# Friends of the Ferdinand Library

## Our Mission

The mission of the Friends of the Ferdinand Library is to provide members the opportunity to support the library's collections, facilities, services, and programs through volunteer and financial support.

## Who are the Friends of the Ferdinand Library?

A non-profit volunteer organization dedicated to serving our library.

### What do the Friends do?

- Support the enrichment of the library programs.
- Focus public attention on our library, stimulate its use, and promote citizen involvement in library activities.
- Encourage gifts to the library.
- Sponsor programs, speakers, and events.
- Promote the library in our community and schools and at special events like the Folk Festival.
- Support the Summer and Winter Reading Programs.
- Help to fulfill the library's yearly "Wish List" that includes learning tools and equipment. The Friends have provided a plethora of items for the "Library Of Things" and Programming Room materials.

## Friends of the Ferdinand Library Book Sale

Our biggest fundraiser is our Book Sale. We organize and hold a Book Sale in the library basement on the second Saturday of each month from 10AM to 1PM Eastern Time. We occasionally hold "Pop-Up Sales" as well.

As a member, you are entitled to:

- Make advance sale purchases during the Members Preview and when you volunteer during Book Sale set up.
- Join us at our Annual Membership Meetings.
- Receive a discount on library room rental.

## Volunteer Opportunities

The Friends of the Ferdinand Library depend on our members to set and accomplish our goals.

No amount of donated time or talent is too small. We have a wide variety of opportunities from which to choose.
