What's Up Folks?

At Northeast Dubois, change is among us. Making the school an environment capable of encouraging students to work hard is something worth striving for. From painting vibrant murals on the walls, to a new and improved student lounge, our school has been making advances to becoming a more inviting place to learn.

As we start the new school year, many individuals are taking unfamiliar roles in the classroom. Mr. Matheis took over all biology classes, as well as Earth and Space. Mrs. Denu, a new addition to the staff, took the role of the Anatomy and Physiology and Human Development teacher. Along with teachers, the school earned a friendly extension. Cash, Ms. Russell's trained therapy dog, helps students to feel more relaxed throughout the stressful school day.

The kindness movement has single-handedly shaped the culture of this school. With the help of Mrs. Mundy and her team of students, the goal of this year is to make everyone aware that being kind matters.

As we tune in to the 2018-2019 school year, improvements will be happening all year round.

Tim Lampert School Resource Officer

Thank you for all you do for us, Tim! We appreciate it and love having you around. You make this school a much safer place!

"A good teacher can ignite hope, ignite the imagination, and instill a love of learning."

-Brad Henry

Penny Kerstiens

Penny has always been more of a mom than anything for more than just a few students here at Northeast Dubois. For seven years, she watched over all of us and helped us grow and mature into the people we have become. She held positions as an assistant, a secretary, co-treasurer, and later treasurer. All good things must come to an end, sadly, for she will be moving on to a new professional chapter in her life. Penny can now be found at Tri-Cap, spreading her light and love to the rest of the world. As much as we want to hang on, we will let go and send our love and best wishes with her. Best of luck Penny, you will be missed.

Our students shoot for more than just hoops. Hosa hosted their Holiday Shoot to raise money for local families in need

Here, at Northeast Dubois, we keep taking the small steps to make the world a better place.

Some students just shine when it comes to this, leading the rest of us to that brighter future.

"Kindness is, I believe, making other people happy and doing the right thing well, what you believe is the right thing, I suppose."

Adi Prok (12)

Just after an amazing performance with the seniors' production of the 'Lion King', these boys rest on the sidelines while watching their peers play kickball.

MARSHALL KNIES

● WHEN I WAS A CHILD, MY MOST FAVORABLE MOMENT WAS WHEN I SHOT MY FIRST BUCK.
● I WAS 11, AND IT WAS A SEVEN POINTER..

KEYTON HOFFMAN

● MY FAVORITE CHILDHOOD MEMEORY WOULD PROBABLY BE GONG TO LEGO LAND WITH MY
● COUSIN FOR MY BIRTHDAY.

JACKSON BROSMER

● MY FAVORITE CHILDHOOD MEMEORY WAS MEETING AND GETTING TO LIVE WITH DAVIDE, WHO
● WAS OUR FOREIGN EXCHANGE STUDENT FROM ITALY.

MADISON MCINTOSH

● MY FAVORITE CHILDHOOD MEMORY WAS WHEN MY FAMILY WENT ON VACATION TO ALABAMA. WE
● STAYED IN A HOTEL AND MY MOM BOUGHT SHAVING CREAM. SHE PUT SOME ON THE COFFEE TABLE
AND MY SIBLINGS AND I PLAYED WITH IT, DRAWING PICTURES AND THROWING IT AT EACH OTHER.

KIANA SORRELLS

● MY FAVORITE CHILDHOOD MEMORY WAS WHEN CHARDY, SHAMI, EMILY, GOFFINER, AND I WOULD MAKE
● PATTIES AND COOK THEM ON MY SLIDE TO BAKE IN THE SUN. MY MOTHER WOULD ALWAYS SAY WE
● WOULD COME BACK IN THE HOUSE COVERED IN MUD. AS THE KIDS WOULD BEYOND THE POINT OF
● MAKING MY MOM MAD WAS THE FUNNIEST PART OF THE ENTIRE EXPERIENCE.

We didn't realize we were making memories. We just knew we were having fun.

PATOKA LAKE CLEAN UP

For years, Northeast Dubois Beta Club has volunteered at the Patoka Lake Clean Up. As each group of students got their own section, they searched for miscellaneous trash and recyclables. The contribution helped Beta members get points and made the Patoka Lake region a much cleaner area.

"I believe the Patoka Lake Clean Up shows young individuals how important the lake is and how they can take a vital role in preserving it."

- Luke Woolems, HR/IT Specialist at Patoka Lake Water & Sewer District

Trenton Harrison (11) and Elizabeth Kunz (12) competed in Banking & Finance and Personal Finance Management at the Regional Leadership Conference (RLC) held in Evansville on November 30th. Marching Band

Middle Schoolers

"One of my favorite competitions was our state competition. I say this because at all of our other competitions, you never walked of that field happy. You never walked that field saying it was the best run of the year. At our state competition, everyone was happy, everyone agreed that it was the best run of the year, and everyone walked off that field proud!"

- Senior, Addison Kurtz

FRESHMAN

Sophomores

The Marching Band's movements consist of intensity and purity. "Into the Clouds" has the meaning of trying to get off the ground and into the clouds—pushing forward. "O" consists of purity. The beauty and calmness of what's seen in the sky. "Into the Sunset" was a victorious movement. Finally proceeding and conquering the sky. The intensity and boldness of the movement creates the flow to success. Never giving up.

"The bus rides to competitions are probably my favorite memories. They were much fun, and we could always be ourselves. They genuinely made me happy."

- Freshman, Sabrina Dunning

"Jasper competitions are always my favorite competitions. I feel like we always do our very best there and it's very exciting to hear what we get."

- Freshman, Jade Mundy

"[Proceeding to state] made me feel like a rockstar. It was the best feeling ever, winning something big with my band family, means the world."

- Freshman, Kasey Verkamp

"[Making it to state made me feel] pumped, excited, relieved, and satisfied because we had [finally] achieved our goal."

- Junior, Austin Palmer

Family is Family.

The High School's Soundtrack

This year, the Marching Band's show is called *Fly On*. The movements were called "Into the Clouds," "O," and "Into the Sunset." Awards received at Paoli: 2nd place, best percussion and best color guard. Floyd Central: 3rd place, best percussion, and best field commander. Springs Valley: 5th place. Jasper (Prelims): Gold.

Seniors

"[The one thing I will miss the most are] all of the people. They made me feel important and loved... like I had some purpose, even for a short time."

French Club hosts monthly events. They differ from International Nights, where they go to eat at different cultural restaurants, to Movie Nights. For the Christmas season, the French and Spanish Clubs partnered together to go caroling in their new languages to the wonderful people in Northwood Good Samaritan Nursing Home in Jasper.

Spanish Club gets together once a semester to go out to eat. This year they went to Los Bravos and El Maguery. The club also joined with the French Club students and went Christmas Caroling at the nursing homes. Every year the club celebrates Cinco de Mayo, a Spanish holiday, by making food and having a pinata. The Spanish students also wrote children books in Spanish and read them to both Celestine and Dubois Elementary.

What do you think was the team's biggest win this season and why?

Springs Valley, we really came together as a team that game. Plus it didn't hurt that they were the reigning sectional champs, so that gave us confidence going into the rest of the season.
- Chloe Terwiske (11)

Obviously Springs Valley because it was such a high intense game and they were a big rival/sectional competitor.
- Kendyl Heeke (12)

Springs Valley because we all wanted to win so bad and we all had so much fun playing that game.

SENIORS

Logan Dodd states the person he looks up to while playing basketball is Dexter Royer.

Lane Knies

"These young men are just an all around good group of kids. They never backed down from an opponent and always displayed grit and determination. I'm passionate about basketball because, we live in Indiana! I looked forward to Friday nights. The excitement, enthusiasm and atmosphere is simply unmatched."

Quote Me.

"I'm not really sure why I like basketball. It just kinda clicked, and I found an interest. I grew up playing and watching basketball so it just grew into something of a passion."
- Trevor Seufert

"I've liked basketball since I was little and I have always stuck with it. My grandpa always motivated me to do my best and supported me through the seasons. He always liked coming to my games and that's what drives me."

Basketball is very hard to be successful at. It takes a unique combination of teamwork, trust, and talent to be successful. I feel that there are many, many life lessons that can be learned teaching and playing the game of basketball.
- Varsity Coach, Terry Friedman

"The reason I like basketball is because I like being challenged and part of a team. The hardest game I played was against Wood Memorial, because they were hard to guard."

"I'm passionate about basketball, because even if you are having a bad game, you can still help your team win so you're never really excluded."

"Whenever I was younger, I loved Kobe Bryant. Also, my dad used to talk about high school basketball all the time, which made me want to become a high school basketball player."

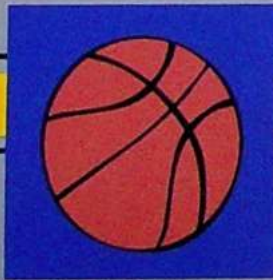

Boys JV Basketball

"I'm passionate about basketball, because of the spirit and enthusiasm that it brings out of people. Getting a group to work together and achieve great things, that's why I wanted to be a coach."
- JV Coach, Travis Schroering

"I truly love the game of basketball and everything that goes with it. I love the grind to prepare and practice everyday, the comradery of the coaches, and the relationship you can build with players. I enjoy the journey throughout the season that a team must take to get from where they are initially to where they want to be at the end!"

Breanna Holden, Grade 10, "It happened to be my birthday, I was kinda nervous, because it was my second time playing singles all season. It was the first single I had won which just made me so happy beyond belief. That was my favorite memory from the season."

"I love every single one of my team members and they have each made me into the player I am today. We always have each others backs when we need words of encouragement or just a reality check. We've had so many laughs and little inside jokes throughout the season, but my favorite memory was winning sectional. The moment Chloe won her match and we had secured the sectional win, I think it was the most emotional and rewarding moment of my tennis career."

Madison Voegerl started bowling in 8th grade, she was inspired by her brother to join. This year she was able to go to regional.

Evan Dunning managed to improve his average and make new friends, both were his goals for this season. He says that he will miss the people he met the most as he finishes out his senior year.

Kasey Verkamp had a goal to hit 2 strikes per game, he did not reach it but he plans to keep working towards it.

How would you define intramural basketball?

"Oh, I love intramural basketball. Lots of effort and dedication go into this activity. It's like the rush of the real deal, without all the practicing and running." - Macie Brinkman (11)

"I would define intramural basketball as one of the most fun activities the school provides. It's a good way to get some easy fitness, as well as a way to just hang out with friends and play a nice game." - Jackson

Gavyn Gogel (11)

Gavyn is in his 4th year of racing motorcross. Gavyn started out drag racing until a friend of his introduced him to motorcross. He will soon be working towards getting his AMA license. Gavyn goes to many tracks racing his dirt bike but his favorite track is down in Daytona Florida. His word of advice is " Don't be afraid to face new challenge."

Braiden Beckman (9)

Braiden races motorcross, he was brought to his first motorcross race by his dads friend and thats when Braiden knew he wanted to race. After that race, Braiden's dad helped him get started. Braiden's dirt bike is red and black but his uniform is orange, blue and white. Braiden informed us that "these colors don't mean anything they are just my favorite colors." Braiden has been racing for a couple years now and he's found that his favorite track is the Parsons track.

Tyler Weikert (10)

Tyler started off riding 4-wheelers and then started to get a dirt bike. As he continued to ride his dirt bike Gavyn Gogel helped him get started with motorcross.

Beau Linne (10)

One of Beau's hobbies is riding dirt bikes with Tyler Weikert and other friends. They all ride around together. Tyler helped Beau get involved in riding dirt bikes. Beau likes to do burnouts and ride in the creek by his house. Beau is not involved in motorcross like Tyler but he still enjoys riding his .

Zach Troxal (10)

Zach and his horse Star are both in 4-H, barrels, poles and flags. His mother really helped him get started and help him work at this hobby.

Wild

Tucker Neukam (10)

Presley and Tucker Neukam have been involved with horses ever since they have been little. With the help of their parents they began 4-H, barrels and poles. They have been to many different events at many different places including the following: North American Livestock Expo in Louisville, KY; National Pole Bending Show in Cloverdale, Indiana; Indiana State Fair; National Barrel Horse State Show in Edinburgh, In; American Quarter Horse Show in Richmond, Kentucky; Boonville, Evansville, Princeton, Bloomington in Indiana; Illinois

Presley Neukam (11)

Tanner Beckman (11)

Tanner has been involved in 4-H for 7 years. He started showing cows because he thought it was "cool". Tanner pulls tractors once a year at Celestine street fest because "all that black smoke looks cool". Tanner's advice is "Just send it".

Nick Lueken

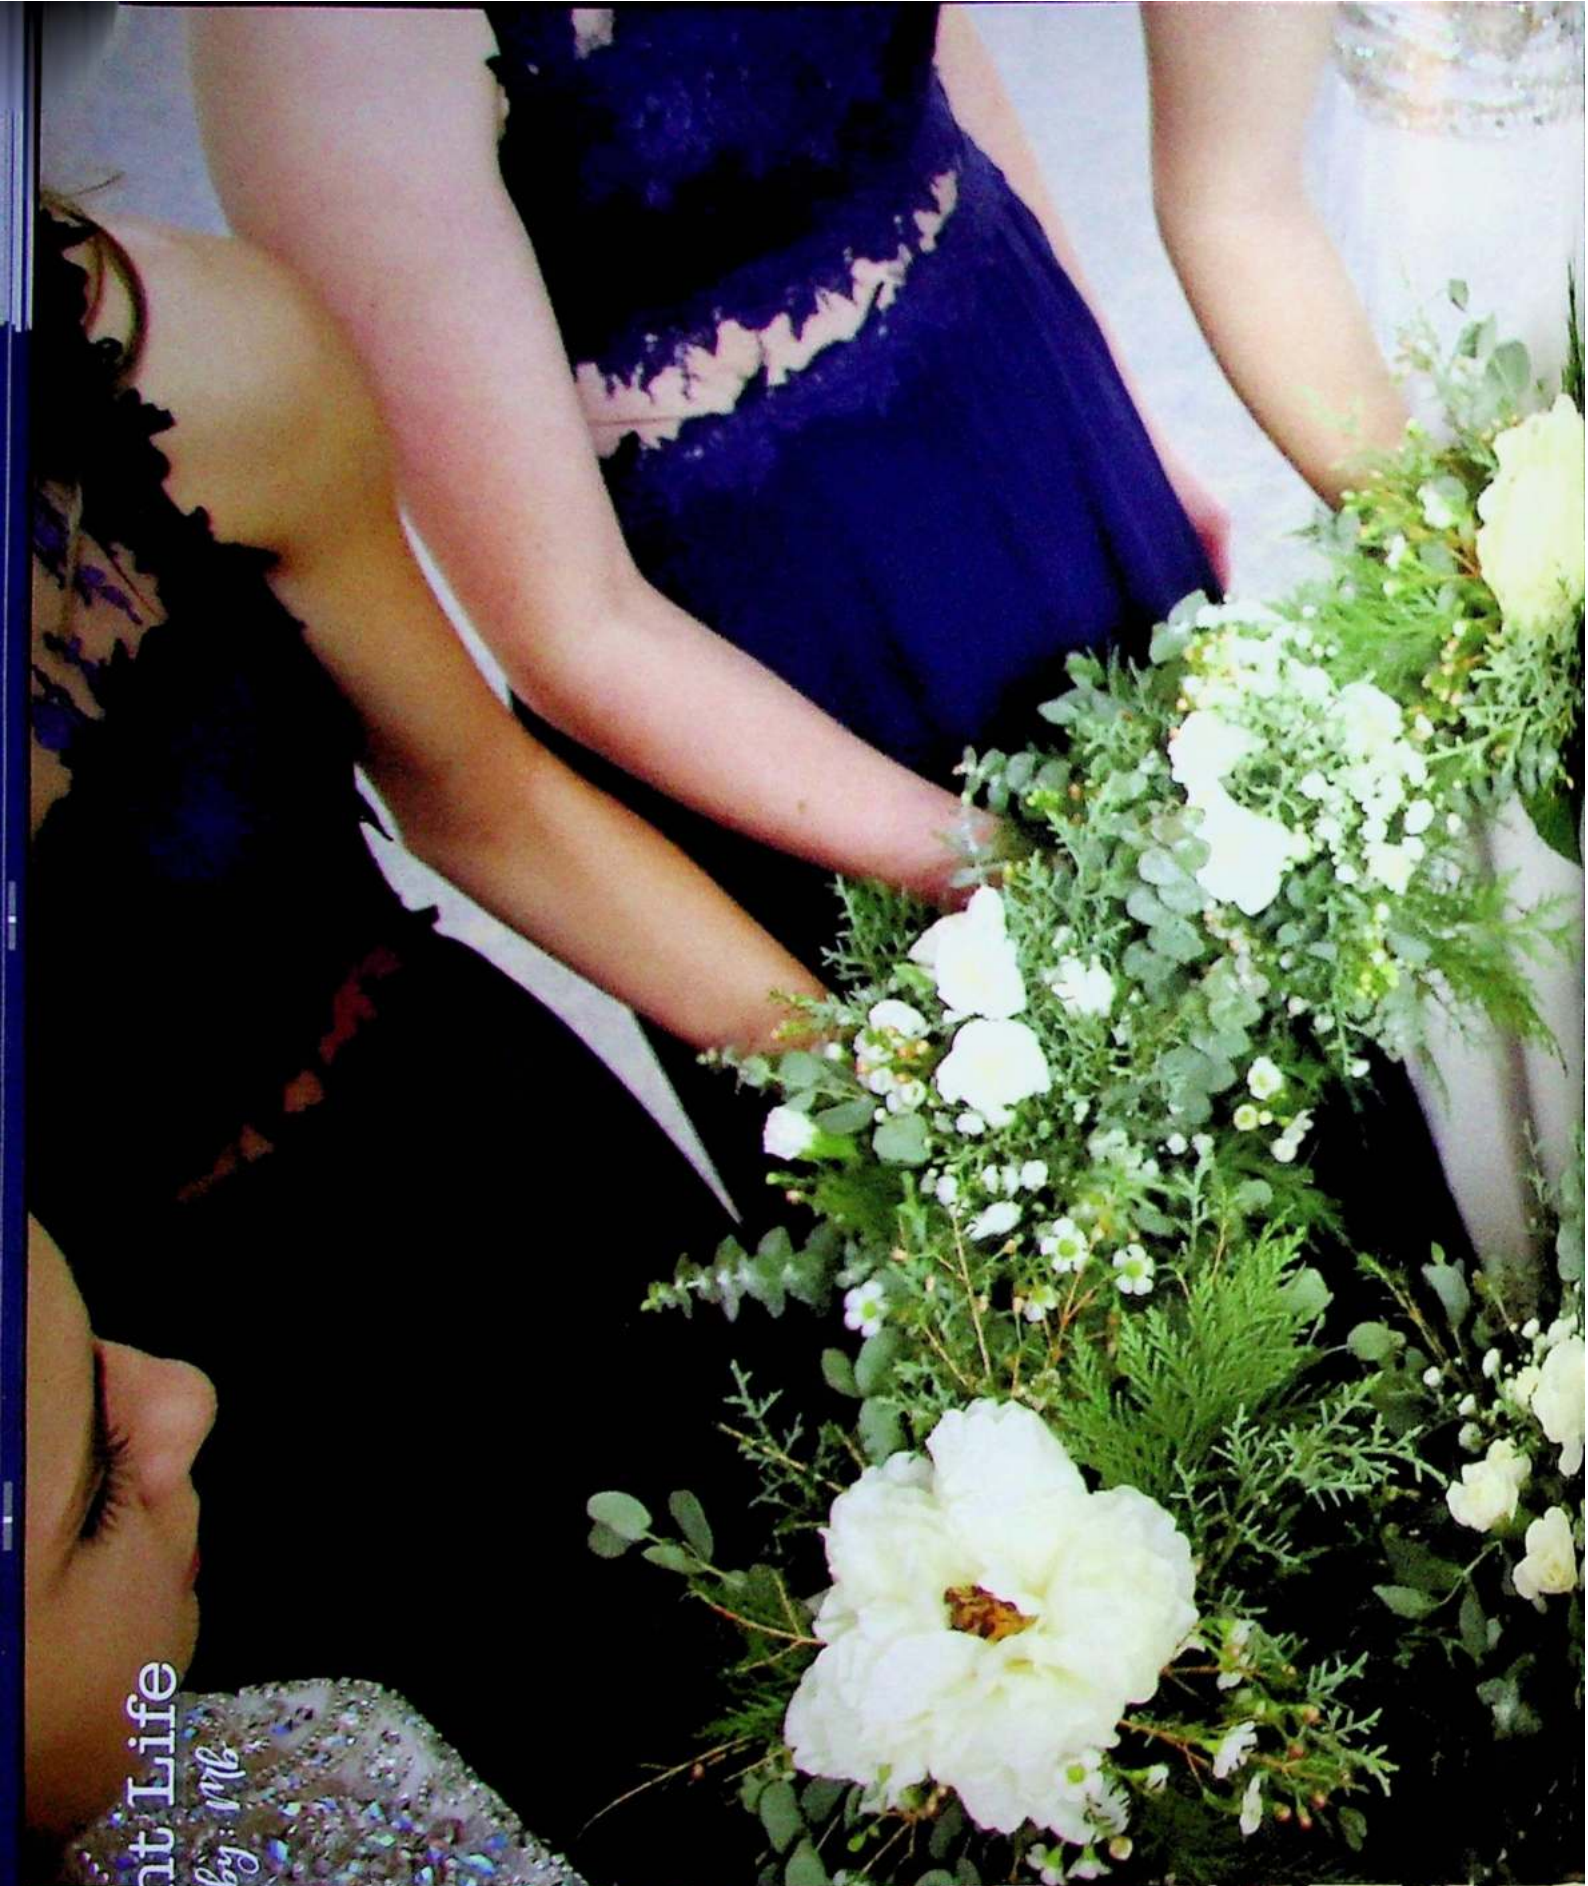

Nick has been in 4-H for three years showing pigs. Nick got involved with this with the help of Tanner Beckman. "Tanner asked me to go help him and I didn't want to work so I just showed pigs." Nick said. Some advice from Nick is "It's not for everyone."

Payton Bowles (10)

Payton has been in 4-H since the second grade. Last year was the first year that she got to show her sheep Daisy. She began showing her sheep just because she had them and it was something new she could do with 4-H. During her down time she works with the sheep and prepares them for the fair. Payton has a total of eight sheep and hopes to get more soon.

Holiday Ball

Holiday Ball, of this year, was held at the Celestine Community club on November 16, 2018. The theme of this years dance was 'Autumn Nights'. They decorated the club by using hay bales and pumpkins on each table and cornstalks. They also decorated the tables by using candles by the pumpkins. All the students were served with snacks and drinks . The DJ for the dance was Boogie Tunes.

*King - Logan Dodd
Prince - Colby Stafford*

*Queen - Hannah Schepers
Princess - Madison Cave*

Addison Kirchoff and Dakota Roach were battling in a dance off. They had the audience screaming and clapping from excitement. The number one dancer of the school was judged by the audience and ended by choosing Dakota.

Before the Holiday Ball this year, a group of Juniors met at Madison Cave's new house for snacks and socializing with friends.

Holiday Ball 2018

A group of Seniors gathered at Delaney Rasche's house before Holiday Ball for food, pictures, and memories. All the girls then got together and took a big group picture. What better way to spend your last Holiday Ball then with the people who you grew up with.

Enchanted Forest

On April 13, the middle school auditorium was transformed into an enchanted forest. As you entered, trees, lights, ivy, and tree stumps decorated the foyer, hallway, and main room. Students danced from 6:45 to 10:30, then ventured up to the Candy Land themed post prom.

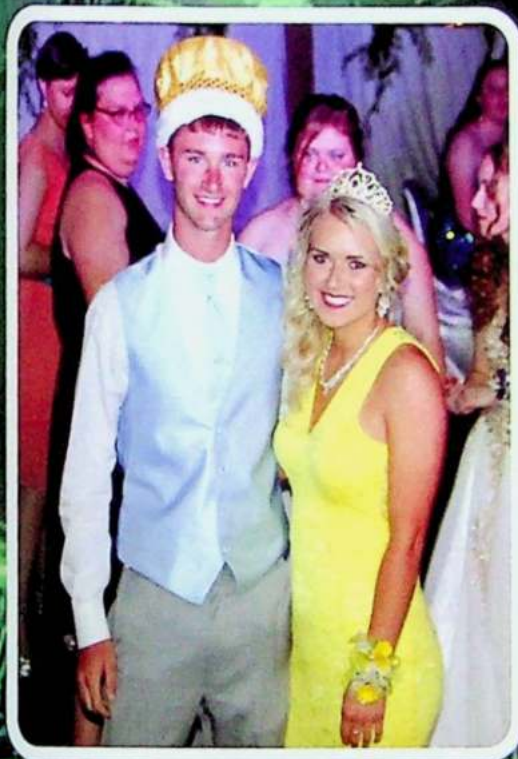

Boogey Tunes

provided the music for prom this year. Students were very pleased with the music and all around had a great time dancing the night away.

King & Queen:

Boogey Tunes played songs like Old Town Road, Low (ft. T-Pain), Thotiana, and many slow songs. Many individuals expressed themselves with unique dance moves. The juniors who participated in decorating and putting everything together did an amazing job.

Fun in the Sun

In Closing,

The school year of 2018-2019 has been filled with life experiences and full of ever-lasting change. Not only have we expanded our knowledge by adding new clubs, classes, and a mock trial every other year, we've also learned to spread kindness to everyone around. While thriving to become the best we can be, our 2019 class went through highs and lows, only to become successful and make not only ourselves, but others proud. We are farmers, artists, musicians, photographers, engineers, athletes, etc. We are kind, compassionate, and strive for greatness. We are one in a billion. We want to make a difference by using our creative abilities to change the world. We are Northeast Dubois.

Yours Truly, the Editors,
Lisette Moya and Brooklyn Dodd
