*When looking back  
on the events  
of the year, many  
thoughts filled our minds.  
True friends,  
teachers, and fellow  
classmates all touched  
our lives  
in different ways.  
We have been molded  
by those who are around  
us. At times we seemed  
all too much alike. Over  
the past year, we  
discovered that each  
of us has special  
qualities that  
distinguish us from  
all the rest. It is with  
these characteristics  
that we are able  
to step up and  
EXPRESS ourselves.*

Freshman Abby Dawkins spends her mornings and afternoons swimming. Many students find that sports are a good way to express themselves while staying fit.

# RIVALRIES

## EXPRESSING OUR

Patty Hopf

Patty Hopf

Rivalries exist between friends, schools, and classes.

Whether it's dress up days, arm wrestling, or heading out to state, the competition never ends. Competitiveness played a big role at JHS, and all students felt it. The students found many great ways and lots of opportunities to express their rivalries through creative ideas. Their creativity showed through the hall decorating, the crazy and outrageous outfits, and the class homecoming floats.

# CREATIVITY

## EXPRESSING OUR

Our students expressed their creativity through different angles in attitude, style, or actions. Examples include different camera angles, mirror images, and unusual reflections. Seniors, faculty, and the entire student body had their own personality, facial expressions, and ideas about clothing and hair. They tried their best to set us apart from our competition. Each person singled out specific beliefs on many subjects, thus creating diversity within our school.

# LEADERSHIP

## EXPRESSING OUR

Debra Dauby

The ability to lead is not present in everyone. It takes strong, hard-working, and reliable people to take charge in everyday activities. Every club and organization needs a group of people to lead the way for all the members. National Honor Society president, Brooke Hartings, commented, "Being president of a club takes a lot out of you. You have so many more responsibilities." Although more work is involved in leading, being strong enough to withstand all the pressures is a great accomplishment and has many unseen rewards.

## EXPRESSING OUR

Fashion is defined by Webster as a common way of dressing, behaving, and decorating, or an interest that is considered up to date.

Fashion trends continue to change a little every year.

We have seen many trends come and go. Crimped hair, jean

jackets, silver hoop earrings, chain belts, and

colored jeans all made a comeback. Besides

the fads of the 80's, animal print clothing,

purses, and hair accessories became popular

among the classes.

# PERSONALITY

## EXPRESSING OUR

Madison Nedreberg

JHS students like to spend their off hours from school doing what they enjoy. These activities ranged from skiing to traveling to hunting, and helped shape us into who we are. Everyone has heard the old cliché, "You are what you eat," but in this case, you are what you do. Your activities and your passions express your personality. Matt McGovren had this to say about skiing. "I started teaching lessons at Paoli Peaks last year. I love it. I ski about three or four days a week. When I ski, I can't help but forget about everything else."

"In this picture, I am in Delphi, Greece. I have been to 13 different countries. Each and every trip that I have taken has provided me with awesome experiences, and memories that can only be experienced by traveling abroad. The places you can go and the things you can see are amazing." ~Laura Buehler

Spirit—catch it if you can! It was hard not to get excited about the many accomplishments of the students and teams. Students were seen with paint on their faces, and they dressed in crazy black and gold. Spirit was also shown by participating in spirit days organized by the Student Council. Western, 80's, camo, and crazy black and gold were just a few of the themes for these spirit days. During school pep rallies, stands were

While being crowned King and Queen, Hannah Woebkenberg and Jeff Braun experienced one of the biggest nights of their lives. Student Council members Amy Jo Koval and Brad Ward were chosen as the crowners for this magical night. Classes spent many hours with their floats. Themes went from "Beneath the Sea" to "Out in the Dog House." The Homecoming Court members were not the only ones in the spotlight, however. The Jasper Football team came out as the "king" of the game on this night of royalty.

# TALENTS

## EXPRESSING OUR

Larry LaGrange

The spring musical for 2001 was "No, No, Nanette." The performances held on March 1st, 2nd, and 4th were all well-attended. Ms. Stephanie Burns and Mrs. Luebbehusen co-directed the performance. The cast members, pit, lighting crew, and sound people attended many practices, which lasted two or three hours each. Mr. Robberts, Art Department Chairman, and students worked on painting the background scenes for added effect. In the end, everyone was pleased with the final performances. Students, faculty, and family members of the cast all agreed that it was a wonderful show of talent and enthusiasm.

Students at Jasper High School enjoyed themselves all year just hangin' out and dancing to some of their favorite songs. First, at the Welcome Freshmen Dance, upperclassmen showed their places and were crazy doing it. At the Halloween Dance, dressing up and having screaming contests made the room echo. Another memorable dance was the Snoball which was held at the Jasper Country Club. Everyone was decked out in their best attire. Crowned King and Queen were Scott Reckelhoff and Holly Meyer. An in-school dance was held in the gym as a part of

Winter Wipeout. Damein Schitter and Brad Ward were DJs. The last dance for the entire student body was the Spring Fling, sponsored by the Student Council. Going to dances brought friends together and allowed everyone to meet new people.

# ELEGANCE

## EXPRESSING OUR

Patty Hopf

Lights, pianos, bubbles, and a gazebo! All these unusual items were decorations used for the junior-senior prom held May 5th at the school. The cafeteria and upper level of the gym were decorated almost beyond recognition as juniors, seniors, and their dates came to enjoy an evening of pictures, food, dancing, and, of course, memories. Many students went out to eat at restaurants such as the Millhouse and Stoll's while others convinced their parents to cook for them and their friends at home. Preparation for the Prom included countless hours of set-up by the juniors and for most of the girls, a full day to actually get dressed. The dresses and hair styles were beautiful and original. The guys looked sophisticated in their well-pressed tuxedos. Everyone seemed to enjoy themselves while taking a night off from any other usual Saturday night.

Why would anyone want to stay at school until four in the morning? Post Prom, with the theme, "Mardi Gras," was a big hit on the night of May 5. Junior Cody Foster and senior Adam Schmidt were big winners, taking home \$1000 and a new computer system, respectively. Many other prizes were awarded, including a Play Station 2, TVs, VCRs, DVD Players, and other home appliances. Pie-throwing, grape-eating, sumo wrestling, volleyball, tug-of-war, and balloon shaving were among the favorite games. Post Prom was funded by the Parent Teacher Organization, and it was run by parents of JHS students.

# Class of

"This chapter of life will be complete." On the evening of May 25th, 2001, Reyne Padgett, valedictorian, told 212 graduating seniors that they would soon be moving forward. Shortly, they would be thrown into the real world. Most of the Class of 2001 has chosen to continue their education at a higher level. Some have chosen the military. A few are entering the work force. However, each one will carry the knowledge and memories received from the walls of JHS. These memories will help every individual in the future in some way. Now they must learn how to use these experiences to better their lives. Valedictorian Jeff Braun advised the senior class that, "Life is a road full of potholes...The road you choose is going to be bumpy, but don't let it bring you down."

During his Salutatorian Address, Tim Weisman stated, "We must thank the teachers and administration of this school. Thank you for your support, leadership, and guidance." None of the teachers at JHS will ever be forgotten. Some will be remembered for their unique style of teaching, their support emotionally to students, or their leadership as a coach. They have helped develop the immature children of the JMS and Holy Family Classes of 1997 into the mature young adults of the JHS Class of 2001. Valedictorian Rodney Scherle told the graduating seniors that, "Teachers have learned as much from us as we have learned from them." The members of the Class of 2001 have taught the teachers, the student body, and the community that even through many heartaches during their senior year, they can hold strong and lead the younger students to solid ground.

As graduation came to an end, many tears were shed. The Class of 2001 was about to end its reign at Jasper High School. Senior Speaker Paige Stradtner had the opportunity to leave the graduates with one last thought. "No day should be like any other. Live life with a purpose." Each member will go on to live very unique lives. Hannah Wuebkenberg ended her Valedictorian Address with a hope for her fellow classmates, "When your opportunity comes, I hope you dance!"

# CLASSES OF 2002

The class of 2002 demonstrated terrific spirit by having high attendance at pep sessions and dressing up for spirit days. We reached the peak of our success. Our Junior "upperclassman" status lifted us to high standards. Most of us took our SATS and started looking at colleges. Our athletes placed on varsity squads. We accomplished so much

through our homecoming float and parade for the football players. We also designed and decorated halls. We learned what our class can do, and we are ready for our senior year.

Each year the junior class raises money for prom. As in the past, this was accomplished by selling poinsettias before Christmas and softdrinks at the home basketball games. After deciding upon the theme, a "French Chatteau," and a committee of chairmen, the class diligently went to work. With the help of Mr. Joe Shelton, the juniors planned every detail. Everyone pulled together to make this year's prom an unforgettable success.

Jackie Schwenk listens intently as ideas for prom are discussed.

# JUNIORS

Having completed our sophomore year, we can say we've only accomplished a portion of our aspirations. We are now half way to the goal. Each moment we have shared this year will forever leave an imprint on us. After all, this is "the time of our lives." We have all come together as a class to accomplish great things. Whether it was building the homecoming float or participating in spirit days, our class has grown closer as a whole. The vast difference in personalities and

interests among our class makes us unique. Natalie Scherle, Class President, commented, "Our class has gotten close this year. We have learned to support each other and finish what needs to get done"

# CLASSES OF 2004

The freshmen dealt with the trials of everyday high school life, quickly adjusting to the new building. We proved ourselves in many ways. Not only were we successful in academics and sports, but we also managed to show school spirit and originality. To show spirit we built a float, decorated halls, and participated in dress-up days. But no matter what, we will always remember the good times, the bad times, the friends, the parties, and our classmates, all of which made our freshman year so memorable. To sum up our freshman

year at JHS, Class President Tara Vandeventer commented, "Our class has done a great job adjusting to high school. I think our class will continue to grow closer and become more spirited as the years go by."

# Administrative Transition

After being principal of Jasper High School for seven and a half years, Mr. Robert Johnson accepted a superintendent's position at the Southeast Dubois School Corporation. He taught United States Government for 21 years at Jasper High School after receiving degrees from Oakland City and Indiana State University. He was then offered the principal's position and accepted. Mr. Johnson felt that the best part about being

principal was working with staff as well as youth and having the opportunity to hire new staff and supporting the educational efforts of existing staff. He hopes to be remembered at Jasper High School as a person who cared deeply for people and did his best to promote the success of JHS.

He is thoroughly enjoying his new position and says he will always remember the great relationships he enjoyed with the people in Jasper.

*Copy by Tracey Weisheit*

Mr. Jerald Roberts took over as principal of Jasper High School on December 4, 2000, and new programs began to take shape. Mr. Roberts was vice principal for five years before applying for his current position. His visions for JHS include continuing to be a premiere school in Indiana, maintaining academic excellence, providing more opportunities for learning, and for school to be a safe haven for all students. He looks to provide more diversity and acceptance. Mr. Roberts looks forward to his years at Jasper High School.

*Copy by Kelly Hedinger*

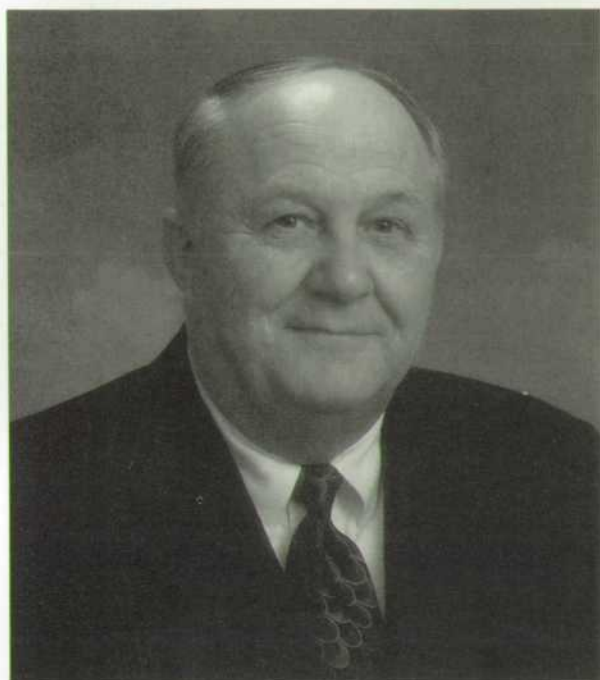

Mr. Dan Scherry was vice principal of Jasper Middle School for two years before making a leap to the high school level. At first he was uneasy about the change in students' age and maturity, but soon after his arrival he was seen socializing with faculty, staff, and students on a daily basis. When speaking about his future visions of JHS, Mr. Scherry stated that he wants all students and staff to truly want to be here. He would like to work on new programs and opportunities. Mr. Scherry truly cares about everyone who enters JHS, and he is excited to start school each day.

# Farewell Mr. Brewer

Mr. Jerry Brewer taught for 42 years at Jasper High School before deciding to retire. He taught physical education and English during his years here. His favorite part of teaching was being around youth everyday. He enjoys teaching, but he feels that it is time for him to move on.

Having graduated from Western Kentucky University, Mr. Brewer said that he decided to come to Indiana because he wanted to increase the knowledge of Indiana's students. He also said that he wanted to share old Kentucky proverbs with students in Indiana.

After retiring, Mr. Brewer plans on spending his time playing golf

while still being actively involved in JHS Football. The School Board of the Greater Jasper School Corporation granted Mr. Brewer two additional years of coaching football even though he will no longer be employed as a teacher. This is a great testimonial to his abilities as a coach, because this will only be the second time that anyone other than a faculty member has been allowed to coach a boy's sport.

"LINE UP, YOU KNUCKLEHEADS!" Mr. Brewer will always be remembered by students for many reasons, but probably most of all for his unique ways of getting their attention. The whistling in the halls and his humorous attempts to speak foreign languages will be remembered by students and faculty for many years. He says that he will miss most the socializing, laughing, and gossiping of everyday school life.

Mr. Brewer has always respected the great connection between students and faculty. Even though he may be leaving the halls of JHS as a teacher, he will still be with the students as the Jasper High School football team coach.

# Our Leadership

By Kelly Hedinger

Robert McCarty

The administration, principals, guidance counselors, and secretaries did many more jobs than anyone could have imagined. Everyday hundreds of students entered the doors of the main office with questions, concerns, and requests. Mrs. Kendall worked on recording every absence and illness to make sure that every student was accounted for. Mrs. Brandt and Mrs. Egler performed secretarial duties for Mr. Roberts and Mr. Scherry. In the guidance office, Mrs. Morrison, Mr. Well, and Mrs. Schum guided students with advice about tests, college, and their futures. Together these people helped keep our school running smoothly.

# Takin' Care of Things

By Nona Capps

Andrea Capps

Many students did not spend their study halls sleeping; they spent the hour working in one of the many special offices around the building. The Athletic Office sold tickets to all sporting events and took care of the athletes' needs. The nurse's office and Teen Wellness Center were always there when students felt ill during class or just wanted someone to talk to. The bookstore, which sold everything from rulers to notebooks, was available for all students during the entire school day. All needs were met by these special offices during school.

New technology was successfully installed and a new system was created for faster research. Each student and many teachers received a different number and password to compensate for the new technology. In the lunchroom a new computer system was developed for quicker paced lines, so students could make the most of their lunch time. The aides in the library and AV room assisted students in any way that they could. The library provided a quick and easy place to do extensive research.

# The Big Stuff

By Nona Capps

Students in English did more than just read books and learn about sentence structure. Seniors in Mrs. Fromme's British Literature classes took part in the Shakespearean Festival in December and Poetry Alive performances in April. Sophomores participated in Roman Day festivities, and freshmen created poetry binders. Juniors read novels including Across Five Aprils, The Jungle, and Of Mice and Men. Juniors in Mrs. Hendrickson's class competed in debates. The activities done in English were educational, yet allowed students to explore their more creative sides.

Learning the area of a triangle, figuring a tough math induction problem, and examining a difficult equation were some challenges math students faced. Many activities filled the math hallway, including shape experiments by Mr. Menke's classes, and name graphing in the algebra classes. The AP Calculus class and some Pre-Calculus students took a field trip to Crane for a knowledgeable and fun-filled day. The math contest AMC-12 was won by Kyle Krust, and AMC-10 was won by Cora Newsom.

## SCIENCE

The Science Department underwent many expansions to adequately house all the classes needed. Mr. Mauck taught his Biology classes in the middle area between the science classrooms, while Mr. Burke taught his physics classes in the Business Department. In Mr. Stenfrenagel's Advanced Biology classes, the students examined and dissected the frog to show its muscles, circulatory system, and digestive system. Explosions were made in chemistry classes taught by Mrs. Theising and Mr. Noblitt. In Mr. Abell's physics classes, some experiments were done with light and the diversions and conversions of rays and also with electrostatics. These activities helped the Science Department have a fun and exciting year.

With the invention and improvement of new technology, the Business Department at JHS is constantly changing. Students learned basic typing and computer skills in keyboarding classes. Accounting students were taught bookkeeping and computational skills. A new class, entrepreneurship, was also added to the department. Aspiring entrepreneurs who enrolled in this class were taught the necessities, advantages, and disadvantages of owning a small business.

## FOREIGN LANGUAGE

# Say What?

By Nona Capps

The Foreign Language Department has grown significantly since its beginning. Two Japanese classes were taught at JHS for the first time. All language classes participated in Foreign Language Week. During this week, a poster contest was held, a question of the day was asked, and French students set up an art gallery outside of their classroom. Paige Stradtner was the first prize winner of the poster contest held during the week. Kim Ballard won 2nd place and Jessica Wilson was 3rd. Students expanded their knowledge not only through languages, but through cultural activities as well.

# Individual and Creative

By Kelly Hedinger

Kelly Hedinger

Sketching a picture, creating a ceramic bowl, and sculpting a statue can all be done in an art class. In printmaking, linoleum prints and monoprints were made. Watercolor works were created in Mr. Robbins' class. Students could take an independent study and design a course themselves. These projects ranged from wood sculpture to drawing the human body. Introduction to Art students learned the skills necessary to advance to more specific art classes, such as ceramics or textiles and crafts. The Art Department saw 27% of the student body each day, and many students several times a day.

Miss Buell, the newest addition to the Art Department, learns a couple of tricks about the oxyacetylene tank from Mr. Robbins.

BAND

# In Tune

The marching Wildcats celebrated their eleventh appearance and a second place finish at State Finals. They tied with long-time rival, Northview High School, in the RCA Dome on October 21, 2000. Members of the band also participated in many honor bands, Solo and Ensemble contests, and various concerts. Jasper had the most students in the state selected to the All-State Band and Orchestra. The Concert and Symphonic Bands also participated in contests, including State Finals for the Symphonic Band. Both bands received a Division I rating. Because of the hard work and dedication of students and directors, all areas of the band program have continued to grow each year.

## TECHNOLOGY AND AGRICULTURE

# The Workshop

By Nona Capps

The sounds of saws and hammers were constantly buzzing in the Technology Department. The manufacturing processes had two major projects. Students in this class made a small sledge hammer and a hatchet out of scrap metal. Manufacturing systems classes made CD cabinets and candy dispensers out of several types of wood. Transportation system students rebuilt a small engine and transportation processes students improved their vehicle maintenance skills. These projects will definitely help the students with their future careers.

# The Real World

By Nona Capps

School-to-work was a very popular class among seniors. It gave students the opportunity to venture out into the real world and experience jobs firsthand. HOSA helped students who were interested in medicine learn more about the field. Advanced HOSA students traveled to Memorial Hospital to see medicine in action with professional doctors. These classes benefited students in their searches for careers.

Learning positive educational skills and motor skills were only a part of the Special Needs Curriculum. Students in this program worked to expand their knowledge in certain subjects. Some of these students chose to participate in the ICE Program. This is the equivalent of School-to-Work. They go to job sites and learn important skills that they will need to join the work force.

Jasper Engine Exchange personnel Jason Nord helps the Special Needs class in picking careers that the students are interested in.

Each year, Mr. Larry LaGrange's journalism class produces a school newspaper titled the Comet. Despite a few setbacks with technology, each issue of the Comet turned out to be great. The staff of seven to nine people met every day to take pictures, write captions and stories, and finally to computer generate it all.

Every Wednesday from 3-5 P.M., the "J" Staff, advised by Mrs. Debra Dauby, could be found planning, cropping pictures, and writing captions for the yearbook. Each member of the staff took a section and completed it until about May when the finished product began to take shape. A few staffers came during the summer to wrap up loose ends and prepare for the fall arrival of the completed book.

SADD had one goal in mind. It was to keep the JHS staff and student body alive. They had Red and Black Ribbon weeks to keep students from drinking and driving and to discourage against destructive decisions. During the ribbon weeks they read stories and had hat and shorts days, and even sponsored Kelly Craig to speak to the entire student body. SADD members worked hard and accomplished their immediate goal.

Through monthly trips to third grade classrooms, the All-Stars were able to promote good health and discourage drugs, alcohol, and tobacco. Their first task was to attend leadership training at the Jasper Learning Center, and then it was off to the classroom to teach what they learned. The finale of the year was "All Star for a Day" which proved to be very successful and fun without destructive substances.

"The reward of one service is the desire to do another." This quote was displayed proudly on the backs of the Key Club T-shirts this year. It summed up the club and its purpose very well. Key Club, very simply, was a group of dedicated students who banded together to complete projects like collecting for victims of IDD, having a toy drive for needy kids, cleaning up a highway, painting pumpkins for local nursing homes, collecting money for the Heartwalk, and much more. The members of this club proved that there are teens who care about their school, community, and others.

Following their induction ceremony in early October, the Art Club became very active. They held an overnight activity in the JHS art room where they attempted to marbelize paper so that they could sell their projects and calendars illustrated with student artwork for the year 2001. The Art Club ended the year by donating three plaques and a wood cutting machine to the Art Department.

A stew of stories, a jumble of jokes, a collection of conversation, and a pocketful of poetry... in layman's terms, the Literary Club. Discussing, debating, and analyzing literature was what drew the members of the group to each meeting. Pleasure out of reading? In this day and age? What about the Internet? Wouldn't the members rather be watching television? No, the simple joy of putting oneself in the shoes of an author and taking a walk in them was enough.

Precision, determination, concentration. These are all qualities that each member of the chess club possessed. They met each week to share their enjoyment of the game of chess. Everyone has heard the frightening opinion that someday an explanation might have to be given to our great grandkids of what a tree was. Several students at JHS have attempted to treat the earth as it deserves to be treated, and they formed a group called the Environmental Club. Thanks to the group, trees were planted, magazine drives were completed, and multiple recycling bins were placed in and around the cafeteria.

# SPIKE ONE OVER

BY ANDREA HEDINGER

Developing as a team and excelling at teamwork were two goals the JV and Freshman volleyball teams set and strived to reach. Both teams had successful and outstanding seasons with numerous strong points to build on. Freshman Coach Joni Buell commented that the strong point of the freshman team was its desire to be the best and work hard to get there. Coach Liz Milligan added that the JV team had a rebuilding year after numerous players got called to varsity, and freshman members were added to JV. Spirit was high for the 2000 Jasper Varsity Volleyball team. Not only did the girls have a great regular season, but they also topped it off with a sectional win and an advancement to regionals. With senior Beth Stork and juniors Jennifer Hohl, Tracy Bailey, Holly Lagenour, Anden Mehringer, and Stephanie Vogt leading the way, the girls worked very well together as a team. The boys' Cross Country team had a very eventful year. They started the season by setting some goals like doing well in Conference. They also wanted to win Sectional and to qualify in Regionals. The Sectional line-up was tough, but they finished at a close 4th. They had outstanding 1st and 2nd place finishes from Matt Rasche and Daniel Clem. All in all, Coach Stenftenagel said that the program has come a long way since he took over six years ago, and this was one of his most successful seasons yet.

The girls' Cross Country team faired well this season. They finished with a placing of third in conference and sixth in sectional. According to Coach Stenftenagel, the team had a great attitude, and supported each other throughout the season. He also said that placing 3rd in the conference was the best meet of their season. Seniors Nicole Lesko, Brooke Hartings, Paige Stradtner, and Bessie DeWitt made the year enjoyable and will be missed next year. Besides senior members, Coach Stenftenagel felt that Holly Meyer, Emily Wehr, and Amy Jordan deserved special recognition for their hard work and talent.

Being crowned Big Eight Champs and being victorious in the first ever sectional in Sullivan was quite an accomplishment. The season concluded with a sixth place finish at regional. With high expectations in their minds, the boys' tennis players advanced to state once again. Senior captains Jeff Braun, Chris Recker, Ross Schitter, and Mark Seger led the team through their exceptional year. In fact, Jeff and Mark became First Team All-State Doubles winners, and Ross became First All-State Singles. Honorable mentions were also given to John Gramelspacher and Kevin Flannagan for All-State Doubles. # SHARED SUPPORT

BY ANDREA CAPPS

The boys' Freshman and JV basketball team had a very good year. By the end of the season, they had accomplished many of the goals they had set in the beginning, such as working hard, having fun, and improving. Coach Ahlbrand said that he was pleasantly surprised by the JV team's success, and he felt the team overachieved and was a joy to coach. Coach Mauck commented that the entire freshman team improved every day, from the first to the very last. The improvement in defense was seen as an accomplishment since the saying for the freshman team was "Defense Wins Championships."

Expecting the unexpected is exactly what occurred with the boys' Basketball team. These young men went from a 6-8 record to 13-11. Not only that, they also became the sectional champs. Coach Tim LaGrange commented, "We really improved throughout the season more than any other team I have ever been associated with."

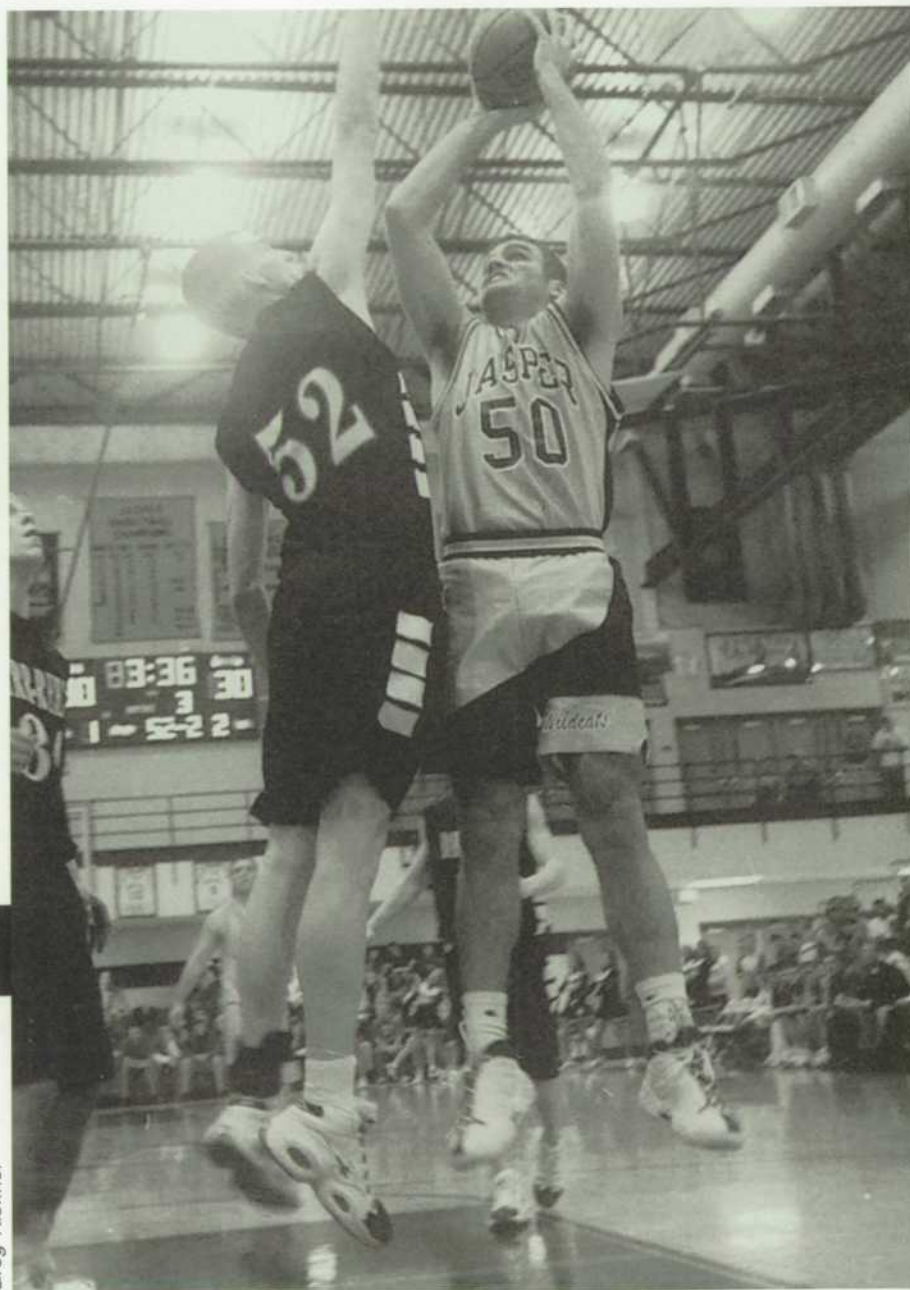

It was the intense leadership shown by the seniors that pulled the team together, however. Despite their rough start, these young men proved to be champions.

Throughout the numerous peaks and valleys during the JV season, each player came through the year with better comprehension of the game of baseball. Whether a player was a starter or a reserve, he improved individually and as a team player. The sophomore class showed tremendous team spirit while keeping the team on track. # WHO SAYS THEY PLAY LIKE GIRLS

BY JENNIFER BINKLEY

The girls' Softball team had its second season ever to have a winning record. Seniors Brooke Hartings, Jamie Kunkel, Alana Detzer, Katie Dilger, Beth Stork, and Nicole Lesko were all team captains. According to Coach Geoff Mauck, "They all showed strong leadership by actions, not words." Throughout the season, the girls all worked to improve while having fun. Because of all the sweat, practice, and determination, the girls won their first-ever second place finish in conference. They had an excellent season and accomplished many personal as well as team goals.

Senior Alana Detzer anticipates a play at third.

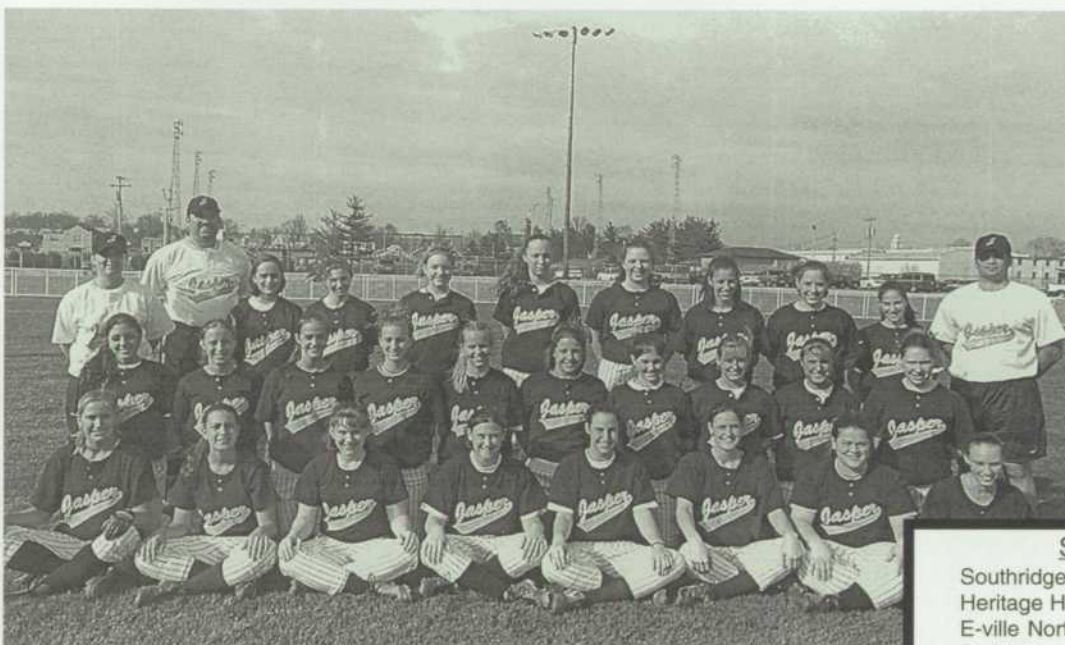

Pitching for the varsity team, Sophomore Stephanie Stallwood cocks her arm to deliver an outstanding pitch.

Going for the double play, Dara Scraper throws the ball to first base.

The boys' track team accomplished another steady season with pure determination. Not only did the team excel as a whole, but individuals did also. The team showed desire when they needed it the most. Above all, their attitude had a bearing on their success. That attitude helped them achieve a respectable 2nd place in the Big 8 Conference and a ride to Regionals. The team had a great season ending the year with the second consecutive sectional win.

Jumping swiftly, Luke Musselwhite nears the end of the race.

Matt Rasche concentrates on keeping his lead. Matt was awarded the boys' mental attitude winner at the end of the year for always doing his best.

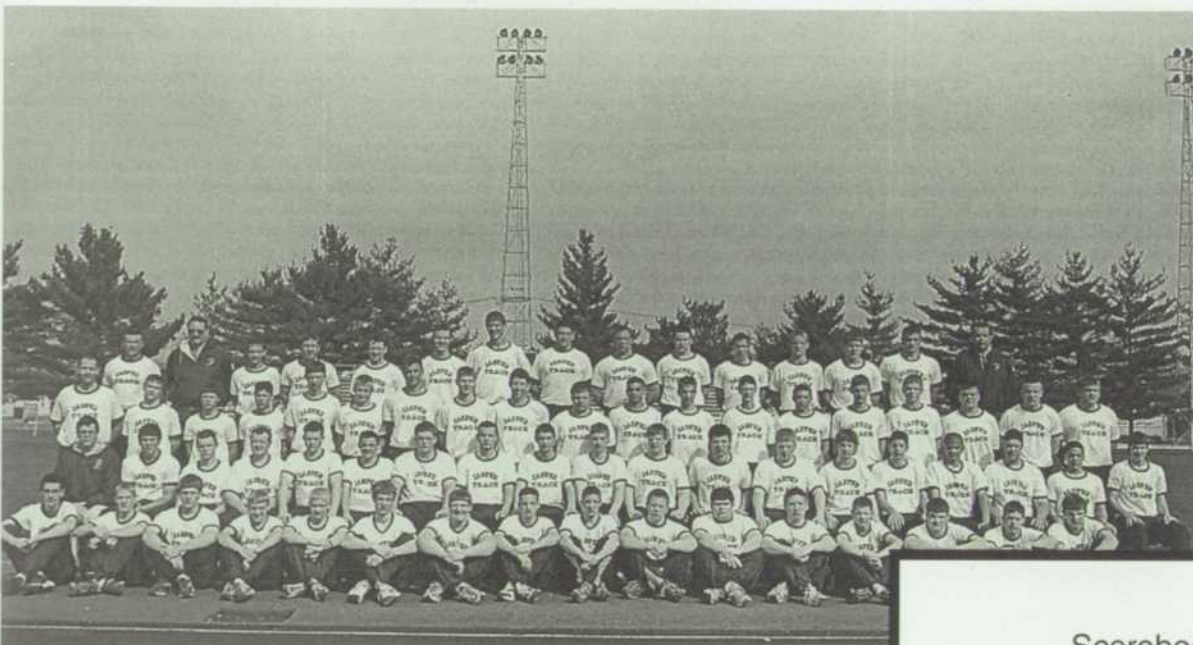

With grace and ease, Josh Link lands in the long jump pit.

# MENTAL TOUGHNESS

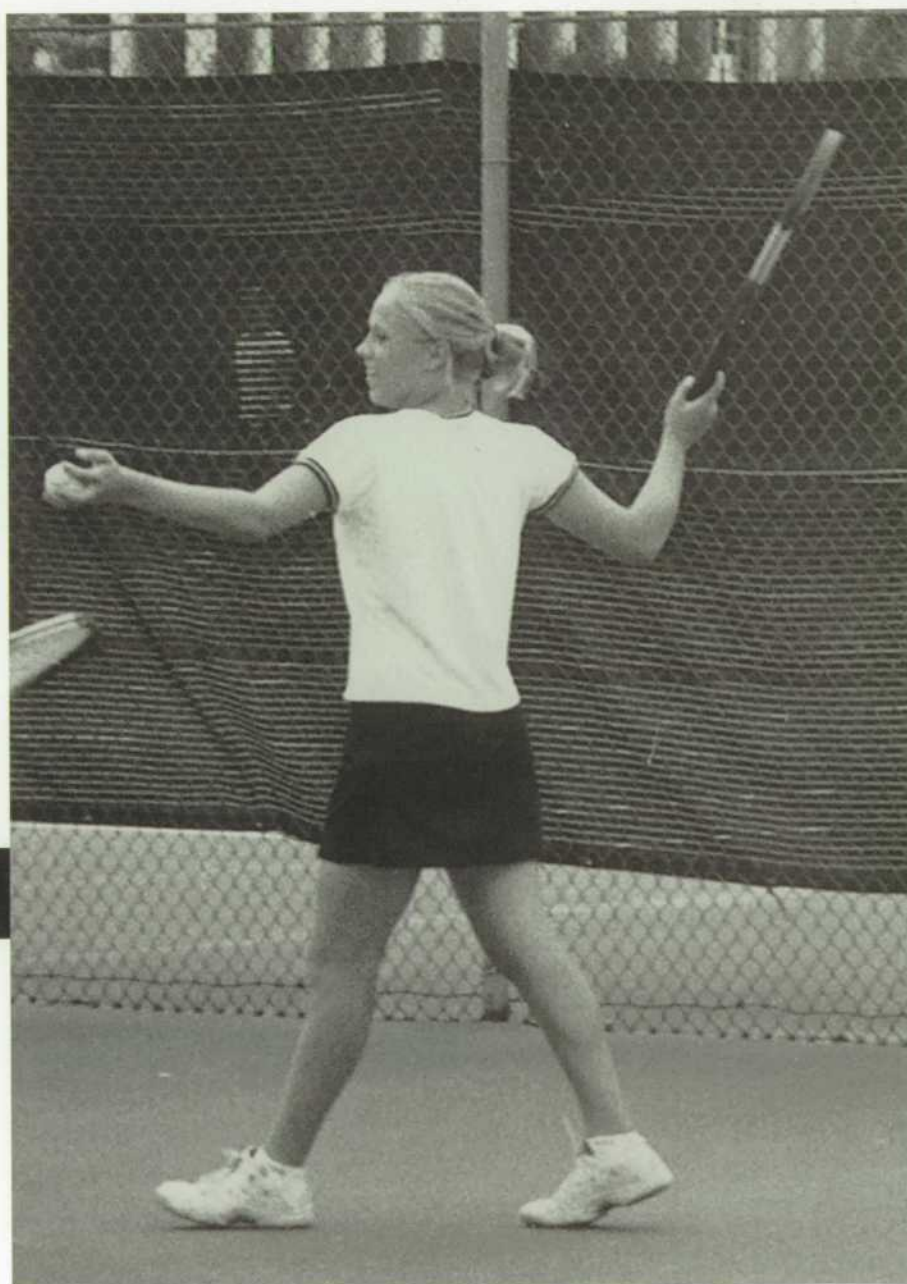

BY ANDREA CAPPS

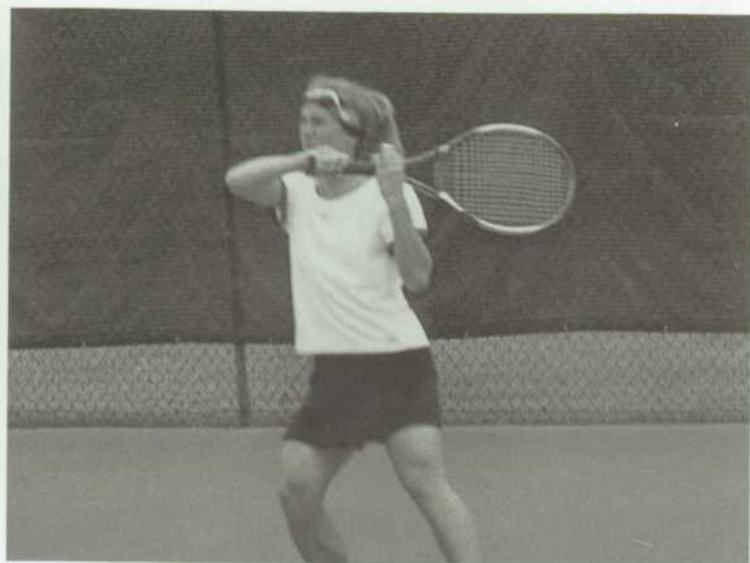

The girls' tennis team had a very good year. They opened the season by setting some goals. They wanted to defend their regional championship, beat Vincennes in conference, beat THS in semi-state, and go to state finals. They accomplished all but beating THS and going to state. Coach Yarbrough said the leaders were seniors Tami Williams and Audra Mattingly. They led very well showing enthusiasm and creating team togetherness. The team developed well and surpassed many expectations. Audra Mattingly and Jeannie Hartley even placed third in the state finals and were selected 1st Team All-State Doubles. Mallory Stemle was selected for the 2nd Team All-State Singles. Coach Yarbrough was pleased with the girls' exceptional progress as they finished an undefeated season and developed into a top 5 team.

Kelsey Norris walks confidently towards the court before her match.

Emily Krodel works to perfect her serve.

Audra Bartelt practices to prepare for her match.

BY JACKIE HANSEN

Supporting the football and basketball teams, along with boosting up the student body at pep rallies, were just a couple of the tasks performed by the cheerleaders. During Christmas break these ladies traveled to Texas for the National Championship. When they returned to school, they were sporting their new championship jackets. Their hard work, dedication, and long hours paid off as they brought home their prized trophy. To commemorate their successful job, the mayor of Jasper declared January 5, 2001, National Championship Day.

Freshmen Alysia Small and Ashley Anderson show their love for cheerleading.

*A year-long project...*

*A business...*

*A full-time job...*

*A memory...*

*A story...*

*A passion...*

*Creating a yearbook may not be like winning a State Championship. There is no First Place to be won.*

*Capturing an entire year in one book may not bring a staff fame and glory. There is no Recognition to attain.*

*Yearbook is a desire. Each of the members of this staff had the Desire to create a book full of memories for the entire student body.*

*To the 2001 "J" Staff- Thank you for having the Dedication needed to finish this enormous project. All your efforts are greatly appreciated.*
