SENIOR OFFICERS

For the past four years, the class of 1989 has been growing, maturing, and preparing for the real world. These individuals possess a variety of qualities such as pride, intelligence, courage, and desire. When these people with different ideas put their minds together, overwhelming results emerge.

We, the senior class of 1989, would like to thank our parents, teachers, coaches, and anyone else who took part in educating us, shaping our lives, and preparing us for what the future holds. Many aspects of Jasper High School have brought out the best in us, the best needed to turn our far-fetched dreams into realities.

IN LOVING MEMORY OF Brad Hudson

"HUD"

Many times throughout life,
Things happen which no one can explain;
March 12, 1989, Brad took his own life,
And left us to deal with the pain.

No one is to blame for this,
For there was nothing anyone could do;
He had his problems and kept them inside,
And in return, no one knew
What he was going through.

Brad's intentions were only good,
And he was always there as a friend;
He held on as long as possible
And was strong until the end.

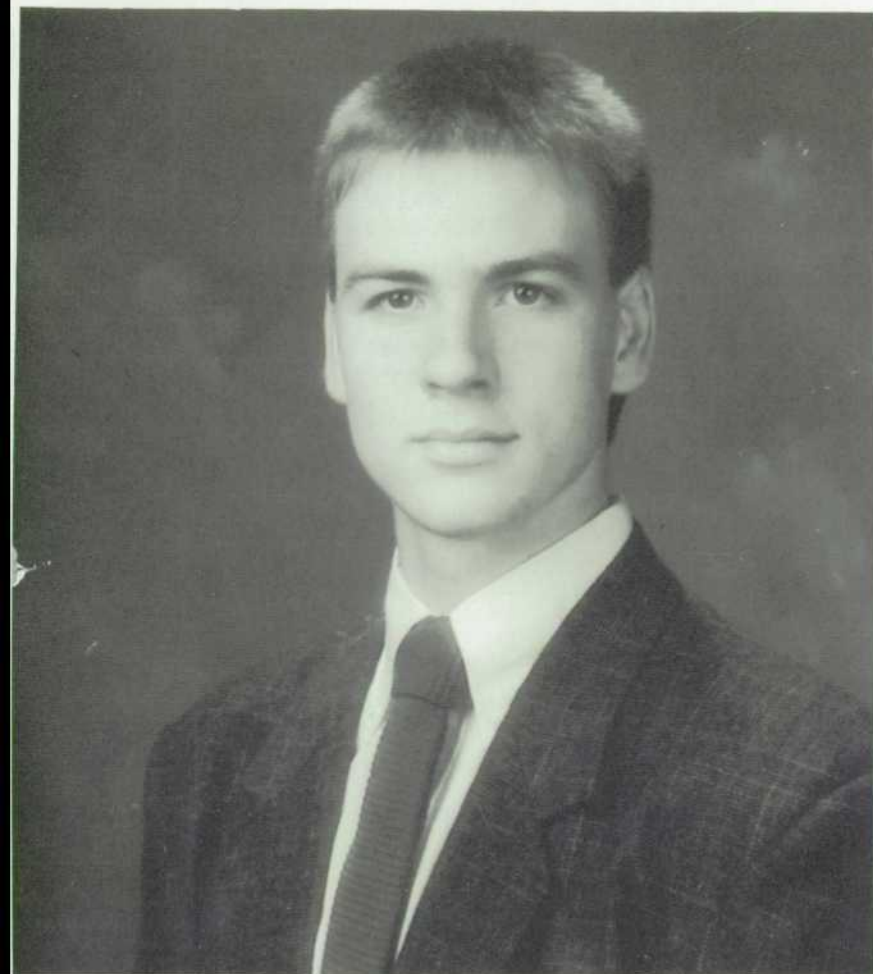

We'll never forget him
And how he touched our hearts;
Although he's ended his life with us,
His life in heaven is just at its start.

This must be what he wanted,
For he missed his dad so dear;
He made the decision
that he'd be with him in heaven
Since they couldn't be together here.

As he watches over us,
He knows how much the loss of him
is hurting you and me;
He hears what we are saying,
And all our mourning, he can see.

He finally knows how much we all cared,
And finally knows
all those friendships were true;
I just want to say . . . Brad, if you can hear me,
We all love and miss you.

With Love Always,
Dana 3-12-89

GOOD-BYE

We have long awaited this special night,
but now that it's finally here;
we can not help but be sad,
for this marks the end of our senior year.

Our high school years are now just memories,
memories we'll never forget;
now it's time to face the real world,
and try to achieve the goals we've set.

In a way, this is good-bye,
a good-bye to all the high school things we've done;
a good-bye to the familiar faces we'd see every day,
a good-bye to our defeats,
and to the victories we have won.

Together with our friends
we've been through a lifetime,
already these last four years;
and as we think of those times which are past,
we try to hold back our tears.

The high school banquets are all over now,
the ballgames and sporting events are done;
and although we keep thinking of our futures,
we constantly remember our past fun.

We'll never forget those cherished school colors,
the colors of black and gold;
together, we were bound as one,
and as one, we were always bold.

But now we're breaking away from each other,
and now we're on our own;
however, the memories will be with us forever,
and with those memories, we'll never be alone.

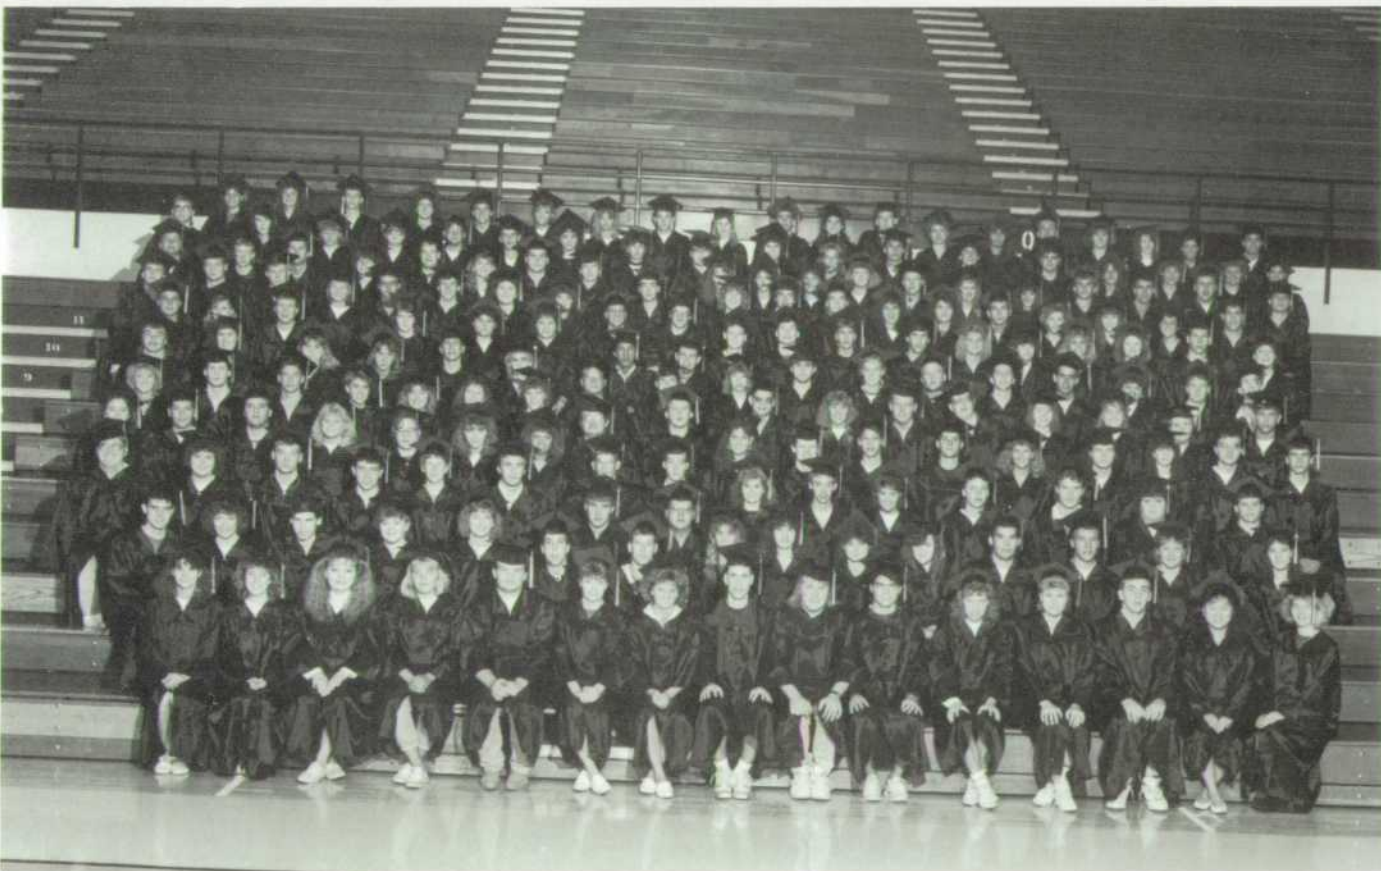

All the friends we've made,
which we wouldn't have been able to survive without;
will always be by our sides,
no matter where we are, what we're doing,
or what our ideas are about.

All the late nights, "Road Trips," Beaver parties, and Prom,
those were some of the fun times we had;
now our high school fun is over,
and naturally, we are sad.

To look back and remember everything we've been through,
seems to make us cry;
but now it's time to accept our diplomas . . .
and to say good-bye.

FOOTBALL PEP SESSIONS

Before certain football games, the cheerleaders held pep sessions. The coaches came out and shared a few words about the team to the student body and faculty. The main reason for pep sessions was to get the student body and team "fired up." During pep sessions, the cheerleaders selected students from the crowd to play in games. They also held a contest to hear who could yell the loudest. The senior class dominated again this year.

On October 7, 1988, Jasper Football Homecoming took place. The Student Council decided to hold festivities in a different way this year. Each class was to decorate a flat bed truck to display spirit for the Wildcats. Students elected fellow classmates to represent them and ride on the trucks in front of the bleachers before the game. Before homecoming began, the judges announced the winner of the homecoming display contest. For the second consecutive year, the Sophomore class was declared the winner.

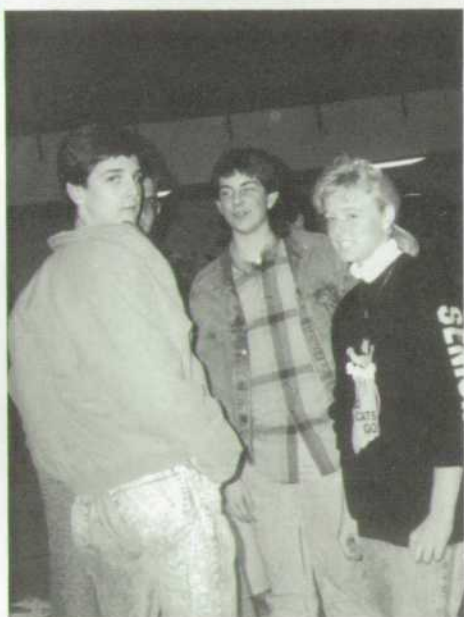

BASKETBALL GAMES

Students and faculty attended the basketball games to cheer on the Cats. The fans were "pumped up" during sectional, where Jasper defeated Forest Park, Dubois, and finally Southridge to capture the sectional crown. On March 11, the Cats were defeated in the first game of the Regional by Harrison.

DRESS UP DAYS

During the football sectional, Dress-up Week was held. This was held to create spirit for the Wildcat football team. SECTIONAL SPIRIT WEEK

Sectional Spirit Week consisted of the Hall Decorating Contest, Car Decorating Contest and pep session. Between Feb. 27 and March 10, 1989, this all took place. For Hall Decorating Contest, each class bought supplies and decorated a designated hall. Each class thought up a theme to decorate by. The Senior class won with the theme "Senior Motion," a train that had depots for each stop of Sectional, Regional, Semi-State, and State.

Car Decorating Contest was held for everybody. Students from each class decorated their cars. On Friday during the pep session, Phil Rottet and his gang won. A special thanks goes to all who were involved.

ARSENIC AND OLD LACE

In "Arsenic and Old Lace" two maiden aunts habitually poison lonely old single people. Thinking he is Teddy Roosevelt, nephew Teddy assists the aunts by burying the bodies in the cellar. Jonathan, another nephew, taunts the aunts and nephew Mortimer (the only sane nephew). Finally Mortimer and his fiancée learn he is adopted. The Brewster aunts and Teddy end up in a mental institution while Jonathan is arrested by the police. The Forensics Theater Club produced the play with Mrs. Burns and Mrs. Bubalo directing.

Mr. Gibb (Doug Schnarr) has come to the home of the Brewster sisters (Audra Lopez and Angela Ackerman) to rent a room. He is interrupted by Mortimer Brewster (Ryan Scherle).

Mortimer (Ryan Scherle) and Elaine (Kerry Mattingly) become betrothed.

Teddy Brewster (Jamie Allen), Jonathan Brewster (Scott Harlow), Mortimer Brewster (Ryan Scherle), and Martha Brewster (Angela Ackerman), and Abby Brewster (Audra Lopez), the Brewster family, gather for a family portrait.

Teddy (Jamie Allen) carries the body of Mr. Haskins (Greg Scherrer) to the cellar.

HELLO DOLLY

The Jasper H.S. Choral Department presented the highly successful Broadway musical HELLO DOLLY April 21 and 22 in the JHS auditorium.

Other numbers are "Ribbons Down My Back," "It Takes A Woman," "So Long, Dearie," as well as the blockbuster "Hello, Dolly." All selections were choreographed by dance instructor Mrs. Tina Marie DeKemper of Tina Marie Studios.

The orchestra was under the direction of Miss E.J. Kris and was accompanied by pianist Heather Hubster, a JHS senior.

Mrs. Bubalo, director, noted that the cast and crew, the Art Department, and all departments involved in the show did a very good job.

Dolly Levi (Alice Wehrle) convinces Horace Vandergelder (Greg Hayworth) to take a stand for motherhood, America, and a hot lunch for orphans.

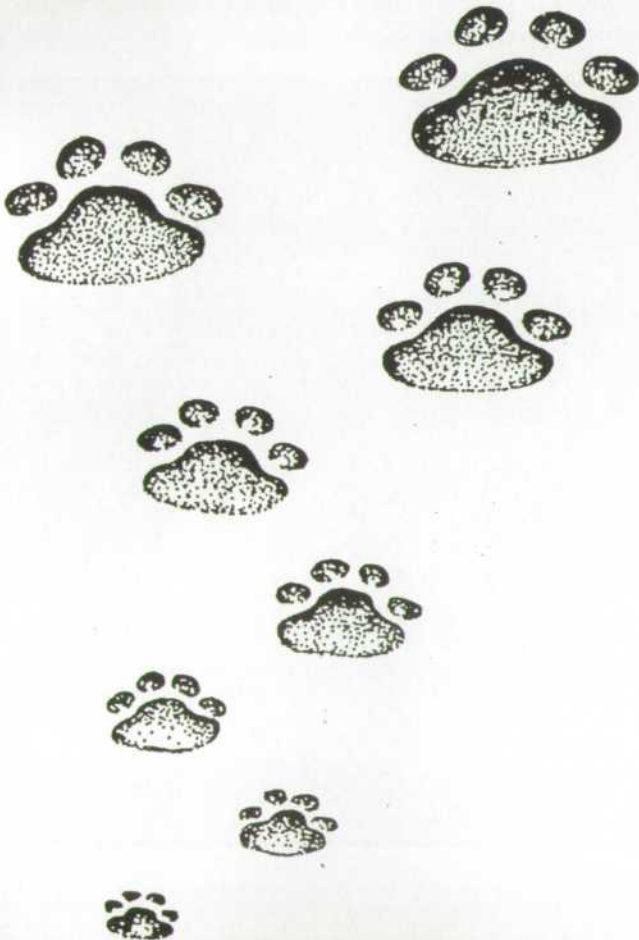

The chorus members of HELLO DOLLY create a picture postcard as they present the number "Call on Dolly."

Cornelius Hackle (Nathan LaGrange) decides to take one night out on the town with Barnaby Tucker (Matt Weinzapfel) as he describes the adventures they'll see in the song "Put on Your Sunday Clothes."

COACH BREWER WINS BIG

On September 16, 1988, the Jasper High School football team beat Vincennes 21-0. Coach Jerry Brewer had an added victory. He had been named Indiana's all time most winningest coach in football. With a number of 242 wins, Coach Brewer overrode the previous record of 241 by Ralph Johnson of Speedway, Indiana.

Coach Brewer graduated from Western Kentucky in 1959. During the past 29 years that he has coached here, Jasper has had a record of 246-70-2. Also, the past teams helped to accomplish a record of Big 8 Conference Champs 13 times, Sectional champs 6 times, Regional champs 6 times, Semi-State champs 1 time, and State Runner-up 3 times.

According to Coach Brewer, "It was an honor to have broken the record for wins. I was glad to have Jasper's name beside the record. There have been many young men in the past, through sweat and tears, who have enabled the present team to establish the record. The number 242 culminates hundreds of young men. A lot of effort on the part of the assistant coaches contributed a great deal. I just happened to be in charge."

Have an undefeated season. All the goals were accomplished through great team effort. Jody Friedman and Jonathan Stallings were team captains and "provided excellent leadership for this team," stated Coach Forler. With the great attitudes that the JV team had, they scored more points than any team in the last 10 years. In another year, this team should prove to be a great asset to the Varsity Squad.

Girls' Cross Country

The goal of the Girls' Cross Country team for the season was to have each individual runner improve with each race. "Every runner by the end of the season had improved her time," said Coach Sonny Lents. Coach Lents added that the team captain Juli Burke did a "tremendous" job, and the attitude of the team was "great." "This was the best season the team ever had," said Julie Burke. One of the season's highlights was that the team won the Dubois-Crawford Invitational. Emily Niehaus made All Conference and placed fourth in the sectional. The Girls' Cross Country team placed third in the conference, fourth in the sectional and qualified for the semi-state. Their record was 31-12.

Rick Malone, Jason Giesler, Rick Kleeman, and Steve Schitter were "a good group of Seniors" and were great team captains, providing the leadership needed, stated Coach Sonny Lents. He also noted that the attitude of the team was "excellent." The Boys' Cross Country record was 121-14. Rick Kleeman and Mike Prechtel made All Conference. The goal for the team was to have each individual runner improve so he might reach his potential by the end of the season, thus benefitting the team. All the runners had improved their times. The team won the Princeton Invitational, the Shoals Invitational, and its second straight Conference, advancing to the semi-state.

Boys' Swimming

Row 1: Matt Rendel, Ethen Lowe, and Todd Dawkins. Row 2: Todd Slayton, Jim Drew, Andy Lampert, Rick Kleeman, and Coach Rusty Page.

"Their attitude was good, and Andy Lampert, team captain, provided great leadership," said Coach Rusty Page of the Boys' Swim Team. Their season record was 2-8-1. The goals for the season were based on each swimmer striving for individual goals and working hard to accomplish them.

Coach Page noted that the boys "trained and were very positive." Several guys achieved personal best swims and were satisfied with their accomplishments, even though the record didn't show how good the boys were. "Lacking depth defeated us." Coach Page added, saying, "In many of the meets we won eight or nine of the eleven events."

The motto of the Girls' Swimming team was "If you believe and if you work hard, you can achieve!" Goals included that all the ladies reach personal goals set at the beginning of the season and all feel good about themselves and swimming. Another goal was to be able to make it to state. This goal was realized, and almost every swimmer reached or surpassed her goals. Rusty Page, the Girls' swimming coach, added, "The ladies worked very hard. Swimming is not an easy sport and all the ladies had a great attitude towards their work." Team captains were Amy Sermersheim and Kristin Gutsell. Amy, Kristin, Alison Tagliareni, and Andrea Zoglman placed 15th in the State 200 Medley Relay. Andrea Zoglman set a school record of 1:11:08 in the 100 M. Breaststroke and finished 14th in the state. Kristin Gutsell qualified for the 200 Individual Medley and 100 Fly. Coach Page called the performance at sectional and state "fantastic."

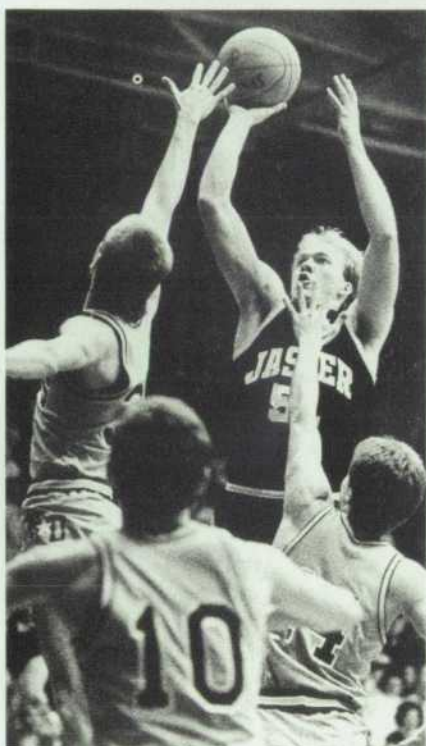

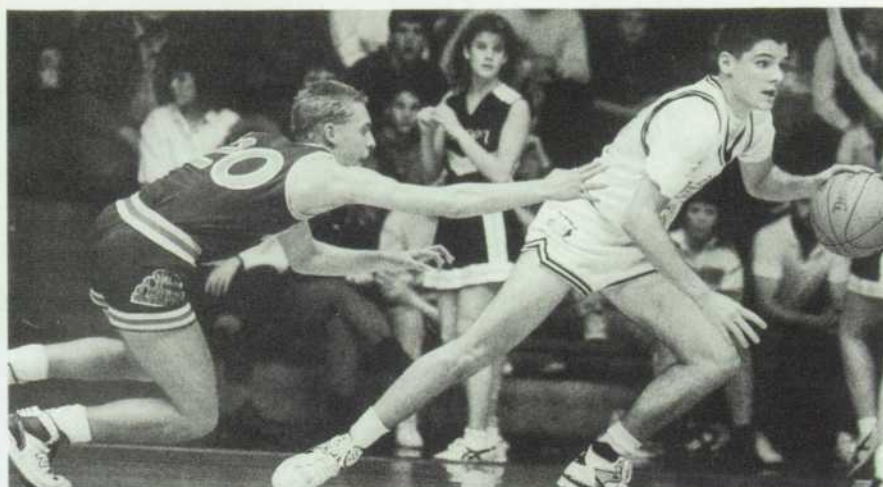

FIRST SINCE 1981: THEY MADE IT HAPPEN

Besides the minor accomplishments the team made throughout the year, like winning the Big 8 Conference and all the individual basketball trophies given, there was a major accomplishment: the winning of the sectional for the first time in eight years! Coach Yarbrough said, "All of the boys, especially the Seniors displayed two strong qualities that enabled them to be so successful — attitude and togetherness. They knew what it meant to be a team." The team record was 16-8. Scott Yarbrough was selected to Big 8 All-Stars, the Hoosier Basketball Coaches' Association All-Stars, and Honorable Mention All-State. The leading scorer in the sectional games was Steve Hoffman. Trophies were given to: John Bottorff — Best Hustle and Best Defense, Scott Yarbrough — Most Valuable, Craig Greulich — Most Improved and Best Rebound Average, Brian Seibert — Best Mental Attitude.

The Forensics Theater, sponsored by Mrs. Burns, started the 1988-89 year off with a good start. Jim Maxwell, a professional actor, came and talked to the members. The workshop was sponsored by the Community Arts Commission in affiliation with Contel of Indiana. The students were involved in some basic techniques used in acting. (Mr. Maxwell is employed by Affiliate Artists, Inc.) Throughout the year, they attended and competed in speech meets. On February 25 and 26, the members presented the fall/winter play. This year, "Arsenic and Old Lace" was performed. Members selected a best actor and actress from the play. Ryan Scherle was elected best actor and Audra Lopez was chosen as best actress. The Opus award was presented to the one who helped make the play successful by giving his time, energy, and talent. The Opus award went to Greg Hayworth, student director. In the spring, the Forensics put on the children's play. The students produced, directed, built sets, and were in total charge of it. The play involved direct children contact.

The 1988-89 Jayteens, sponsored by the Jasper Jaycees, had a successful year with their many projects and fund-raisers. Starting the school year off, the Jayteens worked at the Kimball Picnics and held their annual football game with the Key Club. They also went Christmas caroling to local nursing homes. In January the Jayteens held the Toga Dance and attended their annual banquet. In order to raise money for the scholarship fund, they sold raffle tickets in March. The members also sponsored a hall and car decorating contest to raise school spirit for the basketball sectional. During the summer, the Jayteens plan to have a booth at the Strassenfest, and have a summer dance for JHS students.

The 1988-89 Junior Civitan Club, advised by Mr. Steinhart, had year-round activities. During the summer, they occupied a dunking booth at Stassenfest and the 4-H fair. For the March of Dimes Walk-a-Thon, members worked the food stands. Members also collected cans of food which were given to the local food bank. Another activity they engaged in was VOSH. They collected old glasses which were taken to Third World countries and given to needy people. With their Radio-a-Thon, donations were made to help support the summer day camps for the mentally handicapped. Another activity was the International Challenge. Each member tried to raise money to be given to the Children's Miracle Network Hospitals. They also held car washes and bake sales to raise money. For Valentine's Day, students bought carnations which were delivered with a message attached. They also sponsored the Valentine's Day dance.

Several times during the year, the members cleaned up the area around the "Welcome to Jasper" signs. The Key Club provided workers and donations for the March of Dimes Walk-a-Thon. In the summer, they assisted the Kiwanis Club, their sponsor, with the Kiddie Karnival. The Basketball-a-Thon and the Football-a-Thon were run by the Key Club for charity. The club sponsored the Tricycle and Big Wheel races at Strassenfest. There, they also helped the Kiwanis Club with their projects. The members had scheduled to attend a state and national convention during the year. The Key Club declared their motto as "Celebrate Excellence."

The German Club studies all aspects of German life and culture. Its main interest was strengthening bonds between the United States and Germany. Now every two years an exchange takes place. During the 1988-89 year, the German Club and Mrs. Meuser had many projects to raise money for the exchange. This year the club sold candy, collected soda cans, and put together a cookbook of German dessert recipes. They also planned a quilt raffle for the spring. This was a busy year for the German Club. Much work was put into preparing for the trip to Germany.

S.A.D.D.

Students against drunk driving have expressed many times, "Friends don't let friends drive drunk." Mr. Gobert became the club's new advisor. Around homecoming, prom, and graduation time, S.A.D.D. members put up posters stressing the facts and results of drinking and driving. The Angel of Death, played by Kristin Gutsell, took a student's life every fifteen minutes.

Another major activity was the Halloween Dance which was sponsored with Forensic Theater. Members participated in the March of Dimes Walk-a-Thon and the Heart Association's Dance for Heart. At Christmas time the club assisted with the Providence Home Christmas Party and went caroling. In the spring, the Octagon Club made Easter baskets for the needy, and a car wash was on the agenda. In the summer months the club planned to assist their sponsor, the Optimist Club, with the elephant ear stands at the 4-H Fair and the Strassenfest. The Octagon Club was advised by Mr. Schum and Mrs. Hurm.

This year, National Honor Society introduced a new project called "Shadowing." Each member chose a field of study that interested him. In turn, Mr. Hayes, the advisor matched the students with members of the community. The community members' occupations were similar to the students' career preferences. After the day of shadowing was completed, the students gave a report on their findings. This activity was a huge success. Tutoring fellow classmates served as an individual undertaking. To be in National Honor Society, one must possess qualities of scholarship, leadership, character, and service. This year there were 35 members in NHS.

The 1988-89 Yearbook Staff, advised by Mrs. C. Fromme and Mrs. Burns, worked hard to produce the best yearbook possible. This year the Yearbook Staff became a class, Journalism II, which can be taken by juniors and seniors for an English credit. The staff had to design layouts, write body copy, sell ads, and take pictures. The J-Staff went to VUJC for a small yearbook workshop. The After-School Yearbook worked on the Underclassmen and Academic sections, organized the yearbook sales campaign, and took care of incoming orders. The J-Staff was greatly helped by McCarty's Studio. Mr. McCarty was able to get some of those pictures the staff couldn't get. He showed the photography students some techniques of the camera. Mr. McCarty took time out of his busy schedule to help the Yearbook Staff with completing the book. The Herald was also helpful in offering pictures for the Yearbook Staff's use.

It gave them a chance to get better through practice, principles, and history of the game. There were three levels of skill; members competed on all three levels. The club met every other week in the school library. If a member missed a match, it was left up to him to make it up on his own time.

"The key to success is self-discipline" was the message presented to freshmen in a two-day seminar sponsored by Contel. Freshmen and juniors did extremely well on the ISTEP writing samples, with average scores of 4.5 to 5 on a scale of 6. Yearbook was offered as a class for the first time ever. The enticement of free Bon Jovi tickets provided a real boost in sales for the Comet's fourth issue; senior wills and Literary Contest winners made the final issue another best-seller. Novels courses were popular for the seniors during the second semester. "Approximately 50 seniors earned college credit in Excel courses offered by VUJC," according to Mrs. Fromme, Department Head.

The Consumer Homemaking department had a great year in 1988-89. Students had a chance to participate in many activities. Child Care Day was one of them. Students invited 100 grade school students over to the high school and planned physical, social, and emotional experiences for them. According to Mrs. Hurm, Child Development was the most popular course this year. Students learned about the development of children and about their own behavior and why they do the things they do. New curriculum guides were added for each course this year. These course guides are up to date and provide excellent sources of information.

This gives students who are planning to take business courses in college a head start in the vocabulary used. Most colleges offering a major in business require or recommend courses in typing, accounting, and data processing. According to Dept. Twenty pieces of drawings, paintings, and pottery were shown for the Tasters' Party at the Holiday Inn. Several students participated in the show at New Albany which was sponsored by Congressman Lee Hamilton on Saturday, April 15, 1989.

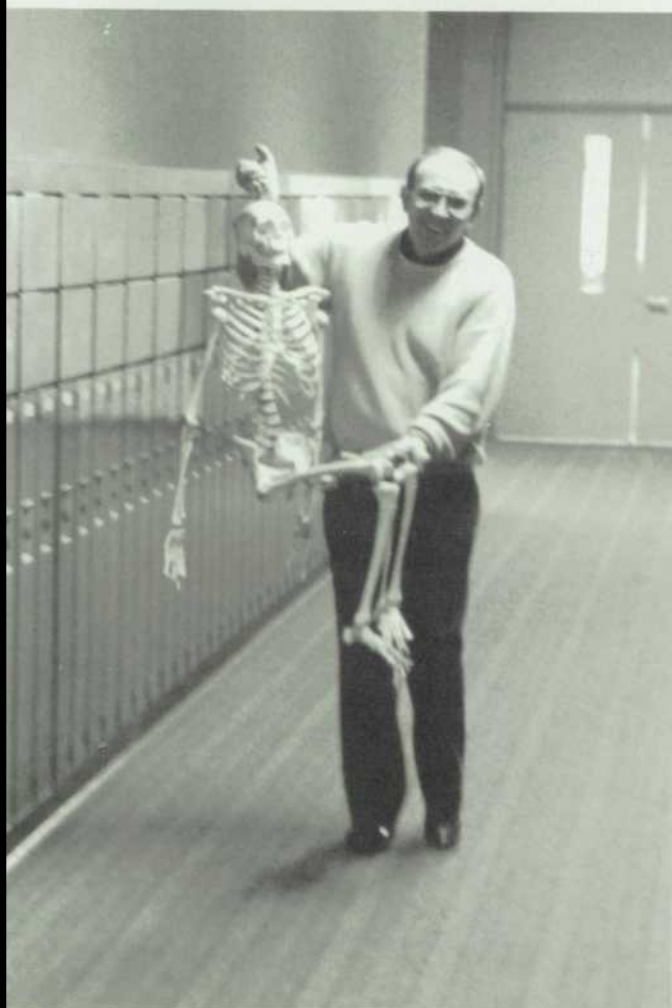

The instructors and a few students attended the reception on the lawn of the Culbertson Mansion where the show was held. Also, 120 pieces of work were entered in the Dubois County Art Guild show held at the Krempp Gallery in April. Jasper students received 13 of 14 awards presented by two professional artists who judged. Students have ten art classes available, and each class is continually changed "to add projects that involve the most recent materials and innovations," said Department Head Mr. Schum.

Band

The band began its year with summer rehearsals on July 12. Students managed a refreshment booth at the 4-H Fair, earning money for music and equipment. After the band marched in the Strassenfest Parade August 7, members immediately left for band camp at Middle Tennessee State University. The band's music, entitled "The Planets," and their new additions to the uniform gave the band a total "space effect," according to Director Glenn Weil, which was "sometimes misunderstood but enjoyed by judges at contest."

The band performed at all home football games and pep rallies as well as at many contests and parades. A highlight of the year was a three-day trip to Detroit and Canada to march in the nationally televised Detroit Thanksgiving Day Parade. The Symphonic Band participated in a day-long field trip and clinic at IU. The Winter Guard performed a popular flag presentation at all home basketball games.

Mrs. Vicki Bubalo:
Freshman choir, Cadet
choir, Show choir, and
Varsity choir.

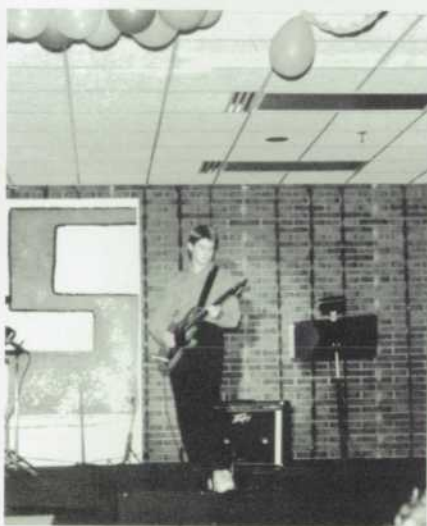

The school year was a successful one for the choral department. According to Mrs. Bubalo, "It's always difficult for the students to get used to a new director, but for the most part, things have worked out well." The first annual Madrigal Dinner was a huge success for the school and community. The choir is looking forward to next year's dinner and has begun making plans. The Pops Concert went well. Mrs. Bubalo said, "The kids did a great job pulling it all together." The crowd seemed to enjoy the music. The cast for the musical, HELLO DOLLY, was an excellent one. Mrs. Bubalo enjoyed working with the various departments on the project, and noted "Jasper High School has a large variety of musical programs to offer the school, unlike most other local schools."

Mrs. Bubalo prepares the class for a concert.

During the Pops Concert, Audra Lopez sings the song "I Do You."

Physical Education Dept.

Mr. Jerry Brewer — Physical Education 9, 10

Mrs. Pat Zehr — Physical Education 9, 10

Mrs. Gae Holtzman — Health, Advanced Lifesaving

Physical Education offered during the school year was taught by Mrs. Zehr and Mr. Brewer, Dept. Head. During the summer, a PE course was also offered. Activities included field trips to the Blue River for canoeing and to Patoka for a nature hike. A bike ride and a fitness walk were also scheduled.

Health class was a one-semester requirement for all Freshmen. Topics covered included fitness and heart disease, mental health, human sexuality, and substance abuse. Students asked questions and participated in discussion during each unit; the area of the most interest was the human sexuality unit, according to Mrs. Holtzman, teacher. Advanced Lifesaving was also part of the physical education curriculum.

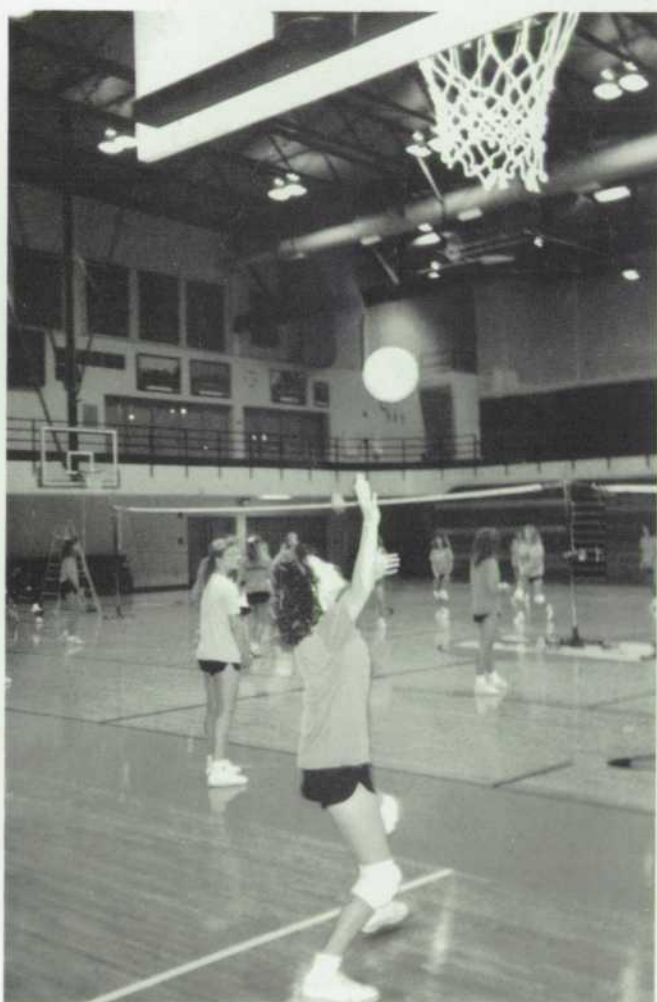

Mrs. Truesdale, substituting Ms. Zehr's gym class, waits with the students for the bell to ring.

The Year According to Mr. Hayes

Assistant Principal, Mr. Hayes shared his views on the school year. "I think that the discipline was about the same as last year," said Hayes. "The detention halls were full most of the year. Most of the cases were petty, such as tardies and indiscretion in behavior or language. Suspension was an occurrence. The main causes for it were skipping school, fights, and smoking violations. Next year there will be a possible \$500 fine and expulsion from school if the School Board bans smoking from school property."

"To some extent the students were lacking motivation," said Hayes about students' classroom work. "Students were not willing to learn and this made teachers frustrated because they sometimes did not turn in their work." However, Hayes continued, "In ISTEP results, Jasper was number one in the county and ranked in the top ten percent in the state." Mr. Hayes noted that he was proud of that accomplishment.

Mr. Hayes concluded by saying that it was a tough year, but "there were no major automobile accidents, thanks to the policeman on duty before and after school in the parking lot."
