We often ask ourselves as humans, what is our purpose?

We continue our everyday routine leaving imprints in others' lives without even noticing. This year will be the beginning for some and the end for others. We can create more memories and leave behind marks in the simplest way.

Your Editors,

Jace Kahle, Sydnee Kuebler, Kelli Reutman

# April 18,2015 GREAT SIB BY COM

1 King & Queen: Suede Weisheit and Allison Schroering

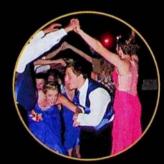

2 Prince & Princess: Davide Lippi and Aubrey Knies

Tristan Linne's (12) date to prom was Carly Ferwisie (10), his favorite part of prom was "being dressed up and looking all snazzy

Katelyn Bauer(12) and David Birk(11)

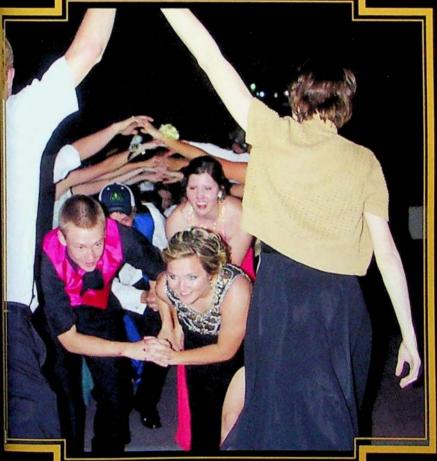

Mackenzie Zehr, who got to go to prom as a freshman, says her favonte part of prom was "dancing to the cha cha slide,"

Some students square danced!, even Mrs. Wineinger participated in the dancing!

- Evan Bauer (12) and Taylor Knight (11) went to prom together. They participated in this funky dance where couples shuffled over one another and then ran through!
- Nick Goller (12) used a box of fruit with a sign that said 'I would be <u>berry</u> lucky if you went to prom with me!' She said 'Yes!'
- 3 Allison Schroering was very surprised to be crowned prom queen. "I wasn't expecting it at all. it was pretty awesome. I was kind of in shock for a few minutes. I felt very honored that people liked me enough to vote for me."
- 4 "Apple Bottom Jeans" by T-Pain got many dancers to get low low LOW!

# THE ROARING

# JEEPS

POST PROM

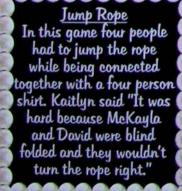

#### Big Dice Roll

To win this game you and a partner would each roll a dice and who ever rolled the bigger number von a dollar. Brittany won against Paige, and she said "I left post prom \$100 richer!"

#### Face Cookie

Face Cookie
To win this game you had to
get the cookie from your
forehead to your mouth. "I held
the record of 8 times in one
minute. I got banned from the
game because I was winning too
much money." said Harlee Zehr.
She played the game about 42
times and won about \$82.

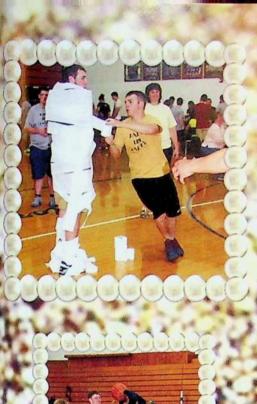

# Anything Goes Allison Schroering had to tie panty hose around her waist that had a potato in the bottom. She had to swing the potato to move a plastic cup across the floor. "I

had to swing my hips in an awkward movement. That was weird!" But she had fun and won \$60 that night.

Stack the Dice
Chardonay Sorrells tried
to stack six dice on a
popcicle stick being held
up by her mouth. To
win a dollar she had to
stack all six dice in
under one minute.

Money Machine
Taylor Knight took a
chance in the money
machine. It was difficult
to catch the real money
because most of it was
fake.

Front Row: Bryce Butler, Xavier Main, Liz Huebner, Nolan Rasche, Rachel Meyer, Uriah Acuff, Aubrey Knies, Megan Lueken. Kennedy Neukam Back Row: Peyton Hurt, Tyla Rasche, Lauren Lorey, Kelli Reutman, Sydnee Kuebler, Heaven Love, Jade Hoffman, Taylor Knight, Amanda Qualkenbush

For some members of the group, the trip home took an extra 26 hours because of a flight delay in Rome. Time was spent hoping to get a comfy chair, hanging out at the charging station, or walking around the airport and buying chocolate.

Guila was more than a tour guide on the trip; she became a friend to many, plus she made the trip way more exciting and interesting. One thing that will not be forgotten, is during the long bus rides when nearing the destination everyone would be awaken with her short phrase of "wakey, wakey" over the buses intercom. Even though everyone was tired and dreading getting up, her phrase never failed to put a smile on everyone's face.

On the first day arriving to Nice, France after a long five hour train ride, the group took a short bus tour and stopped at a place overlooking the Promenade des Anglais.

# Closing

And just like that... it's over. Another school year complete. Another sports season finished. Finals are done. Now it's time to enjoy two months of freedom.

Whether this year has brought more smiles or more tears, it has been one to remember.

As you look through these pages, we hope that you remember the good times you've had with your friends, teams, teachers, or whoever you spent your time with.

Now, as you either leave this school in your past or prepare to come back again soon, we would just like to remind of you one thing:

never be afraid to leave your own mark on the world.

Your editors, Kelli Reutman, Sydnee Kuebler & Jace Kahle
