Poem by M. Bloom

If you dare to look into
A world where you may not be you
Then go ahead and feed the leech
That absorbs all its jagged teeth can
reach

For the reflection takes all you are
Every bruise and jagged scar
And puts them for you to plainly see
Or, at least, so it believes

For the mirror can only steal
What one chooses to reveal
As every secret, every story
Remains privately concealed

So, yes, the mirror may have its chance
To take you face with just a glance
But your soul will still flourish indeed
With no outside sources crippling
The gentle spirit within the scars
That can grow up towards those hopeful
stars

While beneath the surface still remains
An image no leech can sustain

So if you dare to look into
A world where your face is not on you
Smile while the clueless glass shows
what it sees
Never knowing the beauty that lies
beneath

36 YEARS OF DEDICATION

Mr. Allen

FROM TEACHER TO SUPERINTENDENT

by Natalie Howard

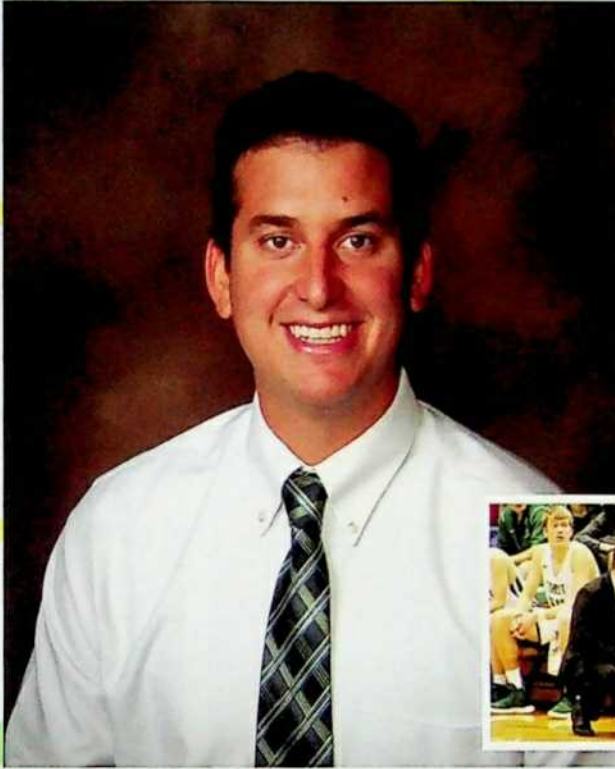

Mr. Allen began teaching at Forest Park in 1983 and has been dedicated to our school system ever since. He started as a Agriculture/FFA Teacher and spent 9 years in that position before climbing up the ladder to assistant principal. He spent 13 years in that role before transitioning to assistant superintendent for 6 years, then finally superintendent for 8 years. He has shared that his future goal for our schools is to increase enrollment so the district's finances can grow, and more students can take advantage of the great programs offered throughout our school district. He says his most memorable moment while at Forest Park is, "talking with alumni and parents, and having them share with me the impact I and other dedicated teachers and principals had on their lives. This is what makes working in education so rewarding; when former students share the positive notions of our schools." After his retirement Mr. Allen plans on relaxing and enjoying watching his grandchildren grow and mature.

Some advice he wishes to give the next superintendent is; "Being a small rural school district the superintendent is asked to wear many hats. Networking with other superintendents in the area, and always willing to learn is key to staying on top of the issues that face districts our size."

FOREST PARK ADMINISTRATION

Mr. David Welp
Assistant Principal

Being an assistant principal and a head basketball coach is not easy, but Mr. Welp handled the challenge with determination and ease. With his second year as assistant principal and first year of head boys basketball coach behind him, Mr. Welp made the decision to return to the classroom this fall. This allows him to spend more time than the previous year with his family while still interacting and seeing students on a daily basis. Mr. Welp says that although every year is different in its own way, this year he truly got to see so many students and teams achieve many successes in both academics and athletics. After being in various positions within the school for multiple years, Mr. Welp has left an everlasting effect on our school as an administrator and is sure to do the same as a teacher.

Dr. Jamie Pund
Principal

Dr. Pund has been here for four years, two as assistant principal and two as principal. During those years many things have changed. We have added many new courses to the schedule and provided more options for the students. There has been more color added to the walls and there is more furniture throughout. Some of the bigger projects were the addition of the CTE center, renovated science rooms, and the new weight room. Completing her second year as principal, Dr. Pund is now moving to the Superintendent position. She is very excited for this next step. In this position she gets to see the entire scope of what goes on at Southeast Dubois. She will deal with finances, hiring new people, facility planning, curriculum decisions, working with staff to move things forward, etc. The list is very long, but she looks up to the challenge and it is very appealing to her.

New Staff

Mrs. Cummings

Mrs. Cummings graduated from college in May 2007 and started her teaching career on June 15th, 2007. She started as the Jr. High English teacher, a position she held for 11 years. This year she made the switch to Junior English teacher. Before becoming a teacher Mrs. Cummings worked at Ferdinand News and Bob Evans.

Mrs. Gadlage

Mrs. Gadlage graduated from the University of Evansville with a Biology Degree. She was hired at Forest Park to teach biology and anatomy, and physiology. Her favorite part about Forest Park is how nice all the students, staff and administrators are.

Mrs. Blume

Mrs. Blume graduated from Forest Park with her favorite class being math. Mrs. Blume was hired this year as the new Activities Treasurer. Her favorite things to do in her free time are gardening, listening to music, and attending her daughter's events.

Mr. Sherohman

Mr. Sherohman was inspired to become a teacher after all the wonderful teachers he has had in the past. With a total of nine kids and working as the new sophomore english teacher, he feels blessed to be working at Forest Park. If he wasn't a teacher he would want to be a lawyer or a pastor.

2018-2019 school year welcomes eight new staff members at Forest Park

by junior Lance Libbert

Mrs. Daunhauer

After graduating from Forest Park in 2010, Mrs. Daunhauer went on to get her degree in psychology and public relations. She was hired as the new freshmen English teacher after working as an Instructional Assistant for three years. She enjoys spending time with her family, friends, chickens, and goat.

Mr. Keller

After receiving a degree in history and anthropology while mastering in curriculum and instruction, Jasper Graduate, Mr. Keller, became the new Government teacher. Playing music and singing are some of his favorite hobbies.

Mrs. Kline

Mrs. Kline graduated with a Bachelors Degree from Murray State University in Spanish Education. Mrs. Kline was hired as the new Spanish and PE teacher. After seeing her grandmother become a wonderful Spanish teacher, she wanted to follow in her footsteps.

Mrs. Smith

Mrs. Smith went to school at Ivy Tech-Central in Indianapolis for culinary arts, but ended up working at Medical of Dubois. After graduating from Ivy-Tech in 2013, she began her nursing career.

Forest Park students enjoy Night To Shine

Night to Shine is an unforgettable prom night experience, centered on God's love for people with special needs ages 14 and older. This event is held on the same night at churches across the United States and in some other countries. This year several current and past Forest Park students attended this amazing occasion put on by Redemption Christian Church in Jasper.

Not goodbye, just see you later

Three teachers leave Forest Park for new adventures

After 10.5 years, Mr. Jacob Berg, leaves Forest Park for Vincennes University Jasper Campus. Here, he will be the new Director of the CTIM building. "This was one of the hardest decisions I have ever made," said Berg. "I wish you all the best and thank you for all you do for our students." Regardless of his departure, he still plans on coaching and working directly with Forest Park staff. With this new adventure, he is excited to see how his career will grow over the next few years.

After being a prominent figure in the school for 12 years, Mr. Durlauf will be joining Ferdinand Farmers in selling insurance. "My time at Forest Park has been very enjoyable. I really enjoyed helping with the baseball team, my Accounting, Business, and Interactive Media classes, working with many great colleagues. One of my favorite memories was pranking Elliot Wiseman in Ms. Schwartz's class with a fart machine and watching it live with google hangouts with a hidden camera. Scaring Mr. Howard with fake snakes was always a good time as well. My favorite classes were the Class of 2011 and my final year Accounting/Business classes. Thanks for so many great memories!"

After 15 years of dedication to Forest Park, Mr. Gayso decides to leave to start a new adventure. While it was not an easy decision for him to make, he will now be directing the Jasper band into success. During his time here at Forest Park he has lead the band to 6 state champion titles and 5 runner-up titles. He says the things he will miss the most are the students and their families. Although the students, parents, and staff are sad to see him leave, they are also excited to see what the future holds for him.

Senior Walk

by juniors Morgan Greulich, Lance Libbert and Madison Treffer

The class of 2019 takes their last walk through the elementary schools to say goodbye to where it all began.

For seniors, the last week of school consists of finals, awards, graduation practice, and visiting the elementary schools to look back on what they had accomplished. The class started their morning at Cedar Crest with breakfast and watched old lip sync videos and went through their time capsules they made in the sixth grade. After CCI, they went to Pine Ridge and Ferdinand Elementary, walked through schools and high fived the students lined up in the hallways. The seniors also had time at each school to look back at their old classrooms and catch up with their past teachers.

1. Kaitlyn Hoffman walks down the hall at CCI. 2. Ean Reynolds, Garret Jochem and Jace Bieker look at their time capsules. 3. Nicholas Sutherlin talks to Mr. Harris and his class. 4. Garrett Betz and Alex Weyer visit teachers classrooms. 5. Jake Rickelman gives students high fives while walking down the hallway at CCI. 6. Katelyn Englert, Katie Winkler, and Claire Mehling talk to their past teacher. 7. Megan Mullis takes a picture with a Ferdinand Elementary student. 8. Allison Hassfurther gives a hug to her fourth grade teacher.

Scholarship, service, leadership and character are the four qualifications National Honor Society members possess. These members constantly searched for ways to better our community and school. To become a member of NaHoSo, students had to maintain a GPA of 3.5 or higher and be in good standing with the school. Incoming members had to have 10 service hours, which they accumulated over the summer and all members must complete a total of 20 service hours throughout the school year. These members took great pride in their club and will carry their skills with them as they move on toward their futures.

BETA CLUB SERVES OTHERS

by juniors Emma Loudon and Mady Partenheimer

As one of the select service based clubs in our school, Beta is a club that allows students to become more involved within the school while participating in projects they typically wouldn't do. All students in this club must maintain a 3.5 grade point average in order to participate in fun activities such as Beta convention and the annual spaghetti dinner.

The best part of Beta, as many members will say, is attending the statewide Beta convention at West Baden. Here students have the opportunity to participate in various projects. Some of our winners this year are: Agriscience Division II - Aaron Hurst, Language Arts Division II - Jordyn Wiseman, Performing Arts Trio - Thea Petry, Mallory Spayd, Claire Wendholt, Technology - Bralyn Boehm, Gryffin Flowers, Noah Gelhausen, Nolan Brames, Mixed Media Division II - Lydia Hauser. Along with the performing arts trio winning, for the first time in Forest Park Beta history, the trio received a golden ticket for an opportunity to performing in Oklahoma City at the National Beta Convention.

Beta Officers: Claire Mehling, Allison Wassmuth, and Reid Steffe.

NATURAL HELPERS

by sophomore Laney Vaughn

The Natural Helpers at Forest Park spent their year going around and encouraging our students to make the right decisions for their health and relationships. They used their time to explain to junior high students the dangers of toxic and unhealthy relationships, and what red flags look like. They worked with a lot of different ways to relieve stress in everyday life and warned students about the dangers of vaping and what it can do to their health. With clubs like Natural Helpers, Forest Park will continue to be a safer and better school.

RETREAT

"This year as a senior, was the first year I was voted into Natural Helpers. Therefore, I went to the retreat once. It was an amazing time and I wish I could have done it all four years. It is an all around great experience and I made lots of new friends, learned new things, and met countless new people."

Uncovering School Spirit

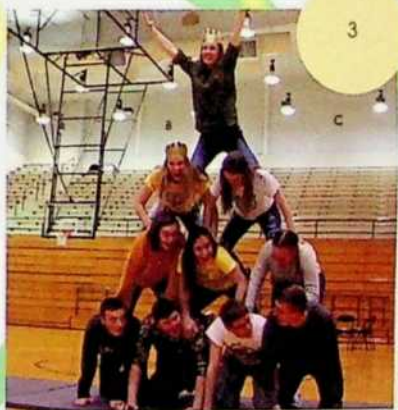

RENAISSANCE AND SPIRIT CLUB GIVES STUDENTS A SENSE OF SCHOOL PRIDE

by sophomore Laney Vaughn

Teachers claim that students this school year were noticeably full of more school spirit than previous years. This year's spirit club members went far out of their way to make pep rallies extra exciting, and had some pretty amazing dress up days, such as dress as an era, color, military and holiday! The Renaissance club also got in on some school spirit action with hallway decorating competitions! The Spirit and Renaissance clubs have inspired many students this year to be even more proud of their school and their peers.

Adding Color

ART CLUB BRIGHTENS THE SCHOOL

by Junior Madison Tretter

This year art club had big ideas when thinking about making the school more colorful. In late August they decided to paint a mural in the commons. Going with the school theme, they painted different layers of trees across the walls. The mural not only brightened up the school, but it created a new hang out spot for the students to relax. At the Forest Fest the art club offered face painting for any student in the school. The students really enjoyed being apart of this club and making this school look more colorful.

SADD AND KEY CLUB HELP FP MAKE GOOD CHOICES

by sophomore Laney Vaughn and junior Morgan Greulich

SADD week is a week that the SADD club members goes around and help persuade students in the school not to do drugs. SADD club presents power points to the junior high and does fun trivia for the high school. They not only encourage the high school, but also the junior high to keep their hands clean and away from drugs.

Our Key club is a club that goes around and helps the community. This year the key club did some amazing things, which include working at the Christkindlmarkt, working a pancake breakfast, and more. Both of these clubs are important to the well being of our school and it would not be the same without these amazing clubs working towards a better Forest Park.

"I have loved being involved with SADD! It has been a privilege to participate in a club that promotes my values and allows me to spread them to my peers." - Katie Winkler, senior

Academic Teams Rise to the Challenge

The Academic Team learned a lot about Egypt and Mesopotamia this season. They had a solid but not spectacular ending, placing 2nd and 3rd in their competitions. PAC was held at Heritage Hills this year, while the area competition was at North Knox. The science academic team placed first at the PAC competition that was held at Heritage Hills and did qualify for state. Both teams are excited for what the future holds.

Leadership Takes Dedication

FCCLA ASPIRING TO INSPIRE

by sophomore Laney Vaughn

The Family, Career and Community Leaders of America (FCCLA) organization aims to help our students become leaders. FCCLA encourages our students to be more active in their community and think more about their future lives. This year they have participated in projects such as wands for wildlife, which encourages girls to donate their old mascara wands to help small animals. They have also created a project that helps FP students feel their very best and make the most of their school day with care kits. Our FCCLA club is very important to our school and we thank them for all they do for our community too.

This year Rangers for Christ decided to get more student involvement throughout the school year. Every other week, either Kacie Klem or Josh LaGrange, would come and speak to the students. Bible study was also offered every week to any student in the school. The annual See You At the Pole drew in a lot of students and teachers to pray in the gym. RFC ended the school year with National Day of Prayer, by singing and listening to guest speakers in the auditorium.

COMMUNITY IMPACT CONTINUES TO HELP SAVE THE ENVIRONMENT.

by junior Mady Partenheimer

Community Impact, a group led by Ms. Schwartz, strives to create a clean, sustainable environment within our school. They do tasks such as recycling bottles in the school and basketball games, collecting bottlecaps, and starting eco-friendly projects around the school. This spring, the club plans to begin a landscaping projects. Within, these projects the club plans to use two benches created with bottle caps they collected over the past year. Ms. Schwartz says the club is always finding room to improve and new members are always welcome.

FFA has been a part of Forest Park for 40 years, starting way back in the school year of 1978-1979 with Marian Jochem and a total of seven teachers following in her footsteps. For the 2018-2019 school year, big changes were going to come for the club with a new building which had more room to expand and grow for FFA week, where they hold the annual truck and tractor show. "This club has helped me build up and get involved with agriculture that I grew up with and love" junior Kyle Lueken says.

NERD CLUB ROLLS INTO ITS SECOND YEAR

by sophomore Laney Vaughn

As Nerd Club advanced into its second year here at Forest Park, not only has it earned an official club status, but its popularity has leveled up too! This growth brought them new club members, gaming consoles, games, and tv's. Some students outside of the club came and participated in the mario smash bro's tournament that was held. Everyone creativity really comes alive in the Nerd Club, with games like DND and members designing banners, it is a place where everyone can feel a part of something more. From Gryffindors to Slytherins, Half-Bloods, dragonborns, and Bards, Nerd Club is a place that even muggles can enjoy.

Making Things Better

STUDENT COUNCIL

by junior Morgan Greulich

This year's student council helped make the school a better and more enjoyable place. Throughout the year they helped out at McDonald's to raise money, had a hall decoration contest, organized the Forest Fest, and were in charge of homecoming for the football and basketball seasons. Students in student council have meetings to plan and come up with ideas. They take pride in all the events they host and feel like they help make the school a better place. Many students are in this club not only to have fun and help plan fun activities, but to help make the school better while doing things in and outside of school.

Ranger Nation

by senior Kaitlyn Hoffman

Our Ranger pride has always been one thing that made Forest Park stand out. From stadiums to gymnasium courts, Ranger Nation was always there to support their teams. The loudness of cheers and screams had the opposing teams overpowered. Students were proud to be a part of such a supportive group. By wearing colorful, unique outfits, Ranger Nation showed their spirit loud and proud throughout the entire school year. The enthusiastic cheering sections made sure that the players of each event knew they were supported. For decades, it has always been one thing everyone outside of Forest Park always remembers.

On September 21, Forest Park held their football homecoming. Eight seniors were selected by classmates to represent their grades, and out of the eight, the student body picked both a boy and a girl for Homecoming king and queen. Forest Park students made their choice: senior Megan Buettel, daughter of Wayne and Linda Buettel, as queen; and senior Gavin Pierce, son of Wade and Stephanie Pierce, as king. The other senior candidates were Lillian Bell, Megan Buettel, Katie Winkler, Kaiyah Wilhite, Reid Steffe, Alex Weyer, and Nathan Hamilton. The underclassmen candidates, also selected by classmates, were juniors Leah Wilmes and Evan Tretter; sophomores Linda Jacob and Trevor Horney; and freshmen Corrine Gould and Cooper Uebelhor. Seniors Garrett Betz and Katelyn Englert hosted the event. It was a beautiful evening for a beautiful community.

Dancing The Night Away

Holiday Ball Continues To Be A Success

by juniors Morgan Greulich and Lance Libbert

Students were happy to be back at the St. Anthony Community Center this year for holiday ball. They were able to enjoy a night full of dancing and music. Student Council went a different direction for music this year and hired our very own student DJ, junior Tyler Hedinger. "Tyler was an amazing DJ and played songs that everyone could enjoy," said junior Shea Singer. As in year's past, each class gathered before the event to take class and individual photos. Holiday Ball was the only formal dance that every high school student could attend.

BYE BYE BIRDIE STEALS THE SHOW

by junior MadyPartenheimer

Above: Shielyn Nippers, 10, takes a phone call.

This year, the Forest Park Musical took to the stage with showstopper, Bye, Bye Birdie. Bye, Bye Birdie tells the story of Birdie, based on Elvis, getting drafted into the army. In a last attempt of publicity, Birdie's manager, Albert Peterson, and his assistant, Rosie, organize Birdie's final kiss goodbye with a mega-fan, Kim MaCafee. Most cast members came into this year without any recollection of what the play was about, but in the end their expectations were ultimately exceeded. Kaiyah Wilhite, who played Kim MaCafee, said, "It was my senior year, and I was beyond grateful to get the part that I wanted. My favorite part though was how we all got along and supported each other through everything musical related, and non-musical related. We were always there for each other."

Cast members, stage crew, and director all put their best foot forth in order to make this show as great as possible. Hours and hours were spent perfecting every detail of the play. With so many dynamic actors, there was never a dull moment on stage or behind the scenes. All cast members can agree this play was one to remember with memories that will last a lifetime.

ENGAGING STUDENTS IN ENGLISH CLASS

by sophomore Laney Vaughn

O English, O Literature, where for art thou composition? Our english classes have changed almost completely over the past year, but definitely for the better. The freshmen English classes had a blast this year reading books such as Jurassic Park, and an all time classic, Romeo and Juliet. Mrs. Daunhauer made her classroom as fun as she could for teaching freshmen here at Forest Park. It's not all the time you get to see a little magic around the senior quad. The quad also gained another new teacher, Mr. Sherohman. Mr. Sherohman has brought the sophomore class closer together throughout this year, from into the wild's self guided learning to our pep-session dances, he has truly been an over the top, amazing English teacher. Mrs. Cummings upgraded from level 7 to 11 within a year, and has filled junior English classes with laughter and comfort. Lastly, Mrs. Reinbold gave our seniors some amazing projects to work on, and enough essays to keep them busy for their last year at Forest Park.

Adventures of German class

EXPLORING NEW CULTURES AND HISTORY

Happy Travels: Parents and students pose for a picture.

Five Forest Park students and their parents flew from Louisville, Kentucky to Munich, Germany for a 10 day excursion through southern/central Germany. They visited Austria, Switzerland, and Liechtenstein. Interesting sites they were able to see include: King Ludwig's Neuschwanstein Castle, Schönbrunn Summer Palace, Dachau Concentration Camp, an underground salt mine, BMW Headquarters, the Swiss Alps, and a Swiss Chocolate Factory.

"My favorite place we went was the Neuschwanstein Castle. It's the castle a lot of Disney movies base their castles on. Even though part of it was undergoing restoration, it was still so beautiful and magical. The part I liked most about the trip was simply experiencing a new place. My mom and I got to meet up with her cousin and his fiancé, who live in Munich, and they gave us a local point of view of the city," said senior, Allison Hassfurther.

Teaching The Past and The Future

SOCIAL STUDIES AND AG CLASSES DIGGING INTO KNOWLEDGE

by sophomore Laney Vaughn

Bringing the past, present, and future together is a skill that both Social Studies and agriculture classes achieve. Social Studies classes teach our students about geography of our world, politics, economics, our worlds history and more. Mr Hagedorn, Mr. Hasenour, and Mr. Keller taught both underclassmen and upperclassmen the ways of our world in their classes. On the agriculture side of the school our students are taught the way of the enviornment. Mrs. Applegate used her time this year to teach Forest Park about animals, crops, encouraged FFA participation in the brand new building designed for her (and other teachers) classes.

Technology and Buisness

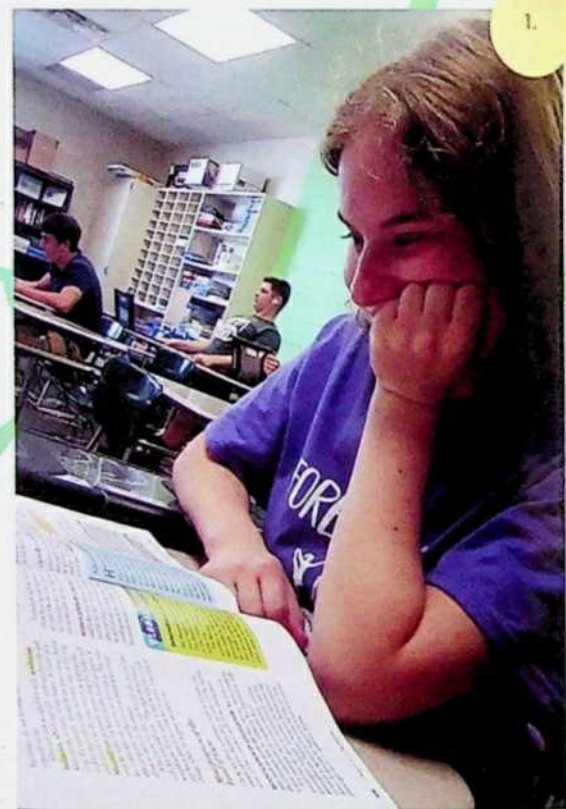

SCRATCHING THE SURFACE OF SUCCESS

by sophomore Laney Vaughn

Technology and Business classes help the students of Forest Park learn valuable skills that they can use in their lives outside of school. Our ranger tech support is taught by Kyle Greulich. In his classes, students are taught how to uninstall and install computers, break and fix chromebooks, tablets, and iPads, and help teachers with all their technology problems. Business classes are taught by Jeff Durlauf. In his last year at Forest Park, Mr. Durlauf has taught his students money management, marketing, accounting, the innerworkings of our justice system, contracts, and our legal rights and responsibilities.

Cadet Teaching & Ice

TEACHING THE FUTURE

by senior Jazmon Nalley and sophomore Laney Vaughn

Creating future jobs for our students at an early age is a necessity here at Forest Park. Many want-to-be teachers can get an early start in our cadet teaching classes, which allows our seniors to help teach with their favorite junior high or elementary school teacher. Cadet teachers help k-8th grade learn and engage more in the classroom, and provide a helpful fellow student out on higher education. For those students who do not particularly wish to go into teaching, our school also offers Interdisciplinary Cooperative Education or ICE classes. ICE classes help students learn more hands on skills in a somewhat relaxed environment. Many of the students here that take ICE classes claim they feel more at home in their classes than they do in traditional learning situations. ICE allows our students to wander down a different path that is unique and completely their own.

Art class is a place where students can express themselves in many different ways. It is also a place for students to relax from all of their other hard classes. At the end of the year the students get to show off their art skills and have a chance to win different awards at the Spring Extravaganza.

FOREIGN LANGUAGE CLASSES HELP STUDENTS COMMUNICATE

by sophomore Laney Vaughn

Our foreign language classes here at Forest Park help students prepare for any encounter they may have with non-english speakers outside of the classroom. Not only do these classes benefit their grades and GPA, but also benefit their future and careers. Students taking a foreign language class were taught by three of the best teachers: Mrs. Kline, Mrs. Hauser, and Mr. Weyer.

"Foreign Language classes are important to take in high school because not only do they open up one's mind to a whole new world, they create an opportunity for one to walk away with a useful communication skill."

PE/FACS

UNLOCKING SKILLS FOR THE FUTURE

by sophomore Laney Vaughn

P.E. and FACS are two of the most fundamental life skills that any student needs. Our P.E. classes encourage our students to be more athletic and more involved in exercise every day. P.E. allows students to explore games, sports, and even hobbies that they would have never known they loved otherwise. Our FACS classes teach students how to cook for themselves and be creative while doing so, how to take care of children, sew, and much more. Mrs. Widolff has inspired so many students to aspire to be everything from chefs to fashion designers.

"I've always thought voice overs and singing in marching band shows were a little weird, but after singing this year I realized how much the lyrics added to the show. Although it was a little nerve-wrecking to sing in front of so many people, I simply remember that as long as I sang my heart out, the song would leave a lasting impact on the audience."

For the 2018 season, the Forest Park Marching Rangers had so much determination to bring home the State title once again, which was the first time since 2015. Their show this year was titled, In These Fields, and was one to remember, with lots of new things including singing vocals, which was a first. "I am most proud of how everyone came together to make this show happen. The designers, staff, parents and most importantly, the students, all brought into the show and help create a program that turned out far better than anyone imagined when the season began," Mr. Gayso says. Many members of the Marching Rangers say this show was for sure one they will always remember and love.

"Being a drum major meant so much to me. I became friends with so many people that I would never have talked to, had I not been drum major. This year was so memorable to me, and everyone made me feel so welcome. I am so proud of these people that I get to call family."

For the 2018th season, the Forest Park color guard told the story of a newly married couple in their journey to beginning a new life, played by juniors Lance Libbert and Sarah Buechler. Band director, Chad Gayso, had a lot of good things to say about the color guard. "I'm most proud of how this years color guard created a very positive atmosphere within the program. I think that positivity helped them really shine during performances. This years guard did a great job setting a new foundation for what FPCG is all about," Mr. Gayso says. The Color Guard was instructed by Erin Stemle, Anna Bailey, and Emily Schipp.

BONDING ON THE COURSE

When the Lady Rangers held their first camp, Coach Pat Schuler was very concerned that it would be a tough year because they had seven freshman; five who had never held a golf club. The girls were however determined to learn the game, and were able to compete at a level he didn't expect. They had a successful year; having three wins and playing well at the conference championship and sectional. With regards to next year, Coach Schuler expects that if this group of girls remain committed to improve and gain physical strength, Lady Ranger Golf will excel for several years to come. The future looks bright! The Lady Rangers finished the season with 3 wins and 6 losses. Awards given at the end of the season included Mental Attitude award to Maya Jones, Most Improved to Ella Borden and Most Valuable Player to Audrey Jones.

AWARD WINNING BOYS AND GIRLS XC SEASON

by sophomore Laney Vaughn

Through this season, the XC team has had some amazing stats. The boys team finished the season 116-53 overall and placed 7th as a team at regionals. The girls won their 4th straight PAC title and 5 girls won all-conference honors. The girls also won sectionals for the second year in a row. From team wins to personal wins, the Cross Country family has pushed through hard work, pain, rain, 90 degree heat, and sore muscles. Due to this, we at Forest Park could not be more proud of our amazing and dedicated runners. We are especially proud of Freshmen Ellie Hall and Spenser Wolf. Ellie ran the IHSAA state meet placing 113th overall with a time of 20:11, and Spenser made it to semi-state placing 20th overall. End of season awards: PAC All-Conference went to Spenser Wolf, Claire Mehling, Ellie Hall, Josie Berg, Magda Alvis, and Abby Häuser. Most Valuable Runner went to Spenser Wolf and Claire Mehling, and the Mental Attitude awards went to Garrett Betz and Katelyn Englert.

Coach Comments

"I felt the boys team did very well considering we only had 1 senior with any experience on the team. The rest of the team was first or second year runners. Garrett Betz did an outstanding job being a team leader on and off of the course. I can't say enough about how much the freshman class grew this year as 3 of them were in the top 5 for the team (Spenser Wolf, Bryce Troesch, & Ethan Hall). Spenser Wolf advanced to the semi-state where he finished 20th place in his freshman year. The future is very bright for the Rangers as we are returning 6 of our top 7 runners next year." - Phillip Wolf

BOYS SOCCER HAS SOLE

by juniors Mady Partenhelmer and All Pund

When asking the Boy's Soccer team for comments on how the year went, they all responded with similar answers. "This was by far the best season I've been apart of," says Zach Wahl, junior. The bond between the team showed during games. This team really got along well and worked hard. They were committed and played each game with determination. The boys finished the season with eight wins, ten loses, and one tie. The award winners were: Mental Attitude, Bryson Weyer; Most Improved, Kristian Alegria; Most Valuable Defense, Ben Kluesner; Golden Foot, JD Kerber; MVP, Zach Wahl. JD Kerber and Zach Wahl also received Honorable Mention All-Conference. Garret Jochem received the PAC Scholar Athlete Award. Reaching New Goals

SECTIONAL SOCCER SUCCESS

by juniors Allyson Werner and Faith Zazzetti

The Lady Rangers set their standards very high this soccer season. Their goals this season were to win PAC and Sectional. They finished 6-1 in PAC and came in 2nd behind Heritage Hills due to a draw and loss in penalty kicks. Ultimately, they captured their most important goal of winning sectional by defeating Vincennes Rivet after two overtimes and penalty kicks. The girls fought hard through their season. The end of season awards include Linda Jacob, Most Improved; Denai Sicard, Golden Foot; Madison Wathen and Abbie Jahn, Defensive Award; and Claire Mehling receiving the Mental Attitude and Most Valuable Player.

"This year's team was the largest girl's soccer team in my coaching tenure. We had twenty-one girls on our team this year, and everyone was instrumental in our success. It was quite the luxury having a deep bench from a substitution standpoint."

"Being the only girl on the team this season gave me the opportunity to build some very close friendships with newly founded teammates and brothers. The acceptance on this team was incredible."

CAN'T STOP THE HOPS

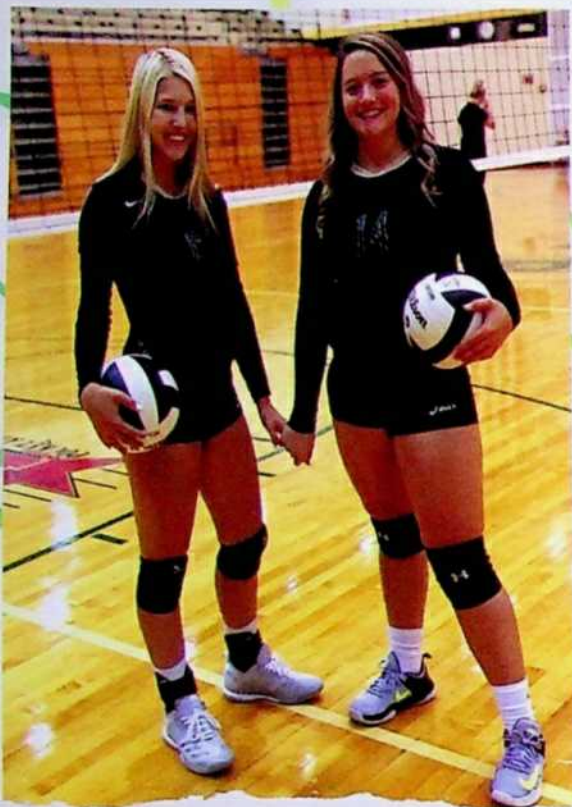

by senior, Kaitlyn Hoffman and junior, Emma Loudon

From the hot summer conditioning days to the excitement of being in the sectional championship, the Varsity Volleyball team started off the season slow, but in the end made it to the sectional finals. The girls worked together and the two leading seniors helped the team work together more. Senior Jaylyn Giesler said, "This volleyball season has definitely been one to remember. The team had our ups and downs but we managed to get through them together. Going into tournament time, something hit us all. Everything we worked so hard for all season finally came together and showed, which led us into the sectional championship. For me, this will forever be on replay in my mind and will always be very special to me. Though, there were days I did not want to walk into that gym for practice, walking off the court for the last time was definitely one of the hardest things I've done. Most of all I will miss playing the sport I love with the team that became my sisters." Being the leaders of the team, senior Jordyn Wiseman said, "Throughout the whole year, our teamwork was rocky which really made some struggles. However, we pulled it together and won not just one round of sectionals but made it to the championship game. Just to be able to say that we were Sectional Runner-ups makes me extremely proud and will forever be a wonderful memory. As I know it will be for the rest of the girls as well. I will miss playing with my teammates the most."

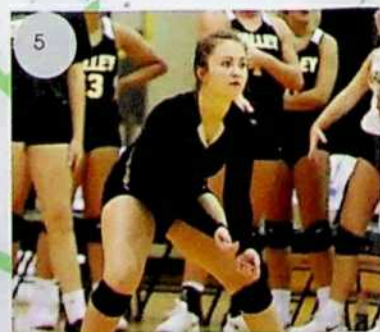

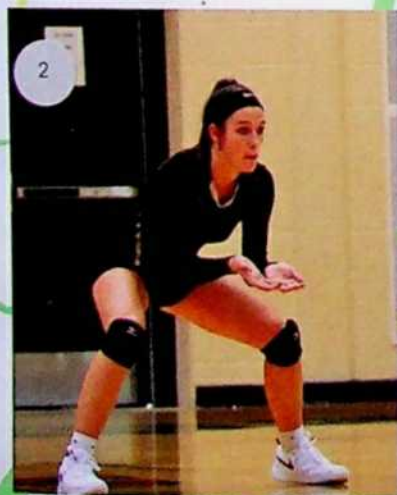

This team had a lot of versatile players who could play multiple positions, which allowed them to play around with their lineup. They also had so many underclassmen, that the team next year will be full of experience. Coach Alexa Rasche said, "I am looking forward to seeing the younger ladies step up into a leadership role and take ownership of this team!"

This year's team ended the season really strong and won a couple of games in the tournament. They hope that run fuels the returning players, and makes them want to play as aggressive and exciting at the beginning of next season as they did during those two games of sectional.

The end of the season awards were: MVP, Kylie Giesler; Most Assists, Kylie Giesler; Most Kills, Macie Zink; Most Points, Faith Zazzetti; Most Blocks, Faith Zazzetti; Mental Attitude, Jordyn Wiseman; Serving, Macie Zink; Aces, Kennedy Sermersheim; Defense, Kylie Giesler; PAC Academic Honors went to Jaylyn Giesler and Jordyn Wiseman; and IHSVCA Academic All-State, Jordyn Wiseman.

JV VOLLEYBALL TEAM SPIKES MANY UNDERCLASSMEN

by junior Emma Louden

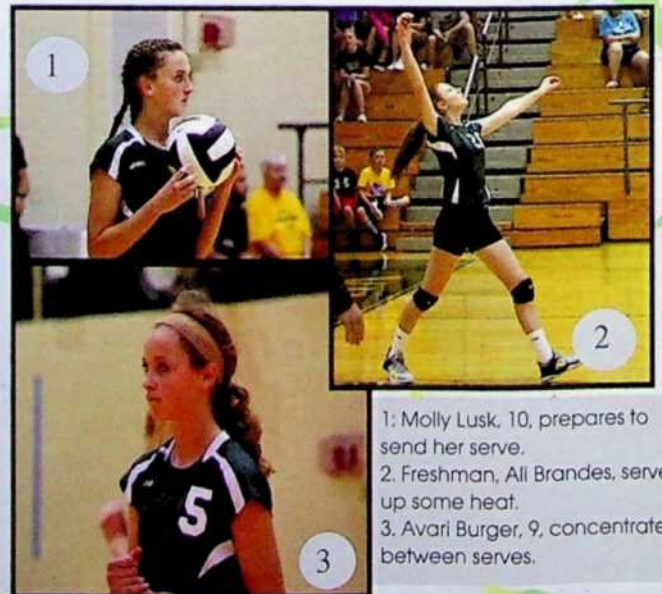

With every new season, comes a new team. This years junior varsity team was mostly filled with freshman. These girls stepped up and and helped the team with their season record. They built their skills and leared to work as a team. They ended their season with a record of 13-11, and overall had a season to remember. Coach Kylie Blessinger was very proud of the way the girls came together and learned how to play with each other. For being a young team, she thought their ability to play in different positions was impressive. According to the coach, they focused a lot on giving one hundred percent every day whether at practice or a game. Each girl played with heart and determination. Coach Blessinger and Coach Pund are excited to get back in the gym and see all of the girls progress and grow as each year passes.

...ning Up: The JV football team lines up and gets ready to hike the ball.

With a team full of promising freshman, the JV football team was ready for a great season. The boys faced a lot of challenges throughout the season, but came out with a winning record, for the first time in years. They played seven games and ended with a record of 4-3. The boys were coached by Jesse Hagedorn, Matt Aders, Eric Hopkins, and Nathan Lueken.

Tackling Success

JV Football Piles Up Wins

by junior Madison Tretter

"We as coaches, are very proud of the way this young group handled adversity and challenges throughout the season. This is the first JV football team to have a winning record in many years. The players worked hard at practice and "hit the sled" with ferocity, which transferred into the games. We expect a lot of success in the future with this group of young men."

No matter if it's football or basketball, rain or shine, the cheer team will always be there supporting the boys! Many changes came with the 2018-2019 season; adding many new faces and getting a new coach, Jessica Reinbold.

"My favorite part of being in cheer is by far getting to be with my other lovely team members. Being able to struggle and succeed together as a team means a lot and shows how close we have all become," says junior member Marna Davis. This year's squad consisted of a total of 12 members. The past season awards include; Mental Attitude, Shielyn Nippers, and Most Valuable Player, Riley Prechtel. With only losing one senior, the squad and coach are excited for what next year will bring.

Riley Prechtel has been cheering since 5th grade. Being the only senior gives you a lot of responsibilities but Riley says her favorite part is when she gets to introduce the opposing team to our field and gym. Riley's favorite memory from cheering is when the boys basketball team went to the state final at Bankers life fieldhouse. This year she was named MVP of the squad.

WRESTLING TEAM PINS DOWN WINS

by sophomore Laney Vaughn

Head-down: Ethan Beckman, 9, attempting to pin a Boonville wrestler.

Wrestling, to our team, is about determination and hard work; they put blood, sweat, and tears into their matches quite literally. Their achievements this year have been nothing short of amazing. They have worked so hard to keep in shape and weigh in to their specific weight class, and we could not be more proud of the dedication our team puts into their sport. There have been quite a few injuries through this season, but for the boys it's all worth it in the end.

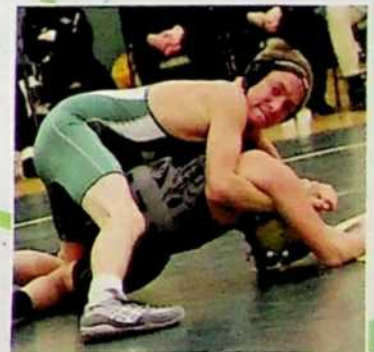

Although there are no seniors on the team, juniors Issac Brosmer and Cole Mohr have stepped up to the leadership role this year. In an article in the Forest Park Lookout, Mariena Peters asked Cole about how he felt being in a leadership role on the team. "It's similar to being an actual senior," He told her. "I love being able to lead all the younger ones and be someone to look up to."

FRESHMAN BOYS COUNTINUE TO IMPROVE

by junior Madison Tretter

Working hard and improving skills is always a goal the freshman boys basketball team tries to achieve. With the continuation of practice, they try their hardest so they can eventually compete on the varsity level. They labored hard this season, ending with a 8-8 record. The boys were coached by Abe Schwartz.

One Team One Dream GIRLS VARSITY RISES TO THE TOP

by juniors Emma Loudon and Allyson Werner

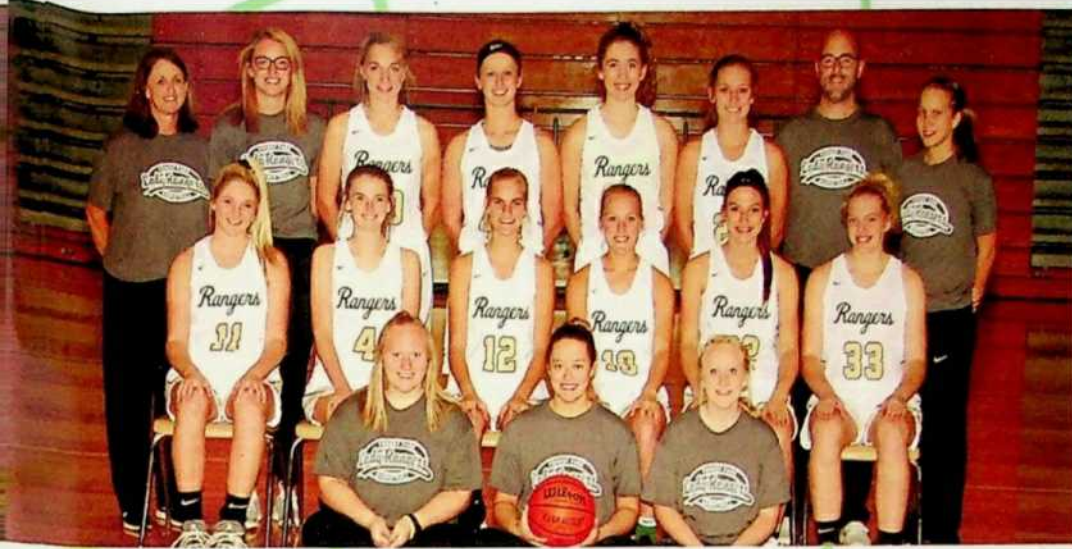

While the Lady Rangers started out as a separate JV and Varsity teams, they quickly merged to become one powerhouse. With only eleven girls on the team, the Lady Rangers still managed to have the heart to win games. Their determination throughout the entire season helped them step on the court each game and get the job done. Each girl went out and played every game like it was their last. The end of season awards went to: Three point field goal percentage, Ali Welp; Free Throw percentage, Macie Zink; Field Goal percentage, Faith Zazetti; Most Assists, Kenlee Gehlhausen; Rebounds, Faith Zazetti; Most Deflections, Kenlee Gehlhausen and Macie Zink; Most Blocked Shots, Faith Zazetti; Most Steals, Kenlee Gehlhausen; Defense, Kenlee Gehlhausen; Mental Attitude, Katelyn Englert; and MVP, Macie Zink. DEFEND AND DOMINATE

by senior Kaitlyn Hoffman and junior All Pund

After having a new coach and losing five seniors, these boys had to rebuild their team. From the beginning of the season the boys knew they had big shoes to fill and had to work hard everyday to try to achieve going to state again. As a new coach, David Welp felt most proud of how each of the guys grew into their roles on the team. They put in the hard work every day at practice and it really showed! Offensively and defensively, they grew as a team and executed at a higher rate by the end of the season. Their hard worked paid off in the post season as they won the first game in sectional play, but came up just short of winning their second game to move onto the final game. This year's end of season awards went to Reid Steffe, Most Assists and Highest 3,Point Field Goal Percentage; Drew Howard, Most Steals, Highest Free Throw Percentage, Charges Taken, and Most Improved; Curt Hopf, Highest Field Goal Percentage, Deflections, Blocked Shots and Rebounding to Curt Hopf. Looking forward to the next season, Coach Welp said, "We had a lot of young players this season that gained some great varsity experience. I'm looking forward to seeing them grow into their potential and move into leadership roles!"

Dancing for a total of 12 years and with a total of nine state titles from high school, Megan Bueltel was the only senior on this year's team. "Dance to me is just more than an after school club. We spent hours training and even more hours practicing and rehearsing our routines over, over, and over."

After last year's third place finish in the kick division, the dance team all shared a similar goal: to leave state finals with three state titles. With hard work, determination, and support this goal was accomplished. This achievement was not taken for granted considering it was only the second time in school history that it has been done. Coach Denise Heilers said, "I think I'm most proud of the girls drive and determination they really put their heart and soul into all of the routines."

The year was filled with lots of challenges, injuries, and set-backs, but ultimately the team persevered together and pushed through. With the challenges came new opportunities. This year the team performed at Evansville Ford Center, Southridge's Memorial Gym, and Jeffersonville High School for state. The team is continuing to push the creative limits and thrive not only in the state of Indiana, but nationally as well.

BOYS GOLF GROWS IN NUMBERS

By senior Kaitlyn Hoffman

This year's Forest Park golf team was one of the biggest teams the program has had thus far. With five veteran seniors, three juniors, two sophomores and seven freshmen, the team enjoyed a very successful year. They finished the regular season 19-19 and were 17 strokes from being 31-7. Those 17 strokes are all in the short game (chipping and putting). They finished fourth at sectional, and missed advancing as a team by 10 strokes. Colin Lane advanced to Regional as an individual and finished 48th out of 109 players at the Champions Pointe Regional. The team is expected to add three players in the spring, their roster will consist of 15 players next year. Their goal is to win a sectional within the next 4 years as they have upcoming talent in the program to make that happen.

The Forest Park boys golf team end of the season award winner recipients were Colin Lane (MVP, consistency, regional qualifier, varsity letter), Brant Tretter (MVP, newcomer of the year, varsity letter, all-conference), Nathan Hamilton (PAC Scholar Athlete, varsity letter), Cade Prechtel (mental attitude, varsity letter), Calvin Hasenour (most improved), Jacob Bettag (most improved), Gavin Edele (varsity letter), Jake Rickelman (varsity letter), Keenan Bertges (varsity letter), Cooper Uebelhor (varsity letter) and Nolan Brames (varsity letter).

GIRLS TRACK EXCEEDS EXPECTATIONS

by Junior Madison Treffer

Claire Mehling, 12

Claire has been in track for the past three years, running races and relays, while scoring points for her team. She will also continue to run on the cross country team at IUPUI. "My favorite part of track has been the team experience," Claire says. "Track is such an individual sport, but we are able to bond and connect as a team while also growing in our own events."

Katelyn Englert, 12

Katelyn earns points for her team by participating in running, high jump, and hurdles. This was her third year in track and will be on the Anderson University track and field team next year. "My favorite part of track is post season," Katelyn says. "This is when the team becomes more of a family and all your hard work is put on display."

"Growth and comfort do not coexist." That quote was the girls track motto for the season. The girls' favorite part about track was seeing all of their teammates grow throughout the season. Coach Kacie Klem had a lot of good things to say about these talented girls. "This season was a season of growth. We had a predominately young team who, through upperclassmen leadership, gained valuable experience and motivation. These girls, competed at a high level and achieved personal record performances by the end of the season. By sectional, these young women were able to come together as a team characterized by support, encouragement, and commraderie," Kacie says. "Overall, this team was very close to their goal of top 3 finish at PAC. With continued experience, I expect this young team to continue to improve their placement during the championship season."

"Success isn't given. It's earned on the track, on the field, in the gym with blood, sweat and the occasional tears"

The 2019 Boy's track finished with another great season. The boys went the extra mile to get to that point. This years team consisted of 23 members.

Junior, Amber Theising, steps up to the plate.

Claire Wendholt, 11, waits for ball in outfield.

Junior, Ashtyn Welp, preparing to catch a ball.

Macie Zink, 11, making a throw to first base.

No Place like Home

by junior Emma Loudon and senior Kaitlyn Hoffman

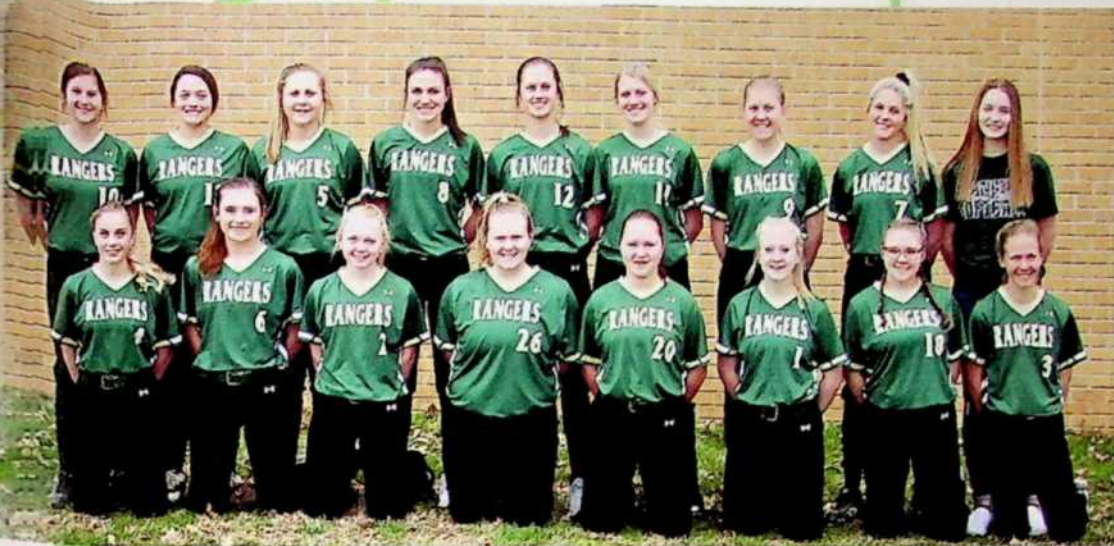

With a major improvement from last years season, the girls softball team is taking a step in the right direction. Jordyn Wiseman and Lydia Hauser, the two seniors, have left a lasting expectation for the large junior class in hopes of continuing excellence. Although the team was unable to have a JV team for a large majority of the year, the freshmen rose to the occasion and were a tremendous asset to the winning team. Even though the season did not end with a sectional championship, the girls were pleased with their winning record and are excited about the future of Lady Ranger softball. End of season awards were; MVP - Kennedy Sermersheim; batting - Macie Zink; defense - Kennedy Sermersheim; most improved - Lydia Hauser; mental attitude - Claire Wendholt & Sami Stout; pitching - Allyson Werner; PAC All Conference - Macie Zink and Kennedy Sermersheim; PAC All Conference Honorable Mention - Kylie Giesler; 1st Team All State - Macie Zink; Academic All State - Jordyn Wiseman.

Above, Junior, Kennedy Sermersheim, waiting to catch the pitch.

Life's a pitch: Allyson Werner, 11, driving in a fastball to the batter.

Ranger Up!

Although this years baseball team had its ups and downs throughout the season, the players maintained a hard work ethic and remained dedicated to making the team better. The team had high expectations with some very talented freshman and with their upperclassmen. Each player brought something special to the team and only pushed each other to do better. They advanced to the second round of sectional play, but came up short. The Rangers ended the season with a record of 11-14. End of season awards were: Most Points and Pitching, Gavin Knust; Defense, Hunter Helming; Hitting, Zach Wahl; Most Improved, Reece Verkamp; and Mental Attitude, Garrett Jochem. PAC All-Conference awards went to Drew Howard and Gavin Knust with Garrett Berg as PAC All-Conference Honorable Mention. Coach Jarred Howard was proud of how this team played saying, "Our team worked extremely hard to improve every week. We had an experienced team that matured both individually and as a team."

Elliott Rothgerber, 12, runs up centerfield to catch a ball.

Zach Wahl, 11, gets ready to catch a ball from another infielder.

Reese Verkamp, 11, takes a lead off of 3rd base.

Drew Howard, 9, looks at the pitch to try and steal second base.

Landon Nalley, 9, runs forward to catch a pop-fly.

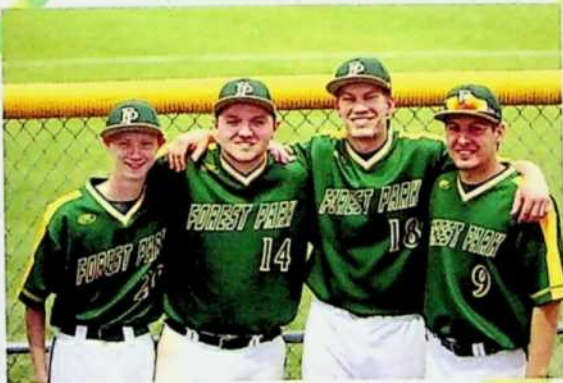

Caden Scherer, 9, pitches.

Gage Hasenour, 10

Elliott Rothgerber, 12

Drew Howard, 9

Each of the four seniors brought something different to the field everyday. "I had a lot of optimism for this season because we had a lot of talented freshmen mixed with upperclassmen with experience. We're just an exciting combination of players with potential to go far," said Garret Jochem, 12.

1. Brody Klem, 9, waits for the pitch.
2. Henry Hagedorn, 9, steals second base.
3. Landon Nalley, 9, smiles after joking around with one of his teammates waiting for the game to begin.
4. Nalley, 9, Brosmer, 11, and Treat, 11, watch the game.

The junior varsity baseball team only played 10 games this season, but they played them well. Many team members had to put in double duty, playing jv and varsity games mostly due to injuries. Each player knew their role and gave their all for each game this season. The boys ended the season with a record of 4-6. The future looks bright for the Rangers and they will be working hard in the off season to reach their goal of a winning season next year.

Ring him up: Nathan Jarboe, 11, ready for the pitch.

FP SWIMMING SEEKS NEW FACES

by junior Madison Tretter

For the second year in a row, Forest Park had a girls swim team. The girls picked up two new swimmers, making the team bigger than before. "I am so thankful for the team I had this year," said Josie Berg. "Being around everyone was just a lot of fun and I've made memories and friendships that will last a lifetime." The girls had a great season and placed 1st at sectionals. Josie Berg placed 3rd in the 200 freestyle and 2nd in the 100 freestyle. Abby Hauser placed 16th in the 100 freestyle. Magda Alvis placed 10th in the 200 freestyle and 5th in the 500 freestyle. The girls placed 7th in the 200 freestyle relay. The girls and boys are both coached by Rachel Berg.

Shout It Out: The FP swimmers sing the school song before starting the meet.

Ben Kluesner, 10

"I think that the best part of swimming is the friends that you make on your own and on other teams. We see most of the teams we swim against on multiple occasions so you really get to know the people that you swim with."

FP Boys Swimming

Not only did the girls gain two more swimmers, a new boy swimmer was added to the mix. After being encouraged by classmates, Tyler Berger, joined Ben Kluesner, making them the only two FP boy swimmers for the 2018-19 season. At sectionals, Ben placed 4th in the 100 backstroke and 7th in 100 butterfly. Tyler placed 11th in the 100 backstroke. The boys had a great season and cannot wait to get back in the water next year.

"Josie Berg was the one that encouraged me to join swimming this year. I decided to try it and I ended up really enjoying it."

Tyler Berger, 11

Keep On Running

KATELYN ENGLERT

Katelyn is the daughter of Jeff and Pam Englert. She was a member of Student Council all four years and served each year as class president. She was also a member of Rangers for Christ all four years and served as a board member. She played basketball all four years, track and field three years and cross country one year. She was awarded academic excellence all four years and was on the 2018 cross county sectional and PAC championship teams. She was also Miss Flame First Runner-up in 2017. She has received the Edwards Scholarship through Anderson University in Anderson, where she will be in the honors program and run track and field. She plans to major in nursing with a minor in youth ministry.

CLAIRE MEHLING

Claire is the daughter of Bill and Sharon Mehling. She was a member of student council, National Honor Society, cross country, soccer, marching band and track. She was named a 2019 Indiana Academic Regional All-Star, honored by the Catholic Diocese of Evansville with the Saint Maria Goretti Youth Distinction and was awarded Academic All-State honors in cross country, track and soccer. Mehling was named the 2019 Dubois County Community Foundation Lilly Endowment Scholar and has been accepted into the Honors College at Indiana University-Purdue University Indianapolis where she plans to major in biology and run cross country.

Onto the Next Surface

Mrs. Donna Hoffman and Mrs. Sharon Lindauer Retire After 40 Yers of Combined Service to Forest Park

Donna Hoffman started working for Forest Park on February 28, 1994. During her 25 years here, she has enjoyed watching her children attend and graduate from Forest Park. "Being around the students has kept me young at heart," said Hoffman. Her plans after retirement are to work a couple of days a week and visit with her daughters and grandchildren more.

Sharon Lindauer started working for Forest Park on October 11, 1995. At first she was just part time but started working full time for Jim Hubers. Her best memory from her years here were being chosen as a positive educator twice. That was a great honor for her to receive. After retiring, Sharon plans to travel more with her husband, Phil, and help on their dairy farm giving tours when needed and serve soft serve ice cream to those visitors. She will also be able to spend more time with her mother and her grandchildren.

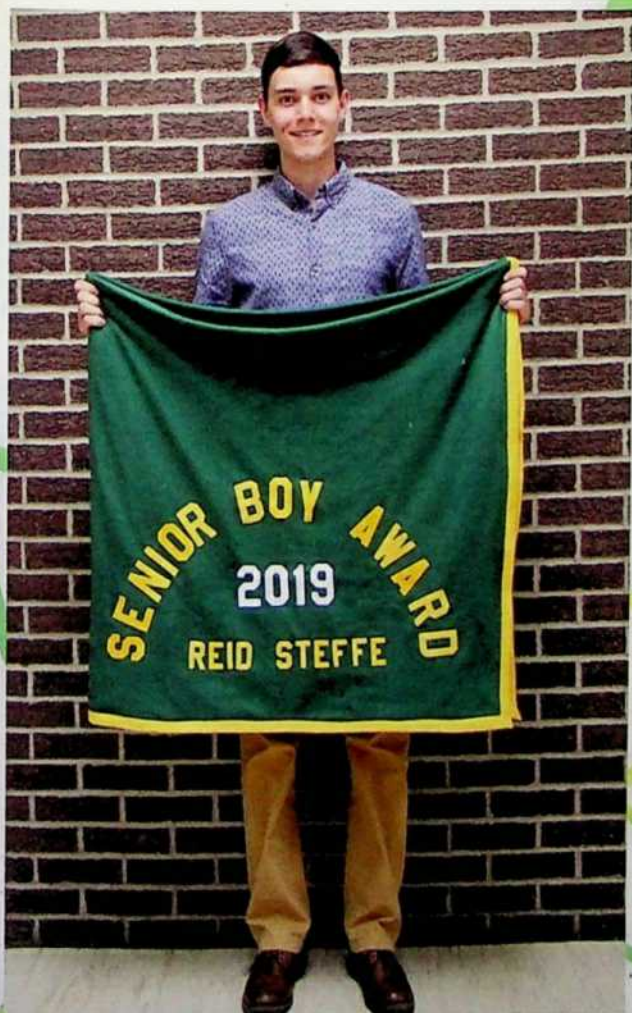

Senior Blanket Award

Claire Mehling

Claire is the daughter of Bill and Sharon Mehling. She has been a big impact in sports for the past four years. She played soccer and basketball and ran cross country and track. She lettered four years in soccer, three years in cross-country and track, and one year in basketball.

She was a member of student council, National Honor Society, cross country, soccer, marching band and track. She was named a 2019 Indiana Academic Regional All-Star, honored by the Catholic Diocese of Evansville with the Saint Maria Goretti Youth Distinction and was awarded Academic All-State honors in cross country, track and soccer. Claire has been one of the hardest working student athletes to attend Forest Park. Her dedication and drive have pushed her beyond her limits and will continue to do so.

Mehling was named the 2019 Dubois County Community Foundation Lilly Endowment Scholar and has been accepted into the Honors College at Indiana University-Purdue University Indianapolis where she plans to major in biology and run cross country.

Reid Steffe

Reid is the son of Mike and Anne Steffe. He has made great contributions to sports over the past four years. He played tennis, basketball and baseball.

During high school, he was secretary of the National Honor Society and treasurer of Beta Club, as well as a volunteer for Rock Steady Boxing at the Tri-County YMCA. He also participated in Catholic Heart Work Camp mission trips to Toledo, Ohio, and Memphis, Tennessee, as well as a local winter mission trip through Christ the King Parish. He won All PAC, All District and All State honorable mention for tennis, Academic All-State honorable mention for tennis and basketball and was the River City Showcase Scholar Athlete. He was the tennis MVP and coach's award recipient and was a basketball team captain, earning the mental attitude and highest three-point-percentage awards. He was awarded the David L. Rice Merit Scholarship and the SWIOA Hospitality scholarship. He will attend The Pott College School of Engineering at the University of Southern Indiana in Evansville where he will study mechanical engineering.

Con-GRAD-ulations!

dream on

by juniors Morgan Greulich and Lance Libbert

With the school year coming to an end, the 2019 graduates were prepared to receive their diplomas. Some were leaving the place they have spent the last six years of their lives, to them it was a hard ending; while others were joyful to leave and start a new chapter in their lives. With eighty-one grateful students walking across the stage to receive their diplomas, many thought about all the friendships they made and impacts they had on the younger classmen. With being a small class, every graduate had their own personality that made the class of 2019 unique. From brainiacs to young adults ready to enter the workforce, it truly twinned the whole grade together. Confucius said, "Wherever you go, go with all your heart." The four short years at Forest Park have been a journey of ups and downs.

Every school year was different for these students, as each one added new teachers, students and administration. Some advice for the incoming freshmen is to soak up each and every moment, while for the incoming seniors go to the events that you never thought you would. Try new things and explore what the world will give to you.

Reaching Under

As the school year comes to an end, many students at Forest Park were washed over with a crashing wave of realization: *They were leaving.* Our graduates closing the High School chapter of their lives and sailing off to new adventures, our freshman, sophomores and juniors coming back as upper classmen, and our incoming high schoolers digging up a whole new experience at FP. We could not be more proud of all of our peers going to such great lengths to make the 2018-2019 school year great, and we could not thank our amazing staff enough for all they do to make our learning environment safe, fun, clean, and overall a wonderful and memorable experience. After all we do here at Forest Park, we can all confidently say that our students and staff try their best to do what it takes to reach; Beneath the Surface.
