TORN *Together*

BREAK UPS AND FIRST KISSES, LAUGHING UNTIL YOU CRY, FIGHTING WITH YOUR BEST FRIEND...

Teens today are "torn" in so many ways. Grades, relationships, and responsibilities, not to mention things like the effects of divorce, the economy, and occasionally even abuse. In high school, we all find our niche. We all pick which group we will be in. From there, we all become the stereotypes we portray. Jocks, emos, preps, nerds, outcasts, metal heads, pop stars, gangsters, anarchists, comedians, conformists... Teen angst can separate the best of friends or reconcile the broken friendships. We all fit into different elements of personality. So what is the connection between the vast majority of individuals here at Forest Park? This is a place where we can all work together. We are all working for success. We are all looking for satisfaction. We are all looking for love. We are all looking for happiness. We are all...

Torn Together.

next journey and retire. They are honored and remembered for all of their service. The students and staff of Forest Park have been lucky and blessed to be associated with these three teachers. They will be missed, but time does not stand still, and neither do the people. Thank you Mr. Walston, Mrs. Peter, and Mrs. Berger for dedicating your time and passion to teaching and helping us along our high school careers.

As principal of Forest Park Jr-Sr High School, it is truly a privilege and an honor to compose a few words for our 2009-2010 yearbook. Forest Park has been blessed in so many ways one cannot even begin to count. The community, parents, staff, and students work together extremely well in order to provide an excellent education for all of the young people who walk through our halls. The senior class of 2010 definitely set high academic standards. Eleven valedictorians, good leadership, academic success, talent, and their desire for success will long be remembered.

Parents, students, and staff have enjoyed this year of accomplishments. Forest Park was named one of the best schools in America by US News and World Report. We also received recognition as one of the top ten schools in the state by the Indiana Chamber of Commerce. ISTEP scores were the highest of all schools in Southern Indiana and the fifth highest state wide. A dedicated staff, volunteering parents, and motivated students help make Forest park a great place to be.

The Forest Park family of students, staff, and community continue to embrace the motto that "Forest Park is a place where all young people can learn in a safe, caring, and nurturing environment." May each of you be blessed as you enjoy a warm and sentimental review of school, classmates, school events, and school spirit.

The theme of this year's annual "Torn Together" brings to mind the many aspects of success, friendship, competition, and other school events. It is with excitement, but yet sadness that we recognize the retirement of Mrs. Paula Peter, Mrs. Mary Kay Berger, and Mr. Ed Walston, our beloved yearbook adviser for 35 years. Mr. Walston was not only a teacher but he was also our Veteran. Recognizing Veteran's Day was always extra special because of Mr. Walston. He will be remembered and cherished as a true surrogate parent to many of his students. He will always be remembered as a positive icon to the Forest Park staff.

Spirit and Renaissance

Bring fun to FP

Don't you all just love those days when we do not have classes and we just go play games all day, or come to school in the morning and get surprised with a pep session? You can thank the Renaissance Club and Spirit Club for these breaks from the normal school days. They provide us with school-spirited days of worry-free fun.

FCCLA

Serving up enjoyment to all ages

The Future Consumer and Community Leaders of America club members love to give of themselves. They provide the teaching staff a breakfast during FCCLA week and throw a Halloween party for the young children in the community. They also compete at convention with various projects, but most of all, they have fun doing all of the activities they put on for everyone else. FCCLA really are the community leaders of America.

Making miles of smiles

Super Mileage

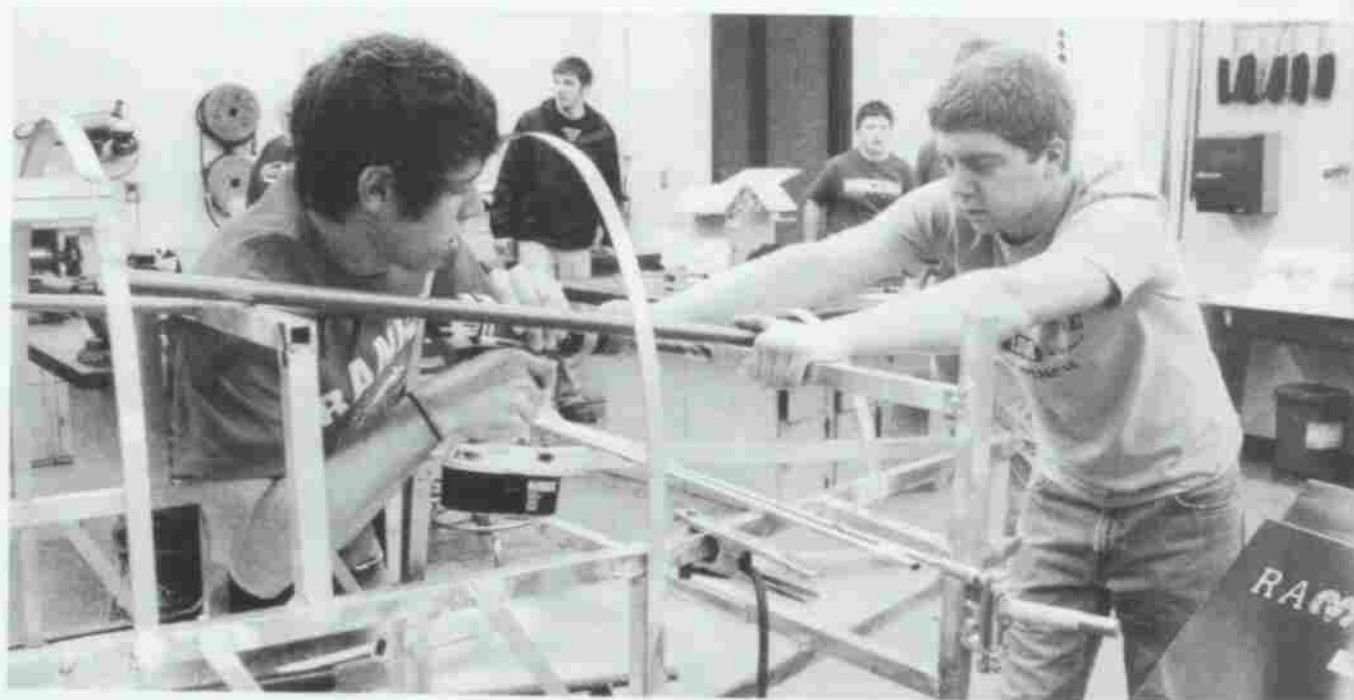

Forest Park's Super Mileage team competed at O'Riley's Raceway Park on April 26. The car the team built this year had an arrow design with three wheels, a black frame, and window wrap for the body. They placed thirteenth at the competition and their car reached 121.31 miles per gallon.

Students Against Destructive Decisions was sponsored this year by

Ms. Kristy Fleck. During Red Ribbon Week they went to the area's elementary schools to promote a drug-free lifestyle. They handed out red ribbons to all of the students there to show that they are drug-free.

They also tied little red ribbons onto all the high school students' cars in support of Red Ribbon Week. They also wrote inspiring messages on the sidewalk in front of the school.

Lance Rahman plays with part of the engine. He seems unsure of how to assemble it.

Natural Helpers

Helping peers

When it comes to Natural Helpers, it means exactly what it says. The students who are chosen by other students to be a part of this club are "naturals" at counseling their peers. This year's natural helpers did things such as the annual retreat and bullying presentations to junior high classes. Natural Helpers is led by Teen Wellness worker Mrs. Audry Fleck. All the natural helpers work together to achieve peace and harmony for their peers.

Recycling CLUB

Taking a new perspective

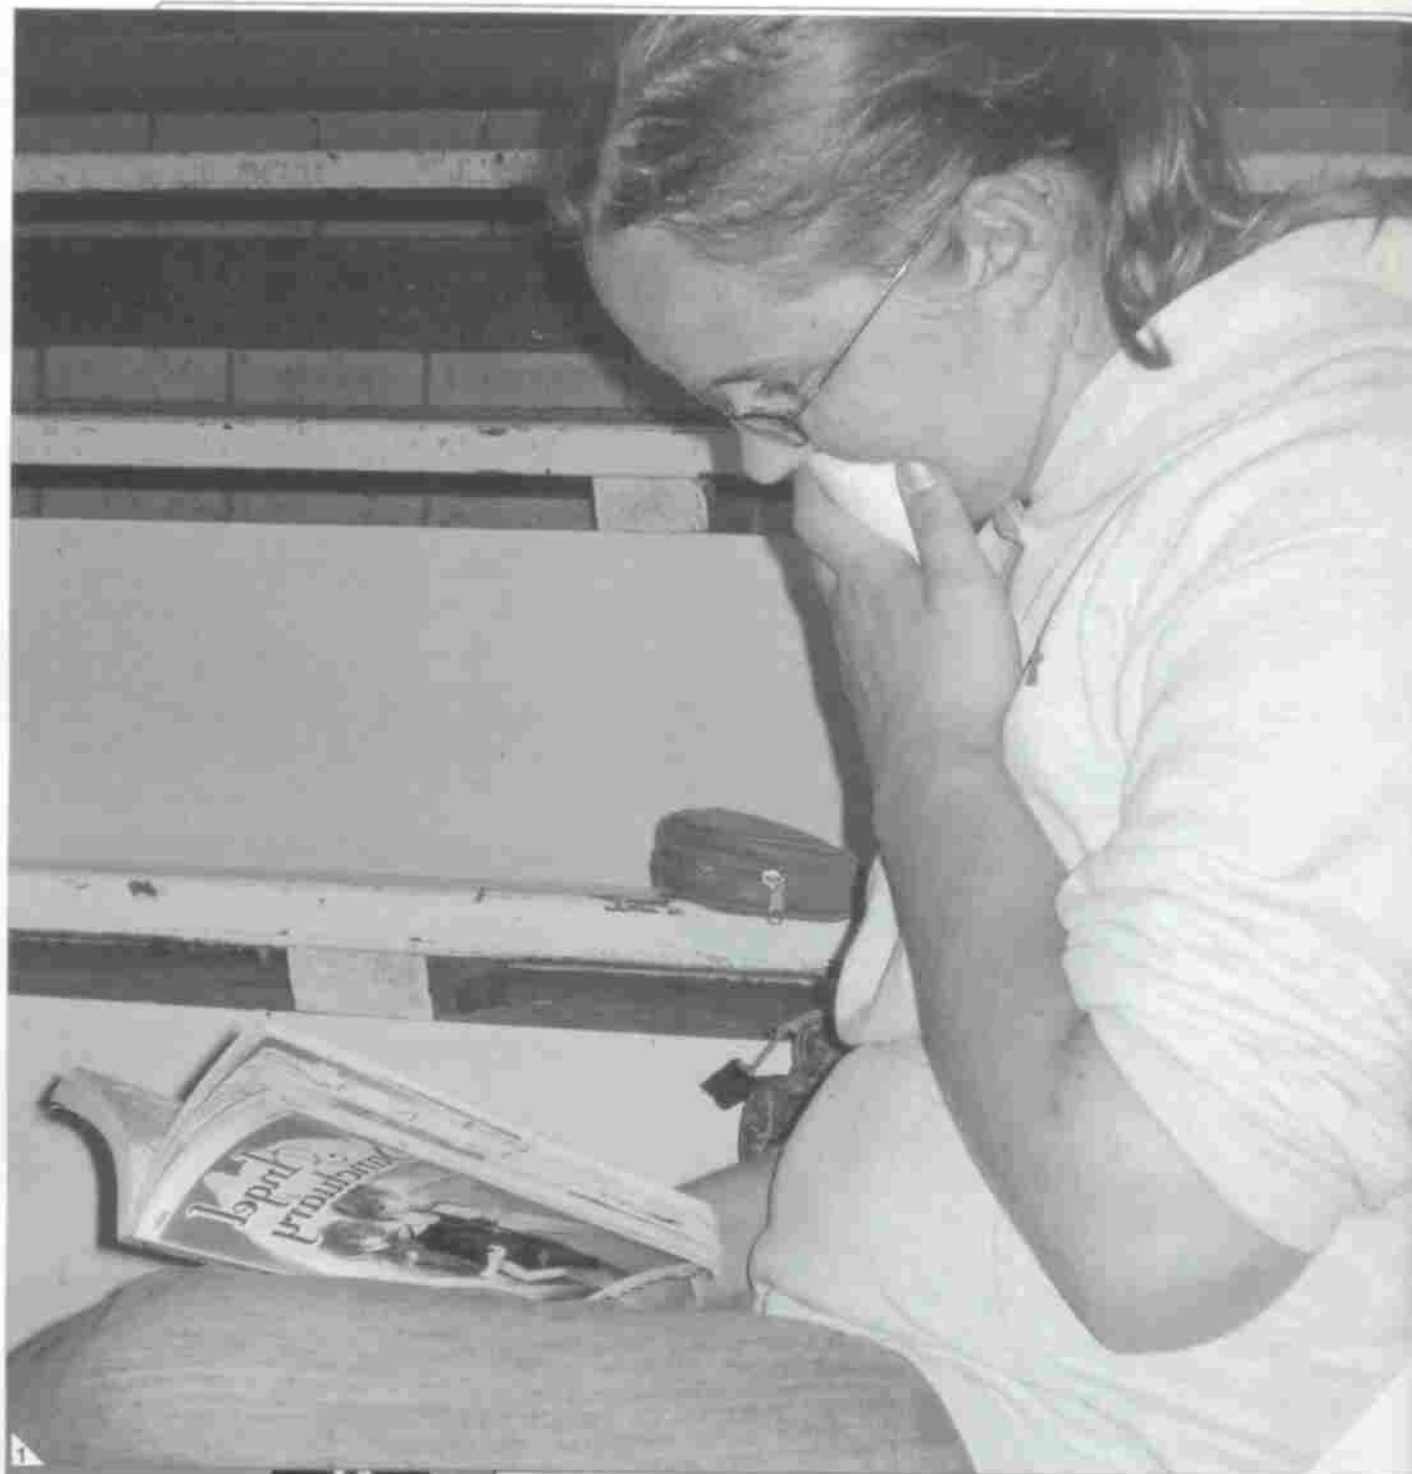

This year's Recycling Club took a new perspective on going green with a brand new sponsor, Mr. Neal Werne. Recycling Club President Anthony Begle led the way in many new ideas, such as Adopt-A-Highway and paper pick up each month after school. The Recycling Club always has a passion for things such as global warming, protecting Planet Earth, and keeping the school as eco-friendly as possible.

SPELL AND ACADEMIC TEAMS

The spell bowl team finished first in Class 3 at the district meet held at Heritage Hills. They also competed at the Indiana Academic State Spell Bowl that was held at Purdue University campus. Members of these two teams, the spell team and the academic team, spend a lot of time studying and practicing before their competitions.

The robotics team is led by Mr. Jeff Johnson. This year Kyle Begle and Nick Hurst took first place at the robotic camp competition held Dec. 29 at Pike Central.

They had to create a robot that could be programmed to maneuver a driving track that contained curves and various obstacles. Marcus Beckman and Alex Luebbehusen also participated in the camp.

The robotics team is part of the Project Lead the Way classes. The team does most of their work during classes that participate in these pre-engineering classes.

The team competes in several competitions throughout the year. One includes a robot that can work underwater.

NaHoSo

34 new members inducted

National Honor Society members must maintain a 3.0 GPA. They must also participate in a service project over summer break and throughout the year. Sophomores may join NaHoSo, but they will not be inducted until their junior year.

Induction this year was held on November 2 and they inducted 34 new members into the club. The officers for this year were Justin Wendholt, president; Andera Schroering, vice-president; Amy Wendholt, secretary; and Kaitlin Emmert, treasurer.

FFA

Building agricultural skills

If it has to do with agriculture, that is where you will find the members of the FFA club. They participate in forestry, dairy, soil, livestock, and meat judging. They hold different activities at the Ferdinand Heimatfest every year. FFA members attended the national convention in Indianapolis on October 21-24, 2009.

The Forest Park Student Council is the student representation in FP's school government. Mr. Steven DeKemper sponsored Stu Co for the 2009-2010 school year. Stu Co sponsors the football homecoming and basketball homecoming. Holiday Ball is also something that Stu Co sets up every year. Stu Co works hard to be the voice of the student body.

STUDYING

Together

Journalism

Stopping the presses

This year's journalism staff had six members. Ashley Wesselman was the yearbook editor and Jes Adams was the newspaper editor, but they both worked together on each publication. Journalism one consisted of Tia Helming, Dara Niehaus, Shawna Lampert, and Nikki Kelly. This year's journalism class was legendary for many reasons. They produced the last printed school newspaper and were the last journalism class in the history of Forest Park. If asked, they would call themselves a family, and they could never have done it without their amazing adviser, Mr. Ed Walston. It was a sad goodbye, but an unforgettable journey.

Above, Dara Niehaus enjoys the monthly Lookout. Right, the journalism staff worked hard to meet deadlines.

Art Earning your license

Left, art students used their creativity to sculpt ceramics.

Below, Whitney Kuhn creates a masterpiece with Lauren Gogel.

Art classes consisted of painting, drawing, and pottery. Many various art projects got put into the art show at Vincennes University Jasper Campus to show Forest Park's talent. According to the art teacher, Ms. Tammy Taylor, "The students use their artistic license." The true works of art are the great minds behind the paintbrush.

Stained Glass shatters the competition

Mr. Chad Gayso takes time before each competition to tune each band member.

The band performs their show at District.

The 2008 defending state champions took "Stained Glass" all the way to state. They were instructed by Mr. Chad Gayso and Mr. Erich Kendall.

This season was rough for the Marching Rangers. Two-thirds of the band consisted of eighth-graders, freshmen, and sophomores. It took a lot of hard work and leadership before everything began to come together. Also, rainy weather interfered with practice time.

The season was one of success, however. The Marching Rangers came a long way from where they began, and came home as state runner-up.

In November, the band spent Thanksgiving break in Boston. There they saw the Boston Pops, the Blue Man Group, and did many other fun things.

New teacher joins Foreign Language Department

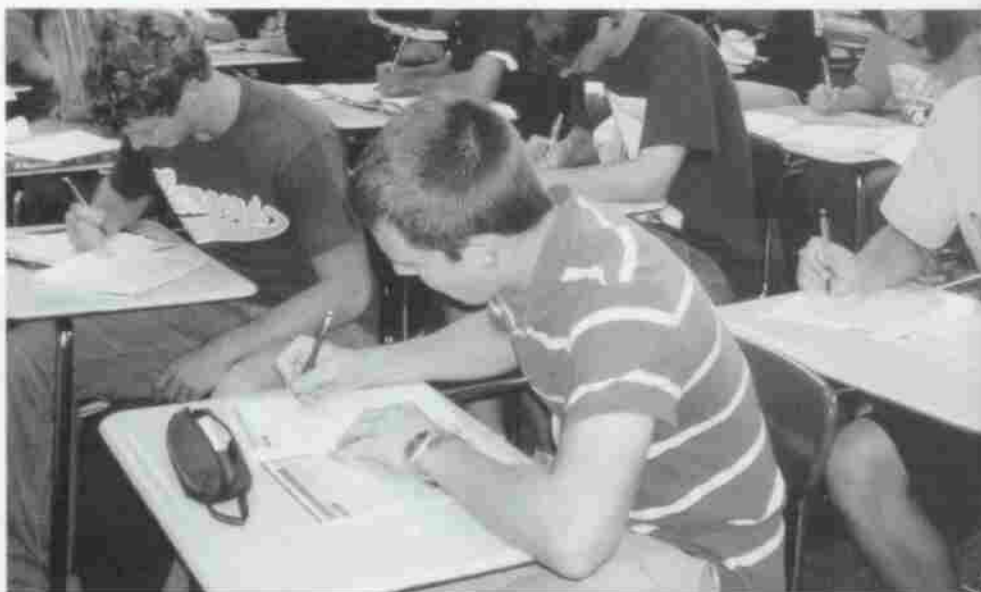

This year in Spanish was Senora Kristi Fleck's first year teaching at Forest Park High School. She is a graduate of Forest Park. She said teaching here feels like coming home and the students and other faculty are much more polite here than at her previous school. She taught Spanish I and III. Senora Emily Hauser taught Spanish II and IV.

German teacher Larry Tenbarge added eighth grade nine-week classes this year. Four years of high school German were offered. In German they read Scheneewittchen (Snow White) by the Grimm Brothers.

Jill Rahman, below, and Athena Haake, right, are working on an assignment for their new teacher, Mrs. Fleck, in Spanish III.

Ryan Welp, right, is working on a worksheet for his Spanish III class. Hope he gets the answers right!

English: Readin' and writin'

Speech this year was taught by Mrs. Chisty Bartley and Mrs. Molly Cummings. The English classes this year were taught by Mrs. Sarah Pund, freshman; Mr. Ed Walston, sophomore; Mr. Rock Emmert, junior; and Ms. Leslie Shobe, senior. For the first time advanced sophomore English was offered. Mr. Walston said the state wants all schools to offer more advanced classes. Mr. Aaron Hohl, a graduate from Southridge High School and a senior at Indiana University, student taught for Mr. Walston and Ms. Shobe second semester.

Each year of English has a different teacher and a different view of the world. In freshman English comes Romeo and Juliet and impromptu speeches. Sophomore English has Julius Caesar and debate speeches. Junior English brings term papers and unusual conversations with Mr. Emmert. Ms. Shobe's class brings college prep and 3,000 word term paper torture.

Mrs. Pund rewards her sixth period class with candy when they answer a question correctly over their reading assignment.

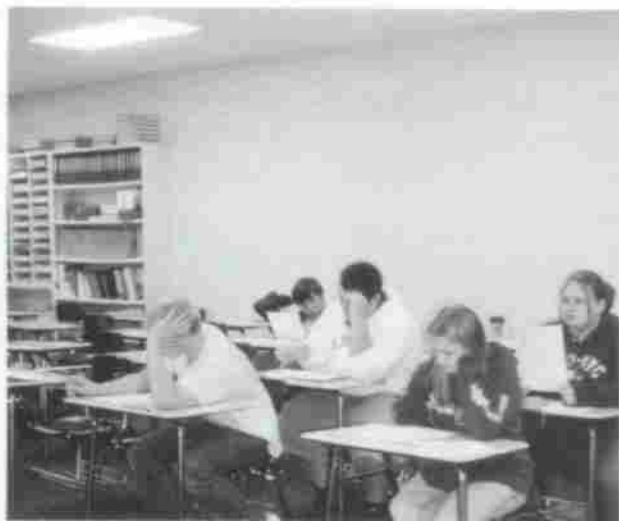

Francis Bohnenkamper, left, and Madison Grundhoefer are entranced with Mrs. Pund's questions while they review a story they read for English 9.

This year in U.S. history and world history there was a student teacher, Mr. Kevin Smith, who taught Ms. Marty Niehaus's classes during the first semester. Both Ms. Niehaus and Mr. Smith want the students to take away the key concepts of how this country started, the important people, and how they affected the United States.

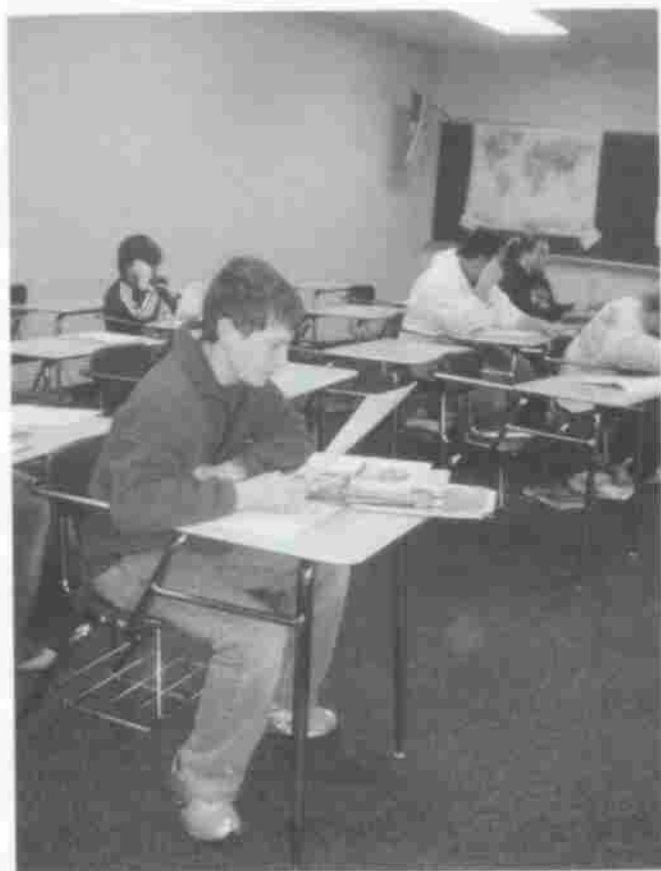

Economics and government classes were taught by Mr. Brady Gungelman. This year Mr. Gungelman became known as the master of Quizzard at FP.

and math classes

Business math teaches students about their financial future

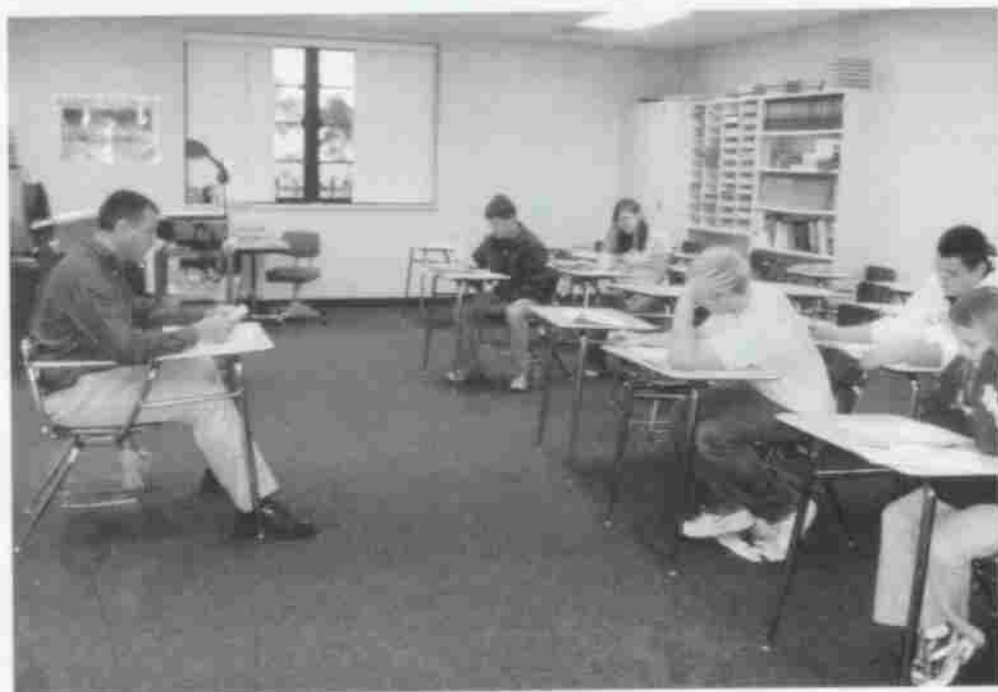

This was Mr. Jacob Berg's first year teaching business math. He plans on doing a couple different major projects this year. The projects include creating a budget sheet, learning how to work a checking account, and how to track a registry. Mr. Berg believes that this class will impact these students for the rest of their financial lives. Mr. Berg encourages everyone to take this class; it will help you with your financial future

Other math classes were taught by Mr. Greg Durcholz, Mrs. Sharon Gramelpacher, and Mr. Don Prusz. The classes included Algebra I and II, real world math, pre-algebra, calculus, and pre-calc.

Jordan Hedinger reads over one of his worksheets.

CADET TEACHERS LEARN THE ROPES

Cadet teaching is about being a personal "helper" for a teacher and learning just how the classroom really works. Cadet students get to see in the eyes of the teacher by running errands, grading papers, and even directing and running the classroom at times. You could say it's a role play. Cadet students get to experience life behind the podium.

Drama class

Stands in the spotlight

This year was the first year for the drama class, taught by Mr. Chuck Bradley. They put on the play, *You Can't Take It With You* and did many unusual activities throughout the semester. These included a dance party in the middle of the commons, a series of wacky repetitions at lunchtime, and playing silly games to practice their lines and skills. The drama department was a big family and played together and acted together well. You never know. Maybe one day you will see their names in lights or find them performing on Broadway.

Ed Weyer animates his character on stage.

Dara Niehaus applies her costume makeup in the mirror prior to showtime.

Alysia Torstenson makes Dustin Allbright bald before he goes in front of the audience.

Musical is *Les Miserables*

This year's musical *Les Miserables* was an unforgettable one. Mr. Chuck Bradley and Mrs. Anissa Bradley directed the annual musical, and they decided to put on the famous Broadway play *Les Miserables*. This year's cast was full of seniors who were sad to say goodbye to their final performance ever. It was a big family of passionate performers, singers, and friends. People came together who never talked to each other before just to make sure this performance was nothing less than perfect. They put their hearts and souls into each part, and the actual performance was superb, emotional, and heartwarming.

Hannah Backer and Ethan Smith play the sly and odd Thénardier couple, and they seemed to be the comic relief of the sorrowful musical.

Right, Maria Kroener also loved art class and showing her true creativity.

Forest Park always has exchange students from all over the world, and this year was no different. Maria Kroener is from Germany and has visited Canada, Chile, and Argentina. Jullia Fonseca is from Brazil and has visited Spain, Croatia, Austria, and France. Both love things such as dancing, soccer, painting, and animals. Jullia is 17 years old, while Maria is 15 years old. Both girls had a successful year at Forest Park, and everyone should feel lucky to have such a cultural variety in small-town Ferdinand.

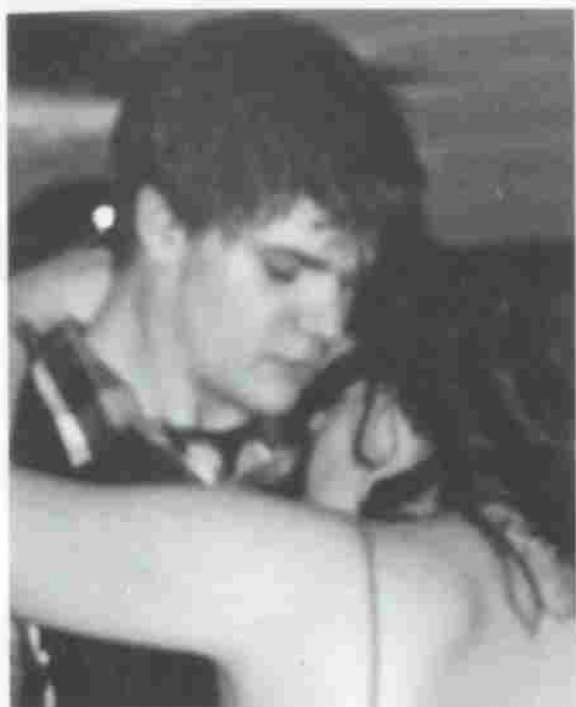

Below, Jullia Fonseca shows off her skills in Mrs. Taylor's art class by painting her pottery.

Holiday Ball

Putting some fun in the holiday season

Student Council puts on the Holiday Ball dance every Christmas season. Girls put on their coordinating dresses to match the theme colors, and guys throw on a tie, which shortly comes off later among the hundreds of shoes thrown in the corner. Holiday Ball, which is open to freshmen through seniors, brings romance, elegance, and some hardcore fun to the cold winter night.

Prom

Not just another fling and dance but something we all love and will bring remembrance.

Forest Park danced the night away at their prom which was held at the Ferdinand Community Center in May. The theme was Where Dreams Come True. They danced to rap, country, and good old rock 'n roll. For the juniors and seniors of 2010, this was a night to remember and memories made in time that shall live in our hearts forever.

Class of 2010

Become graduates of Forest Park

Graduation took place in Buechler Arena at 2:00 on May 22. There were 11 valedictorians and one salutatorian this year. "Pomp and Circumstance" was played as the seniors marched in. The band played the song "Dont Stop Believin'." This was the last time the seniors band members would play with the band. The senior chorus members sang the song "Bridge Over Troubled Water" with solos by Alyse Small and Cody Goepner. Superintendent Bob Johnson recognized the retiring teachers of the year, who included Mr. Ed Walston, Mrs. Mary Kay Berger, and Mrs. Paula Peter from the high school. The members of the class of 2010 left the gym as graduates of FP. It's been a long road, but one we will remember forever and which has shaped us all into the individuals we will be in the future. Congratulations to the class of 2010.

Boys defeat Castle for first sectional win

These boys managed to pull out the first soccer sectional victory in the program's history by defeating Castle High School 1-0. They unfortunately fell short of victory in their regional game, hosted by Evansville Central High School, to soccer giant, Memorial High School. The final score of this game was 5-0, bringing the boys' record to 12-6-

Second season brings progress

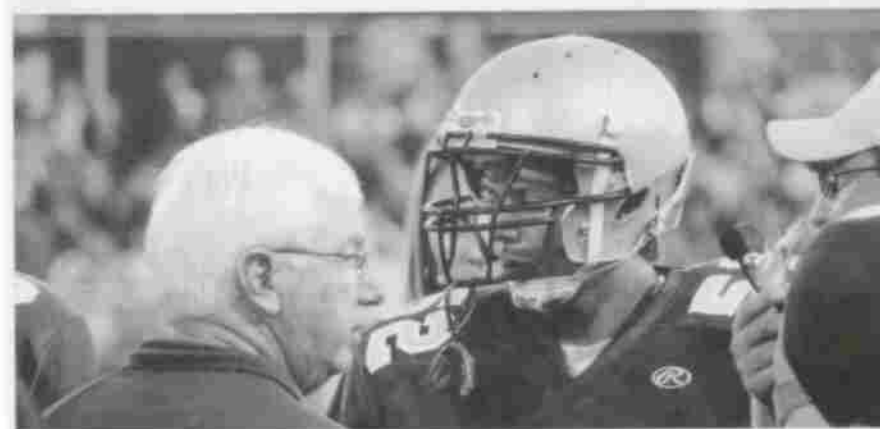

This season the Forest Park football team won 4 and lost 6. The season started with an upset win over Gibson Southern. Another highlight, according to senior Craig Voges, was competing with Heritage Hills, "even though we lost." According to senior Justin Wendholt, this year was a good year even though it was very different from last year. They came close to beating South Spencer, and lost to Mater Dei in sectional. Softball

Girls notch big wins, but lose momentum in sectional finals

The softball team entered their sectional with momentum. They had big wins over South Spencer and Mater Dei in the first two rounds. Then they lost to North Posey in the championship game. Coach Glenn Knies said, "We thought we had a chance to win (the tournament), but that first inning the momentum was all North Posey." The girls ended their season with 20 wins, eight losses, and one tie.

Torn Together

2009-2010 FP memories

The boys' basketball team watch the competition in suspense.

Les Miserables was a big hit with Hannah Backer and Ethan Smith playing the comical characters.

Kaci Schwingamer practices hard with the choir during class, anticipating the contest at Castle.

Heather Welp tastes the appetizers at Prom with a look of curiosity.

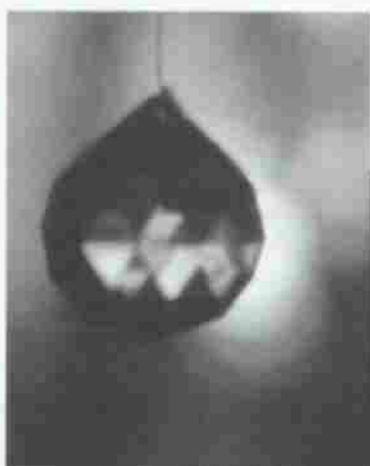

This past school year has been a year for changes, trends, and success. The band won second place at state competition, the boys' basketball team went all the way to semi-state, the musical cast performed an excellent rendition of Les Miserables, the choir won gold at contest for the first time in years. Prom was a big hit for everyone, the dance team won first place in the high-kick competition, and the journalism team said goodbye to the last issue ever of the school newspaper, The Lookout, and to the whole journalism class itself. 2009-2010 FP school year was filled with many successes. We were not voted a four-star school for nothing, now were we?

Above, the journalism team poses for a last goodbye.

Below, the dance team celebrates a great victory at their dance competition.

The most important lessons...

...are the ones about life.

From pre-school through high school, the most valuable lessons are about teamwork, integrity, responsibility and community. At Old National Bank we understand the importance of these values. That's why we proudly support the faculty, parents and students of Forest Park High School.

TORN

Together

High school can bring about so many responsibilities for students of all ages. Here at Forest Park, everyone fits in with a certain group of people. Everyone can find a friend, a mentor, and a helping hand. No matter what you look like, what you are wearing, or what your interests are, Forest Park brings people together with the search for happiness and success. We are all, and always will be...

Mr. Walston
Adviser

Yearbook Staff 2010

We worked extremely hard and went through many painstaking problems to give everyone a yearbook that shows all of us at Forest Park that we are together no matter what happens. We hope you enjoy the 2010 Tracer.

We would like to thank our Herff Jones representative, Angela St. Clair, for helping us plan our memorable yearbook. Thank you to the Ferdinand News and Rhonda VanWinkle for providing us with many needed pictures. Thank you to the parents of the groups such as DI, academic team, dance team, and swim team for providing pictures. Thank you to the advertisers who bought ads from us in these hard economic times. Lastly, thank you to Mr. Jessee for challenging us, and thank you for listening to our point of view.

The Yearbook staff of 2010 says goodbye to Journalism with honor and true, die-hard passion. We hope when you look through this yearbook, you see just how close this family is, and that every person at Forest Park is *TORN Together.*
