Superintendent

Dr. Jamie Pund

"The number one thing I am proud of is our students. Considering the small size of our Corporation, we have so much success! We are in a community that prides itself on hard work, and our kids live up to those values. I am so proud of our students for how they represent themselves in the classroom and also in extracurricular activities. Our Corporation is like a puzzle, and I love seeing the inner workings of how each of those pieces fit together. Also, I love spending time with students and staff in all the buildings. Each building is so unique and truly special. Southeast Dubois is a great Corporation!"

Mrs. Angie Hochgesang started her teaching career at Forest Park as a student teacher many years ago. After she completed student teaching, she taught the ICE and Internship classes part-time for three years. During that time she also taught Microsoft classes part-time at Vincennes University Jasper and Ivy Tech. She then became a full-time teacher in the Business Department at Heritage Hills High School for 19 years. Her last five years have been at Forest Park, where she started.

She's not sure what she will do in retirement. Whatever it is will be what she wants, when she wants! She will probably come back and sub a few times a week and will probably continue to be the BPA advisor. She looks forward to not having to get up so early each morning... especially during the winter months.

Mr. Prusz

...This is simply see
you later"

Mr. Don Prusz graduated from Indiana State in the spring of 1981. He started teaching at Forest Park in the fall of 1981. He has never taught anywhere else and will wrap up 43 years, all at Forest Park. During his second year here, the house of a fellow faculty member burned just before Christmas. The faculty decided to build him a new house over Christmas break. It was under roof by early January. Manpower for this construction was provided by faculty members, principals, and a few others. Mr. Prusz was also on the coaching staff when our girl's basketball team won three consecutive sectional titles and won a regional for the third time.

"I have loved working with students but I have come to scorn grading papers. I'll be glad that is over. Our family farm has kept me very busy as I ran it and also taught. I look forward to devoting more of my hours to farming, fishing, golfing, and watching the grandkids grow up."

Brendon Anthony Gutsell

April 22, 2008 – July 29, 2023

Brendon had a lasting impact on everyone he came in contact with. There was never a time when he didn't have a smile on his face. He loved life, and it was easy to tell. He was a member of FFA, 4-H, the tennis team, and other sports throughout his years. He loved to help on the farm, fish, hunt, ride his dirt bike, and spend time with his friends and family. He's missed dearly by all, but lives on through the memories and the hearts he touched in his short 15 years.

"So I'll cry cause it's over and smile because we had you. Packed a whole lot of living even though it ended all too soon. And in time, I'll start healing but even when I get that feeling. No matter where I go or what I do, I'll Never Not Remember You"

S.A.D.D. members participated in Red Ribbon Week. They tied red ribbons on students' cars and decorated the side walks to remind us to say no to drugs and alcohol.

Members of S.A.D.D. talked to the Jr. High students about why drugs are bad and the consequences of doing them. They also gave a presentation to them about why they should say no to bullying.

Natural Helpers

This year's Natural Helpers went on a retreat to the YMCA. They learned and taught others about dating violence. These students were chosen by their peers as people they can go to in times of need and are available to help fellow students during the day. This year Forest Park welcomed new Art teacher Kristin Boeglin. She kept up the tradition of offering multiple art classes in which students could explore and perfect their talents. Any student that participates in these classes had the chance to display their pieces in The Spring Extravaganza on the 10th of May. As always, the talent at Forest Park is amazing.

The 2023 cross country team had an outstanding season. The girls record was 24-31 and boys 3-13. They had low numbers this year and didn't get the opportunity to compete as a team very often. On the girls side, Riley Hinson won two of the first three invites of the season including the Forest Park Invite. They had three athletes (Riley Hinson, Allison Frazee, and Emma Schroering) advance to the regional championship.

On the boys side, Aiden Nord advanced to the regional championship, which was a huge accomplishment since he dealt with injuries throughout the season.

History was made for the fourth time when the boys' soccer team won sectional again this season. They went on to win Regionals and Semi-State, and made it to the state championship game for the first time in school history. It was an amazing season in which this team worked extremely hard to make their dreams come true. The Rangers finished their season with a record of 15-8. The end-of-season awards were: Mental Attitude Award, Leo Widolff; Heart and Hustle Award, Gus Hagedorn; Diesel Award, Reece Wolf; Most Improved, Tanner Englert; Most Valuable Defense, Charlie Hasenour; Puskas Award, Golden Boot Award, and MVP Award, Noah Muller.

History in the Making

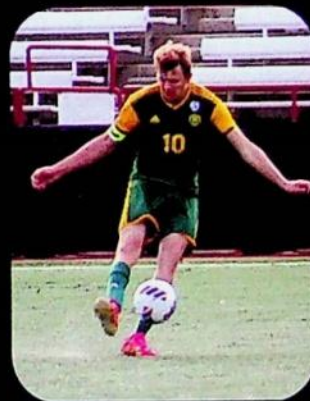

"I always believed our personnel and training could get us to the State finals. We needed every athlete to train well and perform his best for each match in the tournament. Gus scooped in the go-ahead goal which really seemed to give us some extra energy to finish the job. Charlie had a stellar performance to give us nearly 80 minutes of dominance too. Though we put ourselves in a position to win the title match, we were unable to hold off for three more minutes," said Coach Mike Forester.

By Will Hasenour, 11

This year the boys Soccer team made history by making it to the State Finals for the first time in school history. Gus Hagedorn was awarded the Mental Attitude Award.

When the boys soccer team made state they had to select one teacher for the Positive Educator Award that would be announced at halftime of the state game. Mrs. Wolf was chosen by the Forest Park boys soccer team and was awarded from the state of Indiana.

The Forest Park JV Football team finished their season with a 1-5 record. They improved every game and throughout practice. They fought through the struggle of going to practice and playing a game all in the same day. Their record doesn't show the hard work and dedication each player brought to the field. The future looks bright for FP Football.

The Forest Park Dance Team triumphed at the state competition once again. They took home first place in pom and hip hop and third place in kick. They had the opportunity to go to Nationals this year, which was held in Florida. They finished 3rd in high kick, 11th in medium pom and 15th in Hip Hop. Sadly, they had to let go of their senior, Ava Fletcher. She has been in dance for seven years. Her favorite memory of Dance is performing with her team. Long after the sun set and soon before the sun rose, high schoolers of all ages attended our post prom. There was food, games, and lots and lots of prizes. Teams played in dodgeball and volleyball tournaments. Along with casino style games and bingo.

Our Spring Extravaganza showcased the hard work put in by our art classes and the band and chorus. Several awards were handed out including the teacher award, 1st-5th place, and most unique in a variety of categories. Some of these categories were 2-D Art, 3-D Art, Photography, Ceramics, and Digital Design. We are so proud of everyone's work and want to congratulate everyone who won.

To end the year...

The Cookout

Student Council helped plan our end-of-the-year activity. They put on a cookout with games and tournaments for everyone. We grilled, played, and had one last ho-ray before finals started the next week. The seniors had their last bit of fun before ending their high school career.

"But when we leave this year, we won't be coming back. No more hanging out 'cause we're on a different track. And if you got something that you need to say, You better say it right now 'cause you don't have another day."

I'll tell you what I want, what I really really want.

So tell me what you want, what you really really want.

"My time in Mr.FP was so fun. I talked to people that I never thought I would talk to. The boys all try to have fun with it. At the end of the day nobody cares the result they get. It really is an experience I don't regret doing. I highly recommend doing it to anyone that is asked to do it or wants to do it."

That's A Rap...

Although this class only had 68 students graduating, they had a big impact on our school. As the valedictorians mentioned in their speech, the memories that remain in these walls will always be remembered. This class was definitely one that won't be forgotten; academically and athletically.

Congratulations and Good Luck!
