Mrs. Schmett and her 6th period class

After 26 years of teaching, Mrs. Schmett is ending her last year here at Jasper High School. Her determination to help all her students succeed has been her goal in life. She has also had success in her own life along with her many qualities as an educator. Many students may not know that she was a nationally selected participant (one of thirteen) in the Pilot Teacher Program through NASA and Space Camp in 1992 and a nominee for the National Presidential Award in Science Teaching in 1992-1993 & 1993-1994. She also has a divermaster license for scuba diving and has actually chaperoned a marine biology class to the Florida Keys. As to her personal life, Mrs. Schmett has two sons, Jason and Micael Lammertin, along with 7 grandchildren. She has also been married to Fred Schmett for the past nine years. Mrs Schmett has given students, faculty, and members of the Jasper community a little reminder of how much Jasper High School means to her and means to all of us.

When I first arrived in Jasper nine year ago, I was in awe...the beauty of the hills, the fields of wheat, and of course the wonderful people. Coming from very flat Northern Indiana, I was surprised at the beauty of the area. But nothing could compare to the people of the Jasper Community. I was nervous at first; I didn't know streets, surroundings, or even the layout of the high school. Fortunately, there was an abundance of fine people who helped me find my way.

This community and school corporation could thrive on friendliness alone. But it is not just friendliness that has impressed me: Jasper High School shines as an example of dedication to students. From the maintenance department all the way to the Superintendent's office. I have seen true commitment to the total student, both in and out of school. Not only is Jasper High School four stars, so are the people of the community.

Jasper's friendliness and dedication will always be in my heart. I will miss the students and people of Jasper, but the memories of them will always be with me.

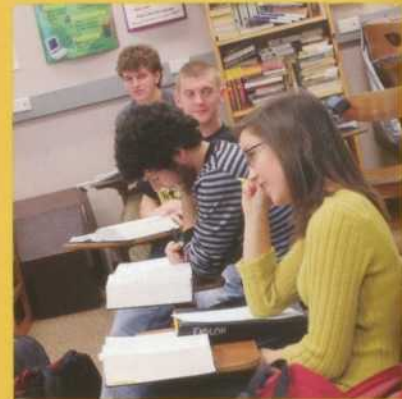

As this year comes to an end, students, teachers, principals, janitors, superintendents, and the community of Jasper will always have this truly dedicated woman and teacher, Mrs. Schmett, in our memories as well. Thank you Mrs. Schmett! May you enjoy retirement and the new adventures life takes you on!

"Southern Indiana is a well-kept secret"

Offices

If you ever have a problem, you can head straight to the office. The guidance counselors are more than happy to help a student in need. The nurse is always there for students when they aren't feeling their best. Mrs. Hilgediek is glad to point you in the direction you need. Anything you need help with can be found in the office.

Library

The most popular book series checked out at the library would have to be *The Hunger Games* by Suzzane Collins. Popularity spiked in the series when the highly anticipated Hollywood film hit the big screen. Popular authors included Nicholas Sparks and Stephen King. Other novels that were often checked out were *Perfect Chemistry* by Simone Elkeles, *If I Stay* by Gayle Forman, and *The Color Purple* by Alice Walker. In the library, you can enjoy reading, laughing with friends, studying, and surfing the web.

Sam Horen and Alex Cassidy are checking out the large collection of books in the library.

Josh Goller and Kendall Brosmer are reliving the highlights of Shakesfeast.

Kate Wendholt, Brooke Mehringer, Morgan Schwenk, Megan Bauer, and Jenna Rodes are having fun hanging out in the library.

Madeleine Robling is reading an article in Time magazine.

ART

Ryan Acton, Alex Flick, and Jon Bell are working with clay.

Here in art class, our creative juices flow by sculpting, drawing, and painting anything we can imagine. Art is filled with many possibilities like melting crayons, burning glass, and using oatmeal cameras. One never knows what type of project will come next in the exciting class of Art. Not only do we work on our artistic skills, here at Jasper, art builds character.

Business

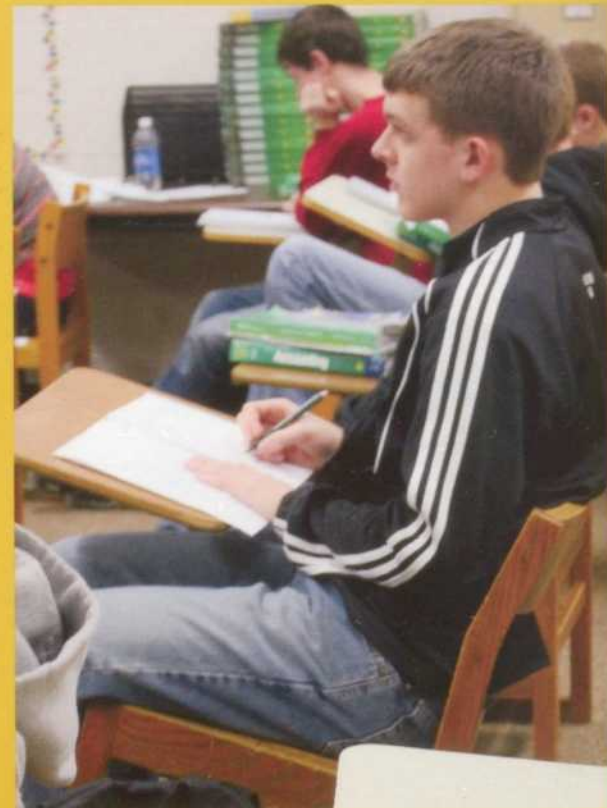

Preparing speeches, using Microsoft Office, and learning life skills are all part of business classes here at Jasper High School. Students have the chance to learn the basics of business professions. Students also learn basic to advanced business resources, such as keyboarding and Microsoft Office applications. These classes prepare today's students for tomorrow's world as business professionals. These classes will also help many people get ready for real life job situations.

Engineering, Technology, and Agriculture

In engineering and technology, classes work on designing cars using computer software. They go through many steps in order to achieve the best results on their cars.

Agricultural classes include Agribusiness Management, Horticultural Science, Plant/Soil Science, and Animal Science. Students learn about the newest technologies in the areas of animal and crop farming as well as business management skills.

English

Above: Shelby Merder (11) loves taking notes in English while the teacher talks.

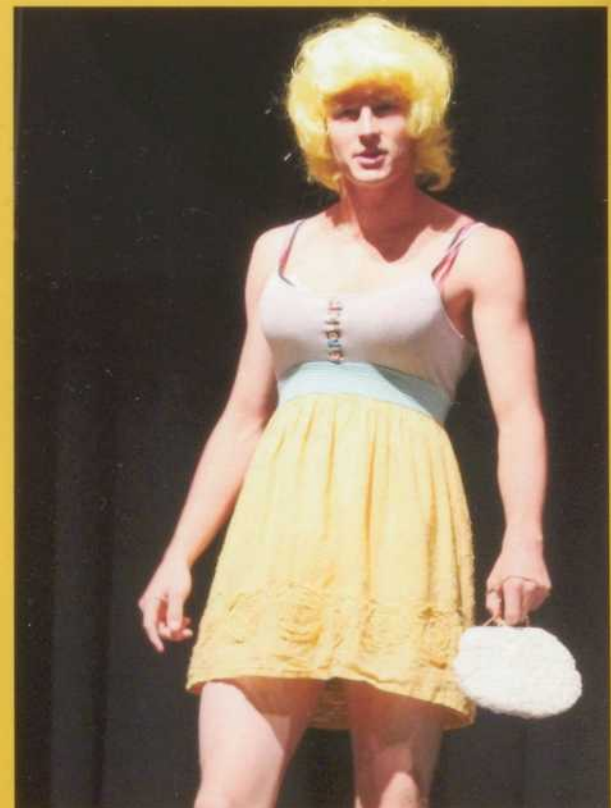

English class is an important part of school life. Learning to write and speak properly will help everyone in the long run. There are so many fun things to do in English class. The seniors get to perform Shakespearean plays during Shakesfest, as well as read and talk about some interesting novels. Dressing up in togas is one of the fun things that you get to do in English 9 Honors. There is never a lack of essay writing, novel reading, or public speaking when in any English class.

FACS

Family and Consumer Science classes give students an insight into the world of adulthood. The students in FACS did an Easter egg hunt for children in the city. They also made some delicious food this year, experimenting with many ingredients to come up with their scrumptious menus. They get the chance to care for and interact with little children as well.

Foreign Language

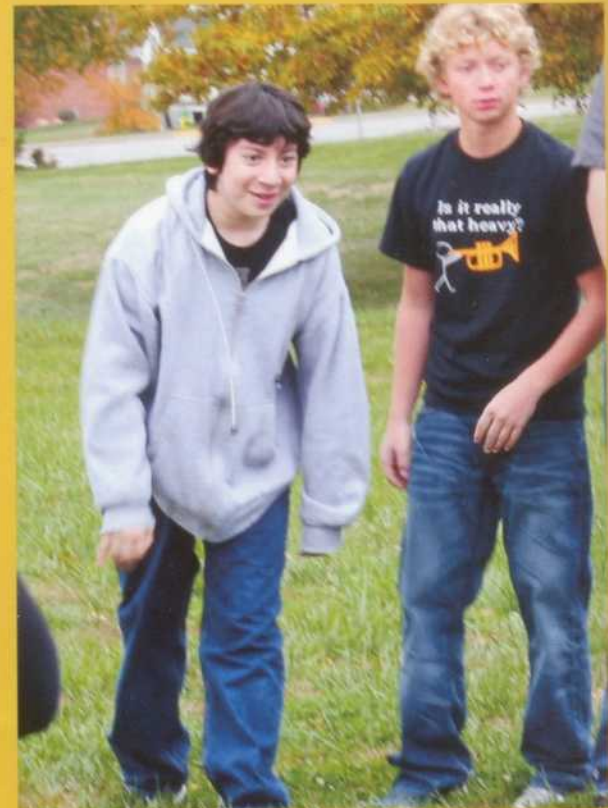

Foreign languages, like it or not, are or will be a huge part of all of our lives. Spanish, French, and German are all popular languages of this world. This year in Spanish, students had the chance to celebrate Dia de los Muertos, or the day of the dead, cook traditional Spanish comida, and sketch their own dresses or suits. French classes got to folk dance, cook French foods, and play bocce ball. German classes built their own cities, wrote books, and gave presentations. These classes are a huge part of our lives since we are living in a world with many languages and cultures.

Math

The world of math at Jasper High School consists of Algebra 1 and 2, Geometry, Pre-Calculus, and Calculus. Students solve problems that will help us in our future from organizational skills to math skills. From solving quadratic equations to finding limits, we learn a lot that will help us have a successful life.

Running, weightlifting, and swimming are just a few of the things high school students enjoy when in Mr. Ahren's P.E. class.

Learning about the human body and about good choices and destructive choices for yourself is what goes on in Mr. Eckert's Health class.

Science

Here in Science class, we experiment, study, and observe our surroundings. Disecting, testing, and collecting data are some of the things you will experience while taking a science course. Whether you are studying plants and animals in biology or stars and planets in Earth and Space, you are a part of the JHS science family.

Social Studies

In the social studies classrooms, students memorize dates, learn names, and watch informational films. This year, the classes learned about everything from WWI and WWII to the Cold War. Whether we realize it or not, history is and will always be a part of our lives. We can learn a lot from the mistakes and accomplishments of our ancestors. Government and Economics are essential subjects to know before leaving high school. Thanks to our great social studies teachers here at JHS, we are much more aware of the world around us and how we can make it a better place.

Life Skills

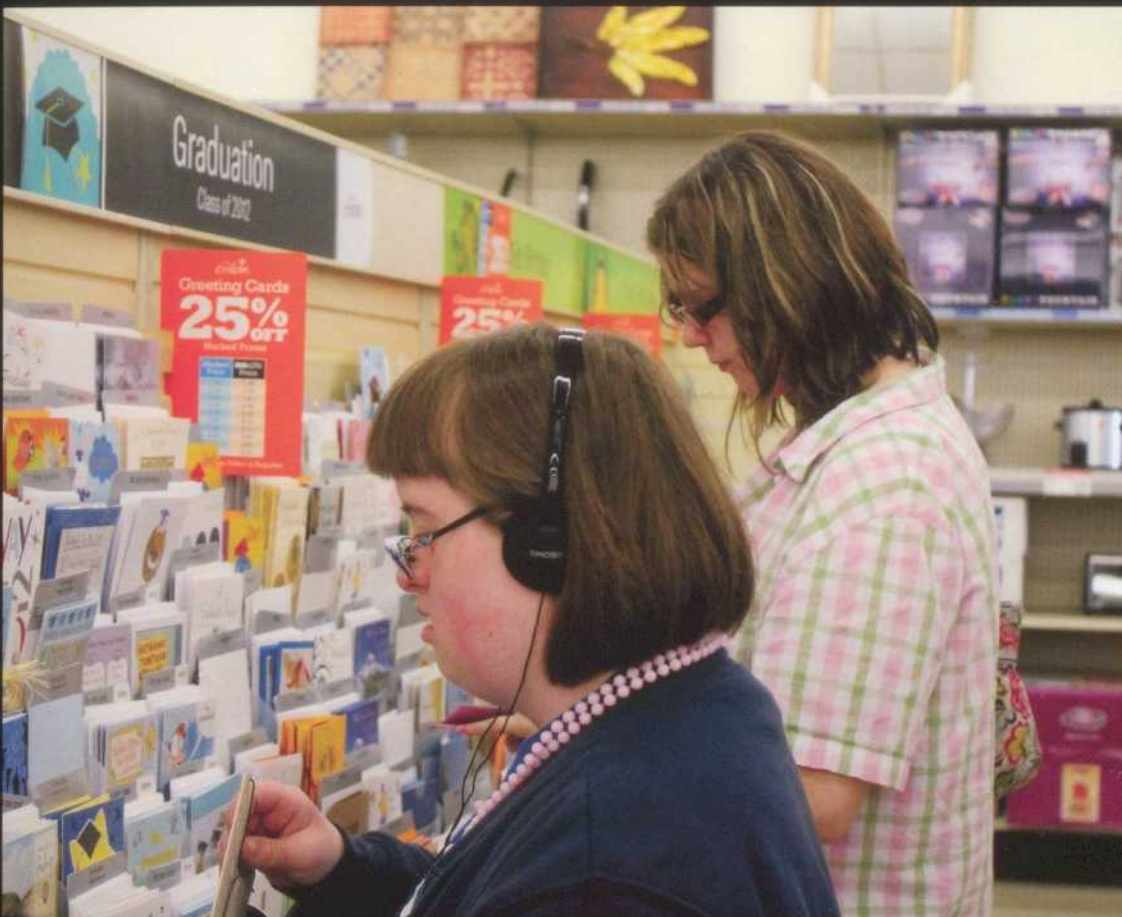

Matthew McDaniel, along with other peers, travel to Big Lots to help out the community and practice valuable life skills.

There's no keeping up with this crew! Life Skills students are incessantly running from one project to another. Busy as bees everyday of the week, their activities can range from a weekly swim to lunch at Los Bravos where they utilize math and social skills. Every Monday, they participate in cooking labs that help improve speech proficiency. Exercise is a daily component to their demanding schedule. In order to fund their field trips, the group puts on a fundraiser called the Easter Egg Project. With the Boy Scouts, they partake in High Adventure activities such as cooking, archery, BB gun skills, and making wind boats to race. As if that isn't already an overwhelming schedule, they also work in the community at a variety of places such as Big Lots, IGA, Health Point, Sunstation, and Noble Romans.

Along with teachers Mr. Keller and Mr. Stenftenagel, Seth Wilson, Anthony Daum, Chris Freeman, David Freeman, and Stephanie Terwiske pick up trash at the JMS track. (below)

VOCATIONAL

Jasper High School offers an array of classes that give hands-on experience to students in fields that they plan on pursuing in the future that they could not normally experience in a classroom setting. These classes include HOSA (Health Occupations Students of America), ECE (Early Childhood Education), Automotives, and Building Trades.

Clubs & Activities

The images include: a student with a large backpack, a student in a pirate costume, a student in a yellow shirt, a student in a green dress, a student in a blue dress, and a group of students.

Student Council

The primary project Student Council had this year was the Henryville relief project. The council collected a copious quantity of not only food but backpacks filled with school supplies to aid the desperate community that was struck by a devastating tornado. Along with this major activity, Stu Co also put on Winter Formal and Fall and Spring Clean Up Day. It was the catalyst in making many student body spirit events occur. Many members are pictured above.

The Gay-Straight Alliance began in February of this year, to the delight of many students who had been advocating for such a club. The group started out with a bang, raising awareness about HIV/AIDS over the announcements, hanging up posters highlighting successful LGBT individuals throughout history, and fighting for education and no bullying in the school and community. At the annual Chalk Walk, members of the GSA created a square that read "I support the Jasper High School GSA and equality for all!" and encouraged over 130 students and adults from the community to sign their names. Over 30 students are currently members of the GSA. During the summer, the GSA is excited to have a float in the Strassenfest Parade and hopes to continue to grow next year as they work toward equality in the community.

UNICEF is an organization that helps raise money for children in third world countries who aren't fortunate enough to have clean water, food, medications, etc. This year, the UNICEF club raised over \$300 during their Trick-or-Treat for UNICEF project. Just twenty-five cents is enough to give a child clean drinking water for forty days. JHS UNICEF Club definitely makes a difference in the lives of many.

Key Club

Providing not only a positive impact on the community, Key Club also has a beneficial influence on its members as well. They were involved in many service projects this year that enhanced and aided our community. Key Club headed A Day Without Shoes and a few highway cleanups. Around the holiday seasons, Key Clubbers helped the Salvation Army ring their bells and collect money for those in need. If ever there was an organization in need of help, Key Club willingly helped to the best of its ability. Many members are pictured above.

Junior Achievement

Junior Achievement is a club that involves creating your own business and inventing a product to sell. This year, they designed a game board. The game was a Monopoly game, but instead of the regular Board Walk and Park Place, there were local businesses and attractions on the board. Locations such as the Jasper Mill and the train depot took the place of the traditional Monopoly spaces. This team of inventors created the games and sold them with the help of some community members.

SADD

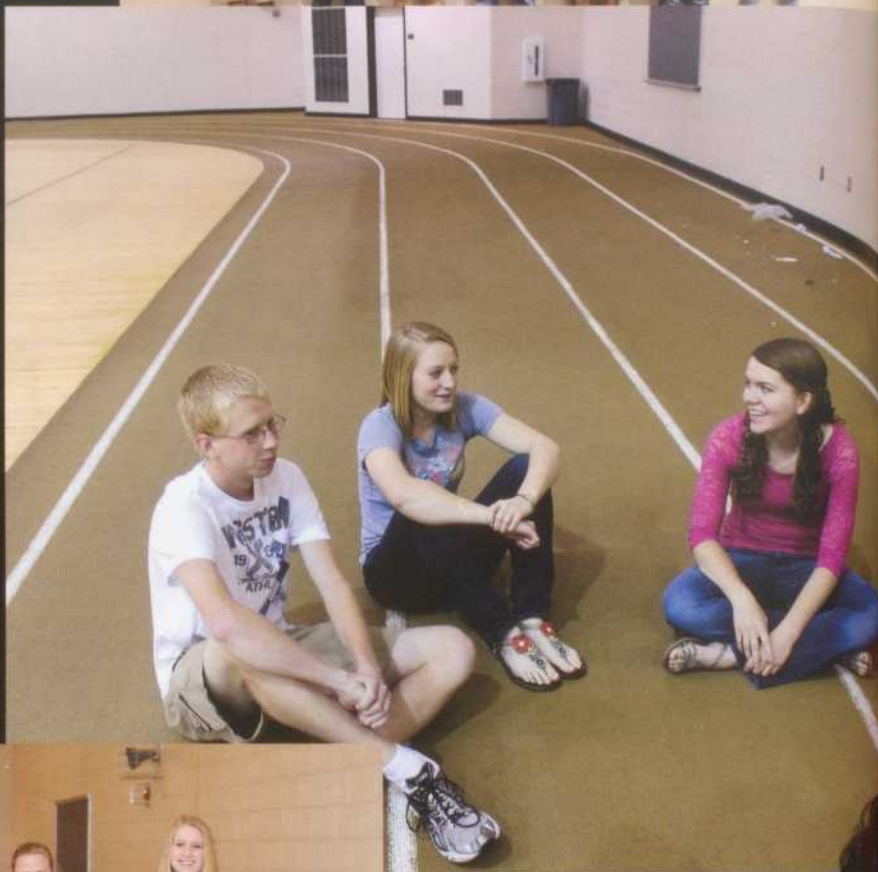

In SADD club, we fight against students making destructive decisions. SADD stands for Students Against Destructive Decisions. SADD members put on various activities for the student body such as Orange Ribbon Week and Red Ribbon Week. SADD encourages students to stay clear of not only drunk driving, but also drugs and other harmful behavior.

To be a member of The Crew, you have to apply and be selected. The members of Crew graciously help all of the freshmen get used to life as a big bad high schooler. They ease the transition for them. The Crew members help with various events as well such as the Wildcat Kickoff. Crew helps make JHS a better place and the transition to high school much easier.

SOFA

Society of Fine Arts

SOFA was a new club this year. The club members contributed an awesome mural in the cafeteria. They also worked on some mascot paintings at Cabby. The club also went on a fun field trip to the Bloomington Art Museum where they experienced artwork from around the world. This trip was sponsored by the wonderful teachers Mr. Dodd, Mrs. Fleck, and Mrs. Laakman.

Destination Imagination

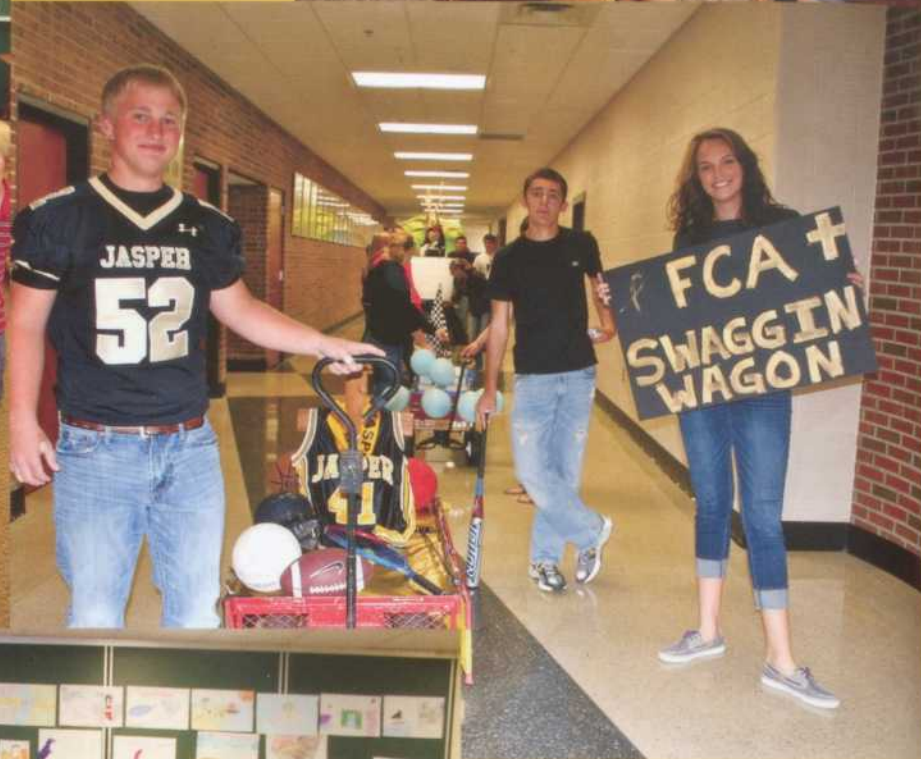

Destination Imagination is a worldwide, creative problem-solving organization. As a team, you spend so much time together you have no choice but to become a family. The season runs all the way from October to March. This year the team placed first at Regional and State competition with their hilarious skit centered around one man's choice between Heaven and Hell that even pushed the limits of the DI world. At Global Competition at the University of Tennessee, they had the opportunity to befriend and compete against teams from over 30 countries.

DI members enjoy interacting with fellow students from across the country and around the world. Members include Noah Rydberg, Julie Weyer, Morgan Wigand, Alexis Nelson, Maddi Robling, Reagan Moorman, and David Thyen.

FCA

Back Row: Steven Zehr, Nick Hale, Thad Harmon, Nicholas Hilgediek, Zach Foote, Austin Blessinger

FCA, or the Fellowship of Christian Athletes is a group of people that show that they not only believe in our sports teams, but in God, too. Morning prayer and guest speakers are some of the things that FCA does. They have many meetings where they pray for our sports and the well-being of all our student athletes. The members of FCA are positive role models for everyone.

Mat Club

Mat Club matters. We are the ones that support the wrestlers at every meet. We create signs for the wrestlers and hang them above their lockers before every meet. At the end of the season, we make scrapbooks for the wrestlers and give them to the wrestlers at the banquet. We decorate the lockers and the facility that is hosting the banquet for them. Sometimes right before sectionals, we decorate the guys' rooms. It is a ton of fun. So next year, won't you join us for a ton of fun and some crazy times. **MAT CLUB DOES MATTER** to the wrestlers and their families!

Jasper Girls' Bowling Team

The Jasper Lady Bowlers finished with a great showing this season, ending with an incredible 9-1 record. The six team members are hard-working, dedicated, and were willing to put their time and patientce into this sport. Due to their great team work, they finished with excellent scores and an amazing season. Congratulations to you girls and coach Bramlett!

Jasper Boys' Bowling Team

The Boys' Bowling team finished their season with an excellent 8-2 record. The reason for their success is the hard work they put into each and every day of practice. Coaches Lemond and Keiser encouraged the boys to perfect their game and do their best, and the boys responded with multiple victories.

Speech team is not just about giving "speeches", the club has broad and very diverse categories. Categories include prose, scripted duo, memorized duo, as well as the ever popular debate. In debate, all schools get in a group and debate over religion, politics, and many other worldwide issues. Speech Club starts around November and is held on Thursdays in Mr. Polen's room.

Academic TEAM

Academic Bowl is a group of students that compete against other schools each year at a conference invitational and an area competition. Students have the option to compete in one of five subjects: Math, Science, Social Studies, English, or Fine Arts. There is also an Interdisciplinary category. Practices are held each week beginning in January.

The team practiced on Tuesdays and Thursdays before school and after school in Mrs. Schnell's room. They had a ten page list that they had to learn before the October competition at Heritage Hills where they got first place in their class! Grueling practices paid off in the long run.

Motorsports & Robotics

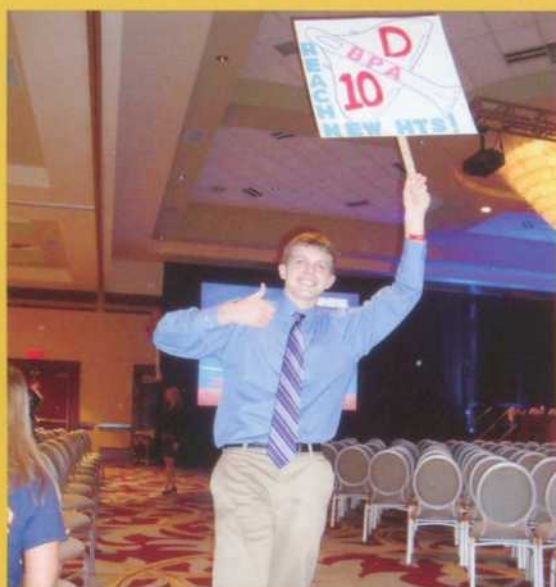

The sounds of drills, saws, and other machinery fill the air in Motorsports Club. The kids that are in Motorsports Club dedicate their time and effort to calculating the best way to design not only the formula car, but also the super mileage car to do their best in the competitions.

The Robotics team designs robots and participates in competitions. This year, they competed in a basketball shooting competition. Both the Motorsports and Robotics Clubs did very well in their competitions this year.

BPA, or Business Professionals of America, is an organization in which students set out to achieve in an area of business. There are three levels of competition, District, State, and Nationals. There were many students who participated in District, and most of them made it to State. This year's State competition was a lot of fun for everyone involved, but only a few could make it to Nationals. Miranda Terwiske, Natasha Schnell, Jonathan Kreilein, Adam Fierst, Haley Perkins, and Taylor Moya were among the few to qualify. Also placing were Ashlyn Weales and in open competitions, Jonathan Kreilein, Jenna Cushman, and Logan Rademacher. Mrs. Kunz, Mrs. Schipp, and Mrs. Schnell attended the State competition.

Future Farmers Of America

FFA, otherwise known as Future Farmers of America, is a fun and important club in Jasper High School. One of the most memorable days for FFA was when they drove to school in huge combines and tractors. FFA does a lot of interesting and important things, such as going to and competing in competitions. Overall, FFA is an enjoyable club to be in.

Spanish Club

This year, the Spanish Club enjoyed a fun-filled learning experience in Chicago. Learning how to Zumba was also an experience shared between club members this year. The club also watched the movie *Prada to Nada*, a film rich in Latin culture and diversity.

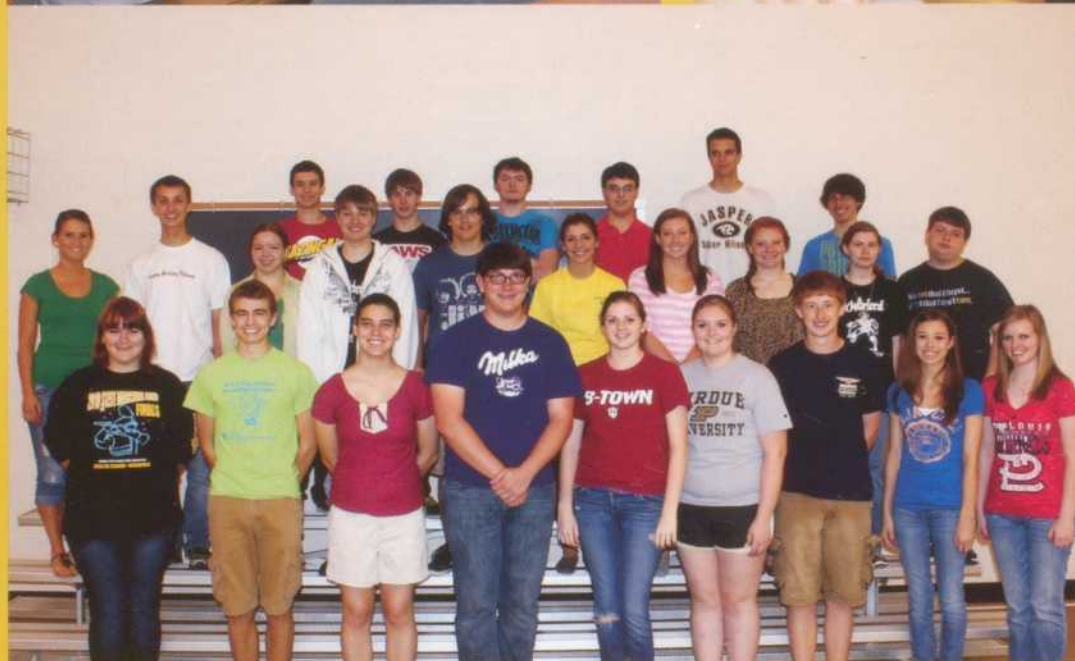

French Club

The French Club spends time watching and discussing exciting French films. They also play fun French games like Bocce. The club enjoys immersing themselves in French culture.

In this international club, students learn the language and culture that many of our exchange students bring here. Throughout the year, students had several activities to participated in. They include: Gingerbread house making night for Christmas, selling Advent Calenders, playing German style Bingo (Muehle), and several more. Clubbers have a lot of fun, while learning new things about German culture.

Pep Band

They **SACRIFICE** socializing with their peers in the cheer block every basketball game all because they know what they're giving is **MORE THAN MUSIC**. They are the symbol of unending **PRIDE IN OUR BLACK AND GOLD**.

FOR THE FIRST TIME, the Pep Band not only backed the Wildcats at their games, but competed in the Orleans Pep Band Invitational. They practiced for a few months to perfect the songs and the additional elements that led them to clinching 1st place! To make their already great music even better, Director Patrick Keeley added into their performance a brass block for the song "Hey Baby" and some percussion choreography into the "YMCA". Let's just say, the male percussionists really got into it.

PLAYING THE SCHOOL SONG, Steven Zehr (11) supports the Cats.

THE MUSIC IS JUST SO GOOD that Audra Tart can't help but swoon over it. Just kidding, but it really is great. (Right)

Marching Band

After all of the **HARD WORK, SWEAT, MEMORIZATION, AND OCCASSIONAL TEARS**, you step on the field and play the best show of your life. And **JUST LIKE THAT**, it's over.

This year, the Marching Wildcats performed their show "Of Spring and Solstice." When the show started, the music was dark, expressing winter. The middle of the show is the transition of winter to spring, followed by the final song which represents spring. The band had a very successful season, getting 5th place at semi-state and 3rd at state.

ZACH GREWE (11), conducts the band to a third place finish at state.

Symphonic Band

Challenging music and monumental **risks** met with endless **determination**.

The symphonic band, directed by James Goodhue, had a great year. Their music was difficult, but they played exceptionally well, earning the highest score of all the competing bands and qualifying for the ISMAA state finals at Lawrence Central High School in Indianapolis. They gave an outstanding performance at the state competition.

Concert Band

A year of **FIRSTS** and a year for **TRIUMPHS**.

Assembling her clarinet, Emily Flemming prepares to practice music the band will play at the graduation commencement.

Concert Band definitely delivered an outstanding season under the direction of Patrick Keeley. This year at the People's Concert, the band played a song called "Tomorrow's Dream", composed by Jasper High School senior, Eric Obermeyer. Members of the band recall what a neat experience it was to be a part of such a feat. Competing with stiff opponents in the contest at Castle, Jasper clenched a gold rating. As if that wasn't enough, for the first time ever, the band achieved a perfect score in the sight reading portion of the contest.

Warming up for the contest, the band is ready to put all their hard work on display for the judges.

Color Guard

The band plays the **MUSIC**. We tell the **STORY**.

This year, the color guard illustrated the story of transforming winter to spring and dark to light. Melanie Martin started the show off as a representation of winter. At the end of the show, Amanda Reckelhoff took over as spring, freeing everyone from the evil power of winter. The color guard received the honor of being named Outstanding Color Guard in the competition at Paoli.

Winter Guard

We **TWIRL**. We **THROW**. We **DANCE**.

Tom Reinsch (10) ends the line with a nice flag twirl.

Armed with their flags, guns, and confidence, the winter guard members proceed to the floor where they set up their equipment to perform. These students work hard during practice to perfect their routine. They have to time their steps, flag twirls, and gun revolutions just right for their number to go on perfectly. Along with all that, they must stay in sync with one another to put on a good show. Their hard work has paid off, as they have accepted many awards. This year, they placed fifth at state.

Theatre Arts

This year, the theatre class gave several fine performances. They performed "Shrek" in the fall, "Bye Bye, Birdie" in the spring, and later in the school year, they performed "Pinkalicious". Theatre is a class and a group of performers who give up their time to entertain others and do what they enjoy most.

Wildcats Dance Team

Not only does the Wildcat Dance Team provide halftime entertainment, they also go to competitions and represent our school. The dance team received 2nd at state in hip-hop and 3rd in their pom routine this year. Many grueling hours were spent practicing routines and getting everyone in sync. But hardwork paid off in the form of medals and trophies for the dancing Cats.

JV AND FRESHMAN FOOTBALL

It's cold; you're exhausted; you're tired, and you just want to go home. You want to quit, but you don't want to let your team down.

Perseverance, pride, and dedication are what the junior varsity and freshmen football players bring to the field every day. It's not just about winning or losing to the kids that play the game; it's about playing for the love of the sport. With football season over, both of the Wildcat teams did a great job throughout their seasons and finished with winning records.

As the offensive line smothers the defense, Ian Songer runs up the field.

JV AND FRESHMAN VOLLEYBALL

Bump! Set! Spike! Both our JV and freshman Lady Wildcats had an outstanding season this year. They proved that teamwork and determination can take you a long way. The JV team only had four losses. The freshmen also came out on top with seven wins. These ladies showed their talent by dominating their competition, however, this comes as no surprise to us. We are very proud of all of them! GIRLS' CROSS COUNTRY

This year's team was led by seniors, Shelby Mullen and Regen Foote, and newcomers, Hayley Hildenbrand and Ashley Rogers. Though the team battled their fair share of injuries, the girls achieved their team goal of advancing to Semi-State. After a solid season, a first place finish at Big Eight, a third place finish at the Sectional, and a fifth place finish at the Regional, the girls competed at Semi-State and earned a thirteenth place finish. The team was certainly proud of their accomplishments and look forward to more winning seasons in upcoming years.

Senior Shelby Mullen leads the varsity team in a warm up before beginning the race. Many of the girls beat their personal best at the Princeton course.

The boys' cross country team had its fair share of challenges this year. Not only were the steep hills and long finishing stretches hard to overcome, the team also battled against many injuries throughout the season. Luckily, the team was filled with talented runners from top to bottom, and runners, Austin Doersam, Kevin Merkley, and Clayton Traylor, stepped up when the team needed them most. The team placed first at Big Eight and third at Sectional, allowing them to advance on to the Regional. The team placed seventh, two places away from advancing.

The boys' junior varsity team warms up for their first official race of the season. Forest Park's course, filled with many difficult hills, is one of the most challenging races of the year.

Boys' TENNIS

The 2011 season found the boys' tennis team with many exciting victories. The boys dominated their competition and finished the season with a majority of wins and only a few losses. They won semi-state and had a good rally at state. The tennis team endured long practices, grueling matches, and intense teamwork building activities. Hard work paid off this year for the young racqueteers.

Above: The boys' tennis team stops to take a picture with the trophies they earned.

VARSITY GIRLS BASKETBALL

This year, the girls had an outstanding 19-7 season. They won 5 out of 6 games at the Big 8 tourney. They also won sectional but fell short at regional. Senior Megan Sternberg was honored as the 2012 MVP and HBCA District All-Star. She has also distinguished herself as the 2nd leading scorer in school history and shared an all-conference award with Junior Shelby Merder. The Defense award went to Senior Tori Sermersheim, and the Mental Attitude award went to Junior Allyson Lents.

BASKETBALL

As members of the JHS basketball team, the Lady Cats always try their best. They practice hard to shoot accurately, dribble fast, and run like the wind. The practices are tough, but these athletes never give up. This year, the JV team had 15 wins and 5 losses, while the freshman team ended up with 10 wins and 8 losses. One goal of the underclassman teams is to build a stellar program, and they are doing just that.

Freshman Madison Ubelhor attempts a free throw during a JV game. Madison was a key player for both the JV and Varsity teams this year.

VARSITY BASKETBALL

Our boys' basketball team had an exceptional season this school year. Led by coach John Goebel, seniors Caleb Begle, Cole Rohloeder, Andrew Bies, Max Bawel, Karson Nixon, Ben Mundy, and Alex Wohlberg steered our Cats through 14 wins and 9 losses. All Conference Athlete awards went to seniors Caleb Begle and Karson Nixon, and Caleb Begle also earned Most Valuable Player.

Underclassmen included juniors Nate Messier, Nick Gobert, Mark Giesler, Cole Sermersheim, Devon Traylor, and Ryan Betz. Courtland Betz was JHS's only sophomore Varsity player in the 2011-2012 season. And, of course, our basketball stars would not be the same without help from managers Caleb Lehman, Cole Gehlhausen, and Connor Lehane.

JV/ FRESHMAN Boys BASKETBALL

Both the JV and Freshman teams had very successful seasons. At the start of the season, the freshmen struggled to maintain a winning streak. After a few games, however, they won all but one game and finished with 15 wins and 5 losses. The JV team also had a lot of success, losing only 6 of their 21 games.

The team huddles for a pep talk.

GIRLS' SWIMMING AND DIVING

The water is ice cold, the sprints are tiring, and the distance is exhausting. However, the rush of jumping off the block and using every last drop of energy in a race, then touching the wall and feeling the accomplishment makes all that hard work worthwhile. The swim team overall had a good season, placing second in conference and winning sectionals.

Boys' SWIMMING AND DIVING

The boys' swim team had a very fun and successful season this year. Not only did they break four records, but five of the boys also qualified for the State Championship. Clay Kincer, the sole male senior, took part in breaking all four records and was involved in a three-way tie for the 100 meter backstroke at State. The three divers contributed to the team a lot as well. Austin Young placed third at sectionals and qualified to compete at regionals.

The wrestling Wildcats finished their 44th consecutive winning season with a 15-8 record. They won their 30th sectional title, which ranks them in the top of the state. They also won the Big 8 Conference Tournament. Senior Captain Kyle Eckert commented, "The team worked very hard and became one of the better teams in the state." At the end of the season, Coach Rick J. Stenftenagel was inducted into the Indiana High School Coaches Association Hall of Fame.

VARSITY BASEBALL

CRACK! goes the sound of the bat. The crowd goes wild at the sound. The runner is hustling toward home with all his might! Will he be safe or out?! This exciting scenario reminisces just one of many such moments in Jasper High School Baseball. Coach Gobert's batting Cats were very successful this season, bringing home 28 wins and only 4 losses. They had an exceptional season that saw the team ranked #1 in the state in class 3A at one point. The Wildcats swept the sectional, but their winning season was cut short at regional. No matter, 2012 will go down as an exciting and successful season. Way to go Cats!

Mark Giesler is awaiting the arrival of the ball to get the runner out at first base.

GIRLS' TRACK & FIELD

This season, the girls put forth a great, winning effort. The Lady Cats were diligent and hardworking toward their goal to win sectionals and annihilate their competition throughout the season. Boys' Track & Field

Track and field is not just about running, jumping, and throwing. It is about teamwork, heart, and lots of hard work. These athletes spend time practicing to make not only themselves better, but also their team. Track and Field is a sport where both individuals and teams can achieve and advance. This year, many athletes recorded personal bests and worked as a team to reach their goals. Ted Krempp was honored as Most Valuable Athlete, and Aaron Gutgsell and Reid Milligan were named All-Conference and Most Improved and Most Valuable Freshman, respectively. Nicholas Hilgediek received the Mental Attitude Award.

Jacob Turner (11) reached his personal best of 12 feet in pole vault at sectional. He placed 3rd overall and qualified for regional.

GIRLS' TENNIS

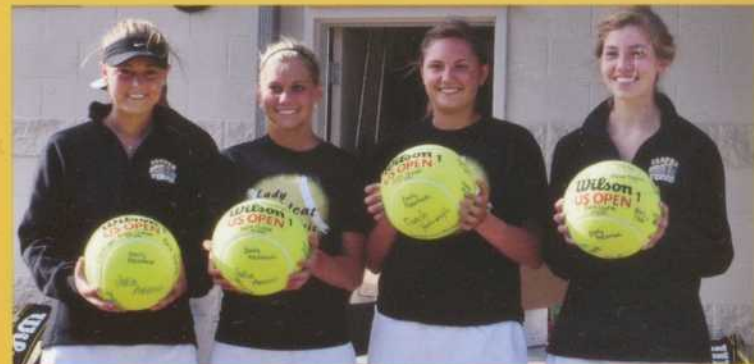

This year, the girls' tennis team was more than prepared to face their opponents. With the new indoor tennis courts, they got all the extra practice they needed before the season started. Many of the girls had to fight through injuries, but they came out on top. At times, their injuries even caused them to have to switch the doubles lineups. This team of experienced girls was ranked #5 in the state this year, and they won the Silver Creek Invite, Jasper Quad Tourney, and Jasper Invitational. The girls worked their way all the way up to becoming finalists in the State Championship.

The team is intently listening to their coaches plan their strategy before a match.

Boys' GOLF

Golf- the sport where having a low score is a good thing. This season, the boys golf team placed third in the state, which is the best they have ever done! Will Seger led the boys to this victory by getting the best score of the team. All Conference awards went to Will Seger, Ian Weyer, Dru Hein, and Michael Bies. Seger was also name Most Valuable Athlete, and Mental Attitude Awards were shared by Bies and Weyer.

12th man

We in the cheer section intently watch the football game. We are so in touch with the players that we are almost part of the team ourselves. We are the 12th man.

Dillon Hurst is thrown high in the air by the excited crowd.

6th man

Here in the cheer section, we encourage the 5 basketball players to always do their best. We in the crowd play an important part in the game; we are the 6th man.

FRESHMAN DANCE

The Freshman Dance was a blast from the past! Seniors came in "Party Rockers" with style. Juniors had "Business Attire" Come-back". The Sophomores split up with boys in white and girls in black. And, for the Freshmen...Well, let's just say they went Free Stylin'!

WINTER FORMAL

2012 was the first year that Jasper High School had a Winter Formal. The cafeteria was decorated in snowflakes made by students. There was a former student back to DJ with the awesome strobe lights and crazy music to dance to. The dance was a major hit, and future classes will be able to enjoy it as well!

Basketball Homecoming

Allison Rominger and Josh Vollmer were crowned Homecoming Queen and King. They both have been major contributors by achieving high academic scores, exemplifying sportmanship, and providing excellent leadership at Jasper High School! Each class selected outstanding individuals to represent them at the Basketball Homecoming. This was a night of elegance for the students and definitely one of the most memorable of the school year!

Veterans' Day Program

The veterans stand while being recognized for their service to our country. During this program Sergeant Gary Love (pictured far right) gave his encounter of his war experiences. The choir sang some very moving songs, the band played a tribute to all armed forces, and Josh Vollmer read a speech that he wrote for the occasion.

GRADUATION

Graduation is a time of tears and cheers, farewells and new beginnings. According to Mr. Hacker, the graduation of the class of 2012 was a great accomplishment and a chance for them to finally "throw the monkey off their backs." From the moment he laid eyes on this class, Mr. Hacker saw potential, unlike most other administrators. His faith and encouragement were rewarded on the 25th of May at Memorial Gymnasium in Huntingburg when 214 seniors turned their tassels and reached the greatest accomplishment of their lives up to this point. Mr. Hacker will be missed at JHS as he takes over as Assistant Superintendent next school year. As Josh Vollmer likes to remind the class, however, the class of 2012 is known for its high turnover rate of administrators. Congratulations Class of 2012!

Jenna Cushman welcomed the graduates and their families.

208

Retiring Assistant Superintendent Mike Hile was presented with gifts and much gratitude for his many years of service.

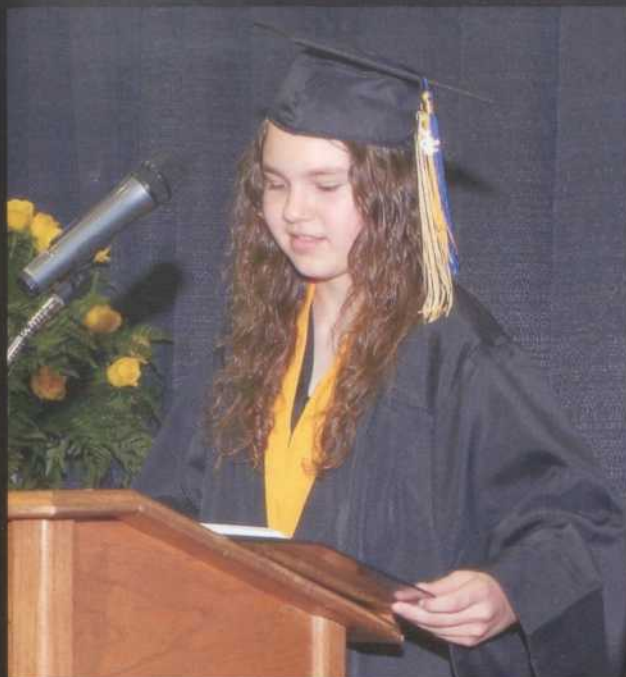

Retiring teacher Sally Schmett was honored for her years of service and positive influence.

Retiring Superintendent Jerrill Vandeventer received a gift and an emotional farewell from Mr. Hacker.

Thomas Lowrey and Emily Ketzner were recognized as National Merit Scholars.

Valedictorian Brittany Rasche encouraged fellow graduates to pursue their dreams for the future.

Salutatorian Emily Ketzner congratulated her class on a job well done.

Josh Vollmer gave a rousing speech then proceeded to present gifts to Mr. Hacker, Mr. Vandeventer, and JHS from the senior class. These momentos will forever be reminders of the Class of 2012 and their great accomplishments.

The clarinet section vigorously played traditional graduation medleys.

The band did an excellent job despite above average temperatures and lack of air conditioning.

Choir members anxiously await their turn to perform.

These outstanding ladies helped hand out programs at the Memorial Gymnasium.

Josh Vollmer led the class of 2012 in the tradition of turning their tassels.

Yearbook is a group of teens and young adults of all grades forming into one to make the best yearbook possible for parents, teachers, and of course, our senior class. We like to say that this is their book, dedicated to the senior class and their accomplishments. As this year comes to a close, we would like to thank our seniors; Emily Allen, Victoria Hickman, Brooke Schneider, and Taylor Schulte for all their dedication to this yearbook with their busy schedules. Also, a big thanks to the Freshman and our two Sophomores who have made a tremendous commitment to this yearbook. Also, one last thanks to Cam, our yearbook advisor from Jostens, for all the help he has given us and for always answering all our questions.
