# Senior Class History

## '42—'43

In the fall of 1942 one hundred and twenty-six green and starry eyed freshmen thronged the entrance of Jasper High School. Thanks to the patience of the upperclassmen whose sisterly and brotherly love guided us through those trying episodes. Undestined wandering, failing to open lockers—resulting in tardiness, and appearing before wrong classes in an utter daze are only a few of the many blunders which labeled us indubitably as freshmen.

After becoming quite at home in the halls of Jasper High School and having settled down enough to assume responsibilities, the freshmen class elected capable officials. Results: President, John Salb; Vice President, Pat Sturm; Secretary, Rose Marie Gramelspacher; and Treasurer, Jack Dittmer. Agnes Dudine and Robert Steffen were our representatives on the Student Council, and Ann Kuebler and Tom Vollmer, on the Defense Council. Ann Kuebler and LaVerne Sermersheim displayed their leadership in being President and Treasurer of the Home Ec. Club.

Our five oomph girls, Doris Bohnert, Pat Hochgesang, Elaine Barth, Phyllis Huls, and Ruth Byrd added that high gloss to our "Marching 48" by their high-stepping and baton twirling.

## '43—'44

Again this enthusiastic group reunited, but this year as sophomores. The sophomore class was represented on the honor roll, various clubs, musical department and in athletics.

Thomas Habig, Ann Kuebler, Agnes Dudine, and Delbert Kieffner were the elected officials who led the class through this year.

Later in the year the proud sophs., thinking their class pins to be the best, displayed them with admiration and devotion.

## '44—'45

With a glorious feeling and more enthusiasm than ever before, this student body gathered before the entrance of Jasper High School but this time as upperclassmen.

Green and white, marked distinctly by the white "J" and green '46, flashed about the halls when the long awaited class sweaters arrived.

The Junior-Senior Prom swept above all other events, as the hi-lite of the year, "Moonlight and Roses" as the theme of the reception. This prom was made possible by the coke sales at basketball games and the production of the three act comedy "One Mad Night."

The Junior-Senior party held at Calumet Lake climaxed this memorable year.

## '45—'46

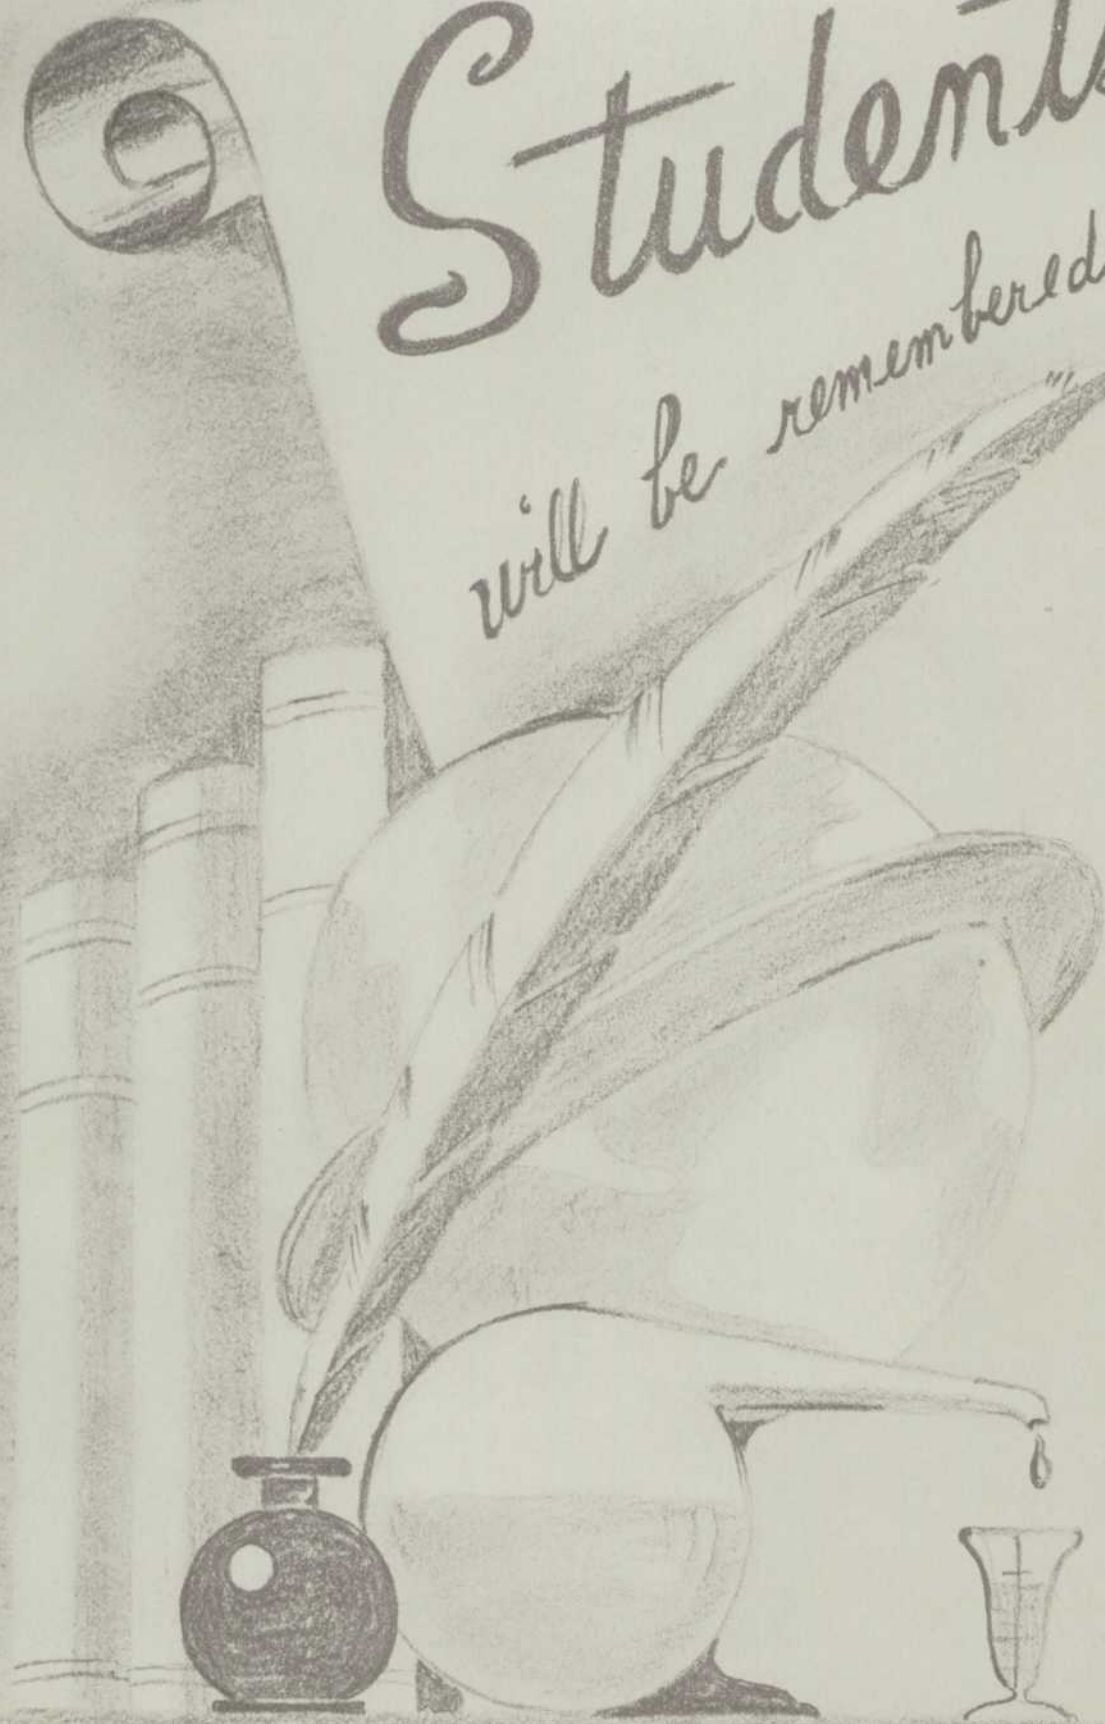

Our dream has come true—Seniors at last. The one hundred and twenty-six freshmen have diminished to our present ninety-five senior class. Our class rings were only one of the factors which gave us that arrogance.

The Junior-Senior Prom is at last in our honor. With pride and regret do we remember that cap and gown ceremony which terminated our happy days within the walls of Jasper High School.

# Juniors

THE JUNIOR CLASS with 75 members is the smallest class in Jasper High. The boys outnumbered the girls with the ratio of 3 to 2, which means that they have the say-so in class affairs.

The class may be small but it is mighty, and active in school affairs. Namely: Class Play, Basketball, Baseball, Track, Club, Band, Student Council, Glee Club, Rhythmlads, Queen's Court, Annual Staff, and last but not least the detention room.

The Juniors are a very patient class as every one knows especially Miss Heine, our sponsor. They waited patiently month after month for their class sweaters without question or complaint. When the sweaters arrived they were over-joyed with the magnificent creations and were especially eager to pay the extra cost required.

Now that we have told you of our many virtues, we shall let you form your own opinions of our limitations of which we have a few. As you know, no one is perfect. Guess who our class officers are? That's right—men!

We sincerely hope that in our fourth and final year at JHS we can carry on the traditions left to us by preceding classes.

# Freshmen

## OFFICERS

President . . . . WILLIAM DUDINE  
Vice President . . . . DORISS KREMP  
Secretary-Treasurer . STANLEY KELLER

ON SEPTEMBER 2, 135 Freshmen started their high school careers at Jasper High School. They were a timid and shy looking bunch wandering through the halls not knowing where to go or what to do next. They opened the wrong doors, attended the wrong classes, and in general didn't know what was going on.

The "Freshies" pinned the responsibility of class activities on Bill Dudine, President; Doriss Kremp, Vice President; and Stan Keller, Secretary and Treasurer. They elected Margaret Berger and Kenny Krempp as the class representatives on the Student Council.

The Freshmen group was not one to sit back and let others do the work. They played an active part in contributing to the social functions of the school. Under the guidance of their class sponsors, Miss Pate, Mrs. Schroeder, and Mr. Irons, they completed their first high school year successfully.

We seniors feel confident that the class of 1949 will continue to carry on the high ideals of our school.

# Class Prophecy

LEON PFISTER sat on the hard cot in his cell. He raised his head as Rich Eckerle, the jailor, opened the door. "Here's your dinner," he said. "I never saw anyone so fussy about his last meal. It had to be prepared at Heldman's Restaurant by Joan Merkley, the head cook. It had to be only Berg's T-bone steak. Such goings on." Imelda Vonderschmidt entered carrying a large tray laden with the afore-mentioned food. Leon slowly began to eat. Betty Spillmeier entered in a few minutes to cut his hair. Another of his peculiarities.

About an hour later Rich walked in with Guards Elmer Schipp and "Coon" Yaggi and Father Louis Korff. Leon rose and began to walk down the corridor. The two guards walked behind him as he spoke to the venerable priest. They entered the room at the end of the hall, and Leon was strapped into the large chair by John Fehribach and Eugene Haase on hand to prevent any last minute violence.

There were many reporters present including Mary Lou Hoffman, famous for her "sob" stories, Doris Baker and "Hots" Woolsey of the **New York Sun**, plus Louise Heichelbach, the famous columnist.

Dennis Kunkler, the electrocutioner, got ready to pull the switch, in a few minutes it was all over. Then suddenly Warden Bergherm rushed in with Western Union messenger, Tom Jochim, with a telegram from Governor C. Bredhold, who influenced by his wife, Louella, and by new evidence brought to light by the confession of Ralph Jacob, had pardoned the condemned man.

Leon's wife, Mary Rudolph Pfister sat in the ante-room sobbing while Bill Nalin, Bernard Burger, Richard Briedenbaugh, and Harold Meyer, her old suitors, begged her to choose one of them. When she learned that her ex-husband was innocent she stalked off saying, "I knew he wasn't man enough to do it."

Later Dallas Krodell, the undertaker, with his helpers, Cyrilla Witcher and Rosa Lee Steffe, took away the body. It was then given to Jim Toole and Gloria Kunkel, gravediggers. They buried his body in Voegerl Cemetery. As the last shovel full of earth fell upon the grave Tom Vollmer, Leon's guardian angel, descending from above, started him on his long journey to the Celestial City. On his way up he saw the "Heavenly Trumpeters of the 20th Century", "Shorty" Kieffner and Bob Schwinghammer. As he rose higher, he saw Jerry Durlauf and Ann Kuebler, both sprouting brand new wings, trying out a new step on a cloud. Above them Bill Barnhart and Rita Beck were cutting a rug. (?)

As he arrived at heaven he saw a large crowd gathered around J. "St. Peter" Salb who was checking in those lucky ones permitted to enter heaven with his most high potentate, Wanda Meyer. He checked their names as they entered. "Anna Mae Fleck, Viola Giesler, Oscar Knies, Edna Kress, Charles

Schmidt, Theresa Sermersheim, and Rita Moeller. Well, that makes the quota for today. I'm sorry, but the rest of you will have to wait until later for admittance. It's too bad, but that's the rules. There is a town about a mile down the road where you can stay overnight." St. Peter turned and walked inside the gates, held by the angels, Ed Schroeder and Charlie Kieffner while "Angel" Elaine Barth swept a path for him down the "main drag."

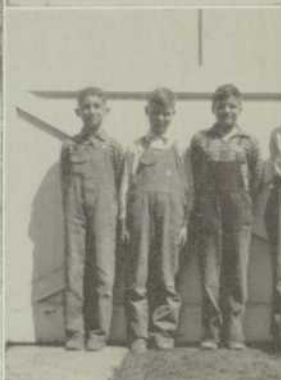

The souls sadly turned and walked down the road. Here and there they saw signs advertising different businesses in the thriving city; "Hotel for Women," proprietors, Agnes Dudine and Pat Giesler. "Eat at Buehler's," Betty and Jane. "Ruth Byrd's Tavern," the place to get good food. The crowd entered the limits of Hurstville, named after Mary Ann Hurst, a prominent citizen.

Leon saw Jim Menner and his wife, Dorothy, walking down the street talking to Inez Reising, who had just opened a new dry goods store in Hurstville. The souls decided to stay at the Hotel Mathews, managed by Pat Hochgesang. There in the lobby Leon met Bump Hoffman, an old school friend. Bump told him many things that had happened on earth since he had left. Jim Fritz, the racketeer, had had a gun fight with the most famous gun moll of modern time, Barbara Mustin. John Fierst, Jake Beyke, and "Ham" Schmitt, members of the Fritz gang, were killed but the leader lived to tell the tale. The members of Mustin's gang, Connie and Rosie Gramelspacher and Doris Bohnert, were not mortally wounded. Bump also told Leon that the Jasper Wildcats had taken the state championship a few days before. Ed Alles, Bill Krodell, Max Burke, and Tom Habig, prominent men of Jasper, gave a banquet for the team, at which Robert Steffen, Ph.D., spoke and F. X. Sturm, the famous ventriloquist entertained with his dummy, "Alphonse" Schott. They also gave the boys a trip to Chicago where they saw a radio broadcast in which Pat Sturm, M.D., answered questions on psychology.

They visited a few night spots in the "windy" city including the Trianon where K. Gramelspacher and his All Girl Orchestra featuring Mary C. Brosmer and her "hot" oboe, were playing; Rosie Schwenk's where the famous musicians hold a "jam session" every night, with Paul Lampert on the bass, Charlene Merder and her licorice stick, Josie Kuebler with her sax, and many others.

Bump and Leon talked for a long time, but they finally went to sleep. The next morning the souls hurried back to the gates of heaven. As they approached the walls they saw Gerry Kunkel with her staff of painters giving the celestial city a coat of paint. Mary Jane Buckler, Laverne Durcholz, Phyllis Huls, Betty Kreilein, Joan Kunkel, and LaVerne Sermersheim were hard at work slapping paint here, there, and everywhere. While Jackie McGregor criticized their work. (Man shortage, you know.) St. Peter opened the gate, and the souls entered.

## GIRLS' HOME EC

THE GIRLS' HOME ECONOMICS CLUBS, under the direction of Miss Ross and Miss Walk, studied good grooming every other Thursday at Convocation period. They also became members of the "Future Homemakers of America," a national high school club and the State Home Economics Club.

Betty Fierst represented the clubs as delegate to the state convention held at Indianapolis, March 9.

THE BOYS' HOME ECONOMICS CLUB, under the capable guidance of Miss Ross, has made a big hit with Jasper High School during its two years of existence. The organization met every other Thursday and periods were spent preparing fine foods. The membership this year was thirty-eight. Many projects such as cookies, cakes, and pies were made during the year.

G.A.A., the largest club in the high school, is one of the most interesting and worthy activities sponsored. With a membership of 120 girls, holding two sessions each scheduled meeting, the organization was very busy planning for activities in all fields and preparing for their climaxing production, the Dance Revue.

After a year of vigorous activity, awards were given to outstanding girls who were eligible for awards. Each division of the organization was under the direction of Miss Cornick and a student chairman. Awards were given in the following sports and activities: basketball, volleyball, softball, badminton, tumbling, track, soccer, deck tennis, outing, archery, and dancing.

Several months were spent planning and preparing the dance review production which proved to be one of the most beautiful and successful performances of the year. G.A.A. with the cooperation of the entire girls' physical education department was able to present a performance of approximately 100 girls in various types of dancing.

The goal of the Girls' Athletic Association is to give opportunity for the girls with special talent to develop that talent for her own satisfaction and benefit and to use it for the good of all the girls within the organization. Regardless of what each girl's talent might be she is given sufficient opportunity to improve her abilities as well as enjoyment.

# Glee Club

THE GLEE CLUB is one of the oldest clubs in the high school. It is a very active organization which offers pleasure and educational training to its members.

The program this year has been very extensive. Several numbers were presented during the band concerts, the minstrel show was given, and several students participated in the state and district contests.

Four girls entered the vocal solo contest and one of each of the first four divisions were won by these girls.

The girls' choir took a first division at the district contest held at Tell City.

The Glee Club is under the direction of Miss Bettye Winternheimer, who did much to improve the abilities of the club.

## *Jasper High*

CLIMAXING A BRILLIANT CONCERT SEASON the Jasper High School Band, under the direction of John H. Schnabel, was selected to receive the special award as the best playing concert band in southern Indiana at the Indiana State Music Festival held at Tell City on April 27, 1946. The concert band was placed in first division and the marching "48" received a first division in marching.

With the return of Mr. Schnabel from the Armed Forces in October, the band started preparing its 1945-46 concert season. The first concert was scheduled for December 19 and was based upon Christmas themes. James Luegers was featured as concert soloist on the first concert. The second concert by the band was given on March 13. This program featured senior band members with Delbert Kieffner playing "Carnival of Venice" as a cornet solo, and Ann Kuebler was featured at the hammond organ. The contest selections were also given a preview. Spectacular lighting effects contributed much to the effectiveness of the concert program. As an added attraction on the season schedule, the band had

## *School Band*

as guest performers the Bosse High School Orchestra who presented an afternoon and evening program on April 3. The Mother's Club sponsored a banquet party for the band and the visiting Bosse Orchestra.

The solos and ensembles that entered the State Solo and Ensemble Contest at Terre Haute on March 23, also did their share to adding new laurels to the band activities. The clarinet quartet composed of three seniors, Charlene Merder, Rosemarie and Connie Gramelspacher with the assistance of a sophomore Jane Kuebler, received a first division in playing as one of the best quartets entered. Louis White, a junior, also received first division in the sousaphone event. Thirty-three band members entered in 27 events.

In addition to the regular musical activities scheduled the band also played for the athletic contests and several community parades.

The band trips were made by chartered Bluebird Bus Lines, Inc., with band mothers as chaperones.

## Math Club

AS CLUB TIME rolled around again this year, the largest number of boys, totaling 23, ever to join one of Mr. Cathcart's Math Clubs assembled in search of mathematical wisdom. This year the group included both Juniors and Seniors. To lead and represent them, they quickly elected Ambrose Schmidt as their president and Kenneth Gramelspacher as their Student Council representative. One of the main features of the year's activities was the purchase of individual books of tables for use in math work. The tables ranged from square roots to hyperbolic equations. Another interesting feature was the discussion of mathematical fallacies. The meetings were held bimonthly with the president, Ambrose Schmidt, presiding.

## Music Club

ANOTHER CLUB, newly organized this year, was the Music Club under the sponsorship of Miss Winternheimer.

The meetings were devoted to a study of classical music and were under the direction of various members who planned the entire program. These programs consisted of reports on the lives of composers, playing of records, and occasionally a solo by some member of the club.

The club was a great success and was very valuable since it gave its members information about musical compositions and composers which would instill in them a new love and appreciation for the classics.

AT THE BEGINNING of this school year, twenty-nine amateur photographers of Jasper High School reorganized the Camera Club.

A school dance opened the season with a "bang". The income from the dance plus the dues helped to buy the camera and photo supplies which were bought and used this year.

In midseason the Club had a change in sponsor, they lost Mr. Irons who had conducted meeting for the past few years. He was replaced by our pre-war sponsor, Mr. Nixon, who had been serving in the Navy.

The last part of the year was devoted to giving reports on the various phases of photography and its history. The members typed their reports and they were then bound into a manual for the future use of the club.

## Press Club

THE PRESS CLUB is one of the new clubs sponsored by Jasper High School. It was organized last year by Miss Sonderman and was conducted by Miss Pate this year.

The purpose of the organization is to give its members experience working in the field of journalism so they might be of future assistance to the Comet Staff.

UNDER THE CAREFUL GUIDANCE of Miss Pate, the Comet Staff has terminated another successful year of gathering and editing the news of Jasper High School.

This energetic Comet Staff started the social activity of J.H.S. by sponsoring the first school dance of the 1945-1946 school year. The evening was spent in dancing to the delightful music of the Rhythmblads. To conclude the eventful year, the Staff enjoyed a delicious chicken dinner at the Dubois County Country Club.

# Student Council

IN ORDER TO GIVE the student body a voice in school government, the Student Council was organized in 1938. In '39 this organization was discontinued but was again recognized in '42.

The officers of this year's Student Council are Robert Steffen, president; Kenneth Gramelspacher, vice-president; Pat Sturm, secretary-treasurer, and sponsor, Mr. Miller.

The council continued its policy of encouraging extra curricular activities, clubs, school dances and convocation programs, for the betterment of our school. In addition, this group took over the duties of the Defense Council, conducted the election of cheer leaders, and helped to spur the team on by holding frequent pep sessions.

On April 11, the Student Council attended a convention at Washington, Indiana. The guest speaker at this convention was Dr. W. P. Deering, President of Oakland City College. One purpose of this meeting was to give the representatives new ideas for improving upon their councils in the future.

To insure complete representation, two representatives were elected from each class, and one from each club. The body of members this year totaled 19, composed of 9 seniors, 5 juniors, 3 sophomores, and 2 freshmen.

At least a "B" average in both citizenship and regular subjects was required for membership in this organization.

# Debate Club

President . . . . . Joseph Fritch      Secretary . . . . . Jean Kuebler

WITH THE END OF THE WAR, the Debate Club again returned to its prewar schedule. Under the guiding hand of Miss Dorothy Heine, the club was proud to boast of one of its biggest seasons during the school year '45 and '46. The debate question for the year was "Resolved: That every able-bodied male citizen of the United States should have one full year of military training before attaining age 24."

On January 25, the debating teams participated in the two-day Speech Arts Festival sponsored by the Indiana State Teachers College at Terre Haute, Indiana. The varsity teams won four of seven debates, and several of their members were selected as superior speakers. Later in the year the club journeyed to New Albany and entered into a heated discussion with the New Albany High School. Entertaining the student body, the club appeared before the Mothers' Club and the Kiwanis Club.

The personnel of the Debate Club for the season consisted of Thomas Eversman, Paul Byrd, Thomas Fritch, Joseph Fritch, Jean Kuebler, Charles Renneisen, Hilbert Haller, and Robert White.

## *Junior - Senior Reception*

THE PROM, a long-awaited event by the upperclassmen, was held on May 8, at Calumet Lake. The remarkable affair began with a delicious chicken dinner and dancing to the mellow music of Aaron Cox and his band constituted the evening. To the strains of "The Lamplighter's Sernade", which was the theme song of the reception, Edward Alles and Rosemarie Gramelspacher were crowned as king and queen of the 1946 Prom.

## *Twirlers*

OUR TWIRLERS, who lead the marching band are: Mary Lee Gardner, Hazel Williams, Margaret Hochgesang, Lois Parker, Florence Wendling, Betty Tempel, and Ramona Sermersheim.

## *Rhythmlads*

THE RHYTHMLADS have been playing at school dances for three years. They began as a group of hopeful young musicians who played merely because they enjoyed doing so. However, they were soon being asked to play at the K. of C., Calumet, school dances, and proms. Now many of the boys have made it into a vocation which they intend to pursue even further in life.

The Rhythmlads have lost 11 members to the armed forces and shall probably lose more as the younger members attain the age of 18.

They are proud of their large library of popular numbers (300) and are continually adding more to it. Their sweet and mellow music will always be a memory of all the high school students.

## *Senior Class Play*

"THE VISITOR" presented by the Senior Class of Jasper High School on May 20, was a mysterious story of Bud Owen, a young man of seventeen who disappeared from home and reappeared three years later. Elizabeth, the hired girl, found out everyone's business and then told everyone else about it. Walter Dawson, the drunkard blacksheep of the family, always found some way to get money to aid him in having a good time. Mack Burrell, the retired police, was on hand at the right moments to solve the mysteries, Mr. and Mrs. Cunningham, the parents, tried to have peace in the family at all times. Ellen Wood, Joe Willard's girl, stood up for her rights and believed in Joe, who had many tough breaks.

# *Junior Class Play*

THE JUNIOR CLASS PLAY, "Almost Summer," was presented November 13, as the result of many hours of preparation. The proceeds were used to help finance the Junior-Senior Reception.

The play was a typical comedy in three acts. It portrayed the troubles of a high school boy who had a difficult time passing history and at the same time he had to strive to remain in the good graces of his best girl. Another note of comedy was added by the love life of the smaller brother who professed to be a woman hater.

# Dance Revue

AGAIN THIS YEAR the girls' physical education department of Jasper High School, under the direction of Miss Martha Cornick, physical education and recreational director, presented its very unique and highly skilled Dance Revue in Kundek Hall, Friday, May 3.

The revue was composed of 100 girls trained in various skills, presenting a beautiful entertainment of ballet, Hawaiian, acrobatic, gypsy, modern tap, colonial, fairy, Spanish, jitterbug, military tap, waltz, and toe dancing.

Solo dancers with choruses, couple, group, and main solo dances were featured with outstanding performers. Among the leading roles were Jane Kuebler, exhibiting unusual skill in ballet, waltz, tap and toe dancing. Lucille Scherer, a very graceful dancer, lead the fairies in ballet, the Grand Finale, and mastered "Crazy Rhythm" with her skillful partner, Jackie McGregor. The "Gypsy Lament" featured with Doris Rohlman and Lois Sonderman as love dancers was one of the most colorful and skillful dances of the revue.

Joan Fromme, an acrobatic student of last year's recreational program, presented "Fantasia," a notable acrobatic dance of unusual body movements. The "Story of Love" a very clever modern tap version, was beautifully carried out by Jane and Ann Kuebler.

The guest performer of the evening was one of Jasper's former students, Isabelle Braasch, a student of Sheboygan High School. Isie, a very highly trained dancer and a lead-

ing performer of last year's revue, presented "El Baile Espanol" and the "Hawaiian Rhapsody."

Many other numbers including the Blue Danube Waltz, a Kiss Goodnight, American Militia, Colonial Reel, and Chimes of Enchantment added much to the performance.

The revue, which was the second one to be presented by Jasper High School, proved to be one of the most beautiful and highly trained performances of the year. With an overwhelming crowd the revue was a great success.

Several numbers of the revue were performed at Tell City for the D. of I., and at the Veterans of Foreign Wars for the Mother's Day program.

Four months of outside training were spent preparing for the event. All dances, props, scenes, and costumes were original and were composed by Miss Cornick and the student directors, Ann Kuebler and Jerry Kunkel.

Dancing has become more than a healthful physical activity at Jasper High School; more than rhythmic development of personal traits. It has been cherished the last two years in our girls' physical education department because it is joyous, wholesome, natural, means of expressing rhythmic instinct giving great recreative value, skill, grace, poise and healthful value to the students. Each girl with talent has an opportunity to develop her abilities and exhibit them to the public besides improving herself physically, mentally and socially.

# Athletics

a lasting remembrance.

## *It's like this, Boys*

THE FINAL defeat of the 1945-46 season at Bloomington gives the Cats 21 wins and 7 losses against the strongest competition the south can offer. This year the Cats also engaged three northern powers which made a tough schedule even tougher. Formidable foes including Jeff of Lafayette, Washington of East Chicago and North Side of Fort Wayne gave the Wildcats an opportunity to become acquainted with the northern style of play. Memorial of Evansville, one of the stronger aggregations in the state, also was added to the schedule so you can visualize how much more keen was the competition this year than in previous seasons.

Composing the year's varsity were five seniors and five juniors. Senior members were Tom Habig, Ed Alles, J. P. Salb, W. Krodel and D. Krodel, while the quintet of juniors included Jim Fritch, Bob Lukemeyer, Mick Sermersheim, "Ants" Hoffman, and Tom Bohnert. The squad was short on experience with only the five seniors having as much as two years experience. All the juniors were first year men, but had whatever the Cats lacked in fight and ability. The average height of the team was 6 ft. while the average weight settled around 165 lbs.

The O'Neillmen lost their games by a total of 24 points. Their foes average margin of victory being only 3.4 points. Three of these defeats were suffered in overtimes, which were dropped to those same Central Bears, the other to Washington of East Chicago in the final game of the season.

# Season Record

EARLY IN SEPTEMBER some 40 candidates reported for the first basketball call. Practice, and more practice was the menu for over a month as the Jasper fans doubtfully waited the Wildcats opening encounter at Washington Catholic. November 7, Wildcats vs. St. Simon before a packed house, and after a close first half the 'Cats turned in on to waltz away to a 46-29 decision and victory No. 1 for the season. Bedford, Huntingburg, and Washington all fell prey to the strong Wildcat offense before the 'Cats tasted bitter defeat for the first time at the hands of the ever-dangerous Jeff Red Devils. Shaking off the sting of defeat the Wildcats renewed their winning ways by swamping Reitz 60-34 as Doris Bohnert was crowned net queen. Vincennes and Tell City were the 'Cats 7th and 8th victims before "Cabby's" Crew put on one of their finest exhibitions in dealing Memorial a convincing 48-36 less in an excellent pre-holiday warm-up. During the Christmas holidays the Wildcats carried their luggage to Jeff of Lafayette where they bumped off North Side of Fort Wayne in the opening game of the holiday tourney. Then the hosts displayed their rudeness by edging the 'Cats 38-35 in a hectic struggle, only the second loss for the O'Neillmen in 11 games.

Returning to the S. I. A. C. championship struggle, the Wildcats rolled to 4 consecutive successes over Vincennes, Princeton, Huntingburg and Bloomington. Here the 'Cats collided with a sizzling bunch of Bosse Bulldogs and fell before the E-town crew 44-36 in the first of 3 successive heart-breaking defeats. Central was the next victor, squeezing out a 36-33 overtime triumph after the 'Cats had fought back from a 9-point deficit at half. New Albany was the third, this time the score being 35-33. The 'Cats finally managed another plus on the win ledger as they rode over Washington, but were nosed out again in the final game of the season by Washington of East Chicago in a thrilling 45-44 overtime duel.

The sectional and the O'Neillmen managed easy wins over Holland and Winslow before they ran across a fierce band of Petersburg Indians. The final score was 41-39 after a grueling battle. The 'Cats then copped the Sectional crown by defeating Spurgeon in the Finale 51-41. Over to Vincennes and the Regional where the 'Cats advanced to the final game with a comparatively easy triumph over Vincennes. Sullivan caused a lot of trouble in the nightcap, but the Wildcats came out on the long end of a 39-35 count and a trip to the Semi-finals.

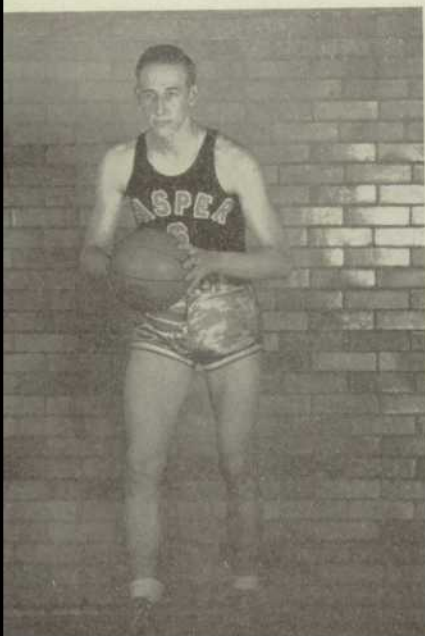

At the Fieldhouse in Bloomington the O'Neillmen downed the Bedford Stonecutters in the afternoon contest by a 47-31 margin thus advancing to the final game against Central of Evansville. Before some 6,500 howling fans the 'Cats with a 5-point lead in their grasp and only a minute remaining watched their precious lead dwindle to a 39-39 tie as the regulation time ran out. Then in the extra canto, "Cabby" and the ten Wildcats saw their visions of a trip to state suddenly disappear as Central scored two free throws to give the Golden Bears a hard-earned 41-39 victory over a gallant band of Jasper Wildcats.

**TOM HABIG . . .** Better known to us as "Sparky". Sparky got his name because he was known as the spark plug of the team. With his clever dribbling and passing work he managed to be continuously setting up his teammates as well as himself. Tom was seventh man on last year's squad and found the experiences of last year very valuable. Sparky was this year's captain, playing forward position, and was a very dependable scorer. His one hand push shot from the foul circle was always a heart breaker for the opponents, which he hit almost constantly. Tom was selected as an alternate to participate with the Indiana All Stars against the Kentucky team.

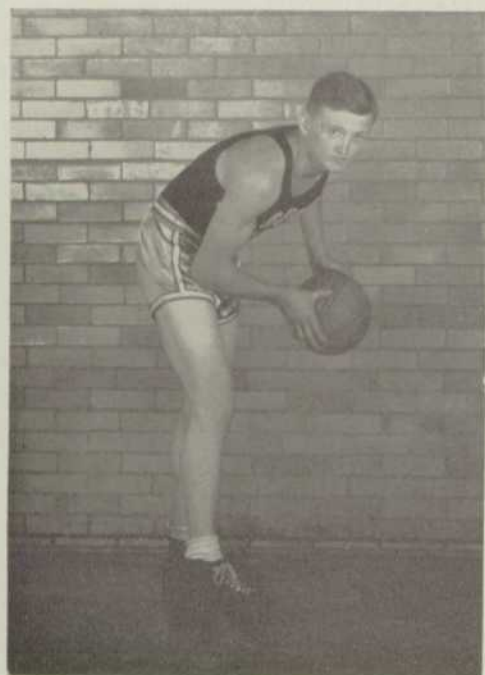

**BILL KRODEL . . .** Wah-Wah was the tall, lean, lanky center for the Jasper Wildcats. Bill's 6 ft. 4 inches proved to be a great asset under the basket when it came to getting rebounds and downing the opponents shots and passes. The opponents' coaches always worried about Bill because it was really a job to get one over his long arms. Bill didn't see much action until his senior year, since his position was occupied by Willie Wuchner. The lack of experience wasn't a handicap to Bill, because he started and ended with a bang. Bill totaled 201 markers in his 28 tilts.

**J. P. SALB . . .** Zeke was the chief point getter of the season, netting 235 points. He started out a little slow but when the vital part of the season rolled around he was as hot as fire. J. P. played guard position, and with his 6 feet, 2 inches and 165 pounds he managed to prove himself capable of a great rebounder and an offensive player. Zeke scored 91 field goals, the highest on the team, and he also held the distinction of being the roughest player, being charged with 60 fouls in the 28 games, but we are sure any coach would forget that one fault.

**ED ALLES . . .** The muscular, burr-cut blond, was the Wildcats' most valuable rebound man. Ed was a bouncing guard and when he wanted the rebound nothing could stop him. Ed's favorite breathtaking shot was a long . . . one hander from the far corner of the floor and which he hit with unusual accuracy. Besides being a very strong defensive player and an unstoppable rebound artist, he gathered 162 points which netted from tip-ins to dead-eyed long shots.

**DALLAS KRODEL . . .** Dal, the tall Wildcat reserve center, proved to be very dependable when his time came. "Ears" saw little action this year, not because he was not capable, but because there was someone else handling his position . . . Bill Krodel. When Bill was out of the game, then it was Dal's turn to shine and he really did. He was a very fast and tricky center and a dead shot. His dependability, patience, and faithfulness will be long remembered by the Jasper Wildcats.

## *Basketball Queen and Court*

THE MOST looked-forward to event of the school year . . . the crowning of the basketball queen.

Huge posters on the walls and colorful cards being passed among the students marked the beginning of the campaigning in November.

On December 7, the long awaited event took place in the packed gym. Captain Habig crowned Miss Doris Bohnert, basketball queen of 1945-1946 season. Miss Bohnert's attendants were as follows: Agnes Dudine, Patricia Sturm, Joan Kuebler, Ramona Sermersheim, Ann Kuebler, and Rosemarie Gramelspacher.

## ATHLETIC BOARD

The members of the Jasper High School Athletic Board are: President, Claude Miller; Secretary and Treasurer, Hugh Cathcart, Leo C. O'Neill, Elmer Hunefeld, and E. H. Denning.

The functions of the board are to approve the purchasing of the athletic equipment, make appropriations for the expenditures, and plan the athletic program of the year.

## STUDENT MANAGERS

The eleventh and twelfth members of the Wildcats . . . Max and Rich . . . are the two members whose worthy tasks as trainers of the Wildcats and Kittens, respectively, have relieved the Wildcat members from minor sprains, bruises, and stiff muscles.

These two, plus Cabby, Nip and the teams, have made the name of Jasper well known in basketball circles.

## YELL LEADERS

The only veteran this year was Bud Kremp. Bud had served two years previous to this year. Tom Fritch had plenty of zip and did a fine job. Betty Fierst had the same pep and personality as her sister, Peg. Jerry Kunkel! Well, we all knew Jerry. Vim, Vigor, and Vitality . . . and our only senior member of the pep squad. Without the excellent co-operation of these leaders, the spirit of the Jasper Wildcats would have lowered.

## Kittens

COACH LOUIS "NIP" WUCHNER'S KITTENS closed their season with a 29-23 overtime victory over the Ireland Varsity. The win gave the Kittens a final record of 11 wins and 6 losses for the season.

The Kittens were composed of 5 sophomores and 5 freshmen when the season came to a close. The leading performers for the pre-Wildcats were Jack Heltman, Albert Graehler, Clifton Mehrtens and George Hoffman. Mehrtens and Heltman were the team's leading scorers, closely followed by Graehler. "Dimp" Stenftenagel, a freshman, also contributed greatly to scoring.

Graehler was the "Spark Plug" of the team, and his speed and shiftiness made him dangerous on both offense and defense. G. Hoffman proved to be a valuable rebound and defensive man, while Mehrtens and Heltman cared for the scoring.

# Track

IN THE COOL MONTH OF MARCH "Nip" Wuchner announced that anyone interested in track should report to the gym. In response to his call 26 students reported. They looked rugged at the first practice, but as time went on "Nip" shaped them up into a very promising team.

Nineteen returning tracksters from last year's squad with 6 willing frosh, comprise the Black and Gold entry.

In the dashes, Tom Jochim, Jim Toole, Charles Renneisen, Charles Sermersheim, and Mace Brown brought back the bacon for Jasper High School.

In the field events, Ed Alles and Bill Litchfield were the pole vaulters, the broad jump was cared for by Oscar Knies, Tom Jochim, and Charles Sermersheim, while the shot put was handled by Tom Bohnert and Louis Kroff. Willie Krodel and Oscar Knies were the springing hurlers. The long distance runs were taken care of by Clebber Webber, Sam Allen, Mort Hief, Johnny Berg, J. Bettag, and Jim Beckman.

## Baseball

EARLY IN MARCH you could see the Jasper High School Baseball team working into shape at the ball park. The regulars are as follows:

The pitching corps was composed of two Seniors, Leon Pfister and "Bumps" Hoffman, and one Junior, Jim Fritch, with "Mick" Sermersheim on the receiving end.

The infield remains intact with "Ants" Hoffman, A. Graehler, "Bumps" Hoffman and "Jim" Menner.

The outfield with not many changes was Tom Habig, Bill LeMastus, and "Monk" Kunkel.

Kenny Tretter, G. Hoffman, J. Heldman and E. Haase were reserved for an outer berth.
