It was a pleasure for all of us to be a part of these concerted efforts. The 1989-90 school year was truly a year in which all staff and students attempted to give our school a personal touch.

# Seniors learn to accomplish goals

The senior class officers are Craig Recker, vice-president, Trista Wilson, president, Donna Fetter, secretary, and Tammy Oser, treasurer.

Looking back on the past four years, we realize that we have accomplished very much. Not only have we accomplished a lot in academics but also in our friendships. As we make decisions about the rest of our lives as individuals, we realize we will no longer be considered one class. We know we must make that step into the world.

Although high school is over, and the rest of our lives is beginning, we will never forget everyone who has made a difference in our lives.

As we leave FP, memories of our friends and classmates will always be with us. We hope the best for all the underclassmen. May they always know the meaning of love and friendship. These two things have helped us make it through school.

Junior officers are Kim Schuler, secretary, Debbie Winkler, vice-president, Ryan Fleck, president, Kurt Brinkman, treasurer.

We, the class of 1991, have enjoyed the wonderful times of the past three years and are anxiously awaiting our final year at F.P.

We feel that we have grown closer together as a class through the various activities we have participated in. Yet, we look towards the future in fulfilling our goals and lifelong dreams. As we approach our final year, we must take a step further in life and trace our route to our goals.

At a glance in our past, we look back at our accomplishments and realize that we have reached some of our goals, and it is to our advantage to learn from those who have gone before us.

The sophomore class officers are Jeff Lehmkuhler, president, Amy Luebbehusen, vice-president, Missy Boehman, secretary, and Amy Oser, treasurer.

After surviving our freshman year, we, the class of 1992, found our second year of high school to be even a greater challenge than the first experience a year ago. We are no longer the responsibility of others. We realize it is time we look out for ourselves. We were proud to share in the excitement of winning the boys' sectional for the first time. We feel we have achieved a great deal and have been a success.

As we look back on our sophomore year, the trials, the frustrations, and the happy moments, we will remember them forever.

# Freshmen get involved in FP activities

As freshman class officers of this school year we are very happy with the things we've accomplished. Being the youngest in the high school it was difficult to speak out for ideas, but our class participation as a whole was great. Everyone involved themselves and put 100 percent effort into the different projects and decorations. The spirit of the freshman class is very good and we hope it continues throughout our high school years.

*JV baseball team is 8-4 for a wet '90 season with many rainouts*

The word for the 1990 JV baseball season was "wet." Out of their 25 scheduled games, 13 were either rained out or cancelled because area schools didn't have enough players. The rain and cancellations made for a frustrating spring for the young Rangers, but they still salvaged a winning season with an 8-4 record. Highlights included wins at Loogootee (9-3) and South Knox (5-3). The Rangers also ended their season with a doubleheader sweep at home against Heritage Hills (8-7 and 1-0).

Coach Rock Emmert said, "It's unfortunate that the

weather prevented us from establishing any continuity. This group has a lot of athletic ability. They just need to work hard and practice whenever possible to improve their baseball skills. Hopefully in the future the weather will allow them to get more experience in game situations."

1. Scott Dilger hits a few into the netting. 2. T.J. Montgomery makes the base lines. 3. Bobby Boehman warms up in the bullpen. 4. The 1990 JV baseball team. (Aaron Hagedorn is missing from photo.)

1. The 1990 girls' tennis team. 2. Debbie Winkler shows them her best serve. 3. Ann makes the return and charges to the net.

# Golfers win 4; Todd goes to regional

The golf team was fourth in the Blue Chip Conference for 1990. Their season record was 4-12. Even though the team finished tenth in the sectional, Todd Klem was the runner up as an individual and advanced to the regional.

Coach Bill Dittmer said, "We hate to see seniors Todd and Brian Berg leave. We need to get more young kids; we need more junior high students involved in golf. Kurt

Brinkman, Stu Wilson, Matt Berg and Joe Hurst were all beginners this year, and we expect better scores from them next year."

1. The 1990 golf team. 2. Todd loosens up on the driving range before the match begins. 3. Steve Berg practices his putting.

## *Youth of '89 soccer team is a factor*

Considering the youth of this year's soccer team, Coach Rock Emmert was pleased with the overall effort. Eight of the regulars were eighth and ninth graders.

On Oct. 10, 1989, the FP soccer team closed out their season with a disappointing 4-1 loss to Jasper. On Oct. 7, 1989, the Rangers were eliminated from the sectional tournament, held at Mitchell, when they lost to Evansville Central 9-0.

Coach Emmert said, "Losing key players from last year like Hamilton, Knies and Schipp really hurt us. But the varsity experience of the younger players will strengthen their play in the future."

Coach Emmert said there are four changes he would

like to see for FP soccer. First, he would like to see an organized junior high program with a schedule of their own. Second, he said, "I'd like to see a revised high school schedule that would allow us to compete with schools more at our level." Third, he thinks deserving high school soccer players should earn varsity letters. And fourth he would like to see more adult support and leadership, ideally in the form of an organized soccer booster club.

1. Chris Zink heads the ball toward the net. 2. Walt Jordan practices some free shots to goalie Mike Sander. 3. Team members get intense before the match starts.

## We will never forget...

Another year has gone by...and we will never forget what it held for all of us. The future is ahead and there is no looking back, except in these pages. We will always hold a special place in our hearts for our memories of Forest Park. We will set our goals high and always strive for success, but we will never forget these classic memories.

The 1990 Tracer staff would like to say thank you to the people who helped make this yearbook possible.

Robert McCarty Photography provided a lot of the pic-

tures in these pages. We also want to thank The Ferdinand News and The Herald (especially Mr. Tim Meyer for sharing some of their pictures with us. Mr. Steve Pumphrey, our representative of Herff Jones, deserves a thank you for helping with things like designing the cover of the book.

We appreciate the faculty, staff, coaches and sponsor for helping us to get pictures and information on all the school activities. And thanks to Mr. Ed Walston, the yearbook adviser, for all the work he did on this book.
