

# How to Create a Beanstack Account (Mobile App)

## Step 1: Download the App

- Go to the App Store (iPhone) or Google Play Store (Android)
  - Search for “**Beanstack Tracker**”
  - Install the app
- 

## Step 2: Open the App

- Tap “**Let’s Go**” (or similar start button)
  - Choose **School, Library, or Bookstore**
- 

## Step 3: Find Your Library

- Tap “**Find your school or library**”
  - Type in the name of your library (example: *Jasper-Dubois County Public Library*)
  - Select your library from the list [\[help.beanstack.com\]](https://help.beanstack.com)
- 

## Step 4: Start Sign Up

- Tap “**Sign Up!**” at the bottom of the screen [\[help.beanstack.com\]](https://help.beanstack.com)
  - If asked, choose **No** for “Have you used Beanstack before?” (if new)
- 

## Step 5: Enter Your Information

Fill out the required details:

- First name and last name
- Age
- Email or phone number (may vary by library)

- Create a **password** [\[help.beanstack.com\]](https://help.beanstack.com)

👉 Tap **Next** and follow the prompts

---

## Step 6: Add Readers (Optional)

- Add yourself or family members (children, etc.)
  - Each person is called a “**Reader**”
  - Tap “**Add a Reader**” to include more people [\[westmontlibrary.org\]](https://westmontlibrary.org)
- 

## Step 7: Finish & Start Reading

- Once complete, your account is created 
  - You can now:
    - Join reading challenges
    - Track reading
    - Earn badges and prizes
- 

## Quick Tips (Helpful for Patrons)

- You only need **one account per family**—just add multiple readers
  - Keep your **email/username and password** written down
  - You can sign in later on the app or on a computer
-
