STUDENT LIFE

" Nothing great was ever achieved without enthusiasm."

-Ralph Waldo Emerson

Charlotte Olson poses for a shot up in 'her tower' during Rapunzel.

Kurt Lechner and Katie Letterman perform during the Christmas pageant.

Shayln Grow and Kurt Lechner rehearse for Rapunzel.

Shayln Grow and Charlotte Olson rehearse "I whip my hair" for the musical Rapunzel.

Bottom Right: The theater department puts a lot of time and effort into making all their dances perfect.

Drama, Drama, Drama

Below: Anicia Ashby strikes a pose while playing Santa during the Christmas pageant.

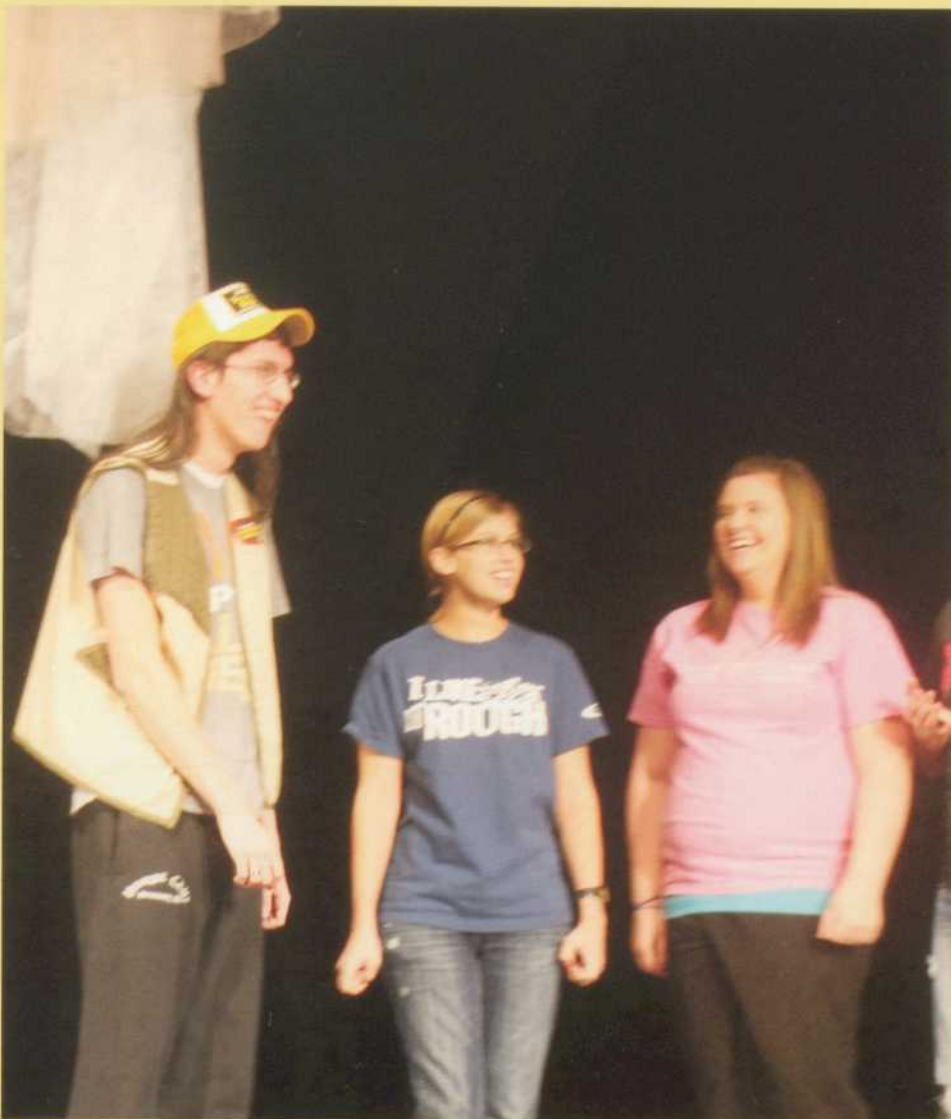

The cast of Rapunzel poses for a picture during a break while rehearsing for the show.

Kurt Lechner poses for a picture while rehearsing for a musical.

This year's drama program put on a variety of plays and musicals. They included: Alice in Wonderland, A Christmas Survival Guide, Rapunzel, Back to the 80's, and the annual Oscars award banquet. People think that drama is what you are born into, but it's not. These people put a lot of time and hard work into rehearsals and trying to make everything right before show time. They usually start working on the shows about two months before they are to go on stage in front of family and friends. Good job this year theater!

The iPad was released in April of 2010. Although only a few students are owners, everyone would like to get their hands on one.

This school year, sandals like the one to the right have become very popular due to the fact we can't wear regular "flip flops."

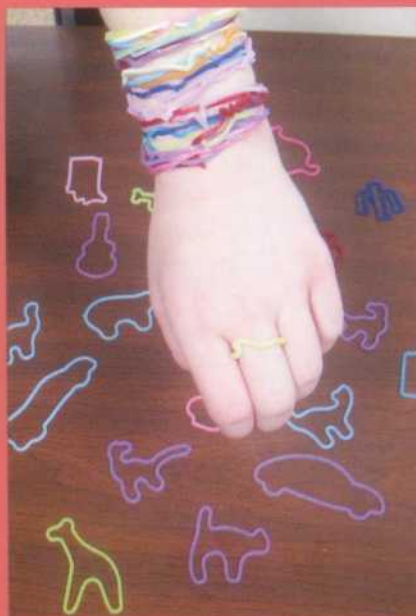

The flannels of the early 90s are definitely back in style and considered to be an "in" in 2010. Our model at the left is Greg Hopkins (11).

The Cabby O'Neill Gym was reopened to the public in 2010, and many basketball teams around have been making great use out of it.

Trends in 2010

Silly bands were the "in" thing for many teens and kids during the 2010 year.

Facebook became more popular within the last year or so with the release of the movie "The Social Network" which shows how the website was founded.

The TV show Jersey Shore became extremely popular to teens and young adults this year with its drama and action.

Every year, new trends are in, and the old are forgotten. Be it fashion or the latest people, the latest "in" things are definitely the way to go.

Extreme school spirit was in this year with motivation from our principal, Mr. Hacker. (Left)

"It's a pillow. It's a pet. It's a pillow pet!" Pillow pets have become more and more popular throughout 2010.

Collections

Ashten Neukam

Ashten (12) got her first spoon when she was 2, from her parents when they went to Las Vegas. Her goal is to get a spoon from every state. Her favorite spoon is her Las Vegas one. She has spoons from most of the 50 states as well as from three foreign countries.

Maris Meyer

Maris (11) has been collecting Pokemon cards since 1999, when they were first becoming popular. Most of her cards are from the early 2000s. All of the cards are in good condition. She has over 10,000 different cards, and her collection is still growing.

Jayd Durcholz

Jayd (12) has been collecting penguins for about 10 years. She has about 60 different ones, which consist of many porcelain, glass, and wooden ones along with stuffed ones. She started collecting when her mom gave her one for Christmas when she was 7. She has been collecting ever since and plans to make it grow in years to come.

Taylor Schulte

Taylor (11) has a Hot Wheel collection of 50+ cars. She has been gathering them over the years since she was 5 years old. The collection contains an array of classic to modern model cars. She hopes to continue her assortment in the years to come and watch it grow into something as big as she can make it.

Many of our students have interesting collections and hobbies that most people just don't know about. Below are just a few of the things JHS students participate in.

Hobbies

Maria Krempf

Maria (12) started snow boarding when she was 11, and she plans to be doing it for a long time. She usually goes to Paoli Peaks, but she loves going on their annual snow boarding trip to Colorado. She plans on going to Colorado for college, making it easier to snow board more often on the mountains.

Jillian Brant

Jillian (12) has been into dirt bikes her entire life and has grown up riding one since she was about 10. She is currently training to race in motocross competitions throughout the summer. She also plans to keep this as a big hobby to last the rest of her life. Jillian has had 5 different bikes over the years and she plans on having more through out the rest of her life.

Eli Ring

Eli (12) has been drawing and sketching for his entire life. He has never taken an art class. His masterpieces are usually made with just paper and pencil. Last year, he designed the front cover of the JHS yearbook. He doesn't plan on expanding his talent to anything more than a hobby, but you never know!

Chase Braun

Chase (12) was always interested in and loved watching ice skating since he was young, and he finally decided to try it when he was in 8th grade and he has been in love ever since. He plans on skating in college for the University of Kentucky and he hopes to compete on an international level one day.

Lieanda Lasher (10) folds a t-shirt after someone has tried it on. She works at Elder Beerman. "The easy part of the job is folding the shirts."

Carla Cortez (Bottom, 12) is a hostess at Los Bravos. Carla uses the computer to print out the receipts of the customers.

Work, Work, MONEY!

Cassie Miller (11) is a cashier at Wal-Mart. She checks out many people every day, and she always puts on a smile. "Providing friendly service is an important part of this job."

Natalie Beck (11) is employed at Maurices. She is busy at work, checking out customers. Natalie also provides customer service and hangs up clothes. Sometimes she puts out new clothes, which means having to change the store around.

Peaches Cress (9) has a job at McDonalds. She takes many orders from customers each and everyday.

"Smiling brings a smile to everyone at McDonalds."

Logan Musgrave (12) is employed at Save-A-Lot. He does a lot at work including restocking items, checking out customers, and cleaning.

"Stocking items is my favorite part of the job."

Cassie Miller, Erika Klueh, Annie Steftenagle, Miranda Terwiske, Samantha Capeheart, Jenna Cushman, Natasha Schnell, Dacia Grey, Mallory Humbert, Andrew Carroll, Logan Rademacher, Veronica Voegerl, Michael Flynn, Lauren Luegers, Jack Fleck, Shawn Siefert, Ali Schitter, Morgan Schwenk, Logan Grammer, Kristen Bredhold, Nick Combs, Sammy Bredhild, Jonathan Kreilein, Rachel Steftengle, Mallory Alles, Tommy Craven, John Fierst, Nakia Laubscher, Abby Keusch

We Want Fun

(Right) Seniors, Will Disinger, Jay Newell, Grant Huebner, Heath Hanselman, and Kody Nicholson get crazy and pump up the student section to bring home a Jasper victory.

The student section was definitely filled at the beach-themed homecoming game.

Nick Wehr dresses in black during a home basketball game for blackout theme.

Kaleb Chambers, Alex Hawkins, and Heath Hanselman lead the student section into a football game. Known as "Team Tailgate", the senior students organized a tailgate that had soon turned into a regular event. Alex Hawkins, a senior and organizer of Team Tailgate says, "It was just a group of rowdy high-schoolers that wanted to mess things up and get crazy at the games." JHS students pre-gamed by playing corn hole, grilling burgers, dressing up in crazy outfits, and preparing their spirit for the upcoming game. "The kids always showed up at the games and expressed good school spirit," said senior Will Disinger. Grant Huebner adds, "We always had a good time at the games. We always took dressing up to a new level, and we never lost a tailgate."

Joseph Fischer and Alex Hawkins get together for a picture during a basketball game.

Alex Hawkins, Maria Krempp, and Emily Gress show their support for Nick Wehr at a soccer game.

Jesse Lasher and Caleb Williams prepare for the football game by painting themselves in gold.

A group of senior girls get together before the Heritage Hills vs. Jasper football game dressed up in their holiday attire.

Spirit Brings Us Together

(Below) Ben Mundy gives a high five to the Jasper Wildcat during a soccer game.

Basketball Homecoming

This year, Daniel Jenkins (12) and Jordan Waldron (12) were crowned basketball homecoming king and queen.

Alyssa Wagner (12) and Casey Nelson (12) were the 2011 homecoming crowners.

Basketball homecoming is always an exciting event for any school. It's a chance to recognize our athletes as well as our student body. The game is always more exciting than usual as the crowd cheers and awaits the crowning of the new king and queen. This year, the Interlude Dance was introduced and performed by the student cheering section. It is

considered the 2011 senior legacy. As homecoming comes and goes, the memories made will never be forgotten.

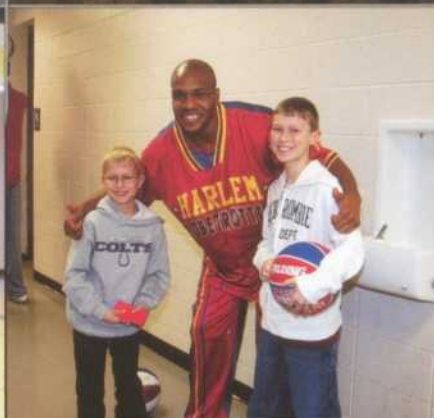

Mr. Al Schuler stands in reverence to his military branch during the annual Veterans Day Program.

A Harlem Globetrotter takes some time before the game to sign a ball and pose for a quick picture.

Convocations

The Globe Trotters (below) entertained the community at the JHS gymnasium this year.

Mr. Hacker presented Mr. Delmar Vonderheide his high school diploma. The Department of Education granted schools the authority to award veterans a high school diploma for their GED work. Mr. Vonderheide was supposed to graduate in 1950. However, he was the very first, as well as very honored, 2011 Jasper High School graduate.

Sarah Panzau informed us of her inspirational yet heart-wrenching experience of the consequences of alcohol consumption while driving.

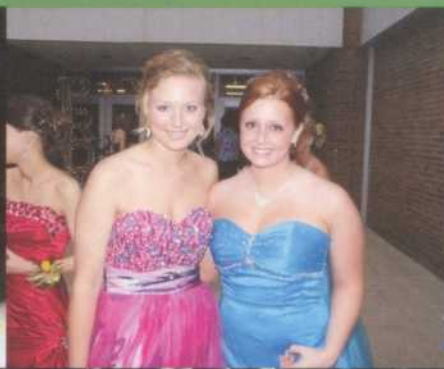

Whether it be for educational purposes, inspirational objectives, or honoring our veterans and alumni, convocations are a major part of the JHS school year. Each year there are several programs aimed at changing the lives of our students. As a tradition at Jasper High School, there is always a Veterans Day Program that recognizes our local veterans for their time and services in the U.S. Military.

Charlotte Olson and Taylor Schulte take a picture together during the prom.

Mallory Alles and Abby Harlin stop for a picture together before going into the prom.

Franzi, Allison Neuhoft, and Brie Kuntz decide to take a picture with each other before leaving to go to the post prom.

Caillin Powell and Mary Bingle pause to take a picture with Mrs. Hopkins before entering the prom.

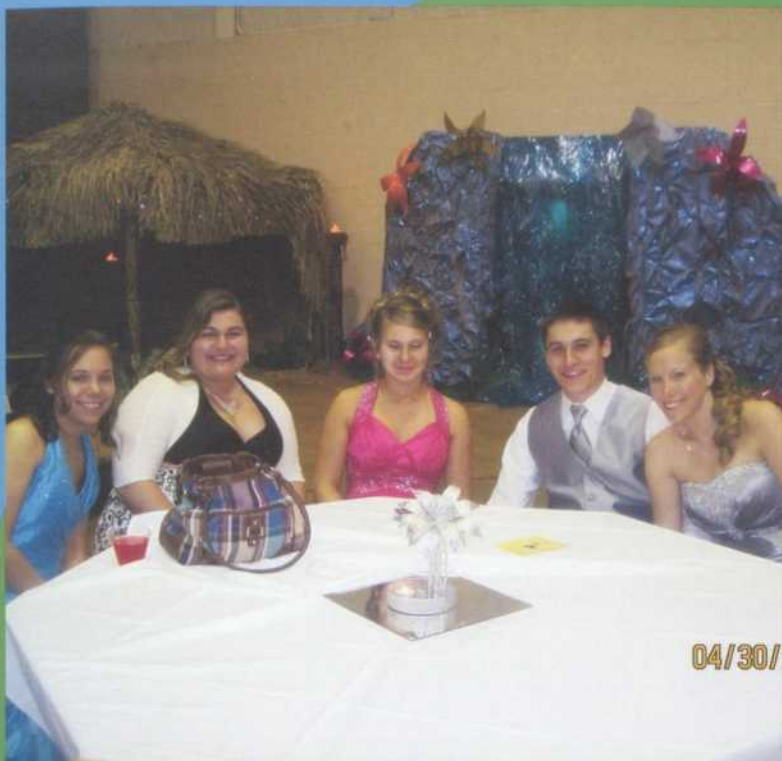

Come Down to Cabo

The Prom King and Queen were Wayne Murry and Taylor Knies.

The Prom Prince and Princess were Austin Blessinger and Shelby Mullen.

Jillian Brant, Brielle Robinson, Theresa Goeppner, Kyle Neuhoff, and Kimberly Gootee all sit around and enjoy each others company on this special night!

Taylor Hoffman and Andy Smith take a picture together before the prom started.

Prom! The tradition of "the prom" has been held for decades, and will probably always be. Every year millions of high school students get dressed in their best and go out for a night of dancing, fun, and making a lot of memories! This year the prom theme was tropical, or "Come Down to Cabo." Prom will hopefully remain a Jasper High School tradition for many years to come.

Friends chose to get married at the Little Vegas Chapel where you can dress up as a bride and groom!

Charlotte Olson, Stephanie Weinzapfel and Kelie Rihm dress up as indians for the wild wild west theme.

Connor Valuch attempts to keep him and others entertained at post prom.

Some post-prom goers enjoyed getting "eloped" at the Little Vegas Chapel hut!

Yee-haw!

Post-Prom

In the gym was a game where you drop a ball and hope it lands in a good spot to earn cash!

At post prom students enjoyed various activities. Tables were set up with Dealer's Choice card games. Playing games got students paper money they could use to get tickets for prizes at the end of the night.

Some students participated in the game where money blows around the box and the student has to pick up as much as they can.

"Cowboy (or girl) up!" This year, the theme of our post-prom was "Wild Wild West". Every post prom attendee received a scarf from Mr. Hacker while entering the post, and the night was an enjoyable and eventful one. I think everyone is thankful it was a fun and safe evening, and we are extremely thankful and glad the devastation of the gymnasium roof collapsing did not happen while we were enjoying our night at post. We are thankful we got to enjoy the last prom and post-prom in our JHS gymnasium that we've had since 1978. We are thankful and will be every day to have our lives and the memories from our gym.

As we move forward, technology makes a big impact on our world. The ever changing faces of entertainment seem to change daily. Just take a look at iPods, iPhones, Kindles and tvs.

"It was really sweet to see everyone actually get into the dance," said Alec Rominger. "And everyone knows you only clap if you're feeling it, but you feel it every time." The student section was encouraged to join in and the dance was performed at many home basketball games to get the crowd pumped. It definitely was successful.

From salad bar to a la carte, lunch is the time to joke around and talk to friends. It's a lot of students' favorite time of the day.

Most students enjoy having first lunch. Like most teens in a hurry before school, they don't usually eat a decent breakfast. You would be surprised, though, how many students actually like having 2nd or even 3rd lunch. We asked various students in each of the lunches about their opinion, and it ended up being about a 50% turn out for 1st lunch, 30% for 2nd lunch, and 20% for 3rd.

2011 Retirees

When the 2011-2012 school year commences, the technology department will be missing a familiar face. Mr. Mike Gibson will be retiring after 32 years of service. Mr. Gibson has spent several years as the department head for the technology department. There is no doubt that he will be missed by both students and colleagues. We wish Mr. Gibson a great and fulfilling retirement!

At the conclusion of the 2010-2011 school year, Jasper High School will lose one of its most familiar faces in teaching, Mr. Larry Lagrange. When asked to share some thoughts on retiring after forty two years in the profession, this is what Mr. Lagrange had to say, "I've been so blessed to be a part of a good school. I'd like to think I've contributed something valuable to kids over my 42 years, 36 here at JHS. Helping reluctant teenagers to be better readers, writers, and thinkers is a huge task, one that takes a lot of patience, persistence, and determination on a teacher's part. I've tried to be the best I can be every single day I've been here, and it's been a lot of days! Most of the kids I've had have been cooperative, respectful, and successful. Those traits go hand in hand. Now I look forward to hobbies like fishing, golfing, and travel with my wife. I also hope to volunteer and contribute something that way. As I said, I've truly been blessed, and I'm grateful." Jasper High School is grateful to have had the services of such a great teacher for so long. We hope Mr. Lagrange has a great retirement!

After thirty-seven years in the teaching profession, Mr. Denny Lewis decided to retire at the conclusion of the 2010-2011 school year. Mr. Lewis spent an amazing twenty-six years at Jasper High School. He spent seventeen of those years at the helm of Jasper's athletic department as the school's athletic director, including one Athletic Director of the Year award. Jasper High School will no doubt miss Mr. Lewis and all of the time he spent doing his job so well. We wish Mr. Lewis the best in retirement!

When the fall semester of 2011 finally arrives, the English hallway will be missing a familiar face as Ms. Cathy Stradtner has decided to retire at the conclusion of the 2010-2011 school year. Having spent a majority of her teaching career at Jasper High School, Ms. Stradtner was a staple for the incoming freshman classes. Her passion and enthusiasm for the profession was evident by the number of students who would find time to stop by whether or not they were in her class. Ms. Stradtner will be missed greatly in the 200 hallway and we wish her all of the best in retirement!

MARCHING BAND 2010

This year, the Jasper Marching Wildcats performed the show "Wake a Joyful Noise" as their marching show.

Some trumpets, including Eric Obermeyer (11) gather around after the opening to a football game.

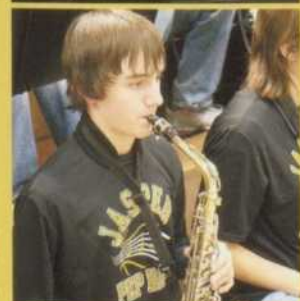

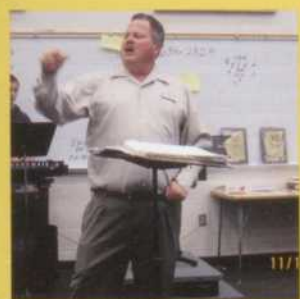

The marching band finished off by going to regionals, then semi-state (winning 1st overall), and then state where they received a 4th place finish out of the 10 finalists. The 10 bands were narrowed down from over 100 bands in the state! Good Job guys!

PEP BAND

'10-'11

Pep band games are a great way for freshmen to have a good time in band and realize "it is really not so bad!"

Some pep band players in the back take an opportunity to relax during a song, but who doesn't at a fun basketball game?

Pep band is always a great time!

The JHS pep band includes-at least 10 basketball games- half of the freshman, and some more volunteers through out the other grades. All freshman must participate in at least half of the basketball games.

Concert Band

The incoming freshmen usually look up to upper classmen. They usually take to one of their section seniors!

Alec Lechner (9) and Nicole Hostetter (10) are our Oboe players in concert band. They say "they really enjoy it and have a fun time!"

The JHS concert band consists of about half of the players who made up the marching band. After 1st semester the band is split into concert and symphonic bands. The concert band is more of like a JV band, where symphonic is like varsity.

Symphonic Band

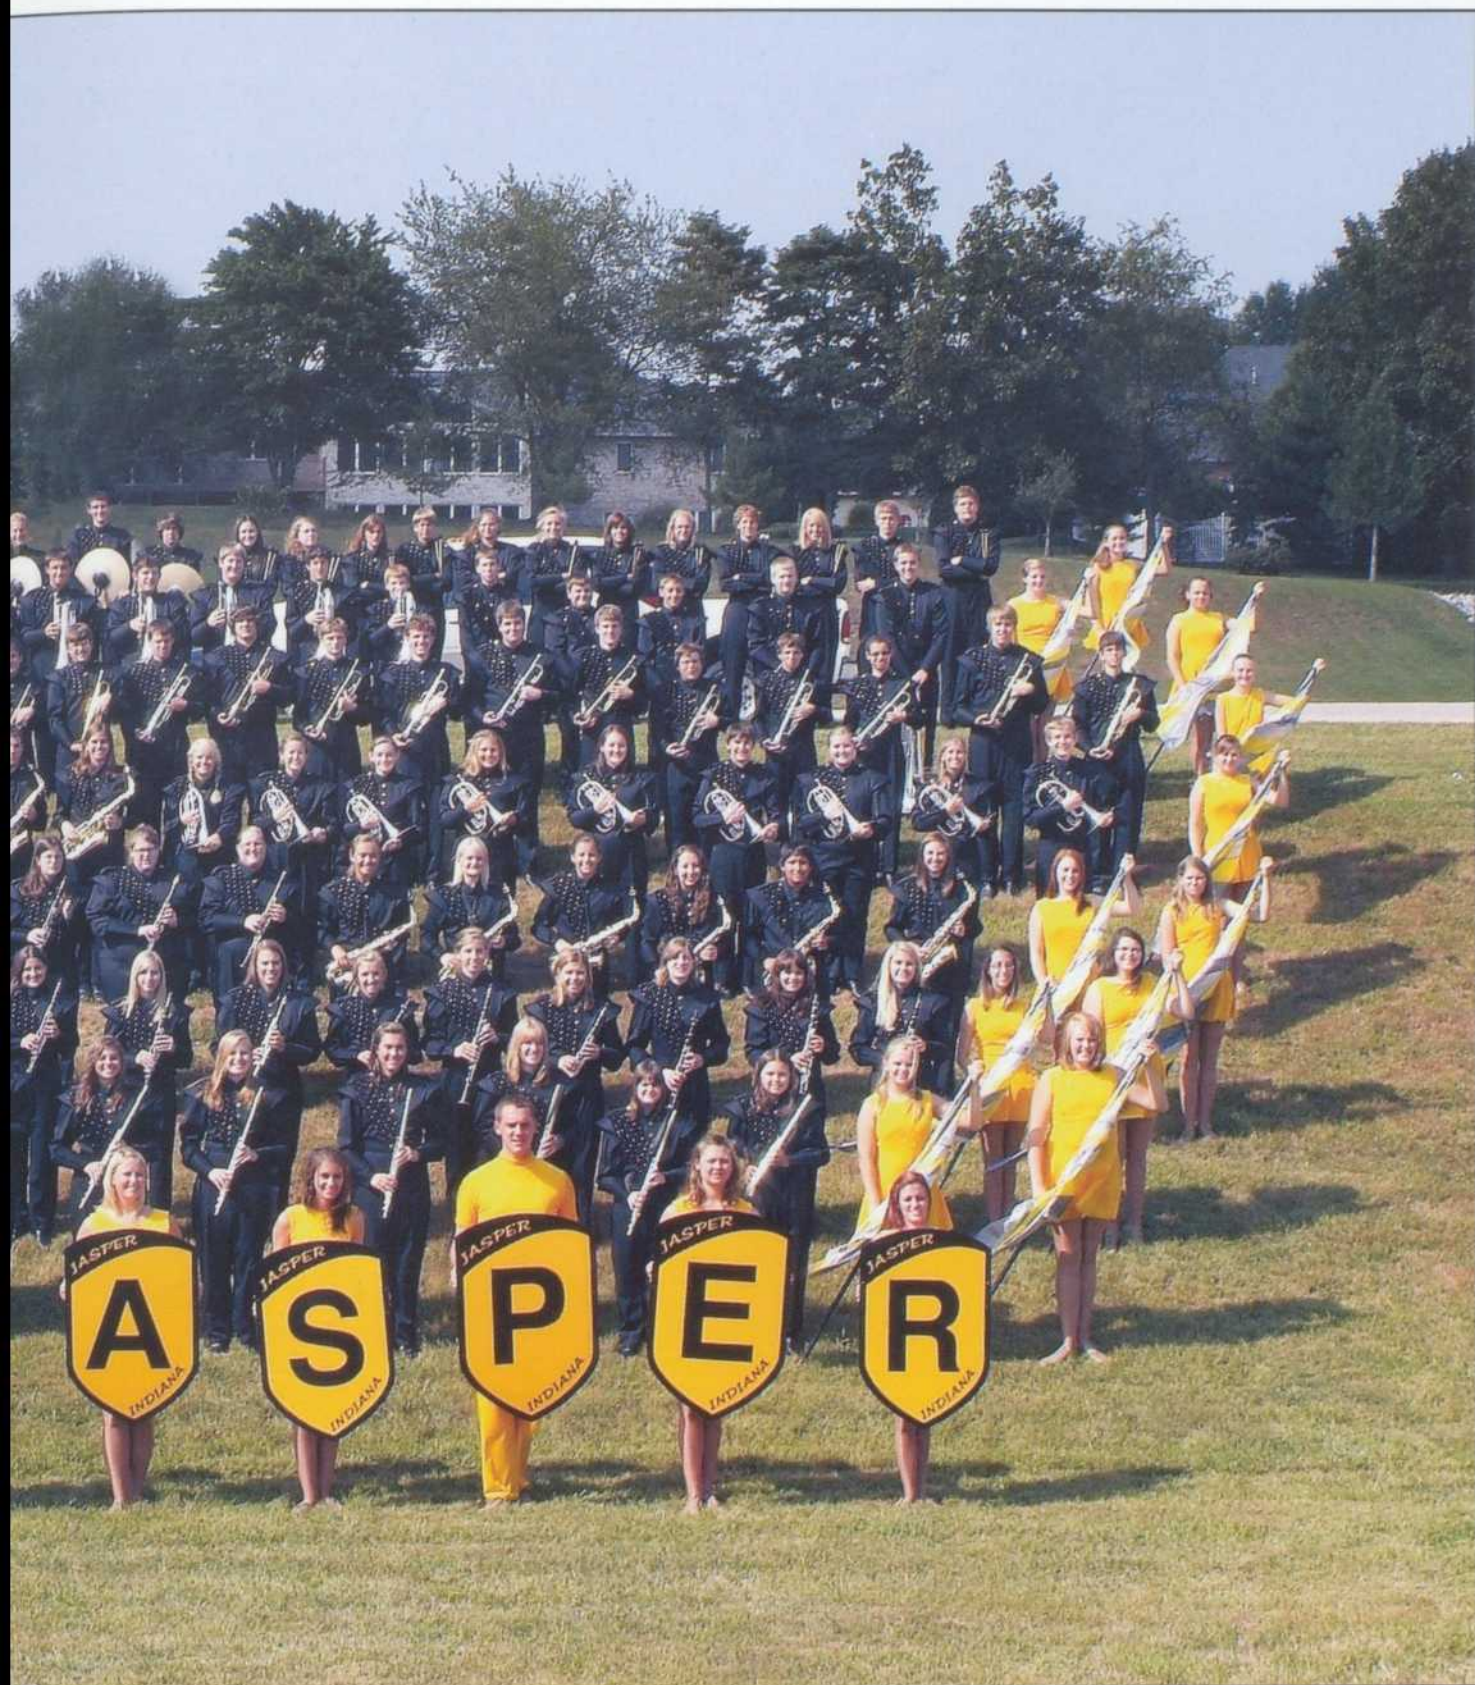

Some clarinet players make their way to the band room for symphonic band practice.

After Marching Season is over, the band is split into concert band and symphonic band. The symphonic band spends a lot of their time practicing for and competing in competitions.

Band members are listed in alphabetical order: Danielle Allen, James Allen, Austin Armstrong, Chris Arvin, Catherine Baker, Jackson Ball, Kelly Ball, Tara Beck, Cheri Beckman, Ryan Bosler, Jillian Brant, Miranda Buffington, Mandy Burdine, Robyn Burke, Andrew Bush, Kyle Bush, Avery Charron, Jared Collier, Kendra Corn, Jenna Cushman, Melissa Cushman, Tyler Cushman, Gage Daily, Shaina Dant, Jacob Day, Molly Disinger, Sam Ebenkamp, Liesl Eck, Alex Erny, Sam Erny, John Fierst, Ryan Fierst, Kyle Fischer, Rachel Fisher, David Foertsch, Bradley Gehlhausen, Calvin Gehlhausen, Eric Gehlhausen, Kelsey Gehlhausen, Theresia Goeppner, Kimberly Gootee, Janelle Gore, Erika Gramelspacher, Logan Grammer, Clayton Greis, Zach Grewe, Hannah Gunselman, Connor Harris, Stephanie Hautsch, Courtney Hayden, Cade Heaton, Rachel Hedinger, Renee Hedinger, Emily Heichelbech, Taylor Heise, Luke H Hochgesang, Luke J. "The Hurdles were really fun because Micah and I place 1st and 2nd most of the times and went to regional."

TEE TIME

Expectations were high for the boy's golf team this season. After making the trip to Legends Golf Course last year, a repeat trip was expected. As expected, the Wildcats made a repeat trip to the State Tournament.

The boys' road to the state championship was also filled with hardware.

Highlighting the season were 1st place finishes in the Seymour Invitational, The Wildcat Invitational, and the Washington Invitational. These regular season tournament victories helped lead the Wildcats to an astonishing 82-14 regular season record.

With all the success during the regular season,

postseason success was expected and the boys did not disappoint. They took home first place in the Sectional Tournament, second place in

the heated Regional Tournament, before bringing home a very impressive 19th place finish in the State Tournament.

With all of the team success this season, personal awards and accolades were not hard

to come by. Will Seger was named the All-State team after bringing home tenth place overall at the State Championships.

Kody Nicholson and Will Seger were named the team's MVP's at the team's awards banquet.

Additionally, Will brought home hardware for the Mental Attitude Award, the Lowest Average award at a very impressive 72, and a special award for shooting a 65,

which is incredibly seven strokes under par.

With four varsity players returning next season, we will be looking forward to all the success they will be bringing home.

IAN WEYER

"Golf is not just hitting a little white ball. It's played 90 percent between the ears."

MICHAEL BIES

"Golf is a game of skill but it is mostly a game of mental strength. To play good you have to keep your head at all times."

GAME, SET, MATCH

Girls tennis pulled off a great season with an ending record of 14 wins and only 3 losses. The team worked extra hard this year and was ranked fifth in the state. Some other major accomplishments from the girls were placing first in conference and first in sectionals. Afterwards, team members Ashley

Rogers and Elizabeth Theil, two Sophomores on the team, went to state

team All- State Doubles. Lauren Monesmith, a Senior, was rewarded with 2nd team All- State

ASHLEY ROGERS

"This years' tennis was very memorable because Elizabeth Theil and I went to state"

for doubles and were placed as State Runner-up. These two girls also were given the title of 1st

Singles. Other Awards given to the Seniors consisted of: Paige Leuken: Teammate of the Year; Lauren Monesmith: Most Valuable Player; Regan Seng: Mental Attitude Award. Great Job girls for pulling off such a successful season.

"Nothing can substitute for just plain hard work.. I had to put in the time to get back. And it was a grind. It meant training and sweating everyday. But I was completely committed to working out to prove to myself that I could still do it."
-Andre Agassi

Some tennis girls, including Avery Charron (9) and Annie Arlens(9), take a break to watch their teammates compete.

Hannah Whalen (11) gets in place to receive the ball from her opponent. Hannah was (123,123) this season.

Cheri Beckman (12) has been in tennis all 4 years of high school and she has a record of (2345,1245)

PALMS & POMS

The cheerleaders this year were led by Ashley Downes. The girls had an enjoyable and exciting season. The

Varsity team consisted of the following girls: Lauren Monesmith, Amy Sermersheim, Mallory Humbert, Maria Schmitt, Mollie Disinger, Hannah Gossett, Audra Mathies, Sophie Ruff, Mackenzie Mendel, and Kendra Seger, Shalyn Grow, Emily Lichlyter, Demi Lorey, Adrienne Welp, and Caitlynn Wessel,

make up the Junior Varsity. The Freshmen consisted of Annie Ariens, Rylee Denhart,

AMY SERMERSHEIM

I have been doing cheerleading for six years and I enjoy it a lot! Its been the best experience for my senior year. I like interacting with the girls and being a leader.

Alexis Lilly, and Landyn Schneider. Although the girls were divided into groups, there's no doubt that the team as

a whole would not have made it without each and every participant. This year the girls earned third place at

state and first place at NCA Nationals. Amy Sermersheim received the Mental Attitude Award. Also, Lauren Monesmith was given the Leadership award for the past 2010/2011 cheerleading season. Each of the girls did an outstanding job, and we are very proud of their effort and success.

"We may make it look easy, but like all sports it takes hard work and dedication."

In Memory of our JHS Gymnasium

April 23, 1976-May 2, 2011

*First Commencement held in gym-
May 19th, 1978.*

*Last Commencement held in gym-
May 28th, 2010*

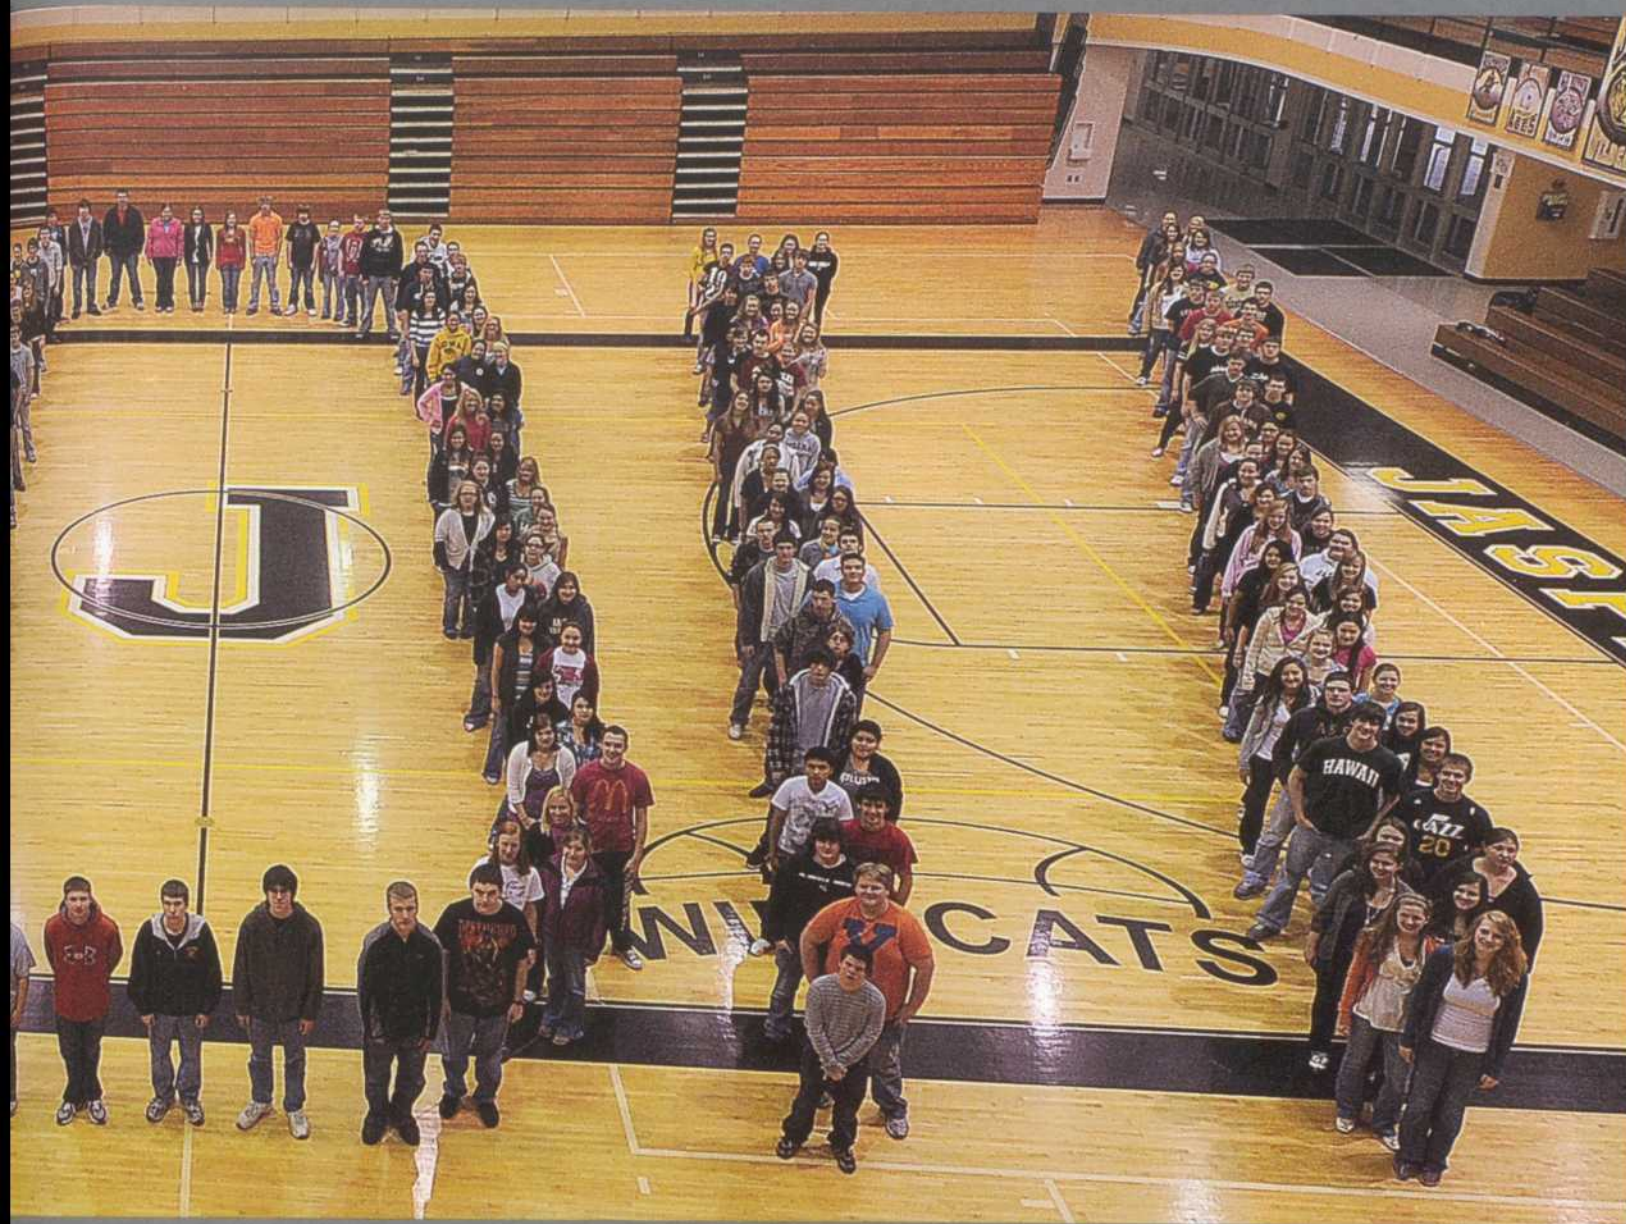

Our JHS gymnasium has been in most of our lives for over 30 years, playing big and small roles in all of Jasper High Schoolers'. We have held many basketball games, spirit days, convocations, commencements, proms, and many other events in our beautiful gym. Our gym collapsed on May 2nd, 2010 just hours before students were to file into the building for morning classes. The main cause of this catastrophe has not officially been determined, but it will remain in our minds and our hearts forever. The class of 2011 will be graduating in the Memorial Gym in Huntingburg, even though we all know the only right place to graduate, but that is just impossible.

Congratulations
Of

Class

2011!
