2024

THE BEST YEAR YET!

We are so excited to have you join the Friends of the Jasper Public Library. Our primary goal for 2024 is to expand membership to match the level of excitement happening each day at the library! We understand everyone is busy and you may not be able to actively participate. No matter your level of involvement, your membership dues directly help support all of the great programming and activities you have come to love at the library!
