# Southeast Dubois County School Corporation Administration

Dr. Jamie Pund has been the Superintendent of Southeast Dubois for three years. Her favorite part about being a Superintendent is that she gets to see how everything comes together. "There are so many working parts to our school system. It is fantastic to see how each of those parts work together to make us who we are. It is also really fun to see students grow and get involved in various parts of our school and community," said Dr. Pund. The pursuit of a Superintendent position was always something she knew she wanted to do. Around ten years ago, she took the required coursework to get her license. When the SED Superintendent position opened, there was never any doubt in her mind: she knew this was a goal she wanted to reach and the place she wanted to work in that role. When asked what keeps her motivated she said, "My awesome family, trusted colleagues, and healthy choices."

Dr. Jamie Pund

2021-2022 School Board Members

Sharon Welp  
Corporation Treasurer

Tracy Troesch  
Corporation Secretary

Lisa Fletcher

Lisa Fletcher took on the role as Nutrition Program Director this year. Her duties are to plan, direct, assess, and evaluate all processes associated with the Child Nutrition Program in order to meet the nutritional needs of all Southeast Dubois students and staff. What she likes most about her role is providing healthy food options that students and staff enjoy.

Ronnie Drew

Ronnie Drew transitioned from an Industrial Technology teacher to Corporation Head of Maintenance this year. Ronnie serves all of Southeast Dubois schools which includes Ferdinand Elementary, Pine Ridge Elementary, Cedar Crest Intermediate, and Forest Park Jr. Sr. High School. He loves working with all the wonderful people in our corporation.

# Forest Park Administration

**Mr. Tyler Lemen**

Mr. Lemen has been Forest Park's principal for three years now. He stays motivated by seeing all the students' successes and making Forest Park a better place. To stay positive, Mr. Lemen tries to start with a fresh perspective everyday. He thoroughly enjoys making connections with students and staff. He married Jordan Jones in December and they are some of Ranger Nations biggest fans.

**Mrs. Tracy Gutschell**

Mrs. Gutschell joins Forest Park Jr. Sr. High School after 21 years of teaching at Northeast Dubois Jr. Sr. High School. She is the mother to Mason (Junior) and Brendon (8th Grade). She is married to Mark Gutschell and they live near the family farm in Birdseye. She wanted to come to Forest Park because she knew it was a great school and was already familiar with the community from going to different Forest Park events through the years. She has enjoyed getting to know the students.

DeeAnn Wylam

## DeeAnn Wylam retires from Forest Park after 21 years

DeeAnn Wylam was at Forest Park for 20 years, she started here right before 9/11. She is going to miss the students and staff at Forest Park; "Forest Park is an amazing school, and that is due to the students, staff, parents, and community", says Wylam. She taught in other districts, and the Forest Park culture is unmatched anywhere! She said she will also miss working closely with the students. "It's a great feeling to be able to keep up with all of the wonderful things our students go on to accomplish in our community and beyond." In her retirement, she is looking forward to spending a lot of time with her family, including her two grandchildren. They are 4 and 2, and are already Ranger fans! She also hopes to travel more and pick up a love of gardening. The jury is still out on whether gardening will love me back! We wish Mrs. Wylam the best of luck in her future endeavors.

# Welcome to Forest Park

## Rangers embrace new staff members

### Mallory Thimling

Mrs. Thimling began her career as a social worker since 2017 and worked at Memorial Hospital. She graduated with her Bachelors of Social Work from Indiana University and her Masters of Social Work from University of Southern Indiana. She has always wanted to work in a school and really loves the small school atmosphere that Forest Park provides. The students and staff have been very welcoming. "I am excited to be a part of the Ranger family. Forest Park is a special community that does a great job of taking care of one another." I hope to add to this environment and guide students to reach their full potential!

### Camille Woolston

Mrs. Woolston is in her 9th year of teaching. She spent her first year at the Academy for Innovative Studies and the last 7 years as an English and Theatre Arts teacher at Boonville High School. She graduated from the University of Southern Indiana with 2 BAs - 1 in secondary education English and the other in theatre arts. She is originally from Dubois County, and wanted to be back home and to teach in the area that shaped who she became. She is super excited about being a Forest Park Ranger and hopefully getting involved in some of the extracurricular activities so she can get to know all the wonderful people who make up the staff and student body.

### Adi Welp

Mrs. Welp graduated undergrad and graduate school from Purdue University. Boiler up! She grew up here and attended Forest Park. She has always loved the supportive and loving Southeast Dubois community. "The community involvement is a rare blessing that you don't find in a lot of places." This is her fourth year as a speech-language pathologist (SLP) and 2nd year in the schools. She was previously a pediatric outpatient SLP in a private clinic for 2 years. She is most excited about working with the children and families within Southeast Dubois.

### Kerri Dilger

Mrs. Dilger graduated from Purdue University and went onto Butler University for her masters. This is her 10th year as a school counselor. She is excited to be at Forest Park because this is the community that she lives in. She has had great experiences in previous positions, but is thrilled to bring some new programs and resources to our local community. She is excited to get to know the students and families here on a more personal level.

### Jaxon Cronin

Mr. Cronin is a graduate of Forest Park and Indiana State University. He has been teaching for two years. While in high school, he had a really positive experience and is excited to be back where he graduated from and working with teachers he had. "I am also excited about the opportunity to coach baseball."

Back row: Donna Stetter, Eric Hopkins, Jaxon Cronin, Mallory Thimling, Alex Stenftenagel, and Kerri Dilger.  
 Front row: Tracy Gutgsell, Melanie Roberts (Jr. High), Adi Welp, Jenny Sermersheim, Maranda Helsley (no longer at Forest Park), and Camille Woolston.

### Donns Stetter

Mrs. Stetter graduated from the University of Southern Indiana and has been in the technology field for 25 Years. She is also a high school graduate of Forest Park High School and wanted to come back to school so she could apply the experience she obtained to implement improvements throughout the school corporation. She's extremely excited to have the opportunity to assist with implementing new technology within the school corporation that will allow teachers and students to have the latest technology and applications available to them.

### Jenny Sermersheim

This is actually Mrs. Sermersheim's first year working in this field. She graduated college from National American University with a business degree. She is very excited to be at Forest Park and looking forward to learning more about the school environment and how everything works from this side of it.

### Eric Hopkins

Mr. Hopkins has been in law enforcement for 7 years. He studied Criminology at Indiana State University. Having worked at Ferdinand Police Department and coaching football at Forest Park, he's known for a long time that this is the position he wanted to pursue. He is most excited about helping students and staff with on personal or professional problems they may have.

### Alex Stenftenagel

Mr. Stenftenagel is the new CTE Instructor. He is a 2010 graduate of Forest Park. His favorite subject in school was metals class. After high school, he attended Ivy Tech and worked at Dubois Machine Company. In his free time, Mr. Stenftenagel enjoys hunting, fishing, and hanging out with family and friends. He and his wife live in St. Anthony.

SADD (Students Against Destructive Decisions) and Natural Helpers holds Forest Park students accountable and thrive to educate peers. Throughout the school year these students have went above and beyond with showing great character. Both of these clubs are important to the well being of our school. These students are role models in and out of school and strive to make Forest Park a better place.

# Academics are my sport

This year's results from the North Knox Academic competition were: English 1st Place; Fine Arts 2nd Place; Math 2nd Place; Science 3rd Place Social Studies 4th Place; and Interdisciplinary 4th Place. The English and Fine Arts teams qualified for the state contest at Purdue on May 7. The English team consisted of Brianna Perry, Amelia Lutz, Zoe Becher, and Leo Alvis. The Fine Arts team was Brianna Perry, Amelia Lutz, and Grace Wendholt. Each of these teams gear up to face opponents within their class for a change to prove their brains at the state competition, which some were able to compete at this year.

## National Honor Society members Bond Through Academic Success

Scholarship, service, leadership and character are the four qualifications National Honor Society members possess. This year the club inducted 20 new members; giving the club a total of 60 members. These members constantly searched for ways to better our community and school. To become a member of this club, students had to maintain a 3.5 GPA or higher and be in good standing with the school. Incoming members had to have 10 service hours, which they accumulated over the summer and all members must complete a total of 20 service hours throughout the year. These members took great pride in their club and will carry their skills with them as they move on toward their futures.

Community Impact, a group led by Mrs. Lavina Begle, strives to create a clean, sustainable environment within our school. They have begun working on the Jr. High Entrance Landscaping this year. Members maintain the current landscaping in front of the school, by weeding, using Preen, fertilizing and watering where necessary. The club collects paper from the school monthly and collect plastic from the school weekly as well as after boys basketball games. A few members planted some herbs this spring. They are hoping the cafeteria can use some herbs when they mature.

## FCCLA

# Rising to challenges

Family, Career and Community Leaders of America (FCCLA) and Future Business Leaders of America (BPA) aims to help our students become better leaders. Members of both clubs encourage students to step out of their comfort zone and think outside the box. Mrs. Christa Widolff leads FCCLA and Mrs. Angie Hochgesang leads BPA.

The Fine Products Snack Bar, ran by Business Professionals of America, sold items such as baked snacks, CountryMeat snack sticks and water and gently used Chromebook bags this year.

This year's BPA club was one for the books. They competed in several competitions. State winners were: Ethan Hall 8th in Fundamental Word Processing; Brooke Haug 4th in Integrated Office Applications - qualified for Nationals; Avery Knight 1st in Computer Network Technology and 2nd in Computer Security; Brooklyn Knight 3rd in Computer Network Technology and 6th in Device Configuration and Troubleshooting. Avery Knight placed in top 9 in Computer Network Technology at BPA National Leadership Conference held in Dallas, Texas.

Devon Osborn, 11, helps with National Day of Prayer while students worship.

## Words From The Director

RFC really focused on becoming a family and building relationships within the club. RFC had personal bible studies and prayer meetings every week. Elizabeth Lagrange, 11, tells us how she thinks the year went, "RFC was really good this year. I felt like there was a better turnout to the meetings and people seemed more involved. It was a really great blessing to be able to meet and share the good news to these students. We are very fortunate and grateful for this great year." In previous years, RFC's leader is typically a senior and their is typically only one. This year RFC's leaders were Kenan Erwin and Elizabeth LaGrange both juniors.

Rangers For Christ

Throughout the school year RFC had several guest Speakers. Pastor John David Ramirez was a common speaker. Here students listen intently to him as he speaks to the group.

# Big Screen on FP FFA

By: Lydia Betz, 11

The goal of FFA is to strengthen leadership skills and focus on personal growth. FFA is a career and technical student organization that supports Ag education. Though most students involved in FFA are passionate about the farm and Ag industries, you also learn about other important topics such as teamwork, problem solving, and how to have a good time.

The members have had a busy and exciting year. They went to state convention, competed in competitions, sold fruit, had a member auction, and hosted FFA week. FFA week consisted of: truck show, chapter fun night, tractor show, district dodgeball, and cooking for staff. Can't get much better than FP FFA!

New name, same club

Nerd Club changed its name to G.A.M.E. Club (Gaming, Anime, Movies/Music, Etc) this year as a part of a more inclusive rebrand. Students had said their one reason for not joining Nerd Club was due to the name. The pandemic quarantine hit the club pretty hard and the clubs numbers have suffered somewhat. So with the other club members they have decided to try a rebrand to hopefully get more students to join the G.A.M.E. Club this year. The club currently has 11 members but hopes to continue to grow. The G.A.M.E. Club sponsor is Mrs. Joe Keller.

What does it take to be a leader? Leadership takes dedication, patience, open-mindedness, and room for personal growth. Every student who participates in student council represents these and more leadership qualities. Each year, student council is responsible for many school events and takes true initiative within both the school and community..

And the winner is: Seniors Emma Hall and Ava Widolff announcing the football homecoming candidates.

# Helping the Community

Key Club members helped the Kiwanis organization put up flags around town for their American Flag Project. In addition to the flag project, they helped Kiwanis with their Christkindlmarkt Booth, and helped provide Thanksgiving Cards to community members in need. They fundraised with other Key Clubs in the area and raised over \$3,000 for Isaiah House 117. Mr. Brad Weyer is the club's sponsor.

Juniors Clayton Weisheit, Lizzy Lagrange, and Olivia Debevoise present their project to the class during Advanced Child Development.

# Taste For Language

By: junior Devon Osborn

Forest Park offers two foreign language classes: Spanish and German. Both are very popular and are taught by some of the most recognizable teachers. Mrs. Emily Hauser and Mrs. Dana Kline teach Spanish and Mr. Brad Weyer teaches German. These classes offer th students a taste of the outside world. they present a greater understanding of the language and provide the exploration of culture through various activities. These teachers broaden the students' awareness of other customs and traditions from around the globe.

Students in Spanish classes enjoy celebrating "The Day of the Dead"; a time of celebration and remembrance of loved ones who have passed away.

## Math and Science Sharpen Students Minds

Science classes have been very eventful this year. Science teachers have made this year fun with all the projects they have incorporated. Math teachers are following suite and made class fun with projects as well. Students work very hard in these classes to expand their knowledge. Our Math and Science teachers always push us to do our best and sharpen our minds to the fullest.

# Living in the Past's Future

By: Lydia Betz

History, and Ag are 2 things Dubois county has plenty of. This year our students have ignited there love for learning about the riches of the Ag world, and the ups and downs of the past. With our teachers: Mrs. Applegate, Mrs. Lamey, Mr. Hagedorn, Mr. Hasenour, and Mr. Keller the History and Ag department have found success in all they do.

# Catching Future Crime

by junior, Kaitlyn Seffernick

Criminal Justice is a class offered at Forest park to teach future crime fighters how the law works and give them more perspective on their upcoming careers. Throughout this year the first year teacher and SRO, Mr. Eric Hopkins, Has held many activities and learning experiences in this year's class for his students such as a drug dog ability showcase, a mock traffic stop, drunk goggles, and a visit to the local jail. This class gave students hands on experience and helped a lot of students make decisions about their future.

The four pictures show the many activities that were being done while in the drunk goggles. The drunk goggles simulate what it would be like under the influence of alcohol to different severities including day vision and night vision. The students attempted shooting basketballs and tossing balls back and forth to show the effect alcohol could have on someones vision when driving or participating in other activities.

The criminal justice, alongside the drunk goggles and field trips, also participated in a mock traffic stop. They performed a traffic stop from the police officers perspective. They were instructed to grab the correct paper work and call the stop into dispatch. This learning activity conducted by the SRO, Ferdinand Police Department , and other police officers in the area, gave students a new perspective on traffic stops and will help them in the future.

# Cadet life

When choosing a carer path, it is important to get experience in the field before making a decision. At Forest Park, students have many opportunities to gain practical knowledge and test different trades. Some choose to be a cadet teacher. This allows future educators, and students who just want to help others, learn how to practice working with younger students, learn how to manage classrooms, and teach subject material. This year students were able to help teachers at all of our schools and help influence the future of Forest Park.

# Building the Future

Mr. Karl Hinson's Advanced Manufacturing classes partnered with Best Home Furnishings this year giving each student in the class the opportunity to build a chair from start to finish, and learn the process along the way. Students were able to learn how to frame the chair, apply the fabric to the wood and the cushions. Upon completion, the students were able to take the chairs home and keep them for themselves. This was a great opportunity for our students and a great collaboration between the school and the local industry.

# The Beautiful Work of Art

photos by Olivia Clark & Ava Evans

Art class is a place where students can express themselves in many different ways. It is also a place for students to relax from all of their mentally enduring classes. Ms. Taylor does a fantastic job of getting creativity out of all of her students. From graphic design class to painting self-portraits, students have various ways to show off their skills.

# The Perks of being a Ranger

The English department is a large collection of widely different classes, all with a central theme of language, literature, and culture. An amazing staff of Miss Hailei Gehlhausen, Mrs. Molly Cummings, Mrs. Brooke Daunhauer, and Mrs. Camille Woolston give students the exposure to a plethora of disciplines, such as literature, history, writing research papers, and project based learning. In each and every class in the English department, students will find an enjoyable activity no matter where they turn.

## Poetry Ourselves

Gus Hagedorn, 10, was this year's State runner up of Poetry Ourselves. For Poetry Ourselves, Gus wrote a poem called, Solitude, for his English class. Gus enjoys writing poetry because there are no rules or format that you have to follow. Poetry Ourselves is a statewide original poetry competition for students in grades 9-12.

## Poetry Out Loud

Madison Sherman, 10, won this year's Poetry Out Loud. For Poetry Out Loud Madison recited three poems: "The Arrow and The Song", "A Thank You Note", and "September 1918". Madison enjoys Poetry Out Loud because it allows individuals to express themselves based on which poem they choose. Poetry Out Loud is a national arts education program that encourages the study of great poetry by offering free educational materials and a dynamic recitation competition for high school students across the country.

# Music is magic. Magic is Life.

by Kaitlyn Seffernick, 11

Mr. Bradley has a way of getting an undiscovered talent out of Forest Park students. The music classes teach many skills to carry out life long dreams and create many friendships with the people around them. Certain members traveled many places to showcase their talent to others around the state and county, such as glockenspiel and all state choir.

Students help Angie Hochgesang and Tami Hochgesang repair chromebooks and even travel to the elementary schools to help troubleshoot issues. This year, seniors, Brooklyn Knight and Avery Knight, were two helpers that not only helped in the tech department, but decided to further their education in technology upon graduating.

# Bring on the Rangers

Nathan Berg, 11 & Madison Wathen, 12

The cheer squad had yet another eventful year. They were to be seen at all boys football and basketball games cheering their hearts out. The Cheerleaders had four seniors this year and they all could tell you how their four years were here. They have been a huge part of Forest Park cheerleading for over 8 years now. The seniors have been cheering for their peers since 5th grade at Cedar Crest Intermediate. The Cheerleaders were able to experience a sectional championship this year also. It is all the cheerleaders first sectional title to their name!

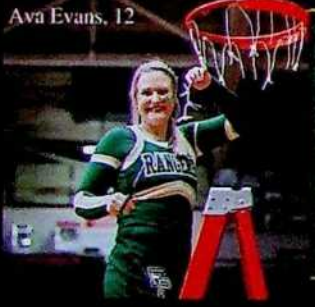

Madison Fleck, 12

"Cheerleading taught me so many life lessons that I will be able to take with me in my future. I have made so many friends and so many memories. Thank you FP cheer for everything!"

Ava Evans, 12

"This season was the best by far! We were all so close and had so much fun together. I hope the future for the cheer team is bright."

## Solo Senior: Grace Wendholt

Grace Wendholt, the solo senior, played golf all four years of her high school career.

"I was really happy with our team this year. I'm proud of all of them. We all would always have so much fun together, no matter how we played that day."

"This year's season was one to remember. I got my personal record and I improved, as well. This year we had four girls, so we were able to compete and place as a team, which was amazing. Overall, this season and the team were my favorite."

Grace Haas, 11

Kaitlyn Seffernick, 11

"This year has showed a lot of improvement in all four of us. Competing as a team for the first time since last year has made a change in all of us. Overall it was a great season for me and everyone else."

Brooke Rasche, 10

"It's not about how many people are on the team it's about how much dedication and teamwork we have."

With only four members on this year's team, the team built skills, friendship, and knowledge about the sport. They won 3 matches; beating South Spencer, Tell City, and Springs Valley. The girl's averages per 9 holes were: Grace Wendholt at 52, Brooke Rasche at 56, Grace Haas at 56, and Kaitlyn Seffernick at 57. Grace Wendholt was our lowest scoring golfer in all but one match. Grace Haas medaled as the low score in one of our matches. Grace Wendholt has been the team's MVP for 3 years, so someone will need to fill her spot next year. Banquet awards were: Brooke Rasche was awarded Mental Attitude; Grace Haas received Most Improved, and Grace Wendholt was awarded Most Valued Player and was named to the PAC Academic All-Conference team.

Without any seniors this year, the juniors were there to lead their team. They did just that. The team went 9-8 and 8-4 in PAC. The boys won the Mt. Vernon Invite as well. They worked hard all season and they have accomplishments that show it. They started their season with some summer practices and ended it at sectionals against Jasper. They did not have any seniors on the squad this year, so everyone will return and we look forward to some talented incoming freshmen next year as well. Expectations will be high.

Cross Country had a great season this year, but two students stood out. Ellie Hall and Spenser Wolf. Both being seniors, they put everything they had to finish off strong. "Spenser & Ellie both pushed their bodies to the breaking point which allowed them to walk away as the top runners to ever run at Forest Park," said Phillip Wolf, the head coach. Both of them are now holding the school 5K record. As though that was not

enough, both Ellie and Spenser went on to state and they both placed in the top twenty. This rewarded them with the title of the first FP runners to ever become all All-State Honors. They both were also selected to be on the Indiana All-Star team. "It will be a long time until we have an athlete that will equal to what they brought to this program" stated Coach Wolf.

## Rangers make Regional Championship game

The boys' soccer team ended their season with a record of 14-5-2. One of the best moments from their season was advancing to a regional championship which hasn't been done since 2013.

Although they came up short in the championship game, their season was nothing short of outstanding. With seven seniors who have played together most of their career leading the way, this team will be hard to replace. JD Kerber was voted among the District 4 coaches as a 1st Team District player and he had the opportunity to play in the District Showcase at North Central. He was also voted 1st team All-Conference in PAC. Noah Muller earned Honorable Mention for his play this season.

End of season awards were: Heart and Hustle, Leo Ye; Diesel, Noah Muller; Mental Attitude, Conner Knies; Most Improved, Owen Sitzman; Most Valuable Defense, Gabe Muller; Golden Boot, JD Kerber; and MVP, JD Kerber.

Lady Rangers have their best season

By: Kaitlyn Seffernick, 11 and Karli Kitten, 11

Lady Ranger soccer had an outstanding season full of action and big wins for FP soccer. They put in a ton of effort that paid off for a 19-2 season, first in PAC and a sectional title. The team was coached by Brad Weyer and assisted by Carmen Hoffman. "Our season record was 19-2 (10-1 PAC). We won sectional again this year for the third time in four years. We also finished first in the PAC. We had a tremendous season which resulted in us scoring sixty-eight goals and only allowing five."-Coach Brad Weyer.

With a strong varsity lineup of both upperclassmen and underclassmen; the team showed strong dedication and commitment for an overall great season. They are looking forward to next season and will hopefully keep the sectional title at Forest Park.

The season awards were, Ashlyn Dilger (Defense); Madison Wathen (Co-MVP); Payton Dilger (Co-MVP); Addison Weyer (Golden Foot); Kiersten Hubbs (Most Improved); Abigail Jahn (Mental Attitude).

"No matter how this season would have gone, playing on this team is all I would've asked for. Our success came from the passion we all have for the sport and the sisterhood we created. The atmosphere the community makes at games boosted all of our confidences as well. Nothing could have been done though without the best coaches."

**Emma Grundhoefer**

"I love every second of my soccer career. This season was one of my favorites because of the team I made so many memories and life long friends. Having an amazing coach just makes the sport so much more enjoyable. I am going to miss this team/family and wish I could do it all over again."

 This sport has been a big part of my life for the past few years. The girls I have played with were like family to me and they always will be too. Soccer has helped me grow into a great player, a great person, and a great leader. I couldn't have done it without the support of my family, our great community, and most of all the greatest coaches in the world. I have learned so much from this game and I would do anything to play just one more game again.

By: Madison Wathen, 12, & Nathan Berg, 11

When asked about the season Coach Fuhs said, "It was a fun season, with a great group of players." The Rangers had a tough season but persevered through it all. The boys never stopped and gave it their all during every game and practice. According to Coach Fuhs when asked about the seniors of the team he said, "Even though we weren't winning as much as we would have liked, they still came to practice each week with a good attitude and were willing to work. Also, their

personalities were great. It was a great mix of players that were very outgoing, along with some quiet guys, as well. So it was a great mix and I'll miss the discussions and conversations we had."

At the 2021 football banquet, the following people received these awards: the MVP awardees were Caleb Moya, Clayton Brames, and Beau Rasche; the mental attitude awardees were Cooper Uebelhor, Henry Hagedorn, and Nolan Winkler; the offensive lineman awardee was Clayton Brames; the defensive lineman award went to Caleb Moya; the running back award went to Tyler Fetter; the receiver award went to Joel Bueltel; the special team's award went to Clayton Brames; the most tackles awardee was Beau Rasche; the defensive back awardee was Logan Ferguson, and the most improved award went to Jace Berg. The rangers look for big things next season.

## Girls Varsity Volleyball

By juniors Lydia Betz and Rachel Mehringer

Our girls volleyball team had a slow start to their season losing the first 4 games to some tough rivals. But, they fought through the adversity to pull out a 10-15 season. "Overall, I am proud of how hard the girls worked this year and loved watching them improve in skill as the season progressed," says head coach Tara LaGrange. The girls season was cut short by the Eastern Greene Thunderbirds in the 1st round of sectionals at Linton Stockton. "I am so proud of my teammates this year. We had some ups and downs, but we stuck together and had a great season," said Philicity Collignon. Award Winners are: Mental Attitude: Lizzy LaGrange, Kills and MVP: Avari Burger, Blocks and defense award: Alison Welp, Assists and greatest teammate award: Ali Brandes, Serving Award: McKenzie Schulz.

The freshmen and JV volleyball teams both had great seasons. They fought hard to earn many victories. The freshmen went 7-6, and the JV went 14-9. The girls started practices in the summer three days a week, until the season started and then went all week. They worked hard each day to get better and better. The girls played a lot of tough games and never gave up. The girls are trying to play at the varsity level, so they had to show their dedication and playing ability. Many of the girls will be coming back next year. They will be expected and will continue working hard and help the incoming freshmen. There are many high standards set for these ladies in their coming years.

## Back to Band

After an entire year of not having a competitive season, the Marching Rangers had one blast of a season. Veteran band members said it felt great to get back to weekly competitions and bus rides, and new band members experienced their first-ever competitive year. Without a doubt, everyone created unforgettable memories along the way. Marching band is a family—one of the best ones a person can have. The bonds that people form in this program are extraordinary. The band is one big mix of people from different backgrounds coming together because they love music and performance; it's doing the things you love while meeting people you will love along the way. "As a group, the chemistry is there. You can tell we all love each other. This is something we all want to do. It's not like they want to hang out at home and play video games. They really want to be here." - Haley Lorey, drum major junior.

Similarly, there is so much that goes into band, the motivation and devotion of the students make the program unbelievably strong. Coming together for so many hours throughout the season links the band together like glue, and practices become like clockwork. Every person is an individual part that contributes to the bigger picture, or show in the band's case. You learn from others, but others also learn from you. The marching band program has been passed down from hand to hand by generations. We are just a few out of the many. "I never saw myself as a teacher. Before this year, I was only worried about learning my part."

Photos by Michela Hedinger Spread by Kennedy Station

"Now, I'm teaching others. The people who were above me helped me, and that made it a lot easier. Now I'm helping the other kids learn. So whenever I leave, they will be in good hands. That's the goal, that they still have the knowledge you gained from others and gave them."

- Brice Austin, drumline senior.

Marching band is a platform not only to meet others, but is also a way for the students to enjoy music. Music is the heart, soul, and bones of the program. Without it, it would simply cease to exist. The music tells a story and portrays emotions; a lot of the time, the kids can relate to that story. It helps them perform when they are able to relate to the story and exhibit the raw emotions with passion and turn it into art. This year's show was one of those shows where it was relatable; the friendship between Wilbur and Charlotte is a lot like the relationships between the band members. Having friends is truly a tremendous thing. "...it's not a cookie-cutter version of Charlotte's Web. It tells the story of Charlotte and Wilbur's relationship, rather than the actual story."

- Grace Andrews, drum major senior

Clouds, webs, and pigs took flight this year! Flags soared, rifles launched, and hair tossed. The flag material was a little different this year: usually band moms hand-sew the color guards' flags. However, printed flags were opted for this year. The guard easily acclimated to the new flags and performed like never before!

"I think we really excelled this season, no matter our placement. It was so unforgettable, and so many amazing friendships were forged as well as memories made along the way. I was and still am so grateful to be a part of *A Tremendous Thing*. Being a part of this program is like nothing else: it's just so unique!" - Luli Schipp, 10.

The Lady Rangers had the best season record in Forest Park Basketball history. These girls worked hard all season in every game and practice to become state champions. This state champion title was the first one to be handed to the girls basketball team in Forest Park history. Head coach, Tony Hasenour, says "This team was amazing to work with all season long. They are the true definition of a team. No one cared about individual statistics...just the team WINNING. They came together as one to achieve the first girls basketball state championship in school history. Forest Park also became the 31st school in the state of Indiana to now claim a state title in both boys and girls basketball. It was a special season!"

## Coach Welp: After Coaching Questions Answered

**Q:** What are you going to miss most about coaching?

**A:** I am going to miss building relationships with the players, seeing them become worthy competitors, and helping them be successful on and off the court.

**Q:** What are some of your fondest memories from coaching the last 4 years?

**A:** My fondest memories are seeing the players be successful. Whether that was on the court or off the court. I want them to be successful outside of school at college or in the workforce.

**Q:** What are you most excited to do with your spare time now that you won't be coaching?

**A:** I am excited to spend more time with my wife and children. I have missed countless hours with them. I am excited to spend more time with them in the future.

The Lady Rangers had a hard fought season. The ladies are getting ready to step up to the varsity level, so they played against some talented teams. The ladies went 4-14 and 3-7 in the PAC. Coach Lavina Begle said, "Despite not having a glamorous record, I thought the improvement this team showed from beginning to end was phenomenal. They were a very coachable group, individually and as a team, I saw all of them grow as people and players. I am very proud of the heart and hustle the girls put in this season." ## JV team has winning season

The JV team worked super hard this season and Coach Winkle was very proud of them. They were 18-3 and in the 3 losses they were in the game. These boys did what was asked each day in practice and games. They challenged the varsity each practice which was a major contribution to the varsity team's tournament success. It was a very balanced team; having multiple leading scorers throughout the season and multiple games in which 5 or more players contributed. "I want to thank my Juniors that played with intensity from day 1. Next season will be very different because I will be losing 6 juniors. My juniors also gave me a height advantage, so I will be missing that next year," said Coach Winkler.

Freshmen end with winning season

By juniors Theresa Allen and Devon Osborn

The freshman team finished the season with a record of 13-4. The freshman season can be a challenging season because of the time, competition level, and the unknowns each day. This was even more true this year and these guys came in each and every day ready to compete. The season started strong by winning their first 6 games. After a few road bumps with some good competition in the middle of the season, they rounded out the season winning 7 of their last 9. As a team, they focused on the defensive end; the guys only allowed 24.2 points per game while scoring 40.6 points per game. They will bring much to the table for next years junior varsity and varsity team.

FP Dance had a very successful 21-22 dance season. They were honored to dance at home basketball games and support the school and community. The dance team traveled to Orlando for the NDA DANCE NATIONALS where for the first time in school history they finished in the top 10 in all of their routines; finished 10th in large hip hop, 8th in large Pom and 4th in medium kick. A successful IHSDTA season in the state of Indiana was capped off with a 4th place finish in high kick, 2nd in Pom and their 7th straight state title in hip hop. A huge thank you to our seniors that helped pave the way for a successful season and to continue the tradition of excellence that is Forest Park Dance.

## Strength Leads to Success

By: Devon Osborn, 11 and Kaitlyn Seffernick, 11

As coach Chris Tretter's season wraps up, from the beginning he knew it was going to be a great season for his team. All but one of the varsity team were seniors with Trejan Morrison as a junior. Throughout the season the team stayed motivated, dedicated, worked hard, and finished strong with a 2nd place finish at sectionals to grant them a chance at regional where they placed 15th and concluded their season. The Varsity boys finished with a year record of 68 wins and 21 losses.

# Sisters on Track

By Karli Kitten and Kaitlyn Seffernick

This year the girls track team grew last year the track team only had fifteen girls, this year they had twenty-three. With a great group of girls that grew together as a family, they helped each other grow to break personal records, school records, and state records. Ellie Hall broke the 3200m run school record with a new time of 11:10.97. Rachel Mehringer broke the school record in the 300m hurdles with a time of 45.4 and the 100m hurdles with a time of 13.92. These girls also brought home the PAC trophy for the first time in 11 years and the sectional title for the first time in 13 years. Ellie Hall, Rachel Mehringer, Karli Kitten, and Danielle Eckert all were individuals that won sectionals in their events along with the 3200m relay that consisted of Allison Frazee, Karli Kitten, Ellie Hall, and Hattie Dilger. Philip Wolf, head coach says, "It was a special year as we won, a lot of meets as a team, we only had two loses during the regular season and we ended up beating the regular season and we ended up beating those teams in the post season. The Ranger girls were very well represented at the state meet with girls in the 100m hurdles, 300m hurdles, 3200m run, and the 3200m relay.

Ellie Hall, 12

"This year all the girls started training early and really dedicated themselves to getting better each day. It showed when it came to post season and we the PAC and sectional titles. We also sent 6 ladies to the state meet, which might be the most Forest Park has ever had there. We all had such a great bond."

Claire Eckert, 12

"I had a good season with good teammates. I didn't know how much I would like it but with the teammates and coaches we had I had a lot of fun and a great season."

Avari Burger, 12

"I'm glad I joined this year because it made a lot of unexpected friendships and got close to a lot of people. I'm going to miss the bond this team had and the coaches so much!"

"I really enjoyed my senior season. We all had tons of fun with each other surrounded by a good environment. I have gained a lot of brothers and sisters through this sport over the years." Ethan Beckman, 12.

"Track was amazing this year as we won many meets and had several new guys join. This was one of the most fun teams I've been on and that really helped us to have a great time and a great season." Spenser Wolf, 12.

"This track season was very special. Not only because we had a great record with only 3 losses, but also because of how good the team chemistry was and how much fun our team had together. This definitely one of my favorite teams I've ever been apart of." Bryce Troesch, 12.

"Undoubtedly the strongest season I've seen for both boys and girls. The team spirit was phenomenal, and overall our many accomplishments made it a great year for myself and many other seniors to end on." Dylan Weyer, 12.

# Across the Track

The boys track team had a great season. They got second at PAC to Princeton and second at sectionals to Jasper. Throughout the whole season they only lost three meets, not counting the post season. Philip Wolf, the head coach of both track teams, says, "The guys team had a special season led by our 9 seniors. They had a school record of 74 wins and 3 losses. They are sending 17 boys to the IHSAA Regional race that will be competing in 13 of the 16 races." Seniors Ethan Hall and Spenser Wolf are both running track in their upcoming college careers. These boys have worked very hard as a team to have a successful season they had this year.

Softball this year was full of up and downs, but you could guarantee the girls were having a good time and there was going to be a lot of laughing. The team was as close as you can get as a group of people. The softball team was led by four seniors this year. Madison Wathen, Ali Welp, Emma Welp, and Anna Striegel were the seniors for the softball team. They were accompanied by several underclassmen with very bright futures ahead of them.

Rangers bring back sectional title after 20 year drought

## Seniors

This year was the best sports season of my life. I'm really going to miss all the guys and being a Ranger.

**Drew Howard**

I will miss being out on the field playing the sport I loved most with my guys. I'm very grateful for the players, coaches, and everyone who supported us. I can't thank Ranger Nation and Ranger baseball enough for everything!

**Brody Klem**

There wasn't a single person on the team I felt distant from. We all were the closet of friends. I am going to miss that most, along with winning with my friends, celebrating, and of course the bus rides.

After waiting 20 years to celebrate a post-season title, the No. 8 ranked Rangers achieved their goal this spring by bringing home the sectional trophy. Many of these team members have played together since they were 8 and had been dreaming of a season like this for years. The Rangers ended their season with a record of 21-8, after coming up short in the regional final to Vincennes Lincoln. End of season award winners were: Hitting, Pitching, Defense, and Player of the Year; Drew Howard; Most Improved, Brody Klem; and Mental Attitude, Landon Nalley. Players making PAC All-Conference were Drew Howard, Clayton Weisheit and Reid Howard. Drew made North South All Star Game, Co-District Player of the Year, and Honorable Mention All-State.

The girl's tennis team strived to be nothing short of a great this season. The team included 20 members fighting for one of the seven spots on varsity. The hard work these girls put in definitely did not go unnoticed. Not only does tennis require, stamina, determination, and competitiveness, but also a great bond of teamwork. With this teamwork, these ladies have accomplished a winning record of 12-5.

On September 24, Forest Park held their football homecoming. Eight seniors were selected by their classmates to represent their grade, and out of eight, the student body picked both a boy and a girl for homecoming king and queen. Forest Park students made their choice of seniors Madison Wathen as queen and Beau Rasche as king. The other senior candidates were Leah Dilger, Abbie Jahn, Liseth Trejos, Henry Hagedorn, Caleb Moya and Cooper Uebelhor. The underclassmen candidates, also selected by classmates, were juniors Zoe Becher and Clay Eckert; sophomores Brooke Rasche and Kaleb Persohn; and freshmen Hattie Dilger and Elijah Brosmer. Seniors Emma Hall and Ava Widolff hosted the event. It was a beautiful evening for the community and school.

Old, no back packs, and dressing to impress  
To get students fired up about basketball homecoming, student council came up with some pretty awesome dress up days. Tuesdays these was catch the Braves sleeping and wear your PJs; Wednesday's theme was show your age and confuse the Braves, dress as old people or babies; Thursdays theme was anything but a backpack; and Fridays theme was dress to impress. It was a week full of fun had by all students and staff.

## Forest Park Students Are Back For Holiday Ball

by senior Kendall Barth

After a year without Holiday Ball, Forest Park Students were more than happy to be back at the St. Anthony Community Center for a night full of dancing. Missing a year of fun due to Covid, the students were over-joyed to be back and partying with their peers during the holidays. Students grooved all night long to the energetic dance beats provided by Tyler Hedinger. They set up an area for pictures and tables on the outer edge of the dance floor for students to place their items and even chill for a bit when the dancing got them out of breath. The dance lasted from 8 pm to 11 pm. Prior to the dance, some students enjoyed pre-parties at peers' homes where they ate and took pictures. Everyone had a blast at Holiday Ball.

# Rock of Ages

*Rock of Ages* takes the stage and rocks it all! This flamboyant, saucy, and eclectic show steals the spotlight at Forest Park. Showcasing many talents, *Rock of Ages* wowed each nightly crowd: Thursday, Friday, Saturday, and Sunday. This jukebox musical took the "80's rock thing" to the next level with rock stars, Germans, wanna-be actors and rockers, and even streakers! Shown to the right is the nightly pre-show preparation, featuring Brianna Perry, 12; Lizzy LaGrange, 11, and Kenan Erwin, 11; Miles Welp, 10, Nicholas Lichtey, 12, Brice Austin, 12, and Eli Berg, 11; Grace Andrews, 12, and Kennedy Staton, 10.

## "I WANNA ROCK!"

Leads in this year's musical, *Rock of Ages*, really rocked the stage! Emma Hall (12) played the small town actress wanna-be, Brice Austin, 12, lived through the rock star wanna-be, Kenan Erwin, 11, was the actual rock star, Eli Berg, 11, played the eccentric narrator and conjurer, Nicholas Lichtey, 12, as Dennis Dupree: the god of a rock and roll temple. Amy Nelson, 12, acting as Justice Charlier, Ava Widolff, 12, and Gavin Winkler, 8, playing Germans who tried to rid the city, and Lizzy LaGrange, 11, as the hippie leader of the rebellion.

## More Than Words

"I felt like (the seniors) were really committed to the show: everybody wanted it to succeed. They were also just so fun to work with, and they took direction very well. I felt like they would just do whatever it took to make the show as great as it could be." - Mr. Bradley on this year's seniors

## The After Party!

After prom, students made their way to the high school for post prom fun. Students enjoyed a fun night with games, activities, and food. Fun times were had by playing dodgeball, fun on the cash cab golf cart, a corn hole tourney, casino games and more.

## And the winners are...

Prizes were awarded from 2-3 am to those juniors and seniors in attendance. Students won a variety of gifts such as amazon gift cards, mini fridges, TV's, speakers, and much more. No one went home empty handed.

# Spring Extravaganza

Student Show off their skills

By sophomore, Allison Wahl

Forest Park has many talented students, but many of our students talents are focused especially in art. These students were able to show off their talents in the spring extravaganza. The artwork included various pieces of work including paintings, sculptures, 2-D and 3-D drawings, and much more unique pieces. Certain artwork, of higher expertise, was awarded with ribbons of excellence.

# THE GRADUATES

Forest Park sends 103 students out into the world.

Graduation is a time of celebration and excitement. Senior students enjoy a four-day week of school and days that end at 11 a.m. They tour their elementary schools and reminisce on past memories. They study for their last finals and clean out their lockers. Most importantly, the seniors are able to enjoy their final days of high school with people they've called friends for the past 12 years. On graduation day, they lined up one last time as a class. As the processional song began, their excitement built as they entered Buechler Arena one final time

as a Forest Park student. As they listened to the 11 valedictorian speeches on the journey they have had together thus far and what is to come, there were likely some tears that fell down seniors' cheeks. When it was finally their turn to shake a few hands and receive their diploma a huge weight was lifted from their shoulders. The brand new graduates moved their tassels from right to left and officially became 2022 graduates. This class has no double left a legacy like no other and will be remembered for years to come.

He holds every cross country record at Forest Park and was named the 2021 MileSplit Runner of the Year in 2A and was also named an All Region runner in the Midwest. In track, he was all PAC in the 1600m and 3200m run, was a State qualifier as a junior, finishing as a medalist in 9th place. As a senior, Spenser was all PAC in the 1600m, 3200m, and 800m. He finished 7th place at State in the 3200m run, putting him on the podium, and All State for the second year in a row. He holds the school record for the 3200m run as well. Spenser has 4 varsity letters in cross country, 4 in soccer, 2 in football, and 4 in track, totaling 14 letters altogether. He has been named cross country MVP all 4 years, and 3 years in track. Spenser was a member of Beta Club, National Honor Society, Students Against Destructive Decisions, and Rangers for Christ. He received the Mary Kay Ruhe Memorial Scholarship, the Regional Scholarship from University of Louisville, and an athletic scholarship from there as well. He plans to attend the University of Louisville to major in Engineering and run Cross Country and Track.

## Ali Welp

Ali Welp is the daughter of Mindy and Marvin Welp. She was a three sport athlete throughout high school. She played volleyball (lettered 4 years), basketball (lettered 4 years), and softball (lettered 4 years). Ali was a member of Beta, National Honor Society, Natural Helpers, and SADD. She was a sectional champ her junior year. Her senior year, her and her team made it state and became the first girls basketball team in Forest Park history to win a state title. Ali's awards include: IHSAA Sportsmanship Award voted on by IHSAA umpires (senior year), PAC Academic Scholar Athlete Award (volleyball), PAC Academic Scholar Athlete Award (basketball), All-District (basketball), PAC Scholar Athlete Award (softball), PAC All Conference Honorable Mention Middle Infielder (softball), 2nd Team PAC All Conference (softball). Her scholarships include the Mary Kay Ruhe Senior Female Athlete Blanket, Honors Diploma Scholarship, Mabel Kuebler Scholarship, and Scholastic Excellence Scholarship. Ali plans to attend VUJC to major in nursing.

# Championship Year

This year Forest Park athletes set a new school record by winning 6 sectional titles in one year. It started with our boys and girls soccer teams, then trickled over to our girls and boys basketball teams. The trend kept going when our boys baseball team and our girls track teams brought home the hardware. It was a year to celebrate and remember for a lifetime. Whether you're on the court, field, stands, performing on stage, playing music, acing tests, or sitting in desks in the classrooms, there truly is no better feeling than being Forest Park Ranger.
