Congradulations, Class of 2013!

SENIORS CLASS OF 2013

Graduation day is finally here, And so now ends your high school career. Always remember the friends you hold dear, And look toward your future without any fear.

This is the day you've been preparing for Since the day you walked through that first classroom door. Now it is time to say good-bye, And spread your wings - you're ready to fly.

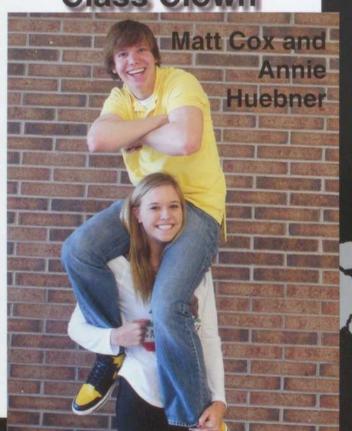

So shed a tear and share a smile, And be sure to remember all the while, That although it may now be time to move on, Today's memories will last your whole life long.

Faculty & Staff RETIREMENT

Mrs. Waquer

After teaching for thirty nine wonderful years, Mrs. Wagner's journey at Jasper High School has come to an end. A 1969 JHS graduate, Mrs. Wagner received her degree from Indiana State University and began her teaching career at Henryville High School. She then returned to Jasper to teach. During her years of being a teacher, she received the Distinguished Faculty Advisor for Key Club in the Indiana District each year from 1996-2006, a service award from Jasper Kiwanis Club for her service to Key Club, JHS Teacher of the Year Award in 1981-82 and 1983-84, and was honored as a positive educator/influence multiple times. As a member of the Jasper Classroom Teachers Association, she received the Uniservice Treasurers Award several years in succession. Something very interesting that Mrs. Wagner witnessed during her first year of teaching at Henryville in 1973 was the first year the Jasper Marching Wildcats won state. Now, wrapping up her final year here, she watched the marching band succeed again in winning the state title. As for her personal life, she has three children along with three grandchildren. She has also been married for thirty eight years to Terry Wagner. Mrs. Wagner will be greatly missed by the students and staff of Jasper High School.

(Above) Maggie Billings (9) was called to the office. She sits and waits to see what is in store for her.

Mrs. Ruff (Below) is a parent helper and a big help for our school.

(Above) Nate Messier (12), Lyndsey Korn (12), and Mrs. Stenftenagel ponder at the amazing work that is carried out within the Athletic Office.

Parent volunteers are a big assistance for our school. They help keep everything organized and make the office run smoothly day in and day out.

(Right)
Mrs. Hutton, our school nurse, is looking through some papers.
(Far Right) Our victorious victory bell is ready to ring daily in celebration of student accomplishments.

Got a problem? Have a question? Need directions? Go to the office. Here you can find the people that we call the Control Unit. If it weren't for them, our school could not and would not run smoothly. In the office, you can find the nurse, who can treat all of your sicknesses. If you get here at the right time, you may see our principal, Mr. Wilson, hard at work (if he isn't in the office, he's busy somewhere in the school!). Our amazing parent and student helpers are also hiding away in the office helping others. Go to the Control Unit when in doubt.

Meanwhile...

(Left) Mrs. Schum and Mrs. Tooley look over schedules for the students.

(Below) Two key helpers in our school are Mrs. Stenftenagel and Mrs. Werner. They both help carry out our schools needs and are key contributors to our amazing faculty.

Building Readers

The library is a quiet place to read, do homework, print a paper, work on a class project, or study. Here you can find many books of many genres. Students from all grades depend on the library for every need. The many wonderful books are the building blocks to our house of education. Mrs. Hurm, the librarian, is great about helping students whenever they need it.

Whether it is non-fiction or fantasy, you can find it right here in the wonderland we call our library. Below you can see Mason is getting ready to investigate a wonderful book that will open him up to a new world!

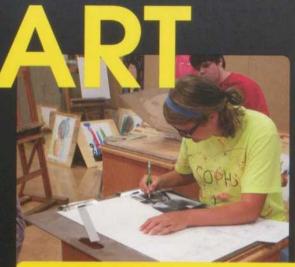

Mason says,"I think the library is good for anyone that has a project due and if you want a good book to read."

Building Creativity

Art classes are designed to expand the abilities of students' creativity towards all forms of art. Art is filled with many different forms including drawing, sculpting, and painting. Art does not only help students get their creative juices flowing; it helps them build character.

Building Professionalism

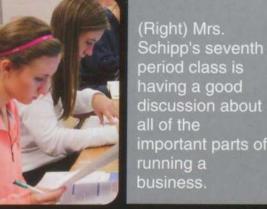

Business classes provide students with skills that could be used in future careers. In business foundations, students learn how to budget their incomes. In computer applications, students learn to type reports, letters, agendas, and spreadsheets. In marketing, students are introduced to the world of advertising. Business foundations, personal finance, and advanced computer applications expose students to real-life scenarios.

Building Reading Skills

Students build a strong foundation of literary awareness in English class. English is vital to the success of all students and is a subject that is utilized in all aspects of our lives. No matter what profession one decides to pursue, English comprehension is a necessity. It is not just essential to journalists or authors. Everyone must have a thorough grasp of the language in order to create an adequate resume for applying to any job.

Building Cultural Awareness

Foreign languages are becoming much more important in today's society than they were in the past. Whether you are studying Spanish, French, or German, you are learning the building blocks for tomorrow. This year, the Spanish classes celebrated Dia de los Muertos on November 1st. Dia de los Muertos means "The Day of the Dead". The French classes participated in Hot Chocolate Fridays. Some of the German students (along with students who weren't in the German class) got to host exchange students from Germany for a few weeks. The foreign language classes are changing the world, one language at a time.

Building Knowledge of Our World

In Science class, we observe, experiment, and study the world around us. We learn a lot by testing, experimenting, dissecting, and collecting data from labs. We use this information to learn about our environment and become more aware of our surroundings. Our Science teachers are educating the students about the world around us. All in all, science is benefiting our society in a positive way.

In Chemistry class, students learn about the periodic table and how certain elements react to other elements. The teachers do demonstrations and explain why things are happening the way they are. One of the demonstrations Mrs. Elrod does is the exploding pumpkin on Halloween. She puts some chemicals in the pumpkin, lights a lighter in the pumpkin, and then waits for the loud boom to happen.

Building Knowledge About the Past

Here in our history classes, we learn about the importance of the people that came before us. Whether we like it or not, history will always be a part of our lives. After our classes, we will be much more aware of the world around us. From World History to Economics, everyone at JHS is now more in touch with their ancestors. Whether we are learning about wars or gaining knowledge about old cultures, we are retaining important historical information.

Building Skills

(Below) The Mary Kay specialist, Oddity Weller, and Ana Pulido just finished getting their make-up done by the make-up artist.

This course is for grasping the concept of life skills. Students get to go out in the community and practice these newly learned skills at places like Big Lots and Goodwill. They get to straighten shelves and organize things. At IGA, they have to sweep the floor and bring shopping carts from the outside to the inside. At the football fields, they pick up trash and keep the place tidy. While in class, students get to learn how to do laundry and cook. These techniques are used to learn how to be successful in life.

Student Council

This club has a ton of school spirit. They create all the spirit days, and they make exceptional homecoming back drops. This club supports the community by bringing in Christmas gifts for families in need, raising money for Riley's Children's Hospital, and organizing a food drive. The top homeroom brought in 815 items for the canned good food drive. They also plan all the school dances and an exciting volleyball tournament. Their cookies are served daily in the cafeteria and are to die for! No one can resist the delicious cookies! This year the Student Council hosted a Thanksgiving dinner during school. They helped wash dishes and serve lunch. Members also brought in desserts to give to the students.

Symphonic Band

Under the direction of Mr. Goodhue, the band performed the song "Monkey" to perfection. To be in this band, you have to be chosen, or you have to audition. This is a group of prestigious high schoolers who practice after school multiple times a week. This year the symphonic band qualified for the state competition at Butler University at which they placed ninth out of 13 bands.

Concert Band

This year the concert band played exceptionally well. At the concert band contest they received a gold rating. They were challenged with a ten minute song called "Tempered Steel". The concert band was directed by Mr. Keeley. They also played "Old Red Mill" and "The Viking".

These performances wowed both the audience and the judges with their spectacular sound. The band also looks forward to performing at graduation every year.

Color Guard

This year's marching band show was *Trinity*. The color guard sported new blue uniforms--meant to represent the Virgin Mary--for this year's season. "The guard adds to the band's performance with flags, rifles, and sabres," says junior Andrea Carie, who performed on flagline this year. The guard was led to a state championship by seniors Tom Reinsch, Brooke Wessel, Melanie Martin, Mikaela Lechner, and Madisyn Lehmkuhler. Though the hard work was stressful, seeing the trophies definitely proves that it was worth it.

(Above) Kelsey Siewers (11) elegantly finishes her routine for the first song in the state championship performance.

Choir

The Jasper High School Choir sang their hearts out this school year. With booming voices and bright faces, they sang at many of the school's events to show us how music can move someone. Some of these events include: first period of Shakesfest, The Anything Goes Concert, a Spring Musical, and many more wonderful shows. The choir, being a talented group, shows Jasper the power of music.

football

This year the Jasper varsity football team had a fantastic regular season with many wins and few losses! The captains this year were Devon Traylor, Jesse Schmitt, Cory Hoffman, and Nathan Leibering. These four seniors led the Cats through an outstanding season. After going undefeated during the regular season, the team took a hard loss to Reitz during the sectional playoff game.

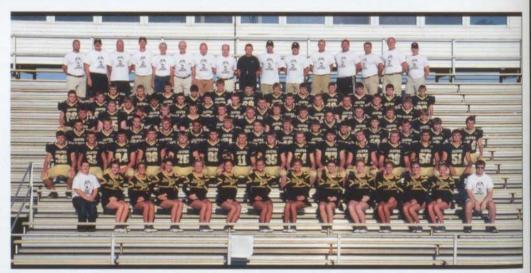

The Jasper football team shakes hands with a big rival team, Vincennes.

football

The Jasper football team, for yet another year, has kept up its tradition of sports success. Not only did varisty have a great season, but also the JV and freshman teams had a fantastic one as well. The JV team had a record of 6 wins and only one loss. The freshmen played a total of 8 games and lost only two. Overall, this season was a success for Jasper and a year for the freshmen and JV players to feel proud of a job well done.

cross girls

The Girls' Cross Country team faced and overcame many difficult challenges this year. The team was led by seniors Madison Dorsam and Jennifer Lynn. With their leadership, the team was able to be a top competitor at the majority of their meets. They ran hard and left all the other runners in the dust. The team was able to advance all the way to Semi-State this year. It was a great season, especially for Hannah Welsh (9), whose hard work paid off when she competed in the State Finals and placed 62nd out of a huge number of skilled runers. She was the 10th fastest freshman at the race. The girls look forward to advancing more runners next year.

cross country

The Boys' Cross Country team has had to face a great many challenges while competing fiercely with the other teams. Although they had to battle through illness and injury, they fought hard and did their best. When it came time to run, they were always ready. With leadership from seniors Matheu DeWitt, Austin Doersam, Austin Hoffman, Harry Hutton, Chance Schmitt, Matthew Summerlot, and Jacob Turner, the team did great and never gave up all throughout the season. No matter the distance, they are always ready to run.

As members of the basketball team, the Lady Cats always try their best.

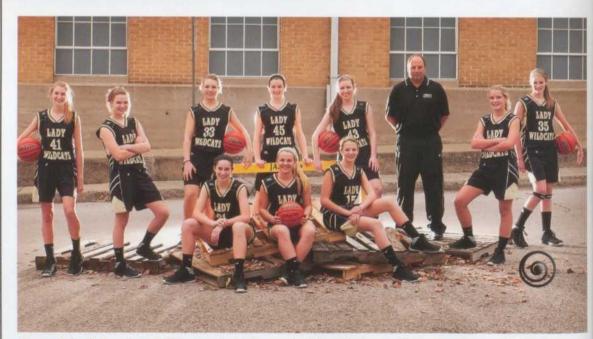

They practice **long** and **hard** to shoot accurately, dribble quickly, and run like there is no tomorrow. They swept the county teams (3-0) and beat Jefferson for the first time in a very long time. The goal for the underclassmen was to make an amazing program, and that is just what they did.

basketball BOYS

The JHS boys varsity basketball team had an extremely great season this year. They were led by seniors Nate Messier, Cole Sermersheim, Nick Gobert, Devon Traylor, and Mark Giesler. They fought long and hard throughout the year to be the best, and they have done a great job of just that. The team stuck together through the good times as well as the hard times. They always will continue to do their best, no matter what. Once the season ends and the seniors graduate they will pass on the torch to the next generation in hopes that they will also have another great season like this one.

basketball BOYS

Shooting hoops and making baskets is the way that both the JV and the Freshman teams like to play the game. Both teams have had a good year by playing hard and doing their best in every game. They have played well because they have both been playing like real teams. All of the members of each team can rely on each other in every game, and this has led to a good season for both. For next year, both will carry on this spirt of teamwork and do a great job when they move up and play their hardest, bringing them yet another good season.

With new head coach Jenae Gill's ruthless practices and the motivational pre-meet speeches from team captains Tabitha Pfaff and Alissa Haas, the girls were ready to swim their best at every meet. With a record of 11 wins and 5 losses, the girls finished the season with their fifth sectional win in a row. Sole diver Alex Hurm's second place finish at sectional qualified her for the regional competition. State qualifiers were Alissa Haas, Addison Nolan, Claire Egler, Abby Fleck, Cady Mehringer, Payton Painter, and Rachael Welsh.

baseball

Jasper varsity baseball has been the team to beat season after season, and this year has been no different. The boys had a great year, making it into the State championship. Jasper has only gotten better with the dedication the players have put in; this year's varsity team has clearly shown that year after year.

golf

The boys golf team has put in a lot of hard work and effort this season. They were able to accomplish many of the goals that they set out to achieve. Some of their accomplishments include winning countless matches, the Big 8, and advancing to state. The golf team constantly thrives to be the best and to be successful. The golf team always shows their talent, and we are proud of them!

Sara Hopf

Sara, Follow your heart and keep reaching for the stars and all of your dreams will come true. We love vou!

Mom & Dad, Emily & Zach, Katie &

Theresia Goeppner

Theresia, you are such a blessing! Remember what is most important in life is not things.

"Trust in the Lord with all your heart and lean not on your own understanding" Proverbs 3:5. We are so proud of you!

Love, Mom and Charlie

Congratulations Sara! We are so proud of you. Continue to follow your dreams and to always believe in yourself. Keep your faith, family, and friends close to you on your journey.

We love you so much! Mom, Dad, and Laura

Jordan Hartley

Jordan we are so proud of you and the wonderful person that you have become! Congratulations on all of your accomplishments. May God continue to bless you as you follow your future dreams. We love you! Mom, Dad, Jeannie, and Nick

Kirk Shepherd

There is no future good enough for what we hope to be, nor world with windows wide enough, for

what we hope to see.

Yet when we turn to compromise the dreams with which we wake, we'll glimpse behind a memory which we cannot forsake.

How beautiful this time of youth that is so quickly gone! We came to learn together, and in moments we are done.

How long we will remember the brief time when life would wait upon the true perception that comes always far too late.
So Proud of You!

Love, Mom, Dad, Craig, and Lydia

Tyler Jasper

From Tonka Trucks and Legos to cars and college, what a journey!!! I cannot tell you how blessed I feel to be a part of your journey! I have watched you grow, seen you overcome challenges, and have seen great works in your life! I am so excited to see what God has for you in the years to come! No matter where you are OR how tall you are, you will ALWAYS

With much love, many hugs, and loads of prayers (and flicks on the ear!!), Aunt Vicki, Uncle Shane, Madeline, Ella, and Hunter

CONGRATS GRADS!

Life is like competitive golf, having the confidence to face your opponents is only part of the battle. To succeed, you must be able to master the course.

Know that we will ALWAYS be in your gallery... We love you.

Mom, Dad, E.V., Mamaw Kaye, and Papaw Bobby

Jacqueline, I can do anything with the help of Christ who gives me the strength I need. Philippians 4:13 We are so proud of you! You're simply the best! Blessings of love, Mom, Dad, and Savannah

STAFF

Taught by the one who not only pushed us, but led us to a yearbook we can actually show off and be proud of. Thanks for a great year Mrs. Kennedy, with the assistance of Mrs. Overton!

Leah Hughes (11)

"Your yearbook is a time to review your year and the experiences you have had, the obstactles you have overcome, the things you have obtained, and the opportunity to see who you are. That is why I am here...to make a memory you actually want to remember."
This is Leah's 3rd year with the JHS yearbook.

Mariya Merkley (10)

"Yearbook can be really time consuming and stressful, but it's the only thing that combines three of my favorite things: grammar, design, and photography!"
This is Mariya's 2nd year with the JHS yearbook.
