SENIOR DINNER

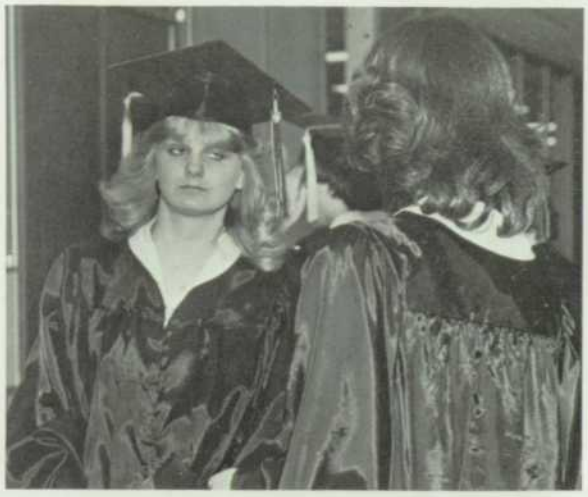

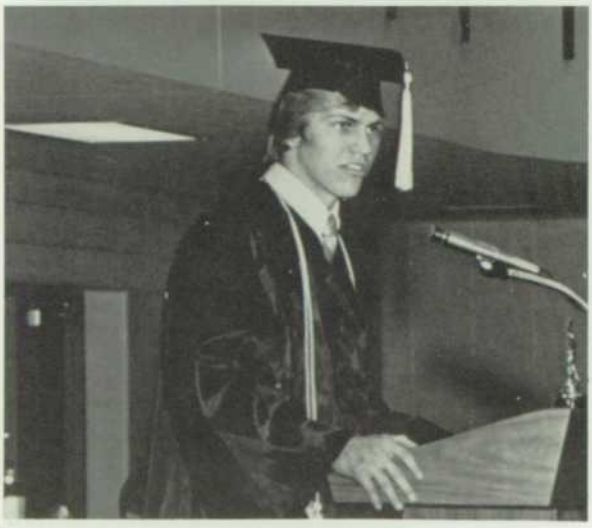

GRADUATION

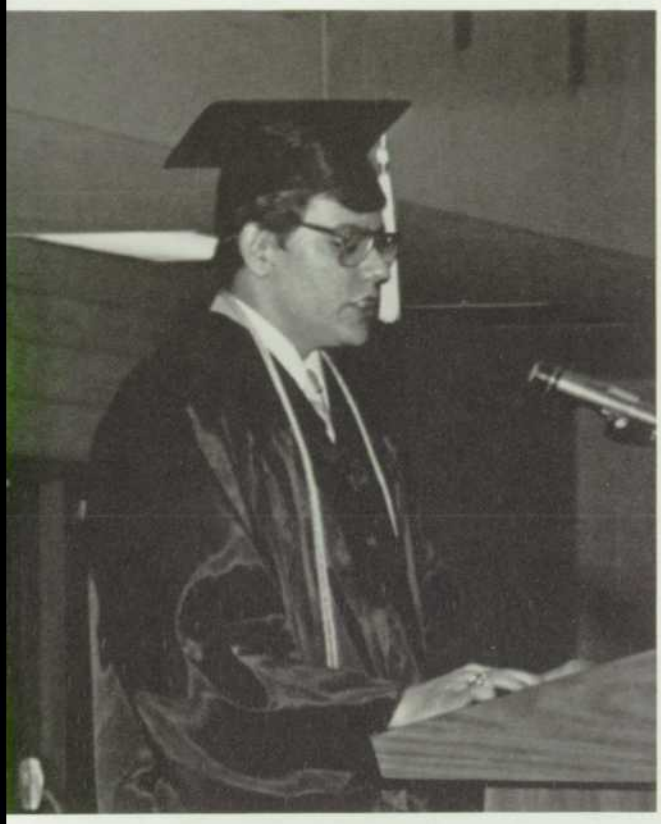

Two hundred and seventy one graduates were gathered for the last time on May 16, 1980. We were eager, yet uncertain, about the future we were about to face. Our high school careers had ended. None could believe it. The time had flown by. It had seemed only yesterday that we were "greenies". Now our time had come. We were to set out to mold and shape our future. We were also going to help shape the future of our children and grandchildren.

BABE. . . I LOVE YOU

♫

Babe I'm leavin', I must be on my way
The time is drawing near
My train is going, I see it in your eyes
The love, the need, your tears.
And I'll be lonely without you
And I'll need your love to see me through
Please believe me, my heart is in your hands.
And I'll be missing you.

REFRAIN

Babe I'm leavin', I'll say it once again and somehow try to smile
I know the feeling, we're tryin' to forget
But only for a while.
Cause I'll be lonely without you, and I'll need your love to see me through.
Please believe me, my heart is in your hand and I'll be missing you.
Babe I love you, Babe I love you,
Oooo Babe.

REFRAIN

Cause you know it's you babe,
Whenever I get weary and I've had enough, feel like giving up,
You know it's you babe, givin' me the courage and the strength I need,
Please believe that it's true,
Babe I love you.

BABE . . .

May 3, 1980 was a night filled with warmth and laughter as the guys in their tuxedoes and the girls in their gowns attended the Junior-Senior Prom.

Flowers, decorations and a sparkling water fountain turned the school cafeteria into a ballroom as "Main Street" provided music.

The evening was highlighted as Tammy Musgrave and Terry Hoffman reigned as Prom King and Queen.

The words Babe . . . I love you will bring back many wonderful memories to the couples that were there on that beautiful evening.

The lives of hundreds of students were touched by the contributions of Mr. Allen and Mrs. Cummings. This year we are losing these two outstanding faculty members. Both were very loyal and dedicated people in the field of education. They have given their all to benefit our school and its students. The students and staff of JHS want to praise and thank them for the many years they have given us.

Mrs. Cummings said this about JHS: "I shall always appreciate the years I've spent at Jasper High School. No one should underestimate the value of a good education, and this school offers all students the opportunities they want and deserve. I hope that through the library I have helped each student attain his maximum potential and promote self-releance and initiative."

Mr. Allen remarked, "It has been an honor to teach at Jasper High School. We have an excellent school and staff. I have had good relations with the administration and community. I feel that the traditional methods used here are conductive to learning and to an outstanding school. I hope that my efforts have contributed to the success of my students."

The student body and staff at JHS Want to wish both Mr. Allen and Mrs. Cummings the best of luck in the future.

This year the Jasper Marching Wildcats placed 8th at the Indiana State Fair. The band came in a fine 7th at the ISSEAA State Marching Contest. Every August the band travels down to Middle Tennessee State University to prepare for these contests. In November the band went to Philadelphia to participate in the annual Gimbel's Thanksgiving Day Parade.

The bands were very active during the concert season. Both the Symphonic and Concert Bands received 1st Division ratings at contest. The district and state solo and ensemble contest was a success, displaying many individual accomplishments. Those receiving a superior rating at state were: Tony Nordhoff, Larry Soellner, and Scott Wigand. To round out the concert season, the Jasper Bands presented their spring concert.

The bands are under the direction of Mr. James Holler and Mr. Gary Fields. They are assisted by Mr. Ken Allen and Mrs. Samantha Fields.

This year's Band Council were once again a great asset to the band program. Through this group, many activities, programs, and trips were cordinated. The council is responsible for organizing the booths at the 4-H Fair, expressing band member's opinions, and helping out in the band office.

The Jasper High School Band had a very productive year. The band plans to take the skill and knowledge it has learned these past years and make an even stronger band for the coming years.

LETTER FROM THE EDITOR

The past school year has provided me with many pleasant memories. It offered challenges and new experiences for us all. I sincerely hope this year's yearbook will give a lasting memory of this very special year.

This year's staff has spent many long hours in putting this book together. They gave a great amount of time, energy, creativity, and effort to complete this book. The staff worked hard to offer a lasting remembrance for the years to come which is the main goal of the yearbook.

I would now like to thank everyone who had faith and believed in the book.

To Mr. Hubers and Mr. Gibson for all your hard work spent on ironing out all the problems that came up.

To McCarty's Studio for taking pictures and providing pictures whenever we needed them. You were a great help!

To the Herald who gave the staff many excellent sports pictures and always gave us help whenever we needed it.

To all those who bought an ad or was a patron. We couldn't have done it without you.

To all those who purchased a book.

To my parents who put up with all my yearbook materials throughout the whole year.

To my friends and family that gave me the support when I needed it. I could not have made it through the year without your support.

To Mr. Hayes and Mr. Noblitt and all the teachers for being so cooperative and understanding.

To my assistant editor, Jane Gramelspacher, I could not have asked for a better assistant editor. She was always there whenever I needed help. She did a super job! Good luck next year Jane!

To the J-Staff especially. You did a super job! You worked very hard in finishing the book and putting up with me!

I would like to thank these people for their service and dedication toward the "J". I would especially like to thank our new company, Inter-Collegiate Press, and their representative, Steve Pumphery, for all their cooperation during the year.

It was a long year. There were rough times and good times. Sometimes it seemed the book would never be finished and I just wanted to quit. I know now that I would never trade this past year for any other.

The book could never have been completed without the help of those mentioned above. Only through the efforts of those people was the book a success, especially the efforts of the J-Staff. I cannot thank you enough!!

DEDICATION

There is a missing face
An empty place
In the halls and classrooms
Of our school
A deep void felt
In all our hearts

One who was with us
Has been suddenly, sadly
Taken from us
A return to reality
For us all

No longer here in body
Her dreams and her ambitions
Her laughter and her tears
Will linger in our minds
For many coming years.

DONNA FORTWENDAL
