SENIORS

Graduation is a bittersweet experience, bringing with it both anticipation and regret. Although many of us will drift apart, we hope that we will always keep the memories of our shared experiences. By working and learning together, we hope we have found the maturity it takes to meet new friends, to strive for our goals, and to reach those goals as the individuals we are. Class officers are: Mike Gress, Pres.; Bill Fleck, Vice-Pres.; and Lana Sermersheim, Sec-Treas.

IN MEMORIAM

The Class of '75 would like to dedicate this yearbook to Marla Merkley and Glen Hochgesang. During the years they spent with us, we shared our joys, as well as our sorrows, leaving us the fondest memories of them. We will always miss these two close friends, but the memory of them will linger with us forever.

GRADUATION '75

Four years have gone by, and for the seniors their high school career is over. Along with the studying, hard work on extracurricular activities, and much time spent in the halls of J.H.S. Seniors will remember the good times, bad times, and friendships.

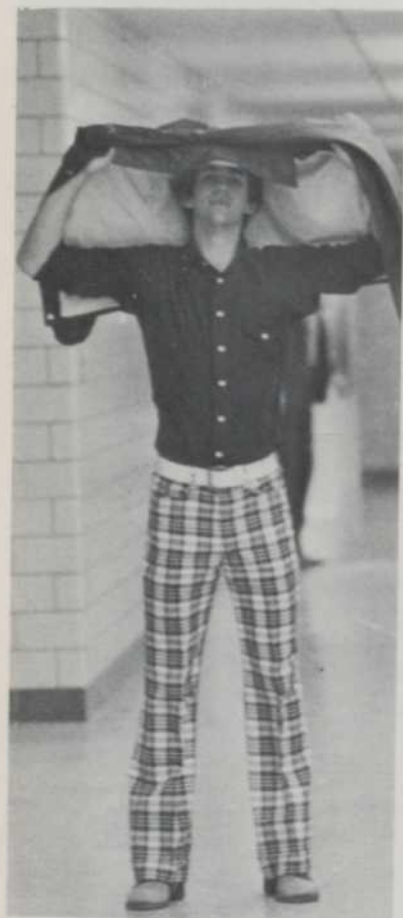

Graduation was held Friday, May 16 at 7:30 in Alumni Stadium. Two hundred eighty-six seniors received their diplomas from Principal Don Noblitt this year. The valedictorian was Doug Bies and the salutatorian was Verl Heeke. Our class did not have a guest speaker, but elected to have two of their classmates, Carol Fischer and Bob Bleemel, speak. At the end the band and choir performed "The Battle Hymn of the Republic."

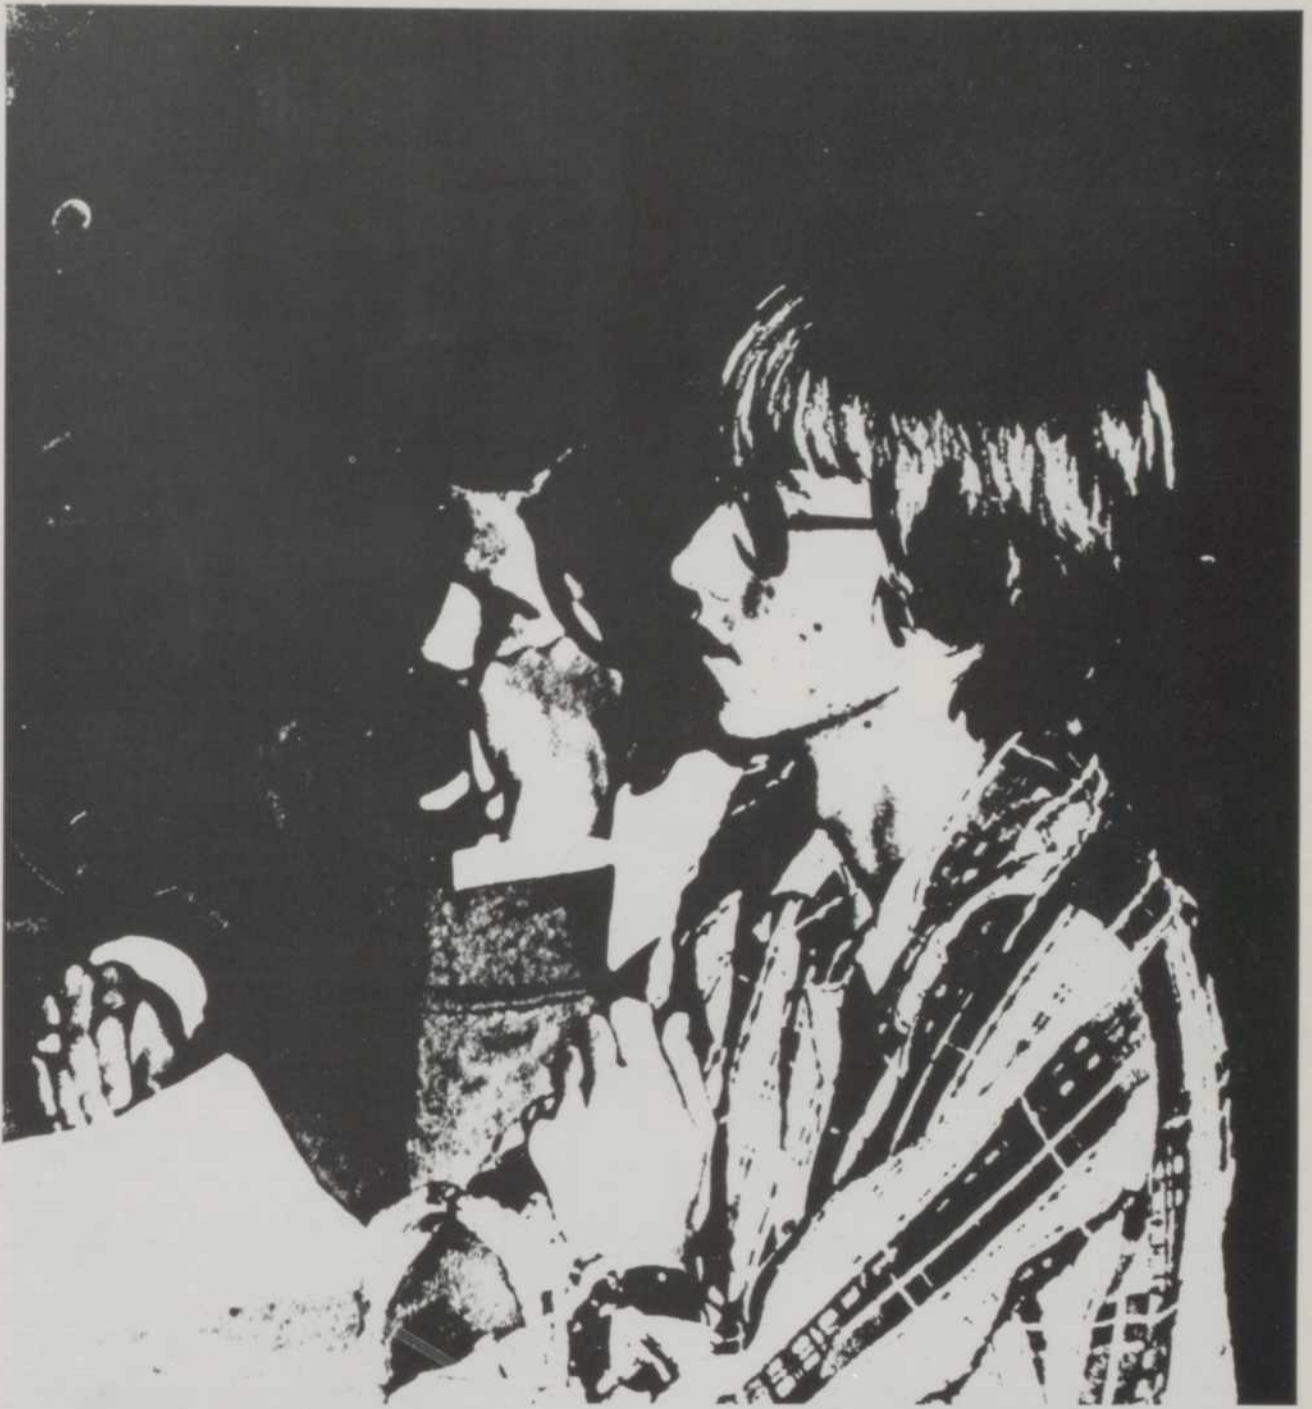

"What are you going to do?"
 "who knows?"
 "What are we going to do?"
 "who cares?"
 "You'll live without us."
 "we will?"
 "Good-bye!"
 "I'll think of you!"
 "It's over."
 "It's started."

1974-1975 FOOTBALL HOMECOMING

Miss Gayle Braunecker was crowned the 1974-1975 Jasper High School Football Homecoming Queen during half-time ceremonies at the Jasper-Memorial football game on October 25. She was crowned by Verl Heeke, president of the student council, and escorted by Mick Renneisen, a senior student council member.

The theme for this year was "Somewhere Over the Rainbow." The court was constructed by members of the Student Council. The girls were escorted to the court while J.H.S. Band played the theme from "The Wizard of Oz."

BASKETBALL COURT

"More" was the 1974-1975 Jasper High School Basketball Homecoming Court theme. Miss Kenwyn Krempp reigned as queen. Mike Gress, president of the senior class, crowned Kenwyn during halftime ceremonies at the Jasper-Terre Haute North game on January 24. Dee Ann Hurm, carrying a tierra, and Tod Ballenger, holding the basketball, led the procession.

This year's basketball court broke tradition by waiting until all three queen candidates had been introduced before announcing the queen.

The student council designed the court and the Jasper High School Marching Wildcat Band played the song "More" as the girls were introduced.

“BLUE
HAWAII”
THEME
FOR
PROM

The theme of the 1975 junior-senior prom, "Blue Hawaii", came to life at the Jasper Country Club on April 26. The mood of the evening was accented by colored fish nets and palm trees. A beautiful, clear evening and a soft, cool breeze added a touch of the tropics.

The crowning of this year's king and queen, Lynn Wall and Alice Casper, rounded off the evening with a touch of royalty.

Hors d'oeuvres and Hawaiian punch, along with the music of "Hard Times", added to the restlessness of the natives.

UNDERCLASSMEN

JUNIORS

We've learned a lot in the past three years--in both academic and worldly aspects. Because of this we can now evaluate people more realistically and perceptively. We've faced the most frightening aspects of adolescence. But there are big things lying ahead--decisions and responsibilities we have not yet faced. In the year to come we will be the leaders. After that we will follow the yet obscure, blurry spectre called the future.

We were shocked by the tragic death of Charles Meyer. Chuck left a deep impression on everyone who was close to him. His thoughtful and considerate manner will always be remembered. Class Officers are: Kathy Ballenger, Pres.; Vicki Schnaus, Vice-Pres.; Cae Eversman, Sec.-Treas.

FRESHMEN

Our first year at JHS has brought about many good, yet sometimes hard changes in our lives. Since we are no longer being led around by the hand, as in grade school, we have to work harder, assume more responsibilities, and assert ourselves as individuals. All of this is worth while because we have much more freedom and new opportunities to do things and meet people. We hope we can learn from these new experiences so that we can start making the right decisions about our future. Class officers are: Mary Fischer, Pres.; Jeff Schneider, Vice-Pres.; and Max Hollinden, Sec-Treas.

Jasper High School has been fortunate to have such fine representation from the student body. This year's student council has sponsored many worthwhile projects, including the planning and building of both the football and basketball homecoming courts, the organizing of dances and various pep sessions.

This year, the student council played a leading role in sponsoring many events to boost the school spirit. They organized a "nifty fifties" day, a "mismatch" day, a full day of games for football homecoming, and a tug of war between classes at a pep session.

Directed by Donald Gamble and James Holler, the Jasper Marching Cats of 74-75 first came together in early June to begin the marching season and spent a week of band camp at M. T. S. U. in Murfreesboro, Tennessee. They placed 12th at the Indiana State Fair and 3rd in the State Marching Contest at Indianapolis.

The band performed superbly at all of the football games of the '74 season, and the pep bands provided musical entertainment during each basketball half-time. The guidons, majorettes, and flag corps also gave outstanding performances with the entire band.

Winter and spring concerts were also given by the gradeschool bands, the Concert and Symphonic Bands, and the Stageband.

The band sold magazines and fruit during the year to finance its wide variety of activities, thus making it another successful year for the Marching Cats.

BAND AT HOUSTON

December 20-23 was spent by the band in Texas, where they combined a three-day vacation with an excellent performance in the Astrodome in the Astro-Blue Bonnet Bowl in Houston. The band was one of five high school bands from the U.S. to perform in a massed band show on national television.

While in Texas, members of the band enjoyed a tour of the beautiful sights, a ferry-boat ride along the gulf, a delicious sea-food banquet, and hours of soaking up the sun and wading on the beach. After falling in love with the gulf coast, the band returned to Jasper just in time for Christmas.

The JHS Vocal Department has done many worthwhile projects during the school year. Some of their activities include the popular German Pops Concert, their presentation of a beautiful Sacred Concert, and the annual spring musical.

To raise money for their projects, the choir has sold candy and candles. They started a film festival this year, which proved to be an area which may be pursued.

LIL' ABNER

This year's spring musical, "Li'l Abner," was presented in a "theater in the round" style for the first time at Jasper High School. This type of production creates an intimacy between actor and audience that is not normally associated with amateur productions.

Superb performances by cast members and the orchestra combined to produce another successful spring musical.

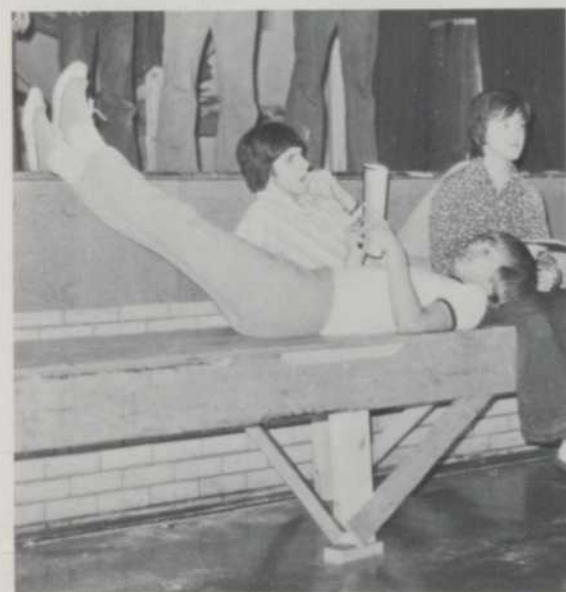

The Spirite Award was presented to Frank and Joe Goepfner. Laura Schwinghammer received the Annie Award, while Lynn Wall was presented the Sammy Award, and Doug Resenbeck was the recipient of the Puma Award.

Jay Harker received the Best actor award for his hilarious interpretation of Mr. Collins. Malana Jahn was chosen for the best attitude with her work in everything.

A special salute goes to student directors Marie Pittman and Mike Beaven, technical director Doug Resenbeck, business director Kerry Foley, and especially advisor Mrs. Hubers.

The JHS reserve varsity, under the leadership of Coach Ed Yarbrough, finished a tough season this year, winning only two of six games. Their record is not impressive, but many outstanding young men proved their ability during this hard fought season. With a new year springing up, these men promise to be a very valuable asset for the future of varsity football at JHS.

FRESHMEN FOOTBALL

Coach Forler's freshmen completed the '74 season with an outstanding record of 7-0. Much of the effort can be credited to the enthusiastic team spirit and all around talent. Also, to head their team this year, the young Cats chose Kurt Bies and Steve Braun to be co-captains. This promising young team will surely contribute immensely to the future years of JHS football.

COACH'S COMMENTS: Although our runners are relatively inexperienced, they have come up with an exceptional record. Dave Kavanaugh, the only returning letterman, provided the early season power and combined with Terry Schroeder to help us dominate the season's final three meets. Enough can't be said of the leadership and attitude expressed by this group of senior boys--B.J. Eckert, Bill Fleck, Steve Kilian, and Terry Tucker. We should give them the credit for the pride and ambition shown by this team. There is a term to describe an individual who can persevere the day to day challenge with a final goal in mind. That term is **SUCCESS**. The demonstrated perseverance of these young men will bring them nothing but success in their futures.

The '74-'75 round-ball season at J.H.S. began with a fizzle but under the leadership of Coach Ed Schultheis (the Silver Fox), a group of determined and disciplined young men soon proved that they were not to be taken lightly.

After losing the opening game against Washington, the basketball season looked dismal, but the Cats rallied to win their next six games. The opening game, which was lost to Washington, was reversed by forfeit, and the Cats were undefeated after their seventh game. In the next game, the Cats' spirit was dampened by a prepared team, our arch-rivals, Southridge.

In the Holiday Tourney, the Cats rallied to victory by defeating Wood Memorial and twelfth ranked Princeton. In the following six games, against such rivals as Central, Tell City, Bosse, and Booneville, the Cats fell heir to four losses while winning two. The wins came from encounters with Washington and a closely contested battle against Terre Haute North, taking two overtimes. The Cats, in preparation for their sectional debut, won the final four games, the last being consolidated Bedford North Lawrence.

Hey Ralph, that last Stroh's was too much, I see two Flackers!

Entering the Sectional as the tourney favorite, the Cats knew the road ahead was certainly not going to be an easy one. Drawing the bye the first game, and literally obliterating Perry Central in the second game, the Cats arrived at the final game. We won the tourney in a grueling final contest, barely getting by Forest Park in a heart-stopping triple overtime; then the Cats were Regional bound. During the first game of the Regional the Cats really showed their stuff. With expert timing and brilliant teamwork, they changed a close half-time score into a relatively expansive 8-point win. The Cats closed their basketball season by falling to the concrete defense of the Loogootee Lions in the final game. Several returning letterman promise an exciting, experienced team next year.

* Holiday Tourney

The Frosh rolled up a satisfactory '75 season record of 16-4 with a possible forshadowing of years to come for the coaches and community to ponder. Their team effort pulled them through a grueling 20 games this year as compared to 13 games last year. To top off their impressionable season, the Frosh charged to the finals of the Freshmen SIAC Tourney losing to Washington by six points. Coach Ed Yarbrough is very pleased with this team's accomplishments and assures us that these young men will contribute their valuable talents to the Hoosier hysteria of competitive basketball.

The reserves also showed their strength by ending their season with a 6 and 4 record. Coach Gae Feldmeyer comments that "with some experience behind us next year we should have a very good team!"

The JHS Wrestlers of 74-75 had the most successful season in the history of the grappler sport at Jasper High. Directed by veteran matman Joe Rohleder and led by four seniors, the coaching staff produced our unbeatable team. This year's grapplers completed their second undefeated season by compiling an 8-0 record in dual meets. The Cats beat such powerhouses as Central and Castle, and held the future sectional runner-up, Tell City, to only four points. For the first time, the matmen, competing with 17 other teams, dominated the Southern Indiana Conference by winning the SIAC with a total of 60½ points. The favored Cats then proceeded to dominate the sectional by qualifying 10 of the 13 weight classes for competition in the regional. Jasper's nearest foe, Tell City, which had 75 total points, was blown off the mat by Jasper's overwhelming total of 122 points, making this Jasper's record sectional victory. Rick Stenftenagel went on to win the regional and finish fourth in the state, making him Jasper's first state wrestling competitor. Congratulations, Rick!

Only losing four seniors, the Cats promise to be a powerful and competitive team in the future. We and the sports staff, along with the rest of the school, wish the grapplers and coaches Joe Rohleder, Dennis Forler, and Dave Edds, a most successful season next year.

With the rains clearing and the floods receding, the JHS trackmen opened the season with great enthusiasm and spirit. Under the coaching of Jerry Brewer, the Cats started with a few veterans and many new recruits. During this busy schedule, the Cats hosted a number of invitationals and the Wildcat Relays, gaining much experience for their younger, ambitious trackmen. The season brought out much talent in the meets and demonstrated the true character of JHS. This year's experience will be a valuable asset to next year's trackmen.

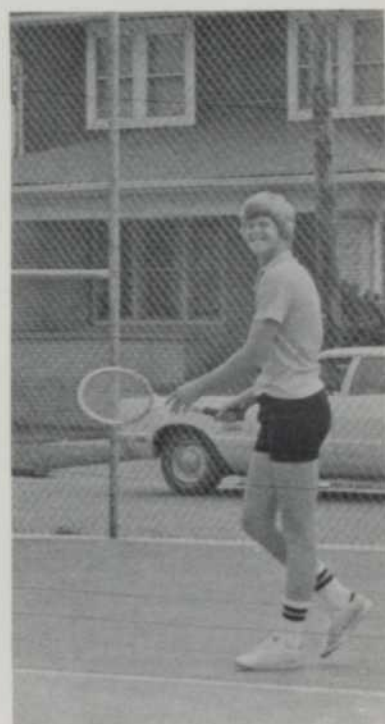

ROW 1: Teri Habig, Cathy Bartley, Yvonne Block, Kim Brandt, (st. mg.), Brenda Schmitt, Ann Kuper, Melanie Berg, Linda Schmitt, ROW 2: Ann Huther, Mary Zogleman, Brenda Weidenbenner, Donna Lindaur, Debbie Cecil, Kris Riffel, Susie Huls, Theresa Seifert, Cheryl Meyer, Patty O'Brien, ROW 3: Coach Zehr, Wanda Weidenbenner (st. mg.), Sharon Lythgoe, Cathy Guthery, Sheila Gerber, Jane Lorey, Carol Seng, Denise Clery, Susan Kunz, Kim Clark.

This year's girl's track team had its ups and downs. In all dual matches the team ended its season with a 4 win and 3 loss record. Having a state champ on the team certainly had its advantages this year as Brenda Weidenbenner surpassed her previous state record in the long jump. Five girls made it to the regional and according to Coach Zehr, "All the girls are great."

This year's baseball team had a fine record, at the time of publication, of 18 wins and 8 losses. The team had a well rounded pitching and catching staff, along with excellent fielders. Under the superior coaching abilities of Dan Doyle and Rex May, the Cats, unranked at the time, defeated thirteenth ranked Providence, sixth ranked Terre Haute North, and second ranked Memorial, to win the Jasper tourney and receive a high ranking the following week. The eleven seniors deserve the highest praise possible for leading this team to a winning season. We on the staff wish the best of luck to next year's young team, and look to see another successful season.

At Jasper High School, when the word tennis is mentioned, it doesn't mean just a team. It means a winning team. Winning is what it's all about, and this year's tennis teams have put it all together to come up with one of the greatest seasons in the history of the sport at J.H.S.

Among all of the victories tallied by our teams, the fall tennis squad finished its season as the sectional champ, while the spring squad, suffering only one defeat to second-ranked Bloomington South, captured the S.I.A.C. Conference crown.

JHS GIRLS TENNIS

This year's girl's tennis team contained both experience and potential. With 2 Seniors to lead the way this year and many Juniors and underclassmen to carry on the winning record next year, the team shows and will continue to show ability, stability, and future prospects.

GIRLS GOLF

Under the leadership of a new coach, Miss Gae Feldmeyer, the girls golf team had a successful season. Their opening match was a three way match between Floyd Central and Jeffersonville, at Floyd Central. The team finished third, but in a rematch with Floyd Central they finished first. In the sectional at Bedford with twelve teams competing, our girls finished third. The girls golf team will have all members returning, and should come back strong next year. We wish continued success to Coach Feldmeyer and her team.

This year's volleyball teams are certainly a credit to our school. The teams, under Coach Pat Zehr, had one of their best years ever. The varsity team ended its season with 9 wins and 3 losses, including their first sectional championship, while the reserves volleyed in 8 wins with only 2 losses. Mrs. Zehr feels there are even brighter years ahead with 10 of the team's 12 varsity players returning next fall.

JASPER, INDIANA

We're fighting mind pollution.

In the past, Hook Drugs, Inc. has been
recommended by the National Citizens for
Decent Literature, Cincinnati, Ohio, for
its strong stand against the sale of
indecent literature.

We're talking about the sale of trashy books and magazines. We've never sold them and are proud that in any of our Drug Stores, you'll never be offended by a questionable publication. We're not prudes. We just think there is a strong line to be drawn between good taste and bad. Our policy is not to sell any of them, regardless of their sales popularity. This way we can tell you that Hook's are family drug stores and really prove it.

KIMBALL, Or Whatever Other Name You Know Us By, Means Employment Opportunities To Young People

Hello! We're Kimball International, Inc. Although most people refer to us simply as "Kimball," around Jasper we're also known by other names . . . such as The Jasper Corporation, Jasper Stylemasters, Electronics, the Cabinet Division, Stylemasters Plastic and Stylemasters Upholstery.

This is probably a bit confusing at times, especially to you young people who weren't around when the company was developing. So the purpose of this message is to explain what these names mean, and also to tell you a few other things about us.

Let's begin with the name Kimball International. This refers to our "parent company." It owns and operates a number of other companies and divisions that are engaged in various forms of manufacturing and services.

Kimball International is a new name. Our parent company was called The Jasper Corporation for almost 25 years until the name was changed to Kimball International in 1974. The change was made so we would be more closely identified with our principal products--Kimball pianos and organs and Kimball home and office furniture.

Here in Jasper, one of our divisions is still called The Jasper Corporation. This plant also is known as the Cabinet Division because it manufactures television and stereo cabinets. In addition, it makes Kimball piano and organ cases and home furniture.

All Kimball electronic organs are produced in Jasper by the Kimball Electronic Division. This is the plant people are referring to when they say "Electronics."

Another of our divisions is Jasper Stylemasters. In its main plant, Stylemasters manufactures cases for Kimball pianos and organs, cabinets and plywood. Jasper Stylemasters has its own divisions. It has a Plastic Division that makes molded plastic parts, an Upholstery Division that manufactures upholstered parts for office chairs and piano and organ benches, and a Carbide Tool & Service Divisions that sharpens and retips carbide tools.

The above divisions are the manufacturing operations of Kimball International in Jasper. The service divisions located here are the General Office, Research & Development, Creative Arts, Property Management, Data Processing and Traffic.

Other company facilities in Jasper are Kimball Music Center, which is a retail store for Kimball pianos and organs, and H.R.J. Automotive Services, Inc., which is a complete automotive service and supply center.

So you can see that Kimball International is involved in many activities. Naturally, these activities require people--workers with diverse abilities and skills. The company's operations in Jasper alone provide more than 1,500 jobs. This employment is vital to the community because of its economic impact. And it is especially meaningful to you young people because it gives you the choice of working at an interesting and challenging job here at home rather than going elsewhere for employment.

Undoubtedly the most important thing our company offers you is the opportunity for advancement. Most of the management positions in the company are held by people who worked their way up through the ranks. It's not at all unusual for a high-level manager to be someone who started with us as a production worker or on the bottom rung of a service division.

When you are ready to begin your career, whether it is after high school, trade school, business school or college, we invite you to come and talk with us and investigate your possibilities with Kimball International. We'll explain to you our complete package of benefits, including a profit-sharing plan for all employees. Above all, we think you will be interested in learning of the unlimited opportunity to advance and grow in a Jasper-based and Jasper-owned company.
